31 Days of Praying God's Wisdom for My Children

God wants to bless our children with an abundance of wisdom. He greatly desires for them to be wise and knowledgeable, whether they have to deal with simple or complex circumstances at home, in school, with friends, or even when they are just sitting around and having fun. God is eager to anoint them with the ability to be aware, alert, and balanced in the running of their young lives. He so wants to bless our children with the Fruit of the Spirit, helping them to pursue excellence in daily living by planting good seed in fertile soil to bring honor and glory to His name. Our gracious Lord has fashioned mothers to be tender and loving, yet firm, natural nurturers of their children. He uses us as moms to assist Him in the shaping of our precious offspring. For He knows that left to themselves, our kids are prone to being selfish, self-centered persons who have the natural tendency to do perpetually silly, unproductive things. Their minds can become consumed with what is right for them: what they want for themselves, what makes them feel satisfied, what they should be entitled to, or what they think they deserve. And society often promotes and encourages such vain mindsets. Youngsters today are growing up in a typically "I" consumed nation. Let's face it; choosing to live selfishly is natural. Living wisely, on the other hand, is something one has to be proactive and intentional about, something that has to be taught and instilled. In other words, our children need help! Our little ones especially need God's help if they are to succeed in making wise decisions for the many concerns in their lives, but they also need our assistance. In the midst of such an unhealthy standard of living, moms are challenged to groom and foster positive growth in their offspring. 31 Days of Praying God's Wisdom for My Children is a prayer book that focuses on insights gathered from a selected verse or verses from every chapter of the book of Proverbs. It is written as a prayer guide to support and help mothers, who in this ambiguous culture, genuinely desire God to fill their children with His wisdom enabling them to live holy, God-honoring lives, and bringing strength, direction, and stability to their daily walk. The great need for wise insight is highlighted over and over again in the book of Proverbs. This book teaches us honest truths about how to use wisdom in watching what we say and do, and how we should treat others. It gives us sound principles for living holy and devout lives that bring honor and glory to God. It uses words like wisdom, knowledge, understanding, and instruction, again and again, to assist us in gaining a God-perspective for any given situation in life. The book of Proverbs indeed gives us instructions on how to grow in wisdom. This devotional book will encourage all of us as moms to take out 31 days of focused time, seeking God in prayer for His wisdom, His guidance, and His direction for the many concerns and situations in the lives of our children. It will inspire mothers to look to His Word in the book of Proverbs and to pray that God's Word would take root in our posterity, strengthening them so that they can apply His insights to their daily lives. This prayer book also seeks to inspire women to take time out to listen to God and to journal (Wisdom Notes) any directives or insights He imparts to them concerning their children. Most of all, it strives to inform us, determined moms, that we are not alone, that indeed, many others will be taking this exciting journey with us - praying persistently for our youngsters and gleaning God's perfect plan and vision for their lives! 31 Days of Praying God's Wisdom for My Children encourages mothers to pray for our precious children to grow in wisdom day by day. We pray. God answers.

The Holy Bible

Pagan philosophers of old spoke of virtues of justice, self-control, prudence, and courage as necessary for a civil society. However important these may be, Scripture tells us that Christians have three chief virtues necessary for living a truly virtuous and godly life before God: faith, hope, and love. In this book, Godefridus Udemans carefully explains the Apostles' Creed, the Lord's Prayer, and the Ten Commandments, using them as standards and guides for cultivating faith, hope, and love in our hearts. Udemans particularly excels in demonstrating the practical relevance of these teachings, making this not only an overview of Reformed doctrine but also a handbook for living blessedly forever. Table of Contents: Part 1: The Chief Christian Virtues Part 2: The Practice of Faith - The Apostles' Creed Part 3: The Practice of Hope - The Lord's Prayer Part 4: The Practice of Love: The Ten Commandments

Series Description Classics of Reformed Spirituality Series offers fresh translations of key writings from the seventeenth and eighteenth centuries, making them accessible to the twenty-first century church. These writings from the "Further Reformation" in the Netherlands offer a balance of doctrine and piety, a mingling of theology and life that has seldom been equaled in the history of Christianity. Each book in this series will provide invaluable insights into a vibrant part of the Christian heritage.

Cassell's Illustrated Family Bible

"Nave's Topical Bible," the best known of all topical bibles, has been a valuable Bible-study reference and a best-seller for more than 75 years. It is a comprehensive digest of over 20,000 topics and subtopics with more than 100,000 associated Scripture references. The most significant references for each topic actually include the full text of the verse cited--saving the need to separately look up each verse. Because "Nave's" groups verses by "idea" (or "topic"), it offers a better overview of relevant Scriptures than a concordance, which only lists or indexes verses according to specific words. This edition also includes the helpful Scripture index (left out of some other editions), which makes it possible for the reader studying a particular biblical text to locate every topic and grouping of Scripture in "Nave's" whenever a particular verse is included. That way, it is possible for the reader to study either all the verses related to a particular topic "or" all the topics related to a particular verse--it works both ways. For the pastor or teacher interested in saving hours of time but not willing to give their second best, and for anyone wanting to be challenged by what God has to say about a given subject, "Nave's Topical Bible" is the passport that will allow immediate and successful entry to the many points of interest.
