The Sacred Books of the East

This Elibron Classics title is a reprint of the original edition published by the Clarendon Press in Oxford, 1879.

SACRED books of the East

Volume 1 of the Sacred Books of the East. Contains the following works: The Upanishads, Part 1 of 2. Chandogya Upanishad. Talavakara (Kena) Upanishad. Aitareya Upanishad. Kausitaki Upanishad. Vajasaneyi (Isa) Upanishad. Translated by Friedrich Max Mýller and published in 1879. This book is a reprint of scanned images available on the internet. The original page numeration has been changed to meet the standards of Createspace. The Sacred Books of the East (SBE) series, comprising fifty volumes, was issued by the Oxford University Press between 1879 and 1910. It has translations of key sacred texts of Hinduism, Buddhism, Taoism, Confucianism, Zoroastrianism, Jainism, and Islam. The series was edited by the famous linguist and scholar of comparative religion, Max Mýller. He wrote three of the volumes, and collaborated on three others. The SBE has been designated by the United Nations Educational, Scientific and Cultural Organization (UNESCO) as part of the UNESCO Collection of Representative Works.

The Sacred Books of the East

This is the first volume of the Sacred Books of the East. It contains the introduction to the entire series, and explains the methodology and conventions used in the rest of the SBE. The Upanishads translated here are the Chandogya, Talavakara, Aitreya-Aranyaka, the Kaushitaki-Brahmana, and the Vajasaneyi Samhita. "Readers who have been led to believe that the Vedas of the ancient Brahmins, the Avesta of the Zoroastrians, the Tripitaka of the Buddhists, the Kings of Confucius, or the Koran of Mohammed are books full of primeval wisdom and religious enthusiasm, or at least of sound and simple moral teaching, will be disappointed on consulting these volumes. Looking at many of the books that have lately been published on the religions of the ancient world, I do not wonder that such a belief should have been raised; but I have long felt that it was high time to dispel such illusions, and to place the study of the

ancient religions of the world on a more real and sound, on a more truly historical basis. It is but natural that those who write on ancient religions, and who have studied them from translations only, not from original documents, should have had eyes for their bright rather than for their dark sides. The former absorb all the attention of the student, the latter, as they teach nothing, seem hardly to deserve any notice. "

The Sacred Books of the East: The Upanishads, pt.I

The Upanishads - Volume 1 of 2 The Sacred Books of the East (SBE) series, comprising fifty volumes, was issued by the Oxford University Press between 1879 and 1910. It has translations of key sacred texts of Hinduism, Buddhism, Taoism, Confucianism, Zoroastrianism, Jainism, and Islam. The series was edited by the famous linguist and scholar of comparative religion, Max Müller. He wrote three of the volumes, and collaborated on three others. The SBE has been designated by the United Nations Educational, Scientific and Cultural Organization (UNESCO) as part of the UNESCO Collection of Representative Works.

The Upanishads Part 1

J. R. R. Tolkien, the beloved author of *The Hobbit* and *The Lord of the Rings*, brings to his work a great treasure--his Christian faith. Tolkien's literary works are so popular in part because, in some sense, they pertain to the real world. This present volume is an attempt to understand better the deep Christian influences on his work but also to explore the relevance of Tolkien's work for theology today. After examining Tolkien's fiction in order better to appreciate Christian influences, this volume takes a closer look at Tolkien's theology of fantasy, his response to the more skeptical origins of religion research, and applies his work to contemporary questions about method in biblical studies. Tolkien's Christianity informed all he wrote. Moreover, his own theology of fantasy holds great promise for contemporary theology.

Sacred Books of the East: The Upanishads

The Upanishads - Volume 2 of 2. The Sacred Books of the East (SBE) series, comprising fifty volumes, was issued by the Oxford University Press between 1879 and 1910. It has translations of key sacred texts of Hinduism, Buddhism, Taoism, Confucianism, Zoroastrianism, Jainism, and Islam. The series was edited by the famous linguist and scholar of comparative religion, Max Müller. He wrote three of the volumes, and collaborated on three others. The SBE has been designated by the United Nations Educational, Scientific and Cultural Organization (UNESCO) as part of the UNESCO Collection of Representative Works.

Sacred Books Of The East: Including Selections From The Vedic Hymns, Zend-Avesta, Dhammapada, Upanishads, The Koran, And The Life Of Buddha With Critical And Biographical Sketches By Epiphanius Wilson, A.M., Edited By Epiphanius Wilson This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and

type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions.

2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional\unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!

The Upanishads V1

Excerpt from The Upanishads These are bold words, but even without going so far as St. Augustine, we may well hope that a study of the Sacred Books of the East may produce a kindlier feeling on the part of many people, and more particularly of missionaries, towards those who are called heathen, or even children of Satan, though they have long, though ignorantly, worshipped the God who is to be declared unto them. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
