Mouse on a Mission

God welcomes questions. The Bible is full of inquisitive characters with good questions. From Abraham's inquiry—"Will not the Judge of all the earth do right?"—to Mary's wide-eyed, "How will this be?" God patiently answers the questions of sincere, searching hearts. Questions are part of the learning process, and a repeated Old Testament command is to seek the Lord. Those who inquire of Him are invariably rewarded with His wisdom. Jesus' gracious promise says, "Ask and it will be given to you" (Matthew 7:7). As we open the Bible, we begin a quest to know the God who has revealed Himself in its pages. What is God like? Does God love me? Why does He allow bad things to happen? The answers to these and many other questions are there in the Bible, waiting for us to find them. Got Questions Ministries has fielded many questions about God since 2002. One hundred of those questions are compiled in this book, along with biblical answers. All of these real-life questions come from people who want to know the truth about God, His nature, and His work in the world. We hope you will use this volume as an aid to knowing God a little better and loving Him more.

Questions about God

Bible History is a fascinating study that gives incredible insights into the Old Testament. Alfred Edersheim removed layers of mystery, allowing readers to engage completely with the text. The readers are provided with a chronological history of the Jewish people resulting from his close examination of the books. The work is divided into seven volumes to make it easy for the reader to comprehend each significant period covered in the Old Testament. Edersheim's deep knowledge and understanding of Judaism are witnessed throughout the work. In addition, one can also notice his love for scripture and his desire for every Christian to learn and become familiar with the story of God's redeeming work in history.

There's a lot of math in the Bible! Even so, it's not easy to integrate the Bible into math lessons - especially in middle school and the higher grades. ""Bible Math Collection 1"" is a cost-saving collection of 5 Bible Math lesson plans which includes math lessons about the Creation, Noah's Ark, Ark of the Covenant, King Solomon's Pool, and Gideon's Army. This book is all about projects. Projects provide a venue for cooperative learning, creativity, and real-life applications. They often provide a "springboard" for thoughtful classroom discussions. Projects are memorable learning experiences.

Long after students have forgotten the typical lessons or even the exam, they will remember working on projects. Projects are fun.

Bible math Collection 1

In this enduring classic, Alfred Edersheim explores the broad sweep of Old Testament history. He brings to his work his immense learning and familiarity with Judaism, as well as his love for Scripture and his desire for every Christian to know and understand the story of God's redemptive work in history. This new edition of Edersheim's classic features the following improvements: - Entirely reset in a modern and easy-to-read typeface - Complete and unabridged in one volume - Arabic numbers replace roman numerals - New maps to provide for richer understanding "In writing it " Bible History: Old Testament]" I have primarily had in view those who teach and those who learn, whether in the school or in the family. But my scope has also been wider. I have wished to furnish, what may be useful for reading in the family, --what indeed may, in some measure, serve the place of a popular exposition of the sacred history. More than this, I hope it may likewise prove a book to put in the hands of students, to show them what the Bible really teaches." --Alfred Edersheim

Bible History Old Testament New Updated Edition

Alfred Edersheim (1825 – 1889) was a Jewish convert to Christianity, a Presbyterian and Anglican minister, and a Biblical scholar. He is remembered for his works *The Temple: its Ministry and Services as they were in the Time of Jesus Christ*, *Sketches of Jewish Social Life in the days of Christ*, *The Life and Times of Jesus the Messiah*, and his history of the Old Testament.

Bible History: Old Testament

In this innovative guidebook Julie Baretz takes readers to twenty-one off-the-beaten-path locations in Israel where Bible stories are said to have happened. At each site she sets the scene by relating the historical context of the event, then follows with the biblical text itself and her own lively commentary. Captivating and complex Bible characters bring the locations to life as they face social, ethical, and spiritual dilemmas not unlike our own today. Baretz's narratives draw on history, archaeology, academic scholarship, and rabbinic literature for interpretations that enhance the meaning of the biblical events. Each story is told in the voice of Baretz as the tour guide—knowledgeable yet informal and friendly. *The Bible on Location* traces the chronology and narrative arc of the historical books of Joshua, Judges, Ruth, 1 and 2 Samuel, 1 and 2 Kings, Ezra, and Nehemiah. The book begins with the Israelites' arrival in the land of Israel (following the exodus from Egypt and the forty years of wandering) and continues over more than six hundred years, until the return of the Jewish exiles from Babylon to their homeland. Baretz's descriptions are accompanied by colorful maps and photographs that put actual and armchair visitors in the middle of the action. Each location reveals a new episode in the biblical narrative and provides inspiration and commentary that will enhance visits to the various sites.

The Bible on Location

The Bible History

Gideon was a young Israelite man living in Ophrah. He was the youngest son of Joash, who was of the family of Abiezer. His family line belonged to the tribe of Manasseh. Gideon is a man of the Old Testament that is often underestimated. He led a profound life coming to the aid of his people and serving as a judge to the Israelites. His actions give us an example to follow and lessons to learn. In the book of judges, he is threshing wheat in a winepress. This was not the custom but had to be done to protect what grain they could get. Later in his life, Gideon becomes a judge of Israel and dies as an honored man in the history of God's chosen people. However, there is a number of mysteries surrounding the life of Gideon. If you find it intriguing, read this book. This book will give you the answers to all questions such as: -Why has the true story of Gideon been hidden for three millennia? -How does Gideon connect with Jacob wrestling an angel how did a blood feud between the killing of Gideon's brothers and the Midianite kings evolve? -How does the prophetess Debra establish the lighting of

the two Shabbat candles? -How Gideon's three hundred represent the trinity. Why was Gideon not in the major Midianite battle? -How did three hundred starving men conquer fifteen thousand in a night battle? -And so much more!!

Honour of Kings Bible 1 - Print

Billie, an ailing 26-year-old woman, meets a handsome missionary, Gideon, who promises her eternal happiness and health if she turns her life over to Jesus. Their instant attraction opens the door to her seduction, and he introduces her to his dreams and desires. Lured by his seeming devotion to her and to God, as well as his sizzling sexuality and yearning for a meaningful role in the world, she falls in love, both with Gideon and the spiritual promise he offers. Inducted into a bizarre, nominally Christian cult calling itself The Family International (Children of God), Billie is morphed into a diligent student, immersed daily in the rote memorization of Bible passages and the writings of their leader Moses David. Pressured to use her body to win souls for Jesus, Billie is caught in a whirlpool of love, sacred aspiration and unbridled sex, struggling to reconcile her feelings for her new lover, God, and the teachings of the cult's self-proclaimed prophet, Moses David.

Gideon's Story

Gideon may seem like an unlikely hero but to God he was an ideal candidate for ministry. Gideon and his crew of three hundred men with trumpets and clay pots appear surprising victors against the massive Midianite army; however for God they were another opportunity to showcase his strength and power. God takes weak people, meagre resources and unpromising strategies and turns them into something wonderful. From his first face-to-face encounter with the Angel of the Lord to his later struggles with the trappings of success, Gideon challenges us to take our stand for God, to trust his plans, to believe in his promises and to keep our focus. Written with humour and passion, this is an immensely readable and helpful book that will delight those who have discovered the joys of Jeff Lucas writings before, as well as those who come to it fresh. Written with clarity, compassion and down-to-earth honesty. A highly readable account of how God works in people.

Fivefold Church Fishing: If fivefold ministry were compared to fishing, their different strengths are used as a team. The apostle would acquire the boat, net, and team to catch and process the fish. The prophet would seek Holy Spirit direction, to know time, location, and fishing depth. The teacher would study to give knowledge of species and bait, to maximize catching, cleaning, and preserving the fish. The evangelist will go out regardless of time or weather. He will tirelessly cast his net to maximize gathering all he can, while encouraging believers to join him. The pastor would receive the catch, clean it, and care for the processed fish. All the elders would distribute this catch with wisdom and love, while ministering to the entire assembly. Well-fed believers will then minister both inside and outside of the church.

The Big Book of Bible Questions

The student workbook covers the same people as the teaching activities manual. Each biblical figure has a puzzle for the young person to work with that guarantees that they have the basics of the story down, encouraging them to read about each person. A second page has a short introduction to the character that explains their place in salvation history. This page also contains reflection questions for the young people to consider as they make connections between this biblical figure and their own lives.

The One Year Bible Devotional

A biblical theologian explores what the Old Testament says about twenty-five important questions of the Christian faith, drawing practical, sensible applications for today's church.

Beyond Suffering Bible NLT

This programme is designed both for people with firm opinions and for people who have no opinions at all. It does not assume extensive Bible knowledge neither does it mitigate against those who are recognized teachers of scripture. In fact, the real challenge of this programme is how church leaders manage the ensuing debates that arise from studying the Bible in this way. If you see your primary task as a leader as being one of maintaining the orthodoxy of your church tradition than this programme is probably not for you! If, on the other hand, you believe that the words of Jesus are true, that the Holy Spirit has been given to us to lead us into all truth then this is an opportunity to strip away the traditions of men and go deeper into God's Word and there discover anew the immense treasures that he has revealed in His scriptures.

One thousand questions on the Old Testament, by a teacher

In this book are crosswords, memory quizzes, word jigsaws, missing connections, double jumbles, word ladders and so many more types of puzzles. Don't be bored again. Cognitive labels are added for each puzzle, so solvers know what part of their brain they are working. And puzzles get harder as you work. Answers are in the back of the book.
