VW Golf and Jetta Owners Workshop Manual

Men work on cars and women cook. Men put up shelves and women make curtains. This used to be typical but not any more, with tasks in the home often shared equally. But women can go a step further and become as confident with a jack as with a power drill. This empowering manual, written by a female car mechanic, explains all areas of owning, maintaining and caring for your car. After absorbing the guidance in this manual you will know how to deal with a puncture, replace a brake light or even do an oil change – and when to challenge a garage mechanic's advice.
