The Mystery Method

"One of the most admired men in the world of seduction" (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women. For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, *The Game*. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." *The Mystery Method: How to Get Beautiful Women Into Bed* shares tips such as: *Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. *Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. *Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. *Smile. Guys who don't get laid, don't smile.

The Pickup Artist

The creator of the "Mystery Method" introduced in Neil Strauss's best-selling *The Game* imparts salacious techniques for picking up and seducing women, in a guide that also shares extreme stories from Mystery's life. TV tie-in.

The Natural

One of the world's top pick-up artists, La Ruina went from having no women to being a true master of seduction. Now he shows readers how to do the same.

The Tactical Guide to Women delivers a solid plan for allowing the right women into your life, and keeping the wrong ones at a safe distance.

The Tactical Guide to Women

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of The 48 Laws of Power, Mastery, and The 33 Strategies Of War.

Dark Rooms

Most men today are sent off into society with a broken belief system, which they use to make choices, that get them terrible results with life and women. Men have been conditioned to be the quintessential "nice guy." They're trained to be overly humble, kind to a fault, and that just "being themselves" is enough to attract and keep the woman of their dreams. Men are told to believe that conventional masculinity is toxic, and to put women ahead of their own interests, passions, and purpose. This has led to an entire generation of men forming very unhealthy attachments to women that they, unfortunately, often make their sole focus of their lives. The playbook to women and life has changed, but most men missed the memo. Do you want to succeed, and level up in every area of your life? If so, then this book explains:

- The importance of maximizing your looks, money, social status, and game.
- Why it's essential to get genuine burning desire from a woman who wants to date you.
- The top 20 red flags that you must vet women for a long term relationship.
- How to become one of the top 20% of men that women swipe right for on online dating.
- Why smart men avoid marriage. And much more.

This book exposes the comforting lies you've been told throughout your life for what they really are. Enabling you to become a truly authentic Alpha that chases excellence, and leads a successful passion-filled life.

The Unplugged Alpha

In this volume, Watchman Nee, the noted Chinese pastor/writer, presents to us a biblical interpretation of creation, not arguing for the scientific accuracy of the Genesis account, but stipulating that God is greater than science.

The Mystery of Creation

Tucker Max meets Neil Strauss in this irreverent and hilarious story of a modern-day hustler who decided to get laid or die trying. Before there were any books by Neil Strauss or Mystery, before there were pickup boot camps or DVD box sets, pickup existed as a loosely-knit “community” on Internet bulletin boards. There, would-be players shared their field reports, strategies, and results. They compared notes, exchanged critiques, and figured out a body of knowledge that defied everything men had ever been told about getting women—what has since come to be known as game. The undisputed king of the field report was a player named “jlaix.” This was the handle of Jeff Allen, who would go on to be a founding member of Real Social Dynamics with Tyler Durden and Papa, all of whom play major roles in Neil Strauss’s *The Game*, the bestselling exposé of the world of pickup artists. In an arena founded on one-upmanship, Jeff Allen did it bigger and better than anyone. *Get Laid or Die Trying* presents in utterly shameless, hilarious, and graphic detail, Jeffy’s gritty, 100 percent real, and jaw-droppingly astonishing feats of seduction, revealing exactly how one goes about: • Attracting the girl you want by sleeping with all of her friends • Getting into the pants of the hottest girl at the party—a total stranger—in less than thirty minutes • Deflecting last-minute resistance with a single word • Pulling a chick who is surrounded by ten jealous guys • Cutting out enormous dudes that could easily pound you to a “fine red mist” • Getting threesomes as your default extraction • Having a stable so big you have to trim it down, and other “quality problems” • Convincing a girl you just met that before you sleep with her, she must mow your lawn Jeff’s tactics produce superhuman results, yet he doesn’t do anything you couldn’t do—now that you’ve seen it done. The worst part? You could have been doing this your whole life.

Get Laid or Die Trying

Describes what women seek in a man and the steps a man needs to take to win women over.

The Manual

This book has been over three years in the making. Three years of grinding it out in the trenches, approaching, dating, banging--and writing. This book is basically a download directly from my brain to yours of all my very most effective game, pickup and relationship techniques. Everything you need to know is in here, from how to approach her, to what to do on a date, to how to pull her home, to how to seduce her when she's there. If you want everything in one easy-to-read resource--red pill, day game, night game, Tinder and social circle game techniques, killer texting and dating advice, and laser-sharp insights into the current sexual marketplace plus how you can beat the system to bang the hottest girls--then this is the book for you. *How To Pull Hot Girls* is divided into three sections. The first is called 'Beginnings'. Here you can read all my freshest insights into the dating market. This is precisely the background you need--the red pill secrets that all the top players know that stop them getting eaten up and spat out by sexy girls. Why is dating so hard in the modern world? Is night game dead? Is Tinder worth it? What are the pitfalls of getting into a long-term relationship? What do girls these days want? Should you risk getting married, or commit to the life of a player. All of these questions and more are answered. The second section is all about 'Inner Game.' What exact personality traits and inner mental attitudes do you need to pull the hottest girls and what precisely to do you need to do to get them? It's all very well going out and approaching 1000 girls, but if you're not mentally prepared then it will be obvious to the women you interact with and you will get more blowouts than you do blowjobs. This section will give you all the tools that I use and that many of the best players in the world employ with great success. The third section, by far the longest, is all about 'Outer Game'. These are all the techniques that I use regularly when out and about picking up girls. In this section I really get down to the nitty-gritty in terms of what you should say, where you should take her, how to lead with confidence, and how to give off a sexual vibe without even opening your mouth. If you want an edge on the market then these are the insights you need. *How To Get Hot Girls Into Bed* is a compilation of essays on red pill, inner game and pickup. It is not a step-by-step guide. If you want that you should get my first book *The 7 Laws of Seduction*. *How To Get Hot Girls* takes my concepts to the next level with really in-depth reflections on what it is to be a player and how to be truly successful as a pick-up artist. A lot of the content on this book originally appeared on Return of Kings and / or realtroyfrancis.com , so you

may recognise some parts. However, everything has been edited and reworked to make is super-fresh and actionable. Also, the material has been carefully arranged to take you on a journey that will teach you everything you need to know about game. Finally, the book brings into one place a lot of diverse material, meaning that it's easily accessible and you don't have to hunt all over the internet for it.

"You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, The Subtle Art of Not Giving A F*ck, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In Models he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, Models is a mature

and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. Approaching Women

Whether they conducted their research in life or in the lab, experts Tucker Max and Geoffrey Miller have spent the last 20+ years learning what women really want from their men, why they want it, and how men can deliver it. The short answer: become the best version of yourself possible, then show it off. It sounds simple, but it's not. If it were, Tinder would just be the stuff you use to start a fire. Becoming your best self requires honesty, self-awareness, hard work, and a little help. Through their website and podcast, Max and Miller have already helped more than one million guys take their first steps toward Ms. Right. They have collected all of their findings in *Mate*, an evidence-driven, seriously funny playbook that will teach you how to become a more sexually attractive and romantically successful man, the right way

The Feminine Mystique

"Lose yourself: Swoon has wicked fun answering that age-old query: What do women want?"—Chicago Tribune Contrary to popular myth and dogma, the men who consistently beguile women belie the familiar stereotypes: satanic rake, alpha stud, slick player, Mr. Nice, or big-money mogul. As Betsy Prioleau, author of *Seductress*, points out in this surprising, insightful study, legendary ladies' men are a different, complex species altogether, often without looks or money. They fit no known template and possess a cache of powerful erotic secrets. With wit and erudition, Prioleau cuts through the cultural lore and reveals who these master lovers really are and the arts they practice to ensnare women. What she discovers is revolutionary. Using evidence from science, popular culture, fiction, anthropology, and history, and from interviews with colorful real-world ladykillers, Prioleau finds that great seducers share a constellation of unusual traits. While these men run the gamut, they radiate *joie de vivre*, intensity, and sex appeal; above all, they adore women. They listen, praise, amuse, and delight, and they know their way around the bedroom. And they've finessed the hardest part: locking in and revving desire. Women never tire of these fascinators and often, like Casanova's conquests, remain besotted for life. Finally, Prioleau takes stock of the contemporary culture and asks: where are the Casanovas of today? After a critique of the twenty-first-century sexual malaise—the gulf between the sexes and women's record discontent—she compellingly argues that society needs ladies' men more than ever. Groundbreaking and provocative, *Swoon* is underpinned with sharp analysis, brilliant research, and served up with seductive verve.

A great "philosopher" once said, "Trying to understand women is like trying to smell the color 9." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of *Making Marriage Work*. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. *The Man's Guide to Women* offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.

The Man's Guide to Women

Written by the founder of LogoLounge.com, this comprehensive handbook speaks to the magic of design and provides a glimpse into the designer's creed. Logo Creed puts designers directly in touch with strong mentors who speak candidly about the processes that lead to successful designs. Designers including David Airey, Bill Gardner, Von Gitschka, Paul Howalt, Jerry Kuyper, Brian Miller, Miles Newlyn, Sherwin Schwartzrock, Felix Sockwell, plus many more share their sketches, brainstorming, false starts and most successful techniques. Logo Creed shows you how to navigate the discovery process from research, reading the air for clues, and making the best use of budgets, to knowing what sort of mark to create. From there, you will move into development, where you will learn how to identify the most potent ideas, brainstorm effectively by yourself or with others, recognize the components of great logos, and understand how to distill ideas down to the very best solution. Finally, you will move into the delivery process, where you will learn to build brand DNA, craft presentations for specific situations and clients, tell the brand story, and keep your designs vital and alive even after they leave your hands. This book is highly beneficial for students, self-taught designers, and those who never stop learning.

Before The End of the World As We Know It, you'll want to read this book. After the last few years of ethnic hatred, tsunamis and financial meltdown, Neil Strauss came to the sobering realisation that anything can happen. Emergency traces his white-knuckled journey to reinvent himself as a gun-toting, plane-flying, government-defying survivor.

Unlock Her Legs

We all know the old cliché that 'nice guys finish last', and we also know that it is the bad boys, the jerks and the assholes who tend to finish up with the hottest girls. But how can you emulate one of those assholes and start pulling sexier girls for yourself? There seem to be fewer books around these days that speak to men's desire not just to meet any girls, but to meet the very hottest girls. How To Be An Asshole is full of brand new, never seen before material that fills this gap. The information it contains is entirely new, and presents a new formula for getting really hot girls. Guys are going to be

very surprised, not to mention pleased with the results it brings. The book's central themes are the 'Dark Tetrad' (Narcissism, Machiavellianism, Psychopathy and Sadism) and Radical Differentiation, and how those things combined are almost irresistible to the most beautiful of ladies. The book will teach you how you can incorporate elements of the dark tetrad into your own personality without losing your soul, while at the same time concentrating on those things that really inspire you in life to radically differentiate yourself from your competition - other men. It's a really positive book and it's one designed especially to help a lot of people. It will encourage you to live for yourself first and foremost and not put up with too much bullsh*t from other people.
