This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to ensure edition identification: ++++ Origines: Or, Remarks On The Origin Of Several Empires, States And Cities, Volume 1; Origines: Or, Remarks On The Origin Of Several Empires, States And Cities; Sir William Drummond Sir William Drummond, Thomas James Matthias Printed by A. J. Valpy, 1824 History, Ancient

Origines

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Excerpt from Origines, or Remarks on the Origin of Several Empires, States, and Cities, Vol. 1 As I found it impossible to avoid in. Troduding many Oriental words into the course of my discussions and as Europeans are far from being agreed about the orthography of such words, when written in Roman letters, I have gene rally added the forms which they bear in the characters of the different languages to which they belong. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Origines

Excerpt from Origines, Vol. 2: Or, Remarks on the Origin of Several Empires, States, and Cities Allow me to dedicate this volume on Egyptian antiquities to yon - the friend of many years - and the author of one of the most ia teresting works on Egypt, which has appeared.
