finance-commission-1st-edition-key-takeaways

Finance Commission, First Edition, Indian Economy, Financial Recommendations, Fiscal Federalism
The Finance Commission 1st Edition provides a foundational understanding of India's fiscal federalism and the crucial role of the Finance Commission in recommending principles governing the distribution of tax revenues between the Union and the States. This edition likely lays out the initial framework, objectives, and challenges faced by the commission in its early stages, offering valuable insights into the evolution of financial resource allocation in India.
