The Dictionary of Body Language

From former FBI agent and bestselling author Joe Navarro, a field guide companion to his classic What Every BODY is Saying, revealing the more than 400 essential body language indicators.

The Dictionary of Body Language

From the world's #1 body language expert* comes the essential book for decoding human behavior. The author has spent a lifetime observing others. For 25 years, as a Special Agent for the FBI, he conducted and supervised interrogations of spies and other dangerous criminals, honing his mastery of nonverbal communication. After retiring from the bureau, he has become a sought-after public speaker and consultant, and an internationally bestselling author. Now, a decade after his groundbreaking book returns with his most ambitious work yet. The Dictionary of Body Language is a pioneering "field guide" to nonverbal communication, describing and explaining the more than 400 behaviors that will allow you to gauge anyone's true intentions. Moving from the head down to the feet, the author reveals the hidden meanings behind the many conscious and subconscious things we do. Readers will learn how to tell a person's actual feelings from subtle changes in their pupils; the lip behaviors that betray concerns or hidden information; the many different varieties of arm posturing, and what each one means; how the position of our thumbs when we stand akimbo reflects our mental state; and many other fascinating insights to help you both read others and change their perceptions of you. Readers will turn to The Dictionary Body Language again and again—a body language bible for anyone looking to understand what their boss really means, interpret whether a potential romantic partner is interested or not, and learn how to put themselves forward in the most favorable light.

Understanding Body Language

Catch every nonverbal cue with this complete guide to understanding body language. Scientific studies show that people use body language to express their true feelings about a given situation or topic. With Understanding Body Language, you'll discover essential information and how-to guidance for deciphering nonverbal communication so you can make better decisions about the people and situations you approach every day. Start by learning how to properly observe people so you can uncover their subtle nonverbal cues without drawing attention to yourself. Then, practice on your friends and family with practical advice to help you better read social gatherings and telltale signs of disagreement. Finally, dive deeper with real-life scenarios you'll likely encounter, such as dating, job interviews, and workplace interactions. Understanding Body Language includes: Body language 101--Explore the science and driving forces behind body language, best practices for your own expression, and tips for successful interpretation of others. In-the-moment guidance--Learn setting-specific how-tos to help you feel physically assured in difficult situations, such as using positive body language while on a date and projecting confidence within the workplace. An emotional connection--Discover the link between specific emotions and the associated body language so you can apply that vital knowledge in real time and use it to your advantage. Learn to decode body language with this complete guide to understanding nonverbal communication.

Body Language For Dummies

The complete guide to mastering the art of effective body language **Body Language For Dummies** is your ideal guide to understanding other people, and helping them understand you. Body language is a critical component of good communication, and often conveys a bigger message than the words you say. This book teaches you how to interpret what people really mean by observing their posture, gestures, eye movements, and more, and holds up a mirror to give you a clear idea of how you're being interpreted yourself. This updated third edition includes new coverage of virtual meetings, multicultural outsourcing environments, devices, and boardroom behaviours for women, as well as insight into Harvard professor Amy Cuddy's research into how body language affects testosterone and cortisol, as published in the Harvard Business Review.. Body language is a fascinating topic that reveals how the human mind works. Image and presentation are crucial to successful communication, both in business and in your personal life. This book is your guide to decoding body language, and adjusting your own habits to improve your interactions with others. Become a better communicator without saying a word Make a better first (and second, and third...) impression Learn what other people's signals really mean Transform your personal and professional relationships Realising what kind of impression you give is a valuable thing, and learning how to make a more positive impact is an incredibly useful skill. Whether you want to improve your prospects in job seeking, dating, or climbing the corporate ladder, **Body Language For Dummies** helps you translate the unspoken and get your message across.

What Every BODY is Saying

OVER 1 MILLION COPIES SOLD Joe Navarro, a former FBI counterintelligence officer and a recognized expert on nonverbal behavior, explains how to "speed-read" people: decode sentiments and behaviors, avoid hidden pitfalls, and look for deceptive behaviors. You'll also learn how your body language can influence what your boss, family, friends, and strangers think of you. Read this book and send your nonverbal intelligence soaring. You will discover: The ancient survival instincts that drive body language Why the face is the least likely place to gauge a person's true feelings What thumbs, feet, and eyelids reveal about moods and motives The most powerful behaviors that reveal our confidence and true sentiments Simple nonverbals that instantly establish trust Simple nonverbals that instantly communicate authority Filled with examples from Navarro's professional experience, this definitive book offers a powerful new way to navigate your world.

Be Exceptional: Master the Five Traits that Set Extraordinary People Apart

From internationally bestselling author and retired FBI agent Joe Navarro, a ground-breaking look at the five powerful principles that set exceptional individuals apart

The Body Language Bible

We live in an image-conscious society where looking the best tends to win over being the best. Human beings judge each other subconsciously in less than three seconds, based on body language alone. Filled with fascinating psychological insights, plus a whole raft of down-to-earth quick-fix tips, **The Body**

Language Bible takes the reader through the minefield of self-marketing and image: how to read it and how to project it. In her inimitable straightforward style, Judi unravels the secrets to interpreting our movements and what we are really saying with our body language, whether consciously or not. She teaches you what we mean with our movements, how to interpret them and then shows you how to get what you want, whether you're doing business, making friends or falling in love. The Body Language Bible is an intriguing read, providing a unique mix of body language and communication psychology (voice and the impact of words).

The Secrets of Body Language

Reveals the secrets to decoding body language in order to more effectively communicate with and understand other people, and looks at how nonverbal communication transcends cultural and language barriers.

Truth and Lies

National bestseller A fresh, insightful guide to reading body language in the post-digital age Whether you're at a job interview or a cocktail party, searching LinkedIn or swiping right on a dating site, you want (no—need) to understand what people are really thinking, regardless of what they're saying. Understanding what others are trying to tell you with their posture, hand gestures, eye contact (or lack thereof) or incessant fiddling with their iPhone might all be even more important than what you're projecting yourself. Do they plan on making a deal with your company? Are they lying to you? Can you trust this person with your most intimate secrets? Knowing what others are thinking can tell you when to run with an opportunity and when not to waste your time, whether at work, in a crucial negotiation or on a promising first date. Bestselling authors Mark Bowden and Tracey Thomson, principals at the communications company Truthplane, illustrate the essential points of body language with examples from everyday life, leavened with humour and insights that you can use to your advantage in virtually any situation.

Body Language

A revised and updated edition of the New York Times–bestselling classic on understanding body language from the author of Subtext. Body Language helps you to understand the unconscious body movements and postures that provide intimate keys to what a person is really thinking and the secrets of their true inner selves. You will learn how to read the angle of shoulders, the tilt of a head, or the tap of a foot, in order to discern whether an individual is angry, frightened, or cheerful. You will be able to use Body Language to discover the most—and least—important person in any group by the way others position themselves. The body is not able to lie, for it sends subtle signals to those who know how to read them. Body Language will even show you how to do it without others knowing you are observing them. Body Language was a huge best seller when first published and has remained in print ever since. It has been thoroughly updated and revised especially for this ebook edition.

The Code of Trust

A counterintelligence expert shows readers how to use trust to achieve anything in business and in life. Robin Dreeke is a 28-year veteran of federal service, including the United States Naval Academy, United States Marine Corps. He served most recently as a senior agent in the FBI, with 20 years of experience. He was, until recently, the head of the Counterintelligence Behavioral Analysis Program, where his primary mission was to thwart the efforts of foreign spies, and to recruit American spies. His core approach in this mission was to inspire reasonable, well-founded trust among people who could provide valuable information. The Code of Trust is based on the system Dreeke devised, tested, and implemented during years of field work at the highest levels of national security. Applying his system first to himself, he rose up through federal law enforcement, and then taught his system to law enforcement and military officials throughout the country, and later to private sector clients. The Code of Trust has since elevated executives to leadership, and changed the culture of entire companies, making them happier and more productive, as morale soared. Inspiring trust is not a trick, nor is it an arcane art. It's an important, character-building endeavor that requires only a sincere desire to be helpful and

sensitive, and the ambition to be more successful at work and at home. The Code of Trust is based on 5 simple principles: 1) Suspend Your Ego 2) Be Nonjudgmental 3) Honor Reason 4) Validate Others 5) Be Generous To be successful with this system, a reader needs only the willingness to spend eight to ten hours learning a method of trust-building that took Robin Dreeke almost a lifetime to create.

How to Read Body Language

This is the only book you'll ever need to decode the hidden secrets of body language; understand exactly what each person is saying, feeling & conveying with their body.

Louder Than Words

"Louder Than Words takes us from an understanding of nonverbal behavior to an understanding of something far more valuable for success—nonverbal intelligence." — Robert B. Cialdini, author of *Influence: Science and Practice* "Joe Navarro brings together the art and science of nonverbal communications for the business sector with the edge of a former FBI agent and the insight of a world-class observer." — Jack Canfield, co-author of *The Success Principles* Joe Navarro, bestselling author of *What Every Body Is Saying* and Phil Hellmuth Presents *Read 'Em and Reap* and former FBI agent specializing in behavioral analysis, helps you successfully navigate the business world by training your brain to see what others are feeling, thinking, or intending. Job hunters and professionals of every ilk—as well as fans of the hit FOX television series *Lie to Me*—will find many helpful and effective tips to reading body language and microexpressions in *Louder than Words*.

Gestures

As featured in the New York Times and Reader's Digest "An eye-opener into the pitfalls awaiting the unaware traveler." -Washington Post "Can save the innocent abroad from great gobs of serious trouble." -Chicago Tribune Before you raise your hand to signal the waiter, extend your thumb to hitchhike, or flash the "O.K." sign with thumb and forefinger, Stop! Think of where you are and exactly what you are trying to say-otherwise you could create an international incident. Remember when President Bush thought he was flashing the "V" for Victory sign to cheering Australians? (See inside.) Exploring the ins and outs of body language from head to toe, this newly revised and expanded edition of Roger Axtell's indispensable guide takes you all around the world of gestures-what they mean, how to use them, and when to avoid them. This latest edition includes: * Updates about the 200 most popular gestures and signals-and dozens of new examples * New sections covering special gestures-from American Sign Language and tai chi to flirting and kissing * Information to guide you through gestures country by country-from Switzerland to Japan, Nigeria to the Netherlands * Amusing anecdotes and helpful hypothetical scenarios

The Definitive Book Of Body Language

From internationally renowned authors, Allan and Barbara Pease comes the worldwide bestseller *The Definitive Book of Body Language*. In this book they examine and explain in simple terms, each component of body language. Regardless of your vocation or position in life, you will be able to use it to obtain a better understanding of life's most complex event – a face-to-face encounter with another person. It will make you more aware of your own non-verbal cues and signals, and will show you how to use them to communicate effectively and obtain the reactions you want. You will also discover how to:

- Make a positive impression on others
- Interview and negotiate successfully
- Know if someone is available
- Bond quickly and encourage others to co-operate
- Make yourself likeable and approachable
- Tell if someone is lying
- Read between the lines of what is said
- Recognise love-signs and power-plays

This book will enable you to use body language to read others – and get what you want!

Body Language

From interviews to dates, the boardroom to the stage, being aware of the non-verbal signals you, and others, send can have a huge impact on your relationships and success in life – for better or worse. This fun and friendly guide will show you how to 'read' the body language of others, and how to project the right signals, so you can manage the impression you give to others. Full of real-world and pop-cultural examples, practical tips and strategies, and underpinned by principles from psychological and social

experiments, you'll learn how to use and interpret non-verbal messages to put your best face, and body, forwards.

The Silent Language of Leaders

A guide for using body language to lead more effectively Aspiring and seasoned leaders have been trained to manage their leadership communication in many important ways. And yet, all their efforts to communicate effectively can be derailed by even the smallest nonverbal gestures such as the way they sit in a business meeting, or stand at the podium at a speaking engagement. In *The Silent Language of Leaders*, Goman explains that personal space, physical gestures, posture, facial expressions, and eye contact communicate louder than words and, thus, can be used strategically to help leaders manage, motivate, lead global teams, and communicate clearly in the digital age. Draws on compelling psychological and neuroscience research to show leaders how to adjust their body language for maximum effect. Stands out as the only book to address specifically how leaders can use body language to increase their effectiveness Goman, a respected management coach, is widely considered as the expert in body language issues in the workplace *The Silent Language of Leaders* will show readers how to take advantage of the most underused skills in the leadership toolkit—nonverbal skills—to improve their credibility and stay ahead of the curve.

The Secret Life of Viruses

Discover the slightly disgusting, super fascinating science of viruses in this colorful biology picture book for curious kids! Packed with fascinating facts and science, *The Secret Life of Viruses* teaches young readers all about: What viruses are and where they live How vaccines work and how your body fights viruses Why pandemics happen How to stop the spread of viruses and stay healthy and more! Viruses are all around us—but it's not as scary as it sounds! This is the perfect book to ease fears and empower kids with knowledge to keep themselves and others healthy.

Peoplewatching

Peoplewatching is the culmination of a career of watching people - their behaviour and habits, their personalities and their quirks. Desmond Morris shows us how people, consciously and unconsciously, signal their attitudes, desires and innermost feelings with their bodies and actions, often more powerfully than with their words.

Oxford English Dictionary

The Oxford English Dictionary is the internationally recognized authority on the evolution of the English language from 1150 to the present day. The Dictionary defines over 500,000 words, making it an unsurpassed guide to the meaning, pronunciation, and history of the English language. This new upgrade version of *The Oxford English Dictionary Second Edition* on CD-ROM offers unparalleled access to the world's most important reference work for the English language. The text of this version has been augmented with the inclusion of the *Oxford English Dictionary Additions Series* (Volumes 1-3), published in 1993 and 1997, the *Bibliography to the Second Edition*, and other ancillary material. System requirements: PC with minimum 200 MHz Pentium-class processor; 32 MB RAM (64 MB recommended); 16-speed CD-ROM drive (32-speed recommended); Windows 95, 98, Me, NT, 2000, or XP (Local administrator rights are required to install and open the OED for the first time on a PC running Windows NT 4 and to install and run the OED on Windows 2000 and XP); 1.1 GB hard disk space to run the OED from the CD-ROM and 1.7 GB to install the CD-ROM to the hard disk; SVGA monitor: 800 x 600 pixels: 16-bit (64k, high color) setting recommended. Please note: for the upgrade, installation requires the use of the OED CD-ROM v2.0.

Without Saying a Word

One wrong move can undercut your message. Believe it or not, our bodies speak louder than our words. Postures, gestures, and expressions convey reams of information—and often not what you'd expect. A smile, for example, is usually considered welcoming. However, crook one corner of your mouth higher and you project superiority, subconsciously chasing other people away. This book explains how even the subtlest motions have meaning. Distilling decades of research, *Without Saying a Word* deciphers these unspoken signals: facial expressions, fleeting micro expressions, positive body language, negative body language, And much more! Discover which postures and gestures indicate confidence and build

rapport—and which reveal disinterest, arrogance, or even aggression. Learn to end off-putting habits, accentuate good ones, and become an authentic and effective communicator. Exhibiting body language that is open, honest, and self-assured increases your social influence and enhances your skill as a negotiator while the ability to read the emotions and intentions of others is equally indispensable. Whether you're making a presentation, pitching a project, or closing a deal, the right body language can be your best ally.

Oxford Dictionary of English

The Oxford Dictionary of English offers authoritative and in-depth coverage of over 350,000 words, phrases, and meanings. The foremost single-volume authority on the English language.

The Body Language Handbook

Explores the social science of nonverbal communication through the study of characteristic body movements and gestures.

The Dictionary of Obscure Sorrows

NEW YORK TIMES BESTSELLER "It's undeniably thrilling to find words for our strangest feelings...Koenig casts light into lonely corners of human experience...An enchanting book." —The Washington Post A truly original book in every sense of the word, *The Dictionary of Obscure Sorrows* poetically defines emotions that we all feel but don't have the words to express—until now. Have you ever wondered about the lives of each person you pass on the street, realizing that everyone is the main character in their own story, each living a life as vivid and complex as your own? That feeling has a name: "sonder." Or maybe you've watched a thunderstorm roll in and felt a primal hunger for disaster, hoping it would shake up your life. That's called "lachesism." Or you were looking through old photos and felt a pang of nostalgia for a time you've never actually experienced. That's "anemoia." If you've never heard of these terms before, that's because they didn't exist until John Koenig set out to fill the gaps in our language of emotion. *The Dictionary of Obscure Sorrows* "creates beautiful new words that we need but do not yet have," says John Green, bestselling author of *The Fault in Our Stars*. By turns poignant, relatable, and mind-bending, the definitions include whimsical etymologies drawn from languages around the world, interspersed with otherworldly collages and lyrical essays that explore forgotten corners of the human condition—from "astrophe," the longing to explore beyond the planet Earth, to "zenosyne," the sense that time keeps getting faster. *The Dictionary of Obscure Sorrows* is for anyone who enjoys a shift in perspective, pondering the ineffable feelings that make up our lives. With a gorgeous package and beautiful illustrations throughout, this is the perfect gift for creatives, word nerds, and human beings everywhere.

Summary of Allan Pease's *The Definitive Book of Body Language* by Swift Reads

The Definitive Book of Body Language (2004) by body language experts Allan and Barbara Pease is a comprehensive guide to non-verbal communication. An expanded version of Allen Pease's *Body Language* (1981), *The Definitive Book of Body Language* outlines the basics of body language, including expressions, gestures, and physical movements, and offers supporting scientific data to explain what body language telegraphs in everyday exchanges... Purchase this in-depth summary to learn more.

A Dictionary of the English Language

What people say is often very different from what they think or feel. *Body language* by Allan Pease is just what you require to know those feelings which people often try to hide.

Body Language

Crime is never unpredictable. Before a lie is spoken, a pocket is picked, or an assault is inflicted, each and every criminal gives off silent cues. They can be as subtle as a shrug of the shoulder, a pointed finger, or an averted gaze. But together, they make up a nonverbal language that speaks loud and clear—if you're trained to see it. *CRIME SIGNALS* is the first book to offer a comprehensive guide to the body language of criminals. Filled with amazing real-life stories of crime and survival, it's designed to help you stay alert to the warning signs of a wide array of offenses. From the tell-tale signals of a swindler to the warning signs that experts use to help thwart terrorism and violent crime, this book breaks down

a criminal's body language into clear recognizable symbols. What is the look of a lie? How do child predators unknowingly give themselves away? What were the clues that exposed white-collar offenders like Martha Stewart and Andrew Fastow? Answering these questions and more, Dr. David Givens, a renowned anthropologist and one of the nation's foremost experts in nonverbal communication, offers a fascinating, instructive, and essential tool for warding off crime and protecting the safety of yourself and your family.

Crime Signals

Nationally renowned body language expert Tonya Reiman illuminates what until now has been a gray area in interpersonal communication: harnessing the power of your nonverbal cues to get what you want out of every aspect of life, from professional encounters to personal relationships. Unlike other books on this fascinating topic, *The Power of Body Language* is your practical, personal playbook for getting what you desire from others -- and zoning in on what others are saying to you without words. Once you know the hidden meaning behind specific gestures, facial cues, stances, and body movements, you will possess a sixth sense that can be a life-changing, career-saving, trouble-shooting skill you will never leave home without! Learn how to: Take control of your own secret signals Gain trust -- and detect untrustworthiness Ace a job interview Shake hands (the right way) Make a dazzling first impression Exude confidence -- even when you're not feeling it Recognize if someone is lying Understand why men and women "speak" a different language Read a face to know a person's inner emotional state...and much more. In an insightful and engaging narrative, Tonya Reiman analyzes all of the components of body language -- the languages of the face, the body, space and touch, and sound. She shows you how to become a Master Communicator with The Reiman Rapport Method, a surefire system for building an instant connection with anyone, in any situation. And she shares the experiences of her clients, from executives to politicians to relationship seekers: Learn from Cindy, a confident and ambitious manager who turned her career around by altering the subconscious messages she was sending her male colleagues...and Peter, the wedding DJ whose client list blossomed as soon as he practiced the art of social smiling! Peppered with photos and fun facts, *The Power of Body Language* is as entertaining as it is instructive. Get the power to send and receive the messages you want -- and never be left in the dark again.

The Power of Body Language

What does your body language say about you? From strangers on the street, to your closest friends and family -- even if you're not speaking, you're saying a lot with your body. *Body Language* explores the way we use our bodies to communicate, the way we hold ourselves, the way we sit, stand, and point our hands, feet and eyes can all reveal how we are feeling in any given situation. This book explores the body language we use in a wide-range of business and personal-life scenarios, from delivering a presentation at work to how you should act on a first date! Packed with images to clearly demonstrate each of the scenarios discussed, *Body Language* will help you understand the way others around you choose to communicate and also what you are saying with your own body. These valuable skills will improve your day to day communication, helping you to judge situations and understand how others around you are feeling. Use *Body Language* to: Harness the power of your own body language Communicate confidently to all of those around you Dip in and out of useful scenarios to find the best advice for you Understand people's hidden emotions and learn what you are hiding yourself Tackle those important life events, such as interviews, first dates, important meetings and more!

Body Language

Text and illustrations provide instructions on how to interpret the body language of others.

How to Read a Person Like a Book

An illustrated guide to more than 850 gestures and their meanings around the world, from a nod of the head to a click of the heels. Gestures convey meaning with a flourish. A vigorous nod of the head, a bold jut of the chin, an enthusiastic thumbs-up: all speak louder than words. Yet the same gesture may have different meanings in different parts of the world. What Americans understand as the "A-OK gesture," for example, is an obscene insult in the Arab world. This volume is the reference book we didn't know we needed—an illustrated dictionary of 850 gestures and their meanings around the world. It catalogs voluntary gestures made to communicate openly—as distinct from sign language, dance moves, involuntary "tells," or secret handshakes—and explains what the gesture conveys in a variety of

locations. It is organized by body part, from top to bottom, from head (nodding, shaking, turning) to foot (scraping, kicking, playing footsie). We learn that "to oscillate the head while gently throwing it back" communicates approval in some countries even though it resembles the headshake of disapproval used in other countries; that "to tap a slightly inflated cheek" constitutes an erotic invitation when accompanied by a wink; that the middle finger pointed in the air signifies approval in South America. We may already know that it is a grave insult in the Middle East and Asia to display the sole of one's shoe, but perhaps not that motorcyclists sometimes greet each other by raising a foot. Illustrated with clever line drawings and documented with quotations from literature (the author, François Caradec, was a distinguished and prolific historian of literature, culture, and humorous oddities, as well as a novelist and poet), this dictionary offers readers unique lessons in polylingual meaning.

Dictionary of Gestures

This edge-of-your-seat memoir from former FBI agent Joe Navarro reveals the shocking, inside details of how he spearheaded a 1980s investigation into a colossal espionage breach that would have left the US defenseless in a Soviet attack.

Three Minutes to Doomsday

The Cambridge Advanced Learner's Dictionary is the ideal dictionary for advanced EFL/ESL learners. Easy to use and with a great CD-ROM - the perfect learner's dictionary for exam success. First published as the Cambridge International Dictionary of English, this new edition has been completely updated and redesigned. - References to over 170,000 words, phrases and examples explained in clear and natural English - All the important new words that have come into the language (e.g. dirty bomb, lairy, 9/11, clickable) - Over 200 'Common Learner Error' notes, based on the Cambridge Learner Corpus from Cambridge ESOL exams Plus, on the CD-ROM: - SMART thesaurus - lets you find all the words with the same meaning - QUICKfind - automatically looks up words while you are working on-screen - SUPERwrite - tools for advanced writing, giving help with grammar and collocation - Hear and practise all the words.

Cambridge Advanced Learner's Dictionary

The method and plan of this dictionary of Jamaican English are basically the same as those of the Oxford English Dictionary, but oral sources have been extensively tapped in addition to detailed coverage of literature published in or about Jamaica since 1655. It contains information about the Caribbean and its dialects, and about Creole languages and general linguistic processes. Entries give the pronunciation, part-of-speech and usage of labels, spelling variants, etymologies and dated citations, as well as definitions. Systematic indexing indicates the extent to which the lexis is shared with other Caribbean countries.

Dictionary of Jamaican English

Should one eat a 'tandalin tart', or hope to study at 'Wittington's College'? Has an 'athansian wench' spent all her time in 'gospel shop', or is she merely good at 'basket-making'?

1811 Dictionary of the Vulgar Tongue

The first comprehensive lexicographic work on Cayuga, with over 3000 entries, including 1000 verb forms and many nouns never before printed, extensive cross-referencing, and thematic appendices that highlight cultural references.

English-Cayuga/Cayuga-English Dictionary

This amazing, revealing handbook contains all anyone will ever need to know about reading body language. With it, you can become a veritable human lie detector, spotting exactly when people are telling the truth, when they are lying, and even how they are feeling. What can you tell by folded arms, by the distance away someone stands when talking to you, from facial expressions, or from blinking eyes? The answer? Almost everything! With hundreds of examples illustrated in full color, Body Language 101 can help anyone from any culture know more about his or her friends, spouse, colleagues, lovers, competitors, and enemies.

Body Language 101
