The Wonderful Truth about Our Heavenly Father

The two months before George’s unexpected death served as a training ground for his salvation. George made comments almost foretelling his death, asked difficult questions about our heavenly Father’s existence, and claimed to have seen angels when close to death. These life events were undoubtedly orchestrated by our heavenly Father. George was not initiating dialogues with the Father, and his loved ones feared he would depart earth without forming a personal relationship with Him. This is a real-life, God-inspired, story of how our heavenly Father uses faithful followers to disciple to others. He uses love, hope, and faith to inspire, awaken, and adopt His distant, rebellious, and orphaned children. Through heartfelt, detailed conversations with her earthly and heavenly fathers, Burlouse shares how He reveals His unfailing love for us. Although we have fathers on this earth, He is the only perfect father. Conversations with My Fathers brings the hope of reconciliation and salvation to readers. It will forever change the way you view relationships with loved ones who are distant and/or do not have a relationship with the Father. It will move you to look and think about your current relationships with your parents, siblings, friends, and even strangers. Conversation questions at the end of each chapter will inspire you to initiate and experience your own conversations with your amazing heavenly Father. While we may not all have a good earthly father, we all have a great heavenly Father. Life is a journey of discovering our true Father’s heart so we can live in the freedom of being a beloved son or daughter. This is a story of hope, healing, and reconciliation that will reveal the goodness of God in the midst of life’s pain. Isabel has taken her next step to share her story and will inspire you to do the same. —John Stickl, Lead Pastor, Valley Creek Church Conversations With My Fathers is inspiring, motivating, and reassuring. Reading this book reminds me not to take life and those I love for granted. The beauty of the relationship between Isabel and her earthly and heavenly Father is breath taking. This book will move readers to understand the absolute truth that our heavenly Father is the only perfect father. This is a must read for all who yearn to understand the heavenly Father’s unfailing love for His children. I will heartily share this tender book with anyone who desires a closer walk with their earthly father and/or their heavenly Father. —Tyron Morgan HEALING Hearts Ministries

Our Heavenly Father

Over the years, it became increasing clear, that if the Christian faith is really true, it is not being given the seriousness of what we profession. As an example, there are aspects of the Christian faith that are very comforting: the love of God. There are also aspects of the faith that are hard to fully grasp: the immutable holiness of God. These two aspects of God's nature coexist in God's perfect nature; neither of which can ever be diminished or compromised. Therefore, this gives rise to a perceived problem: how can God love sinners and still remain uncompromisingly holy? This book explores the wonders of God's salvific work to bring sinners into a right standing with Himself. In this book, you will find the straightforward answer to the way of salvation, the motivations to live a life that is eternally meaningful, and explore essential doctrines that have been neglected.

The Immutably Holy God the God Who Wants to Be Our Heavenly Father

This book is for Christians with a desire to know their Heavenly Father and who are not content with knowledge about Him.I had a desire to know my Heavenly Father, but realized I only knew about Him. I knew what Scripture said about Him, but did not relate to Him as a son.Most Christians are familiar with John 17:3 which declares that eternal life is knowing our Heavenly Father and Jesus Christ. For many years I was unaware of the profound significance of this verse. If we do not know Him in relationship, we do not have eternal life. I had beliefs in my mind about my Heavenly Father, but no relationship with Him in my heart. I thought my Heavenly Father was silent, remote, and judgmental. I did not hear Him from His place of residence within my closed heart that needed to be opened in order to hear Him. Hearing Him was the beginning of my relationship as a son with my Heavenly Father.Satan had successfully planted lies in me about my Heavenly Father. These lies were exposed when my Heavenly Father revealed to me the truth about who He really is-His nature, His character, His love, His heart, and best of all, the Father-son relationship He greatly desires to have with me.This book is a compilation of my conversations with my Heavenly Father where He reveals the truth about who He is. I have come from knowing about Him to knowing Him.My goal for publishing this collection of writings is to expose the lies the evil one has planted in your heart and mind about who our Heavenly Father is, that you come to know Him as the perfect Father we all seek and need.

Knowing My Heavenly Father

Enjoying God

I have been on a long spiritual journey studying Christian theology. Overtime, it became abundantly oblivious to me that if the Christian faith is really true, it is not being given the weight suggested by what we profess to believe. There are aspects of what we profess to believe that are very comforting, the Love of God for one. There are aspects of Christianity that are hard to understand, Hell as another example. These two aspects of our faith coexist in the immutable nature of God. Neither of these aspects of God's nature can ever be diminished or compromised. Since God cannot compromise His intrinsic nature, these truths give rise to our need for a all sufficient Savior. This book is exploring the wonders of God's salvific work to bring sinners into a right standing with our Heavenly Father.

Our Heavenly Father the Immutable Holy God

Memoirs to Our Heavenly Father

The Love of a Father is a personal story of the life author Faith Parker shared with her father, who gave her some of the most important treasures in her life. After his death, Faith noticed a parallel between her father and the Heavenly Father as she allowed Him to fill the void and begin a transformation process in her life. We sometimes underestimate the value of our fathers love and the priceless gifts they offer. With this book, she encourages readers to look for the treasures in the Heavenly Father, cherish them, and share them with the rest of the world.

The Love of a Father

Our Beloved Heavenly Father is a book written by a spiritual father with a burden to know more deeply the ways of the Father and to make them known to the Church. Who is our Heavenly Father? What is He like? In this book, Dr. Brian Bailey shows us from Scripture that God loves being a Father and that He desires to reveal Himself to His sons and daughters. Knowing and understanding the Heavenly Father will transform us individually and corporately, resulting in a greater love for the One who first loved us.

Our Beloved Heavenly Father

Why we may be forgiven--but are not yet free In January 2009, Dr. Mark Stibbe left his role as the senior leader of a highly successful Anglican congregation. Taking a big step of faith, he founded a ministry called The Father's House, dedicated to taking the Father's love to the fatherless and bringing an end to the global pandemic of fatherlessness. Mark took this risk because he is convinced that our society has been deeply damaged by absent or brutal fathers. The churches can offer a solution--a healing relationship with our Heavenly Father--but many Christians have been poorly fathered and are bound by the legacy of this wound. As long as believers are restricted by the chains of their past, their churches will not be a part of the solution to fatherlessness; they will be a part of the problem. "The whole planet is waiting for Christian believers to rise up as the adopted sons and daughters of Abba, Father." I Am Your Father is designed to help free Christians from their father wounds, so that they are then capable of playing their part in healing our fatherless world. In part 1, Mark takes a detailed look at fatherlessness. He describes the different ways in which fathers can hurt their children and the ensuing toxic results. In part 2, he goes deeper, defining the wound as "the orphan heart" and describing the main symptoms of this condition in peoples' lives. In part 3, he shows how Christians can find true healing through experiencing the spirit of adoption and by using seven keys to freedom. Mark uses his own story of being orphaned and adopted as the backdrop to this teaching.

I Am Your Father

The Repairer of the Breach is my contribution to raise up the foundations of God for my generation and those to come. It is my effort to partner with God’s people to repair any breach between them and the Heavenly Father, and to restore paths for men and women of various backgrounds, cultures, and races to walk or dwell in. I want to contribute to a better quality of life for all people. I want to inspire people to believe in God to their full potential, which in turn I believe will lead them to live life to its fullest potential. God is only good always. The devil is only evil always. Few people truly believe the above statement. Many people in this walk of life do not believe in God or the devil. Then there are those who believe that there is a God and there is a devil, but they lack the knowledge and truth regarding the nature of the true God and the nature of the devil, the adversary. Hence, God is often blamed for the evil that occurs in this world. God is blamed for death, destruction, sorrow, and a whole host of other things. I will show you from the integrity of God’s word (the Bible) that God is only good and is not the cause or source of evil in the world or in our personal lives.

The Repairer of the Breach

Between the years 1914-1920 James E. Padgett received spirit communications that introduce the Divine Love and natural love that are connected with teachings relating to the mortal soul, God and the

spirit world. When James himself passed into his spirit-life his friend Eugene Morgan received 3 known communications from James 1923-1925. In the year 2017, the message of Divine Love continues as James conveys spirit-life experience that relates with his experiences as a man receiving spirit communication and now as a spirit living with Divine Love in his spirit-life in the spirit world. There is at present a worldwide readership of The Padgett Messages and now we are fortunate to have James the receiver and James the conveyer along with all the spirits who have contributed toward the realisation and fulfilment when living with Divine Love and perfecting our natural love. The Padgett Messages 1914-1920 and 2017-2018 provide a great reach of love that is an example for us all.

The Padgett Messages-Soulful Teachings Living with Divine Love-

God Really Is a Woman When we say God is really a woman, we have come to this conclusion by both Scriptural proof and logic. God is perfect in all things. Therefore He is perfect in logic. We see in the Scriptures that God is three persons: the Father, the Son, and the Holy Spirit. Jesus speaking to His twelve apostles said in Matthew 28, “Go ye into all the world and preach the Gospel, baptizing in the name of the Father, and of the Son, and of the Holy Ghost.” The popular belief is that the Virgin Mary is the mother of Jesus. The scriptures show that the Holy Spirit is the Mother which we will see. The Holy Spirit descended from the clouds in the form of a dove. What a wonderful, beautiful picture of the blessed Holy Spirit Mother. We cannot learn the truth of God from the manuscripts. A lifetime of study of them wouldn’t reveal the truth of the Holy Spirit. It has been lost in the translations. But not in God’s Word. Jesus said, “Heaven and earth will pass away, but my word will not pass away.” The Father, the Son, and the Holy Spirit, (Father, Son, Mother), is a perfect picture and example of a perfect family by which every family should strive to imitate.

God Really Is A Woman

This book is an attempt to relate the wonderful biblical truths about the possibility of having a living, personal relationship with God. This truth comes down through the entire history of the Christian faith, as well as in the Bible. Yet there is very little teaching or promotion of this truth in organized religion. This lack of a presentation of the message of God as our Father results in a corresponding lack of power and freedom for effective daily living in the Christian community. Sadly, many people in religious organizations (not to mention people outside the religious system) doubt if a personal relationship with God is even possible. This is even sadder when we consider the Bible is very clear on this point. The Bible tells us that a personal relationship with God as our Father is not only possible but this relationship is God's greatest desire for us. It is Bill Landon's hope that this book will be an encouragement for those people who seek a spiritual life that has more practical impact on their daily living. For those who wish to explore the possibilities of a greater peace and fullness in their living, this book can be a help.

My Father and Your Father

The Living Faith Bible Commentary series combines a practical, commonsense approach to scripture with the tools to develop a deeper understanding of God's word. Perfect for personal devotion, classroom teaching or group discussion, the commentary series includes a basic introduction to each New Testament book, the full text of the scripture that is being studied, the spiritual insights and applications of each verse, and group discussion questions at the conclusion of each chapter. For the advanced student of scripture, endnotes include a workable apparatus for textual variants, embellishment of various Greek words, optional readings found in early English and contemporary versions, and further elaboration of some basic doctrinal truths. The General Epistles provide a wealth of wisdom and truth for believers today. In these letters, we find the meaning of faith in action in the book of James, the promise of victory over suffering in 1 and 2 Peter, a warning against false teachers and doctrines in 1 John and Jude, the commandment to love one another in 2 John and the meaning of hospitality and faithfulness in 3 John. Faith truly comes alive by the study and application of these brief yet meaningful books.

The Living Faith Bible Commentary

This daily devotional book has been a God-led inspiration from its very start-up; from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network. Our God is so awesome! I've had people return emails to me or speak to me and ask, "How did you know that I needed that today?" or "How did you know I was going through this?" That is when I thankfully remind them that God inspired each and every one of these devotionals. I am

just being faithful and following His directions. Now I'm led to put them into a year of daily devotions book to reach others. Occasionally, my emailed devotionals have colored photographs that I take as God inspired message for the day. Unfortunately, I couldn't include those in this book. I did include a photo in grayscale at the beginning of each month; the cover photo is a God-blessed look at an Alaskan sunset. I am so thankful that God is working in my life. I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others. When you feel down, just start counting each of the blessings God has touched you with in your life; and you will feel His Presence and comfort to encourage you. We are never alone; He is just a prayer away; nothing is impossible for our God. He is not done with us yet. He is asking us to be obedient in our service to Him, and He will help us grow in our faith. Trust in Him, and you will be astounded at what He has in store for you.

Our Heavenly Father

Nothing can replace the influence that a father has in the life of his child. A daughter looks to her father as a measure to gauge the man she will ultimately offer herself as a life-mate in matrimony. A son looks to his father as a role model to whom he one day will become. God has given us the ideal blueprint of a father through His word and His daily interactions with we, His children. Our heavenly Father begins His relationship by assuring each of us that He loved us so much that He gave His only begotten Son, Jesus. It is through His relationship with Jesus that a good father begins to mirror his relationship with his children. Certainly, mine did! I was completely blessed to have a loving earthly father who, unbeknownst to me, was ushering me into eternal relationship with our heavenly Father. But on April of 2007, my entire life changed when my best friend, my mentor, my pastor, my father died. Our FatherS Who Art in Heaven is a collection of life lessons that I learned from my earthly father and the biblical revelations our heavenly Father has given to help better understand those life lessons. Every day, God is speaking to us through His word to teach, lead, and prepare us for all of the trials life brings. Whether your father is still present in the flesh or sainted with the Lord, this book will reveal the plan of unconditional love of both an earthly and a heavenly father that has been prepared for you. ©2019 Uplift Ministries Inc. Good Morning Message

Let’s Talk to Our Father is a book that delves into the discussion of prayer with a primary focus on the fears experienced by Christians and non-Christians alike when they are called to pray in the presence of others. The book offers the perspective of why this fear is rampant in many circles, but also, why, one can overcome them through the fostering of a relationship with God and His word.

Three-hundred and sixty-six daily thought-provoking reflections, written to bring the reader to a better understanding of Gods truth and plan for a living relationship in Christ from real life situations. Timeless in implication, eternal in application. You are a blessing and a master encourager, much like Barnabas must have been. Those of us with lessor skills need your gentle words, and the faithful nudging that comes from your heart to ours... Perry V. It never ceases to amaze me how God has a message for His people and that message is preached from different men, in different places at the same time -- truly the Holy Spirit is the only way. Let’s Talk to Our Father

I, J. L. McLaurin, am so grateful for the knowledge of Jesus Christ in my life. He has given me hope in this life and the afterlife. I am so blessed by Jesus Christ and his loving Father, who is in heaven. Jesus is my redeemer. He lived and died for me one day. He never sinned in his life. He suffered death so violent that even to this day, it is discussed and studied. A life so innocent that my eyes tear. A life so great, so full of life. I thank God for Jesus. He prayed for all of us, and he is yet alive sitting at our Father's side. I've made up my mind to celebrate my life by doing God's will, be spreading his Word, his beliefs, his goodness, works, faith, and love. He has taught me through every day, living God has been so good to me. He has given me his Word through his Holy Bible. Our Father has taken my mother and my dad, and I love him so much for I realize not my will but his will. He is much smarter than I, and he has control of heaven and all there is. God has the final plan. And I pray that all our families

are included. I know he won't leave us. I write this with love in my heart. I've been crying and praying all my life. I went to the hospital with my baby. She had a cold. Her name is Michelle Christine Louise McLaurin. She was admitted in the children's hospital. She was only twelve years, eight months, and ten days old. Our baby died in front of our eyes. She said on her deathbed that Jesus exists before a machine going straight line. Her bedroom is the same. Our baby was wheelchair bound. Born with heart and lung issues, an upper echelon angle. God loaned us so much of himself through her. She reflected him through her life. I promised her and him I will be with her from her to heaven. I, with your help, have so much to tell the world about his goodness and mercy all throughout my life. I just can't stop praising his name, just won't stop declaring he still is on that throne. The people he put in my life is truly a miracle. I love Jesus Christ and our Father with all my might. May God Bless you and your family. Yours truly, J. L. McLaurin

Get Ready to Experience the Impossible!

Our Father Whom is in Heaven

We find comfort in a world of routine and predictability – glancing over the circumstances of others from afar while believing that could never happen to me. But when the impossible becomes reality and all things of comfort are removed, only one thing remains – God. This book is a true story of unthinkable tragedy, shattered dreams and impossible sacrifice that led Jodi Manfred through a process of finding purpose in the pain, after her young husband, Josh suffered a massive brain stroke on his 39th birthday. At the mercy of one of the best medical teams in the country who advised Jodi to tell her husband “goodbye,” she surrendered her life to Jesus, as faith was the only option she had left – crying out to God, “Father, please let him live.” Jodi’s intimate retelling of her journey through heart-wrenching fear, deep anguish, and spiritual uncertainty will touch your heart. The revealing of God’s hand in her family’s physical and emotional circumstances will bolster your faith and challenge your understanding of a Heavenly Father that never leaves our side, renews our hope and paints beauty within our ashes.

Experience the Impossible

As a university professor, Dr. Zillmer has authored many books and periodicals about the truth Jesus brought into our world. We must now return to that truth for our salvation. Political correctness, passing as progressivism, has shorn the life blood from the Jesus Message. (45) As the citizens of the United States must return to the principles of our founding fathers, so we must fight this great evil by returning to the gospel truth Jesus brought into this world. Jesus said, “You shall know the truth and the truth shall set you free.” To that end this work is humbly dedicated.

Father Please Let Him Live

Since I had already completed books on two Persons in the Trinity, I decided to complete a "trilogy of the Trinity." I determined to make each book based solely on the information that only scripture provides. The first was a review of what the whole Bible says about the Holy Spirit. I named it The Spirit of Scripture. The second was a devotional study of the book of Hebrews and has turned out to be a biblical demonstration of why Christ Is Best. This third book arose from the fact that my own father was the most wonderful father I could dream of. So, the book is a compilation of what the Bible says about the qualities of God as our heavenly Father.

Images of Beauty

Inspiration for this book came from my mother's comments about my children's eyes. She often remarks, "your children have eyes just like Donald" (their Father). Stephanie, my oldest daughter, has lashes that are very long and silky, complementing her beautiful brown skin. Melanie, my middle child, has dark

smooth brows that perfectly accent her stunning dark eyes. DJ, my handsome son has gorgeous eyes that seem as if they don't even belong on such a robust young man. While my children do have various traits of mine, it amazes me how they all have their father's eyes. As I pondered on this comment early one Thursday morning, this natural reality became a spiritual truth. I thought about the importance of having your father's eyes-your Heavenly Father's eyes. It is important to be able to look at people and situations and see them the way God sees them. We do not see them with our natural eyes but with hearts indwelled with the loving Spirit of Jesus Christ. Seeing them the way our Heavenly Father sees them is the only way to establish and to maintain loving relationships. Husbands with their Heavenly Father's eyes see their wives as a precious jewel; wives see their husbands as the spiritual leaders in the home. Parents see their children as special gifts from God. Children see their parents as people of honor. Family members see each other as spiritual support systems. Pastors see their members as precious souls. Congregations see their Pastors as leaders appointed by God. This study is designed to build relational bonds that are so strong in marriages, in our families and in our church families that Satan does not stand a chance at destroying them.

Beautiful Pearls of Catholic Truth, Containing the Teachings of the Holy Catholic Church, and the Sacred Books of the Bible as Interpreted by the One Truth Church Founded by Our Divine Saviour ...

Jesus spent more than thirty years in an alien culture, surrounded by harsh voices, isolated from affirming words. Did he sometimes wonder if he could make a difference, if he could finish the difficult work he'd come to do? Sometimes he felt so alone, but three timeswhen the pressure was heavyJesus received exactly what he needed to carry on: The audible words of his Father–an inspiring, loving, life-giving voice from Home. You are my child; I love you. You are mine; I have chosen you. I will glorify my name through you. These words, spoken out loud by God the Father to Christ the Son, infused his earthly mission with incalculable power, and the world was changed forever. These same words are also meant for every believer, every co-heir with Jesus today. Listen! They can change your life, too! In a world of alienation, aggression, and pain, A Voice from Home is a powerful and moving exploration of the message our Heavenly Father longs for each one of his children to hear and embrace: words of soul-affirming identity, of life-consuming purpose, of self-surrendering promise. Hear and be transformed by this remarkable message from the God of the universe, lovingly spoken to you today.

My Heavenly Father's Eyes

So you've accepted Christ and professed that He is your Lord and Savior. Now what? In this inspiring new book, Rebecca Murzin shows readers that profession of Jesus Christ as Lord is only the first step in a Christian's journey. There is so much more. To begin, to believe in the Lord means to follow him and be obedient to his Word. Many Christians today have fallen away from the Word of God and do not read the Bible for themselves. How can you know God's will if you don't search it out, study it, and meditate upon it? After studying God's Word, it's important to watch what you say; it must align with the Word of God. Religion is in vain if we don't watch what we say. Murzin shows readers they not only must be careful of what they say, but they must watch what they do. While we are not saved by works but by faith, it is faith that drives us to do the works Christ has called us to do. We as Christians have

to remember we are not supposed to be doing things the way everyone else in the world does it, and Faith Takes Action will show readers how to do things to successfully walk the Christian's path. Faith Takes Action is a well-done challenge for Christians to fulfill their callings and continue in the will of God. Pastor John and Fran Newman, Higher Ground Ministries Rebecca Murzin lives in Barnstead, New Hampshire, with her husband and three children. Together, they're working on building the Fruit of Life Ministries Christian Retreat Center.

New-Church Messenger

God has been revealing to me that writing is an effective way for me to share my heart with Him; I feel encouraged to use it as a way to share his love and my faith in him with you. I have spent the majority of my life searching desperately for the missing piece to complete my life puzzle. The discovery of my life has been made....Jesus. From the bottom of my heart to the top of the highest mountain, I would like to proclaim to everyone who is alive, ?God loves you! God wants to be close to you! You are created for HIM! He his waiting with open arms and unending love for you! God forgives you! We can approach God with confidence in our Lord and Savior Jesus Christ. The idea of this book grew from a seed planted in my heart on November 9, 2012. While reading II Kings, God revealed to me an important role in my Christian life. God tells of King Hezekiah, who was aware of God's presence in past events, had a personal relationship with God via a powerful prayer life, and trusted in God's help for current events in his life. One thing he lacked was his concern for future generations. God convicted my heart that I was lacking this as well. Not sure what to do, I prayed that God would show me. A book. Since I will not be around forever to share my faith with future generations, I can share my faith through a book. This is the first and possibly the only book I will write; I will leave that up to God. This is a collection of prayers and writings regarding some truths God has revealed to me. An invitation to you...to draw near, speak to God about what is on your heart, then be still, and know that He is God. This is the sacrifice God wants from us. He wants us to share our heart with him and trust him and his word to guide our lives. Talk to God about anything you would a family member, best friend, co-worker, etc. God wants us to come to Him first.

Life with Our Father

Lydia was seated on her bed reading her Bible on an ordinary August morning, oblivious of what she was about to hear and what would become her life from that day forward. Her son and nephew rushed into her bedroom. Her son was shouting, “Mum, there were two angels at the gate at night!” Her son was six years old at the time. He held her face and said, “I know the names of the two angels. They are called Angel Gabriel and Angel Michael.” The two boys went on to say that Angel Michael was at the right side of the gate and was holding his sword facing upwards, while Angel Gabriel was on the left side of the gate and had his sword pointing downwards. She was amazed! How did they know the names of these two mighty archangels? Instantly, she realized that her son had had a supernatural encounter, together with his five-year-old cousin! This was the beginning of a series of incredible journeys with Jesus Christ. This book records their breathtaking trips to heaven and hell, their conversations with God the Father, their encounters with angels, relatives they met in heaven, and even the twenty-four elders who worship before the Throne of God all day and all night. These accounts will reveal to you how God is using children to bring home the simple truth that the Bible is the Word of God, heaven is real, and the only way to get there is through Jesus Christ, His Son.

Gifts From Heaven

There is a revolution happening right now all over the world as believers in Jesus Christ are rediscovering the words of Jesus: "I came to reveal the Father" (John 1:18). When you learn to live life with an awareness of and attention to the Father's presence, everything changes. Believers move from religion to relationship. Faith in God shifts from duty to an exciting journey. Imagine you could live with a supernatural confidence that your Father in heaven loves you, is all-powerful, and is always with you! How would that change your life? What if you also discovered you could hear His voice and feel His presence every day? This book was written to encourage every believer to walk in this reality. The Father's Heart consists of personal stories from author Caleb Plumb's life. He details triumphs and mistakes of attempting to live on fire for God. He pulls back the curtain to his prayer life, dreams, visions, and supernatural encounters with a desire to inspire others to pursue the presence of God. He writes in the spirit of Jeremiah 29:13: "You will seek me and find me when you seek me with all of your heart."

Faith Takes Action

BLURB This book, The Faith of Jesus, is intended to hopefully enlighten us of what it means to follow and be as Jesus; Yes, to be as Jesus: to experience His life as a man, living in a Heavenly realm, in communion and fellowship with His Heavenly Father. And by His Father's Spirit, to lead and empower Him, to reveal to mankind the reality of our Heavenly Father's love to us: not only to and in us, but through us, as His children, as His ambassadors, to lead others to our Heavenly Father through our Savior and Lord Jesus Christ.

Hello. I Love You. I want you to live with me forever.
