### Linguistics and Language Behavior Abstracts

Die Herausgeber des ‚Handbuchs des Russischen in Deutschland‘ verfolgen einen interdisziplinären Ansatz und sprechen damit einen breiten Leserkreis an. Ihr Fokus liegt primär auf Sprachwissenschaft und Sprachdidaktik. Soziolinguistische, kulturelle und literarische Fragestellungen werden jedoch ebenfalls ausführlich behandelt. Die einzelnen Beiträge stammen von renommierten Autorinnen und Autoren aus Deutschland, Finnland, Russland, der Ukraine und Weißrussland. Das Handbuch richtet sich in erster Linie an Lehrerinnen und Lehrer an Schulen, an Hochschuldozenten und an Studierende der Fächer Germanistik, Deutsch als Zweit- und Fremdsprache (DaZ und DaF) sowie Slawistik – und darüber hinaus an alle, die sich für Sprachvergleich, Spracherwerbstheorie, Sprachdidaktik, Bildungspolitik, Soziolinguistik sowie historische und kulturelle Fragen im Zusammenhang mit dem Russischen in Deutschland und seinen Sprecherinnen und Sprechern interessieren.

### Handbuch der sprachwissenschaftlichen Russistik und ihrer Grenzdisziplinen

Der Sammelband vereint Beiträge von Teilnehmenden an der ersten Schweizerischen Studierenden- und Doktorierendenkonferenz, die je im Fachgebiet der Slavistik organisiert worden ist und die im April 2012 in Basel auf eine Initiative von Studierenden hin stattfand. Auch in wissenschaftskommunikativer Hinsicht erschliesst das Buch Neuland: Die Beiträge sind in sechs verschiedenen Sprachen verfasst (deutsch, französisch, russisch, serbokroatisch, tschechisch, polnisch - alle mit englischen Abstracts ergänzt), die nicht nur die Forschungs- und Gegenstandssprachen der schweizerischen Slavistik darstellen, sie bilden auch die tatsächliche Sprachenvielfalt der Konferenz selbst ab. Das Buch gibt Einblick in die gegenwärtigen Tendenzen in der Slavistik und ihre nationalen Eigenheiten.

### Rusistika - Slavistika - Lingvistika

Of the Farm recounts Joey Robinson's visit to the farm where he grew up and where his mother now lives alone. Accompanied by his newly acquired second wife, Peggy, and an eleven-year-old stepson,

Joey spends three days reassessing and evaluating the course his life has run. But for Joey and Peggy, the delicate balance of love and sex is threatened by a dangerous new awareness.

#### Handbuch des Russischen in Deutschland

One of Stalin's most heinous acts was the ruthless repression of millions of peasants in the early 1930s, an act that established the very foundations of the gulag. Now, with the opening of Soviet archives, an entirely new dimension of Stalin's brutality has been uncovered.

#### Second Language Instruction/acquisition Abstracts

PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is dependent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream-fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

#### junOST

"Vladimir Sorokin's first published novel, *The Queue*, is a sly comedy about the late Soviet "years of stagnation." Thousands of citizens are in line for . . . nobody knows quite what, but the rumors are flying. Leather or suede? Jackets, jeans? Turkish, Swedish, maybe even American? It doesn't matter—if anything is on sale, you better line up to buy it. Sorokin's tour de force of ventriloquism and formal daring tells the whole story in snatches of unattributed dialogue, adding up to nothing less than the real voice of the people, overheard on the street as they joke and curse, fall in and out of love, slurp down ice cream or vodka, fill out crossword puzzles, even go to sleep and line up again in the morning as the queue drags on."--Amazon.com.

### Thirteenth International Congress of Turkish Art

By comparing women's access to suffrage in the countries that make up the European Union, i>The Struggle for Female Suffrage in Europe provides a retelling of the story of how citizenship was gradually coined in Europe from the perspective of women.

### Ulrich's International Periodicals Directory

Details the role of sports in the classical world from early Greece through the late Roman and early Byzantine empires.

### Of the Farm

Ranging from medieval music to Madonna and beyond, this book covers in detail the many aspects of the voice.

### Mitteilungen des Österreichischen Staatsarchivs

This biography of Stalin studies the material from secret Soviet archives that was released when the Union collapsed. In some cases, long-held assumptions are questioned and revised, in others, rumours are put to rest.

### Vom Zerfall der Grossreiche zur Europäischen Union

This book presents a theory of long humorous texts based on a revision and an upgrade of the General Theory of Verbal Humour (GTVH), a decade after its first proposal. The theory is informed by current research in psycholinguistics and cognitive science. It is predicated on the fact that there are humorous mechanisms in long texts that have no counterpart in jokes. The book includes a number of case studies, among them Oscar Wilde's Lord Arthur Savile's Crime and Allais' story Han Rybeck. A ground-breaking discussion of the quantitative distribution of humor in select texts is presented.

### Kritikon Litterarum

Artificial Intelligence applications build on a rich and proven theoretical background to provide solutions to a wide range of real life problems. The ever expanding abundance of information and computing power enables researchers and users to tackle highly interesting issues for the first time, such as applications providing personalized access and interactivity to multimodal information based on preferences and semantic concepts or human-machine interface systems utilizing information on the affective state of the user. The purpose of the 3rd IFIP Conference on Artificial Intelligence Applications and Innovations (AIAI) is to bring together researchers, engineers, and practitioners interested in the technical advances and business and industrial applications of intelligent systems. AIAI 2006 is focused on providing insights on how AI can be implemented in real world applications.

### Bibliographic Guide to Soviet and East European Studies

A fascinating history of singing styles from the ancient world to the present.

### Arts & Humanities Citation Index

Gerard Tellis clearly communicates all aspects of promotion using the most recent social sciences research findings, to enable prospective managers to design their own successful strategies.

### The Unknown Gulag

It is Stafford's mission to suspend you in a constant state of uncertainty: He unwinds a skein of conversations in which everything you are told has to be taken on trust, yet none of the characters is entirely to be trusted...each scene subtly erodes the a Sex, drugs and chamber music! OPUS considers the matter of music making with an intimate, appraising eye, showing us the sweat, the drudgery and the delicate balance of personalities that lie behind the creation of a seemingly effortless performance. An

### The Kremlin and the People

Jazz brought challenges in the areas of racial issues, the politics of the Cold War between East and West, and in the exploration of boundaries of artistic freedom. This volume deals with the impact of these changes on the career development of jazz musicians - even beyond 1989 - in terms of various phenomena.

#### Abstracts of Theses

Aldous Huxley Annual is the official organ of the Aldous Huxley Society at the Centre for Aldous Huxley Studies in Munster, Germany. It publishes essays on the life, times, and interests of Aldous Huxley and his circle. It aspires to be the sort of periodical that Huxley would have wanted to read and to which he might have contributed. This issue features Aldous Huxley's and Beth Wendel's dramatization of The Genius and the Goddess never before published. It also includes several rather unknown travel essays by Aldous Huxley as well as Peter E. Firchow's opening lecture at the Third International Aldous Huxley Symposium held in Riga in July 2004.

#### Jezik in slovstvo

The Sierra Leone Language Review is the African Language Journal of Fourah Bay College, the University College of Sierra Leone. The Journal is devoted to the detailed study of languages in Sierra Leone and neighbouring areas of West Africa, and also to the more general study and discussion of African languages and language-problems.
