The Pride of Polly Perkins

When tragedy strikes a family, their lives are never the same again... The Pride of Polly Perkins is a captivating saga of a warm Liverpoolian family hit by illness, and a nostalgic look back at the communities of yesteryear, from much-loved author Joan Jonker. Perfect for fans of Cathy Sharp and Katie Flynn. At the age of fourteen, happy-go-lucky Polly Perkins faces untold sadness when her beloved father is diagnosed with tuberculosis. As Tommy's stay in hospital turns from weeks into months, Polly's mother, Ada, becomes increasingly anxious as to how she will make ends meet. In an attempt to help out, Polly takes a job as a flowerseller, and when she sells a buttonhole to Charles Denholme, a member of the Liverpool gentry, she sets in motion a chain of events that changes her life forever... What readers are saying about The Pride of Polly Perkins: 'Joan Jonker is the best writer of good, old-fashioned story telling' 'This has to be one of the best books I have ever read. It brings out a mixture of emotions all in one book: tears, joy and above all laughter. I could not put it down. I would recommend it to anyone'

Pretty Polly Perkins

From Sunday Times bestselling author, Freda Lightfoot. From brief riches to rural rags and ruin... 1920s, Manchester. Living in the deprived area of Ancoats area of Manchester Polly Pride feels more fortunate than most until her husband Matthew loses his job and her life is thrown into turmoil.

Polly Perkins

A young mother is left abandoned, yet finds strength in the busy streets and communities of Liverpool. Joan Jonker's heart-warming saga, When Wishes Come True, is guaranteed to bring tears of sadness and joy to readers everywhere. Perfect for fans of Katie Flynn and Cathy Sharp. Evelyn Wilkinson married Charles Lister-Sinclair just hours before he left for war, unaware that she would never see

him again and that she was already carrying his child. When Amelia is born, Charles's parents refuse to accept that she is their grandchild, so, penniless and afraid, Evelyn moves to the backstreets of Liverpool where she dreams of escaping. Meanwhile, as little Milly grows up she discovers that a world of happiness lies on her doorstep. What readers are saying about When Wishes Come True: 'What a great book to read, couldn't read it fast enough as I was gripped from the very first page' 'I've read lots of Joan Jonker's books. This is one that surpasses all others. Full of love, sorrow, comedy and emotions'

Little Polly Prentiss

A young girl escapes her cruel family home, but discovers that sometimes you can't leave the past entirely behind... Sadie Was a Lady is a touching, funny, heart-warming saga from one of Liverpool's favourite writers, Joan Jonker. Perfect for fans of Katie Flynn and Nadine Dorries. 'As usual our Joan has come up with an easy-read story, full of laughter and smiles' - Liverpool Echo Beautiful, blonde-haired Sadie Wilson suffers abuse from her slovenly mother and lecherous father in order to protect her younger siblings from a similar fate. The neighbours avoid her parents like the plague and Sadie has no friends to turn to for help. But when Harry, the kind-hearted boy next door, sees Sadie crying because her father has lost all their money, he offers to pay her sixpence for a kiss. With coins in her pocket, Sadie goes to Paddy's market to buy underclothes she so desperately needs and it is there that she meets Mary Ann and a lively bunch of Liverpool stallholders who are to be her salvation. Even though she is rescued by Mary Ann's friends and starts a new life, Sadie's thoughts still return to her brothers and sisters back at home. And no matter how many admirers she has, there's a place in her heart for just one lad whose kisses she can't seem to forget... What readers are saying about Sadie Was a Lady: 'Could not put this book down. It was heart-warming and charming. Enjoyed all the characters and kept me entertained throughout the book' 'This was the first of Joan Jonker's books I read, and I could not put it down. The atmosphere of Liverpool of yesteryear simply came alive, with hard working people who though poor in life, were rich at heart and gave all they had... my heart has never left this story, and I simply cannot forget the characters'

Polly's Pride

A portrait of five Concord, Massachusetts, writers whose works were at the center of mid-nineteenth-century American thought and literature evaluates their interconnected relationships, influence on each other's works, and complex beliefs.

The story of Ireland - its graces and shortcomings, triumphs and sorrows - is told by the ballads, dirges, and humorous songs of its common people. Music is a direct and powerful expression of Irish folk culture and a beloved aspect of Irish life in the rest of the world.

Sadie was a Lady

"If now a swell from the Deep has swept over this planetary ship of earth, and I, who alone chanced to find myself in the furthest stern, as the sole survivor of her crew... What then, my God, shall I do?." The Purple Cloud is widely hailed as a masterpiece of science fiction and one of the best "last man" novels ever written. A deadly purple vapor passes over the world and annihilates all living creatures except one man, Adam Jeffson. He embarks on an epic journey across a silent and devastated planet,

an apocalyptic Robinson Crusoe putting together the semblance of a normal life from the flotsam and jetsam of his former existence. As he descends into madness over the years, he becomes increasingly aware that his survival was no accident and that his destiny - and the fate of the human race - are part of a profound, cosmological plan.

The Aberdeen-Angus Herd Book

When a dubious family move onto their street, the consequences are greater than either Molly or Nellie could have ever imagined... Joan Jonker brings us another instalment of her hugely popular Molly and Nellie series in *Last Tram to Lime Street*, as the two friends get up to more mischief in their beloved Liverpool. Perfect for fans of Lindsey Hutchinson and Katie Flynn. Molly Bennett and Nellie McDonough are as close as can be. They sort out all the neighbours' problems, care for seven children between them, and still have time for a giggle and a gossip. So imagine the excitement when Nellie's son, Steve, proposes to Molly's daughter, Jill. But it's not long before unsettling events turn their attention again to friends in need. The Bradley family, who have moved in up the street, are a bad lot, and Molly and Nellie find their hands full with sorting out the troubles that ensue. Meanwhile, Molly's teenage daughter, Doreen, has fallen head over heels in love with a young lad named Philip. She hasn't been with anyone quite like him before, and she's in for a terrible shock when she finds out whose family he comes from... What readers are saying about *Last Tram to Lime Street*: 'I have followed the fortunes of Molly and Nellie through all of Joan's books, but this one is my favourite by far. As with all her books the characters are so vivid and easily identifiable, reading it takes me into their lives, watching as their dramas unfold' 'Could not put this book down ...The best read I've had for a long time'

Herd Register

Herland is a utopian women's fiction novel written by feminist Charlotte Perkins Gilman in 1915. The genre fiction classic *Herland* describes an isolated society composed entirely of women, who reproduce via parthenogenesis also known as asexual reproduction. The result is an ideal social order: free of war, conflict, and domination. *Herland* is a classic in literature & fiction and genre fiction, it is also an important feminist work. In addition to writing women's fiction, Charlotte Perkins Gilman was a prominent American feminist, sociologist, novelist, writer of short stories, poetry, and nonfiction, and a lecturer of social reform. In addition to *Herland*, this anthology volume also includes *The Yellow Wallpaper*, which is a semi-autobiographical short story also written by Charlotte Perkins Gilman and is considered by many to be her best work.

The Clydesdale Stud-book. ...

Having become increasingly concerned about the rise in crime and the softly-softly approach to punishing offenders, Joan Jonker realised that little was being done for the victims of crime. She set up the charity Victims of Violence and went on to raise over two million pounds and to help twelve thousand victims whose voices would not otherwise have been heard. *Victims of Violence* is the moving, no-holds-barred story of Joan Jonker's fight for justice. Of the heartbreak and suffering behind the crime statistics and of Joan's courage and compassion in the face of adversity.
