How to paint realistic ocean water | alla prima | full painting tutorial! |beach oil painting - How to paint realistic ocean water | alla prima | full painting tutorial! |beach oil painting by Lucid Renditions Art 36,095 views 3 years ago 49 minutes - Welcome back guys! We are doing an **oil painting**, tutorial and we will be using a palette knife for this one along with some brushes ...

liquid medium

layer just a few little highlights on that white wash

adding some little distant highlights

use a touch of that swirling cerulean blue

add to the reflectiveness of the painting

put a little bit of depth into the wave

add a little bit of extra shadow areas

add a little bit of yellow

making a darker sand

add the slightest bit of red and white

take a little bit of white on the end of my brush

scrape some of the paint off in areas

switch back to my one inch flat brush

put the brightest highlights in

working on brightening up some areas with that ultramarine

use burnt umber

put some details in the back part of the water

dabbing the edge of the palette knife into the canvas

dabbing it in certain areas all around the canvas

spread some paint

using gamblin oil paints as usual

start with some blue and black

start with a nice light blue color

give it a quick wipe

use a number six fan brush

add some different values

add some white

make a very light blue color

use a one-inch brush

drag a little bit of color up

add some sand

add just a little bit of foam

add some of the foam

use a light blue color first to start

drop in some dark color

placing the paint down
