Seven Breakthrough Hospitality Innovations for 2020!

There is a massive disruption in the hospitality industry accredited to a new breed of travelers and immense technology innovations.

Branded mobile apps are being offered by major hotels like the Marriott, Hilton, Sheraton, IHG, Ritz Carlton and Hyatt to name

Hotels are quickly responding through brilliant initiatives including eco-power generation, sourcing local organic produce, adding green areas, installing eco-friendly appliances, and completely removing plastic items from their assets.

Smart Rooms will become "the new normal" as travelers sync and share data across multiple devices when staying in hotels.

Partially mobile controlled rooms, to streaming media, using voice assistants, and ordering food, hotels are investing rapidly in state of the art smart room features.

Big data is assisting hoteliers and marketers identify major trends learning about their guests' travel behavior in the process.

Robots are becoming a very popular technology being used to surprise guests with something special.

After Apple Inc.'s successful deployment of Biometrics in phones, hotels are also quickly adopting the idea.

AccorHotels are using biometric scans of guests for predictive marketing, Hotel Alma Barcelona has already deployed fingerprint locks for rooms, and Chinese franchise Yotels

PCI Compliance & data security are very critical topics in modern hospitality.

Hotels are highly interested and are making major efforts to secure their hotel technology, guest data, and payment information.
