Spirit breaks down the difference between chemistry and compatibility

People often mistake the relationship's chemistry changing for falling out of love

Spirit explains how people end up feeling that they are incompatible

When you are dating, that is the perfect time to go slow and really take stock

Spirit talks about how someone can be a 10 at 2 AM but a 2 at 10 AM

There are three sides: you, your partner and the relationship

Spirit explains what to do instead of focusing on the problems

There is science to relationships, and you can control intensity, duration and connection

Relationship problems and habits are passed down through the generations

Spirit explains how to deal with feelings, thoughts and behaviors

If you can change the way you think and behave, everything else will fall in line

Intro

In his book "The Seven principles of Making a Marriage Work," famed relationship researcher John Gottman the dude who can predict and asking the right questions can unlock the gates for a meaningful connection

What's one thing you always procrastinate on?

This question is telling because it shows what someone values in life

Do you believe everything happens for a reason

If you woke up tomorrow with no fear, what would you do first?

In your life, what has been the biggest blessing in disguise?

Does spending time with other people energize you or drain you?

What would your perfect day look like?

When is the last time you cried?

What is your all time favorite book?

What's the best way to end a long day?
