I Love Jesus, But I Want to Die

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest

anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

So buckle up and hold on tight as you step into 'The Normal Supernatural Christian Life'.

The Knowledge of the Holy

This classic of Christian testimony and devotion explores the attributes of God in words that fly straight to the heart. A superb aid to strengthening and deepening the spiritual life, each chapter begins with a prayer, lucidly discusses a divine aspect -- from God's infinity to God's love -- and relates that aspect to today's world, while pointing always to God's wonder and inscrutability." A. W. Tozer asserts that the cause of many of our modern spiritual woes is the loss in today's church of a lofty concept of God. He argues persuasively that the cure lies in our rediscovery of God's majesty. "True religion confronts earth with heaven and brings eternity to bear upon time," says the author in his preface, "The messenger of Christ, though he speaks from God, must also, as the Quakers used to say 'speak to the condition' of his hearers; otherwise he will speak a language known only to himself. His message must be not only timeless but timely. He must speak to his own generation." The message of this book is indeed both timeless and timely. Tozer is primarily concerned with the loss of the concept of 'majesty' from the popular mind and more importantly in the thinking of the church. He sees the church as having surrendered her once lofty concept of God - not deliberately, but little by little and without her knowledge. With this comes a further loss of religious awe and a sense of the divine presence, of an appropriate spirit of worship and of our ability to withdraw inwardly to meet God in adoring silence. Tozer attempts to address this problem, to go back to the causes of the decline and to understand and correct the errors that have given rise to our loss of a sense of the holy. "It is impossible to keep our moral practices sound and our inward attitudes right while our idea of God is erroneous or inadequate," he tells us.

Holding On to Hope

A healing book for those in the wake of life's devastating storms. We can never plan for the unexpected turns of this life that sometimes lead to great personal suffering. Sometimes that suffering can overshadow everything and threaten to pull us under. Nancy Guthrie knows what it is to be plunged into life's abyss. Framing her own story of staggering loss and soaring hope with the biblical story of Job, she takes you by the hand and guides you on a pathway through pain—straight to the heart of God. *Holding On to Hope* offers an uplifting perspective, not only for those experiencing monumental loss, but for anyone going through difficulty and failure. (Includes an 8-week study on the book of Job for readers who want to dig deeper into what the Bible says about dealing with suffering and grief.)

Beautiful Disaster Signed Limited Edition

Abby Abernathy is re-inventing herself as the good girl as she begins her freshman year at college, which is why she must resist lean, cut, and tattooed Travis Maddox, a classic bad boy.

Breaking The Habit of Being Yourself

You are not doomed by your genes and hardwired to be a certain way for the rest of your life. A new science is emerging that empowers all human beings to create the reality they choose. In *Breaking the Habit of Being Yourself*, renowned author, speaker, researcher, and chiropractor Dr. Joe Dispenza combines the fields of quantum physics, neuroscience, brain chemistry, biology, and genetics to show you what is truly possible. Children of the Quicksands

A richly imagined magical adventure set in West Africa by a prize-winning new voice in children's writing, *Children of the Quicksands* introduces readers to Yoruba myths and legends while showcasing the wealth of culture, traditions, adventure, joy, pride, and love found in Nigeria. In a remote Nigerian village, thirteen-year-old Simi is desperate to uncover a family secret. Ajao is nothing like Lagos -- no cell phones, no running water or electricity. Not a single human-made sound can be heard at night, just the noise of birds and animals rustling in the dark forest outside. Her witchlike grandmother dispenses advice and herbal medicine to the village, but she's tight lipped about their family history. Something must have happened, but what? Determined to find out, Simi disobeys her grandmother and goes exploring only to find herself sinking in the red quicksand of a forbidden lake and into the strange parallel world that lies beneath. It must have been a dream... right? Wrong. Something isn't right. Children are disappearing and it's up to Simi to discover the truth.

The Unbecoming of Mara Dyer

A dark, supernatural romance, perfect for fans of Holly Black, Cassandra Clare and Stephenie Meyer. Mara Dyer wakes from a coma in hospital with no memory of how she got there or of the bizarre accident that caused the deaths of her best friends and her boyfriend, yet left her mysteriously unharmed. The doctors suggest that starting over in a new city, a new school, would be good for her and just to let the memories gradually come back on their own. But Mara's new start is anything but comforting. She sees the faces of her dead friends everywhere, and when she suddenly begins to see other people's deaths right before they happen, Mara wonders whether she's going crazy! And if dealing with all this wasn't enough, Noah Shaw, the most beautiful boy she has ever seen can't seem to leave her alone . . . but as her life unravels around her, Mara can't help but wonder if Noah has another agenda altogether. Praise for *The Unbecoming of Mara Dyer*: 'Haunting and dreamlike... the intrigue and romance will inescapably draw you in' - Cassandra Clare, bestselling author of *The Mortal Instruments* series. 'The Unbecoming of Mara Dyer strikes a rare balance of darkly funny, deliciously creepy and genuinely thoughtful. One minute I was laughing out loud, and the next, I was so scared I wanted to turn on all the lights and hide under the covers. Michelle Hodkin's talent and range are obvious, from her chilling descriptions to romantic scenes that almost crackled on the page. I've never read anything quite like it.' Veronica Roth, New York Times bestselling author of *Divergent* Also by Michelle Hodkin: *The Evolution of Mara Dyer* *The Retribution of Mara Dyer* *The Becoming of Noah Shaw* *The Reckoning of Noah Shaw*

What Jesus Demands from the World

Looks at the Gospels and examines what Christ requires of his followers in a redemptive-historical context. New and seasoned believers will see God's loving plan for their ultimate satisfaction. Now in paperback.

Life Among the Savages

A darkly funny account of family life from the author of *The Haunting of Hill House* and *The Lottery* 'Sometimes, in my capacity as a mother, I find myself sitting open-mouthed and terrified before my own

children' As well as being a master of the macabre, Shirley Jackson was also a pitch-perfect chronicler of everyday family life. In *Life Among the Savages*, her caustically funny account of raising her children in a ramshackle house in Vermont, she deals with rats in the cellar, misbehaving imaginary friends, an oblivious husband and ever-encroaching domestic chaos, all described with wit, warmth and plenty of bite. 'Jackson's family chronicles have a genuinely subversive aspect ... Read today, her pieces feel surprisingly modern - mainly because she refuses to sentimentalize or idealize motherhood' *The New York Times Book Review* 'Comic masterpieces, laced with hints of the discontent that lies beneath' *Guardian*

Miracle Work

In *Miracle Work* Jordan Seng tells remarkable stories of physical healings and prophetic messages. His reflections explore the challenges of relying on God's power in contemporary ministry, and help us train and prepare ourselves for the manifestation of power in our work with others.

The Ecstasy of Loving God

Ecstasy, or extasis, is the Greek term for trance, and is linked with a pleasurable, God-given state of out-of-body experience recorded throughout the New Testament and the church age. Starting with the apostles ecstatic experiences on Pentecost, the Book of Acts further records trances in the lives of Peter and Paul. From the early church to the Christian mystics of the Middle Ages and the famous revivalists of centuries present, God's movements on the earth have always been marked by these supernatural experiences. In this book, John Crowder takes us on a journey from Old Testament ecstatic prophets such as Samuel and Elijah, to the future ecstasies who will usher in a massive wave of harvest Glory to the streets in these last days. God has always wanted a people who live in the Heavens, even as they walk on the Earth. And the world is hungry for the demonstration of a gospel of supernatural power that flows from a life of divine pleasure. More than a state of mind, you will see how the nature of God's ecstasy is found in the joy, bliss and inner raptures of His presence. In this book, you will be encouraged to drink from the river of His pleasure! (Ps. 36:8)

Spirit Wars

You know the battle is raging--but are you fighting the right enemy? Just as enemies fought Joshua in the Promised Land, and Nehemiah faced opposition as he rebuilt the walls of Jerusalem, our enemy will fight us as we approach the spiritual terrain God has promised us. Most Christians retreat at the first sign of conflict because they fail to recognize the true nature of the battle. But you can prevail in freedom and joy. Sharing his deeply personal story of demonic bondage, torment and ultimate deliverance, pastor and bestselling author Kris Vallotton turns the idea of spiritual warfare as we know it on its head. He reveals the diabolical lies and strategies of the enemy--attacks and traps so subtle and deceptive that we may find our souls and hearts imprisoned without even knowing it. No more! Now you can win the invisible battle against sin and the enemy. Victory is within your grasp. Will you take hold? "It is with great excitement that I recommend this book to you, knowing that fruit will increase until Jesus gets His full reward."--Bill Johnson, author, *When Heaven Invades Earth* and *The Essential Guide to Healing*, senior pastor, Bethel Church, Redding, California

Killing Commendatore

We all live our lives carrying secrets we cannot disclose. 'Beguiling... Murakami is brilliant at folding the humdrum alongside the supernatural; finding the magic that's nested in life's quotidian details' *Guardian* When a thirty-something portrait painter is abandoned by his wife, he holes up in the mountain home of a famous artist. The days drift by, spent painting, listening to music and drinking whiskey in the evenings. But then he discovers a strange painting in the attic and unintentionally begins a strange journey of self-discovery that involves a mysterious ringing bell, a precocious thirteen-year-old girl, a Nazi assassination attempt and a haunted underworld. A stunning work of imagination, *Killing Commendatore* is a surreal tale of love and loneliness, war and art.

School of the Prophets

The Essential Guide for Prophets Mining from years on the frontlines of prophetic ministry, and overseeing the internationally renowned Bethel School of Supernatural Ministry, bestselling author Kris Vallotton takes you deep into the heart of one of the most crucial, compelling and controversial topics today: the office of prophet. In this definitive guide, Kris offers often-neglected foundational teaching and provides critical advanced training, including how to · discern your calling and grow in your gift · define your divinely appointed sphere of influence and depth of authority · recognize the six different types of prophets--and how to deal with false ones · navigate potential relational difficulties as you step into your gifting · understand the complex ways God communicates · prepare for the common, but dangerous, spiritual attacks prophets face Vallotton offers a balanced view of not only what modern-day prophets are, but also what they are not. You will come away empowered and equipped with the knowledge and skills needed for this beautiful, vital, supernatural ministry. "The New Testament of Jesus Christ is a message of faith, hope and love. It is called the Good News. My friend and colleague Kris Vallotton is one of the best in the prophetic community to help shape, teach and model these 'Good News Prophets.' Thanks for honoring my generation's pioneering work and picking up the baton and carrying it forth!"--Dr. James Goll, founder, Encounters Network, Prayer Storm and GET eSchool "My friend Kris Vallotton has masterfully crafted this treatise, School of the Prophets, on the dynamics and framework of building a prophetic community in the 21st century. His life experience and seasoning in Christ have afforded the Spirit the opportunity to make him an influencer of influencers and a prophetic voice to the nations with a global footprint."--Mark J. Chironna, M.A., Ph.D.; Mark Chironna Ministries; Church on the Living Edge, Orlando, Florida "I love this book! As a person passionate to see the most desired gift in the New Testament (1 Corinthians 14:1) flourish all over the world, I would recommend this book wholesale. It clearly and biblically describes how to function in the New Testament gift of prophecy and articulates various kinds of biblical prophets. If one heeds its principles, it will give greater understanding and produce higher levels of maturity in prophetic ministry."--Stacey Campbell, founder, Canadian Prophetic Council; author, Ecstatic Prophecy "This is a must-read for all ministries. As an apostolic ministry, we recognize the gifts and callings that God has placed on the lives of those we pastor. Reading School of the Prophets has given us greater insight and understanding of how to help develop and prepare others to walk in their divine assignment. Kris Vallotton brings much clarity in what it means to be called in the office of a prophet and eliminates the fear of giving and receiving the prophetic."--Tony and Cynthia Brazelton, founders and pastors, Victory Christian Ministries International "Kris Vallotton's book reminds us that the heart of prophecy should be God's heart to build up, encourage and speak life. Kris goes through strategic and important teaching about prophecy versus the office of prophet, specifically in the context of the Church. I highly recommend this book and pray that it helps you to understand the prophetic and to 'call the gold' out of those around you."--Heidi Baker, Ph.D.; co-founder and director, Iris Global "As I read this book, I could hear the sound of an entire generation of voices emerge that will transform culture. Kris Vallotton is a father to these voices. School of the Prophets presents a practical methodology for prophetic community and a powerful manifesto for prophetic transformation in this generation."--Bob Hazlett, author, The Roar: God's Sound in a Raging World; Future Perspectives, New Haven, Connecticut

Cold-Case Christianity

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Developing a Supernatural Lifestyle

In this powerful book Kris Vallotton reaches into God's arsenal and equips the Body of Christ with supernatural weapons of warfare that will destroy the works of darkness and catapult you into your divine destiny. If you have ever felt bored, powerless or overwhelmed by the world around you, this book is for you. Developing a Supernatural Lifestyle will teach you how to proactively grow the gifts of the Spirit in your life and show you how to have a Kingdom worldview that gives you timeless perspective.

My Vampire System

The human Race is at war with the Vicious Dalki and when they needed help more than ever, THEY started to come forward. Humans who had hidden in the shadows for hundreds of years, people with abilities. Some chose to share their knowledge to the rest of the world in hopes of winning the war, while others kept their abilities to themselves. Quinn had lost everything to the war, his home, his family and the only thing he had inherited was a crummy old book that he couldn't even open. But when the book had finally opened, Quinn was granted a system and his whole life was turned around. He completed quest after quest and became more powerful, until one day the system gave him a quest he wasn't sure he could complete. "It is time to feed!" "You must drink human blood within 24 hours" "Your HP will continue to decrease until the task has been completed" More info, visit: <https://www.webnovel.com/>

The Ter'roc Evolution

The Ter'roc have watched over us since the beginning... "We are coming for you. Do not resist us or you shall all die." These are the haunting words that teenager Heidi Kilbourne has been dreaming about for the past few months—that and a creature that is giving her night terrors. When Heidi ventures into a storm drain near the railroad tracks in search of adventure, she stumbles right into the discovery of a lifetime: An ancient alien race who tells her they have watched over mankind since its inception, and they are here to prevent a catastrophic attack on Earth. But are these aliens truly allies? Or is there something more sinister lurking beneath their claims? Drawn into a group of humans recruited by the aliens, Heidi discovers a devastating secret and begins to question who the real invaders truly are.

Cocaine + Surfing

From the author of *Welcome to Paradise, Now Go To Hell*, a finalist for the PEN Center USA Award for Nonfiction One of Pearl Jam's Jeff Ament's Top 10 of 2018 It's no surprise that surfers like to party. The 1960-70s image, bolstered by Tom Wolfe and *Big Wednesday*, was one of mild outlaws--tanned boys refusing to grow up, spending their days drinking beer and smoking joints on the beach in between mindless hours in the water. But in the 1980s, as surf brands morphed into multibillion-dollar companies, the derelict portrait began to harm business. The external surf image became Kelly Slater and Laird Hamilton, beacons of health, vitality, bravery, and clean-living. Internally, though, surfing had moved on from booze and weed to its heart's true home, its soul's twin flame: cocaine. The rise of cocaine in American popular culture as the choice of rich, white elites was matched, then quadrupled, within surf culture. The parties got wilder, the nights stretched longer, the stories became more ridiculously unbelievable. And there has been no stopping, no dip in passion. It is a forbidden love, and few, if any, outside the surf world know about this particular rhapsody. Drug use is kept very well-hidden, even from insiders, but evidence of its psychosis rears its head from time to time in the form of overdoses, bar fights, surf contests, murders, and cover-ups. *Cocaine + Surfing* draws back the curtain on a hopped-up, sometimes-sexy, sometimes-deadly relationship and uses cocaine as the vehicle to expose and explain the utterly absurd surf industry to outsiders.

Roadwork

For use in schools and libraries only. When a highway project leaves him unemployed and threatens to destroy his home, one man takes on the forces of progress as he embarks on a vengeful showdown of epic proportions. A novel originally written under the Richard Bachman pseudonym.

The God Who Is There

It can no longer be assumed that most people--or even most Christians--have a basic understanding of the Bible. Many don't know the difference between the Old and New Testament, and even the more well-known biblical figures are often misunderstood. It is getting harder to talk about Jesus accurately and compellingly because listeners have no proper context with which to understand God's story of redemption. In this basic introduction to faith, D. A. Carson takes seekers, new Christians, and small

groups through the big story of Scripture. He helps readers to know what they believe and why they believe it. The companion leader's guide helps evangelistic study groups, small groups, and Sunday school classes make the best use of this book in group settings.

The Wasp Factory

The polarizing literary debut by Scottish author Ian Banks, *The Wasp Factory* is the bizarre, imaginative, disturbing, and darkly comic look into the mind of a child psychopath. Meet Frank Cauldhame. Just sixteen, and unconventional to say the least: Two years after I killed Blyth I murdered my young brother Paul, for quite different and more fundamental reasons than I'd disposed of Blyth, and then a year after that I did for my young cousin Esmerelda, more or less on a whim. That's my score to date. Three. I haven't killed anybody for years, and don't intend to ever again. It was just a stage I was going through.

Destined to Win

Pastor and cofounder of the Bethel School of Ministry Kris Vallotton walks Christians through the profound process of discovering their true identity and experiencing the wonder of their kingdom purposes. Christians are often told that they were born with a purpose that reaches beyond their human strivings, but most are not sure how to break past the daily struggles holding them back, much less how to fully step into their callings. As a pastor and the cofounder of the Bethel School of Ministry, Kris Vallotton has been teaching Christians all over the world how to walk in wholeness and purpose for more than seventeen years. In *Destined to Win*, he passes on the lessons that will help readers discover who they really are, overcome destructive behaviors, and become equipped for their kingdom purposes. Confronting the challenges that limit Christians—such as living shackled by past pain, fear, and unforgiveness—Vallotton offers practical solutions to the of-ten-complex problems that undermine their destinies and derail their pur-poses. With personal stories and biblical teaching, *Destined to Win* combines practical wisdom and profound revelation to unlock the latent potential present in each perso

The Supernatural Enhancements

EVERYBODY LOVES A CONSPIRACY. DON'T THEY? When Ambrose Wells dies jumping out of his bedroom window in Axton House, forgetting to open it first, a distant relative with an unusual companion takes possession of the gothic estate at Point Bless, Virginia. But as they settle into their new surroundings, excited by rumours of ghosts, suicides and secret societies, they find themselves not just part of a mysterious 'Game', but determined to win it.

Wildwood

Prue McKeel is keeping out of trouble. Or trying to. Then her baby brother is abducted by crows and hauled off to the woods beyond the city. It is up to Prue to bring him back. On her mission she is plunged into the world of Wildwood and there she meets more trouble - and magic - than she ever thought possible.

Jesus Christ Is Perfect Theology

The Bible gives us the history of the human experience with God: The triumphs, the failures, the redemptions, and ultimately, the enduring love of the Father for His Creation. Nowhere is this love seen more clearly than through the life of Jesus Christ. In this foundational message by the best-selling author of *When Heaven Invades Earth*, Bill Johnson shares the importance of Jesus in understanding God's love for humankind. Modern interpretations and theology point to God as being angry, vengeful, and genocidal, attributing to Him some of the very worst aspects of the human condition. The Old Testament is an incomplete picture, as God portrayed through Jesus is a very different God indeed. In *Jesus Christ is Perfect Theology*, Bill Johnson reveals how Jesus completes the picture of God presented in the Bible, and provides to us the measure by which we should judge all things.

That's Not What Happened

From New York Times bestseller Kody Keplinger comes an astonishing and thought-provoking exploration of the aftermath of tragedy, the power of narrative, and how we remember what we've lost. It's been three years since the Virgil County High School Massacre. Three years since my best friend, Sarah, was killed in a bathroom stall during the mass shooting. Everyone knows Sarah's story--that she died proclaiming her faith. But it's not true. I know because I was with her when she died. I didn't

say anything then, and people got hurt because of it. Now Sarah's parents are publishing a book about her, so this might be my last chance to set the record straight . . . but I'm not the only survivor with a story to tell about what did--and didn't--happen that day. Except Sarah's martyrdom is important to a lot of people, people who don't take kindly to what I'm trying to do. And the more I learn, the less certain I am about what's right. I don't know what will be worse: the guilt of staying silent or the consequences of speaking up . . .

The Supernatural Ways of Royalty

Your Identity Unlocks Your Inheritance! To experience the full inheritance that Jesus purchased at the cross, you must understand your royal identity. In this classic bestseller, Kris Vallotton and Bill Johnson denounce those strongholds of thought that have kept many Christians from enjoying their supernatural inheritance. They lovingly guide readers into a revolutionary understanding of who God says they are royal heirs to the eternal Kingdom of God. Step into your God-given destiny by dispelling the pauper mindset, uprooting the poverty mentality, and embracing royalty as part of your spiritual DNA! Claim your spiritual inheritance today!

The Scars That Have Shaped Me

21 surgeries by age 13. Years in the hospital. Verbal and physical bullying from schoolmates. Multiple miscarriages as a young wife. The death of a child. A debilitating progressive disease. Riveting pain. Abandonment. Unwanted divorce... Vaneetha begged God for grace that would deliver her. But God offered something better: his sustaining grace.

Healing the Sick

Do you have a desire to see more people healed as you pray? Are you held back by a lack of teaching on this topic that is Biblical, grounded, and practical? Do you struggle to know what to do in the more complex situations, or what to say when the healing doesn't come? Healing the Sick unpacks the clear Biblical call to Christians to step into naturally supernatural healing. Rooting everything in Scripture, it will build your faith, help set appropriate expectations, and give you clear steps to follow. You will learn not only how to pray for healing, but also how to respond with love and wisdom when there is both success and disappointment. This book is packed full of stories, practical wisdom, and engaging activation exercises. Also included are a group study guide, common Q&A, a list of Scriptures to ponder, further reading ideas, and prayer exercises. Everything is written not only to help you grow, but also to enable you to train those who lead!

The Lost Flowers of Alice Hart

Now an Amazon Original series starring Sigourney Weaver, The Lost Flowers of Alice Hart is the internationally bestselling novel by Holly Ringland. Perfect for fans of Where the Crawdads Sing and Kate Morton. 'A magical coming-of-age novel' - Good Housekeeping On the Australian coast, miles away from the nearest town, nine-year-old Alice Hart lives in fear of her father's dark moods. She is sheltered only by the love of her mother, Agnes, and Agnes' beautiful garden. When tragedy changes Alice's life irrevocably, she is sent to Thornfield, a native flower farm run by the grandmother she has never known. Thornfield gives refuge to women who, like Alice, are lost or broken, and it is there that Alice learns to use the language of flowers to say the things she cannot voice. But as she grows older, Alice realizes that there are things that even the flowers cannot help her say. Family secrets are buried deeper than the flowers' roots and, if she is to have the freedom she craves, she must find the courage to unearth the most powerful story she knows: her own. 'Rich, vibrant and alive . . . Holly Ringland is a writer to watch out for' - Jenn Ashworth, author of Ghosted

Beyond Black

A novel from the author of Giving Up the Ghost and A Place of Greater Safety.

Sophie's World

The international bestseller about life, the universe and everything. 'A simply wonderful, irresistible book' DAILY TELEGRAPH 'A terrifically entertaining and imaginative story wrapped round its tough, thought-provoking philosophical heart' DAILY MAIL 'Remarkable ... an extraordinary achievement' SUNDAY TIMES When 14-year-old Sophie encounters a mysterious mentor who introduces her to

philosophy, mysteries deepen in her own life. Why does she keep getting postcards addressed to another girl? Who is the other girl? And who, for that matter, is Sophie herself? To solve the riddle, she uses her new knowledge of philosophy, but the truth is far stranger than she could have imagined. A phenomenal worldwide bestseller, SOPHIE'S WORLD sets out to draw teenagers into the world of Socrates, Descartes, Spinoza, Hegel and all the great philosophers. A brilliantly original and fascinating story with many twists and turns, it raises profound questions about the meaning of life and the origin of the universe.

Wicked Lovely

Story of 17-year old Aislinn who can see spirits, and Summer King Keenan who wants to make her his weapon to fight Winter Queen Beira and Darkness King Irial A 21st fairy tale for teenagers.
