

environmental law in indian country

[#environmental law](#) [#Indian Country](#) [#tribal sovereignty](#) [#Native American environmental protection](#) [#indigenous environmental rights](#)

This resource explores the complex and critical field of environmental law as it applies within Indian Country, examining the unique interplay between federal, state, and inherent tribal sovereignty. It highlights the distinct legal frameworks, challenges, and initiatives undertaken by Native American tribes to protect their lands, natural resources, and communities from environmental degradation, emphasizing issues of environmental justice and self-determination.

You can use these research materials to support academic or business projects.
