#### Annual Report of the State Charities Aid Association to the State Commissioners of Public Charities of the State of New York

The State Charities Aid Association was a pioneering organization that worked to improve the conditions of public hospitals in New York City. This volume contains the annual reports of the New York County Visiting Committee for Bellevue and Other Public Hospitals, which was established by the association to oversee the care of patients in these institutions. The reports provide a detailed account of the committee's activities, as well as information on the hospitals' finances, staff, and patients. The volume is a valuable resource for anyone interested in the history of public health and hospital reform. #### Annual Report of the State Charities Aid Association to the State Commission in Lunacy

Excerpt from Report on the Department of Public Charities of New York City: Reprinted From the Twenty-Fourth Annual Report of the State Charities Aid Association to the State Board of Charities; Adopted by the New York County Visiting Committee as Its Twenty-Fourth Annual Report; October 1st, 1896 Association and of this Association, it was decided, however, not to attempt to secure any amendments to the bill. Much as both bodies regretted any abandonment, even temporarily, of the plan of removing the correctional institutions to Riker's and Hart's Islands, the conditions prevailing in the Tombs and also in the Penitentiary were so terrible and called so urgently for relief that it was felt that we should not be justified in imperiling the passage of the bill by offering amendments. The passage of the bill seemed at that time most uncertain, and it was thought by all concerned that any amendment whatever would be fatal.
