Life is so short.

This life on earth quickly passes away.

The time we have to live is briefly here
our lives disappear.

Don't waste your life living for self and gain.

Or living for what's sin, temporal, and vain.

Live your life for Christ and what will go on

What lasts forever when your life is gone.

Life will be over and you will face death.

What really mattered for eternity.

Your life is getting shorter ev'ry day

And like a vapor life passes away.

One day, very soon

when your life is past
