Two Lives and a Dream

This book of three novellas was first published in Paris in 1982, where it was hailed as the finest book of novellas since Flaubert's *Trois Contes*.

Two Lives and a Dream

Set in Rembrandt's Amsterdam, "An Obscure Man" is the story of Nathanaël—innocent, open to experience—born like Everyman upon the stream of life. In "A Lovely Morning," Nathanaël's young son joins a touring company of Jacobean actors. "Anna, soror . . .," the final tale, is an account of illicit passion in the baroque world of Naples. "An Obscure Man swarms with life. This intricately researched, imaginative, beautifully written tale of a young man's brief life in the mid-17th century is entirely engrossing."—Leona Weiss, *San Francisco Chronicle* "In these three stories, [Yourcenar] succeeds in making the essences of these past lives a part of the reader's future through the sheer intensity of their portrayal."—Margaret Ezell, *Houston Chronicle*

Louis & Louise

Louis and Louise are the same person born in two different lives. They are separated only by the sex announced by the doctor and a final 'e'. They have the same best friends, the same red hair, the same dream of being a writer, the same excellent whistle. They both suffer one catastrophic night, with life-changing consequences. Thirteen years later, they are both coming home.

Two Lives

Two Lives is Janet Malcolm's stunning portrait of a legendary couple: Gertrude Stein, the modernist master, and Alice B Toklas, the 'worker bee' who ministered to Stein's needs throughout their forty-year expatriate 'marriage'. As Malcolm pursues the truth of the couple's charmed life in a village in Vichy France her subject becomes the larger question of biographical truth. 'The instability of human knowledge is one of our few certainties,' she writes. The portrait of their relationship that emerges is

unexpectedly charged. The two world wars Stein and Toklas lived through together are paralleled by the private war that went on between them. This war, as Malcolm learned, sometimes flared into bitter combat. Janet Malcolm is at her finest in this extraordinary work of literary biography and investigative journalism.

Two Lives, Or, To Seem and to be

'A major new voice. Read Temi Oh today. Everybody will be reading her tomorrow' Stephen Baxter. author of *World Engines* 'A brilliant, beautiful debut. Reading it will change your heart' Christian Kiefer, author of *Phantoms* * *The Long Way to a Small, Angry Planet* meets *The 100* in this unforgettable debut by a brilliant new voice. * A century ago, scientists theorised that a habitable planet existed in a nearby solar system. Today, ten astronauts will leave a dying Earth to find it. Four are decorated veterans of the 20th century's space-race. And six are teenagers, graduates of the exclusive Dalton Academy, who've been in training for this mission for most of their lives. It will take the team twenty-three years to reach Terra-Two. Twenty-three years spent in close quarters. Twenty-three years with no one to rely on but each other. Twenty-three years with no rescue possible, should something go wrong. And something always goes wrong. * Don't miss one of *Cosmopolitans* books by people of colour to get excited about in 2019, called 'a tightly wound epic' that 'will change your heart' by Christian Kiefer, author of *Phantoms*. * **WHY READERS DREAM OF TERRA-TWO . . .** 'An ambitious 500-page coming-of-age blockbuster . . . Oh is excellent at portraying the aching sense of loss on a one-way trip to the stars' *Guardian* 'A tightly wound, emotional epic that asks important questions about humanity, goodness, belief, technology, love, friendship, and duty. At what point is grabbing hold of one's destiny ultimately an attempt to escape some other? Like all great writers, Temi Oh refuses the easy answer, instead ruminating upon the question itself. This novel is a brilliant, beautiful debut. Reading it will change your heart.' Christian Kiefer, author of *Phantoms* 'One of the most absorbing books I have ever read' 'This book seemed to take over my life whilst I was reading it - if I wasn't actually reading, I was thinking about it' 'I'm in love with this book . . . It is a beautiful, sprawling, literary delight with an unforgettable cast undertaking an unforgettable journey.' 'For fans of the character-driven *The Long Way to a Small, Angry Planet* series, *Terra-Two* is perfect . . . A strong, haunting, character-driven story . . . This book and its characters will stay with you for a long time.' 'Do You Dream of Terra-Two succeeds both as a great sci-fi story and a brilliant drama . . . Even though you expect things to go wrong in this story, they still wrong foot you when they do. 5*' 'Beautifully written . . . It's inspirational to read' 'I would love to be able to write like Temi Oh. I should start taking notes . . . Highly recommended!'

Two Lives

Two lives. Two loves. One impossible choice. From the #1 New York Times bestselling author of the Reese's Book Club Pick *One Day in December* . . . "I read *The Two Lives of Lydia Bird* in a single sitting. What a beautiful, emotional gift Josie Silver has given us."—Jodi Picoult Written with Josie Silver's trademark warmth and wit, *The Two Lives of Lydia Bird* is a powerful and thrilling love story about the what-ifs that arise at life's crossroads, and what happens when one woman is given a miraculous chance to answer them. Lydia and Freddie. Freddie and Lydia. They'd been together for more than a decade and Lydia thought their love was indestructible. But she was wrong. On Lydia's twenty-eighth birthday, Freddie died in a car accident. So now it's just Lydia, and all she wants is to hide indoors and sob until her eyes fall out. But Lydia knows that Freddie would want her to try to live fully, happily, even without him. So, enlisting the help of his best friend, Jonah, and her sister, Elle, she takes her first tentative steps into the world, open to life—and perhaps even love—again. But then something inexplicable happens that gives her another chance at her old life with Freddie. A life where none of the tragic events of the past few months have happened. Lydia is pulled again and again through the doorway to her past, living two lives, impossibly, at once. But there's an emotional toll to returning to a world where Freddie, alive, still owns her heart. Because there's someone in her new life, her real life, who wants her to stay.

Do You Dream of Terra-Two?

One of the most respected writers in the French language and best known as the author of *Memoirs of Hadrian* and *The Abyss*, Yourcenar received countless literary honors and became the first woman to be elected to the Academie Francaise. An uncompromising and intimate portrait. 50 halftones.

The Two Lives of Lydia Bird

A JEWEL OF A NOVEL BY NEW YORK TIMES BESTSELLER CLAIRE MESSUD. When the Armstrong family moves from New York at the dawn of the 1970s, Australia feels, to Alice Armstrong, like the end of the earth. Residing in a grand manor on the glittering Sydney Harbour, her family finds their life has turned upside down. As she navigates this strange new world, Alice must find a way to weave an existence from its shimmering mirage. Lies and self-deception are at the heart of this keenly observed story. This is a sharp, biting and playful tale with a cast of unscrupulous characters adrift in a dream life of their own making. Written with the characteristic delicacy of touch, humour and emotional insight that make Claire Messud one of our greatest writers. '[Messud is] among our greatest contemporary writers.' -- The New Yorker 'A perfect frolic of a book, puffed on breezes of beauty and wit: it waltzes you through a little fear, a little darkness, and tips you out, refreshed and laughing, into the sun.' -- Helen Garner 'Witty, arch and acutely observed, *A Dream Life* expertly captures the excruciating insecurities of class in our supposedly classless society.' -- Geraldine Brooks 'A novelist of unnerving talent.' -- The New York Times

Marguerite Yourcenar

The story of Marie Cameron and Tom O'Leary whose lives are lived in the beautiful village of Chestnut Hill, Philadelphia. Marie, a lawyer, lives a quality and privilege life. Tom, a carpenter, lives a plain and simple life. Their combined stories make for an unforgettable tale that spans 40 years.

A Dream Life

Martin Rove seeks help from a sleep therapist to deal with chronic insomnia. Soon after, he is thrust into a vivid, parallel dream life, every bit as realistic as the conscious life he is familiar with. His journey will bring him to the brink of insanity. His quest to understand may eventually cost him everything, including the woman he loves dearly.

Two Lives Up on the Hill

A young woman's search for home and belonging This luminous debut follows a young woman from her childhood in Vietnam to her life in the United States – and her necessary return to her homeland. As a child, isolated from the world in a secretive military encampment with her distant mother, she turns for affection to a sympathetic soldier and to the only other girl in the camp, forming two friendships that will shape the rest of her life. As a young adult in New York, cut off from her native country and haunted by the scars of her youth, she is still in search of a home. She falls in love with a married woman who is the image of her childhood friend, and follows strangers because they remind her of her soldier. When tragedy arises, she must return to Vietnam to confront the memories of her youth – and recover her identity. An inspiring meditation on love, loss, motherhood, and the presence of a past that never dies, *If I Had Two Lives* explores the ancient question: do we value the people in our lives because of who they are, or because of what we need them to be?

Dream Life

WHY HUMAN LIFE IS ULTIMATELY A DREAM is a book that is born not out of mere imaginations and figments of thought but of a powerful dream inspiration which the author took cognizance of its value for clarifying thought on the mystery of life and death. The book responds to many powers that have eluded the attempt of philosophers to give satisfactory answers to, such as posers on the meaning of life, the reality of death, the actuality of life-after-death, the ultimate fulfillment of the destiny of the human person, the nature of the human person, the relationship of the human reality to the ultimate reality, and the veritable relationship between humanity and divinity in the various phases of human experiences on earth, especially with the experience of evil in the world. The language of the book is simple for the understanding of all and sundry except in special cases for the uneducated that may require another version of this book. This book will serve the good purpose of enlightenment to anyone who peruses it with enthusiasm and an unbiased mindset. So the author recommends it for all and sundry as it is sensitive to all currents of beliefs and thought without religious bias. It is a book for you to understand and appreciate your life, personage, activities, hopes and aspirations as human being created in Gods image and likeness. The authors own life-experience provides a platform for situating the new portrait of life and death which the author paints with this work in various contexts of human experiences whether good or bad. So this work is a life companion for all and sundry and is anticipated to stand the test of time.

If I Had Two Lives

William Trevor's *Last Stories* is forthcoming from Viking. In *Reading Turgenev*, which was shortlisted for the Booker Prize, an Irish country girl is trapped in a loveless marriage with an older man, but finds release through secret meetings with a man who shares her passion for Russian novels. *My House in Umbra* tells of Emily Delahunty, a writer of romantic novels, who helps survivors of a bomb attack on a train to convalesce, inventing colorful pasts for her patients. Two novels, two women who retreat further into the realm of the imagination until the boundaries between what is real and what is not become blurred.

Why Human Life Is Ultimately a Dream

Plutarch was one of the most popular classical authors in Renaissance England. These volumes present nine Tudor and Stuart translations from his *Essays* and *Lives* with a General Introduction locating these works in the context of Plutarch's wider influence in early modern England. They offer selections from two of the classics of English Renaissance translation, North's *Lives* (1579) and Holland's *Morals* (1603): the essays 'On Reading the Poets' and 'Talkativeness' and the *Lives* of Demosthenes and Cicero and Caesar. They also include editions of a number of less well-known but equally significant translations of individual *Essays* and *Lives*, one available in manuscript alone until now and several not reprinted since the sixteenth century: Thomas Wyatt's *The Quiet of Mind* (1528), Thomas Elyot's *The Education or Bringing up of Children* (1528–30), Thomas Blundeville's *The Learned Prince* (1561), and Henry Parker, Lord Morley's *The Story of Paullus Aemilius* (1542–46/7). Detailed annotations trace how translators drew on, and departed from, Greek, Latin, and French editions of Plutarch while introductions to each of the works examine their impact on English Renaissance literature and culture. By presenting a wide range of translations from the *Essays* and *Lives*, the volumes bring to light the variety of translation practices and the different social, political, and cultural contexts in which Plutarch was read and translated in Tudor and Stuart England.

Two Lives

This book was written for the reader to recognize how life changes. The definition of love is different for all of us, and it often changes for each of us.

Plutarch in English, 1528–1603. Volume Two: Lives

Neil Wyatt, an accountant, dictates to his wife Leigh to file for a divorce. His unconventional actions have undermined their relationship and created increasing suspicion. Later that day an explosion in downtown Cleveland claims Neil. Leigh's trauma deepens when she discovers that she is pregnant. Nine years later Leigh continues teaching English and raising her son despite malicious interference from her in-laws. After completing a graduate-level statistics class Leigh encounters her professor many times with humorous and poignant consequences. A dramatic event triggers Professor Garner Coles' recall of his past. Leigh and Garner uncover the truth previously erased by amnesia.

Life's Dream

Chronicles the defection & acculturation of a Romanian woman. She describes life under a totalitarian regime & adapting to freedom.

Two Lives

The Best of Two Lives is a love story as well as family history. It is shaped as a journey, beginning with the cultural foundations of Jordan and the United States. Weaving threads of family stories, Doris introduces us to compelling characters, and describes ways of life that might be forgotten if not for projects such as this. Ibrahim's early years are detailed as he lived in a mixed Muslim-Christian community in Jordan, and Doris tells of growing up as a small-town conservative Christian in Oregon. One of the fundamental messages is that despite superficial differences, at the root, Arab lives and concerns in the Middle East are relatable, just as those of Americans in the United States. Doris never shrinks from showing negative attributes that she couldn't be blamed for wanting to hide, and that differentiates her book from a purely family history. There's something here to help us see our own families more clearly and honestly, and to understand them with compassion.

The Gypsy Saw Two Lives

Joanna thought she would always struggle to trust men. From an unwell mother to a father battling addiction, Joanna was lost in a sea of panic, fear and worry. Dante believed he would never be able to open up to another person again, either. From an unwell mother to a father who battled with addiction, Dante had fallen into a world of dissociation and anger. But when these two lives collide, they find that through their love and time together, some wounds can heal. Overcoming their problems was never going to be easy. But through each other, Joanna and Dante will certainly try. The two lives of Joanna and Dante meet head on, both for better, and for worse. From Ja 'Licia Gainer, a writer based in Missouri, comes Two Lives, a tale of love, family and betrayal.

The Best of Two Lives

Benjamin Disraeli was the most gifted parliamentarian of the nineteenth century and a superb orator, writer and wit - but how much do we really know about the man behind the words? 'As Douglas Hurd and Edward Young point out in their splendidly written, finely judged and thoroughly persuasive book, a vast chasm yawned between the real Disraeli and his posthumous reinvention' Dominic Sandbrook, SUNDAY TIMES 'Not only, they tell us in this vigorously debunking romp through his political life, did he never use the phrases "One Nation" or "Tory Democracy'

Two Lives

Excerpt from Ranolf and Amohia, Vol. 2: A Dream of Two Lives Peeped behind mountains purple-black as slopes; O'er these - a tuft of thick short shreds (not rays) Of brilliancy, the Morning Star ablaze Awe-struck forerunner of the Sun beneath, On the funereal darkness seemed to gaze, Checked at his sudden entrance on a scene Solemn with all the sable pomp of death, The thousand lights still burning for the Queen Laid out in state - the just departed Night. Then Amo, starting from her brief repose. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Disraeli

Not everyone is lucky when it comes to Love. Stephen was one such unlucky guy. He had always been rejected by every girl that came in his life. But fortune favours the bold. As if contrived by destiny, one evening Stephen met the beautiful and charming Clara. He knew her from his childhood but she was forgotten with the passage of time. Though much older to him, Clara was the person who saw right through his soul. She comforted him and always stood by his side. Stephen wanted to marry her but she was reluctant. She knew that society and their families would outcast them for such a decision. Amidst the social pressure, family chaos, and intense heat of the scorching desert, they shared their pains and sorrows, and it changed their lives forever!

Ranolf and Amohia, Vol. 2

In vivid language, the author tells of his childhood and the history of his country up to his escape as a 17-year-old, which led from Lebanon to Germany. It is a story of rubber dinghies on the Mediterranean and of inconceivable conditions in refugee camps, of people who become increasingly dependent as they continue to flee and who can only hope to be tried under the rule of law in countries such as Austria or Germany. But the ordeal is by no means over. Depression, exacerbated by overcrowded rooms in asylum shelters or further cultural disputes between refugees, is just as much a part of everyday life as other "favors" for which so-called helpers apparently cash in.

Saffron & Rosewater - Story of two lives entwined by destiny

Two Miracles, Two Lives Saved is the first book in a series about hope, trust and faith in God. Gloria wants to spend her life singing her songs given by the Holy Spirit, and telling her stories, touching the lives of those who hear them.

Thorns of the Heart

This book is packed with useful, insightful information regarding life, death, the spirit guides, the role of karmic energy and how we can become free through the Seven Aspects of Love.

Two lives in 25 days

Revised and updated. This book is not about the occasional, or accidental lucid dream. This book contains the methods by which a person may practice the art of lucid dreaming. The aim of this work is to reveal the methods by which a person can lucid dream. When I write lucid dream, I mean conscious dream. The Secret Life of Lucidity is the most practical, non subjective, holistic dream work method you will find. This method is not for the obtaining of an occasional lucid dream but of a life long practice. At the end of each chapter I will give you a step in accomplishing lucidity. Each step is meant to build upon the other culminating in a life long practice which is the goal. In most cases, but not all, the chapter and step will be related. Be sure to follow my prescriptions. Wait to be successful before changing the order of the steps, or even customizing your practice to fit who you are, and yes upon becoming familiar with the landscape of consciousness and dreams you will be a master, comparatively, in your own right, and can change things as you see fit.

Ranolf and Amohia

Mrs. Morton, an elderly lady suffering from dementia, loves the written word; her books are warm reminders of happier times. From her nursing home room in Melbourne, Australia, Mrs. Morton travels the fading recesses of her memory. Her disease causes a blending of realities, as her own memories become inextricably entangled with those of the heroine of her favourite novel, Night of the Seventh Dream. As two sets of memories intertwine—hers and the fictional tales of Beatty, a remarkable young woman who bravely overcame adversity and challenge during the Second World War—Mrs. Morton finds comfort in the adventures of the past. Did Mrs. Morton help to raise her sibling after losing loved ones to that war, doing what needed to be done to survive—or was that Beatty? She kept the family beekeeping business humming during dark times and worked as a cleaner to help support her family. When young love with a soldier on his way to war produced the shocking news of a baby on the way, she stood tall despite the cold shoulders from the local church. Not even the loss of her beekeeping business could bring this fictional fighter down. Mrs. Morton's ravaged mind takes her on fascinating journeys in her sleep. These nocturnal musings are both guiding and confounding. On the night of Mrs. Morton's seventh dream, the two lives—that of the fictional girl from the novel and the befuddled elderly lady who enjoys reading about her—merge.

Two Miracles Two Lives Saved

Word and Story has broken new ground by enlisting well-known scholars in the examination of Lewis's ideas about language and narrative, both as stated in theory and as exemplified in practice. Never before has such clear, significant, and thorough work in these areas been brought together in one place. This compilation of sixteen essays demonstrates how an awareness of Lewis's ideas about language and narrative is essential to a full understanding and appreciation of his thought and works. The contributors examine Lewis's poetry, *The Dark Woods*, *Studies in Words*, and other works that have so far received little attention, in addition to more familiar parts of the Lewis canon. By approaching Lewis primarily as an artist and theorist, not just a Christian apologist, these essays offer new insights into his creative imagination, critical acumen, and his craftsmanship as a writer. One comes away from this book with a fresh vision and with heightened expectation, eager to return to Lewis's works.

How to Live How to Die

Olga Grushin's astonishing literary debut has won her comparisons with everyone from Gogol to Nabokov. A virtuoso study in betrayal and its consequences, it explores—really, colonizes—the consciousness of Anatoly Sukhanov, who many years before abandoned the precarious existence of an underground artist for the perks of a Soviet apparatchik. But, at the age of 56, his perfect life is suddenly disintegrating. Buried dreams return to haunt him. New political alignments threaten to undo him. Vaulting effortlessly from the real to the surreal and from privilege to paranoia, *The Dream Life of Sukhanov* is a darkly funny, demonically entertaining novel.

Lucid Dreaming The Secret Life of Lucidity

Every single new Ebert review.

Night of the Seventh Dream

The dream expert guides you through her Five-Step Dream Technique, a fast-track tool for exploring your psyche's nighttime feedback. Stase Michaels draws on a lifetime of experience as a dream analyst and three degrees in psychology to lead you through the magical forest of dream interpretation. In this eclectic, in-depth look at dreaming, she explores how dreams happen and why they are a reliable source of self-knowledge. Michaels also delves deeper, explaining the five simple steps that help beginners understand dream technique; she also provides information on nightmares, dreams about friends and family, and mystical experiences that occur in the guise of dreams.

Two Lives for Eleanor Rigby (A Novel)

What chance is there really that sent on its way, a book of poems will have a sizable audience? Poets, poets like Rick Hilber, should and do want the quest for such an audience. Their quest is for the book length collection of poems written for the person who will read it in one sitting, or finish it soon thereafter, maybe even because they felt compelled to do so. There is indeed a great prospect of this for you the reader of poetry in this collection. The first audience for a poem or a collection of poems is the poet himself or herself. This is definitely true of this poet who is passionate about making the poetry collection hold together and have a life of its own. "I can not promise you a book you can not put down or feel compelled to finish even; but I can shoot the moon and want that very thing for my poetry." This collection will not disappoint, and it promises to be a resource for you the reader for its reflection, meditation, and contemplation of what is required to stay in the moment and to live life deliberately and with appreciation for life itself....

Word and Story in C. S. Lewis

The basis of this critical examination of Eliot's work, first published in 1973, is the investigation of his transmutation of this and other philosophical, mythological and religious motives into the textures of his verse. This book focuses on Eliot's peculiar eclectic approach to what he described as 'the Tradition'. It also recognises the fact that Eliot, for all his attempts at universality, was a product of time and place, and gives an account of the way in which his education and experience shaped his most important interests. This title will be of interest to students of literature.

The Dream Life of Sukhanov

Two Lives and Then Some: The Parti ng, Volume 3 of Gordon Graham's memoirs, is a tribute to Barbara Graham, his wife Barbara who died in 2006 of Motor Neurone Disease. We follow Gordon from his days working as personnel manager at in Washington, D.C., through law school and into work as a civil rights acti vist and government anti -poverty worker. He returns to Clinton where he is successful in his bid for a School Committ ee seat. He turns to another career as general counsel for a major state environmental agency where the latent sti rrings of religious vocati on surface and he decides to enter seminary. His journey then takes him to Northern Ireland where as an ordained priest of the Anglican Communion he serves in parishes, works with other Christi an churches, and does church development work. Throughout it all, Barbara pursues her interest in music and parti cipates in choirs and chorales and makes her own eff ort in the church to bring people together. Readers will laugh out loud at many of Gordon's stories but they will shed tears as they share those last days of Barbara's life.

Roger Ebert's Movie Yearbook 2003

Alcoa Presents: One Step Beyond made its television debut in 1959, nine months before Rod Serling's classic The Twilight Zone, and paved the way for a generation of television programs devoted to paranormal topics such as the occult, ESP, and ghost stories. One Step Beyond was also where some of Hollywood's most famous leading men, including Warren Beatty, William Shatner, and Charles Bronson, got their starts in television. This complete reference work to the 96 half-hour episodes that ran for three seasons on ABC also offers a detailed history, extensive commentary and summaries of the critical reception of One Step Beyond as well as coverage of the sequel series produced in 1978 entitled The Next Step Beyond. Complete credits for both series are provided.

A Little Bit of Dreams
