A Scary Little Christmas

Controversial yet beloved among audiences, Christmas-themed horror movies emerged in the early 1970s and gained a notorious reputation with Silent Night, Deadly Night (1984), depicting Santa as an ax-wielding maniac. Some parents and conservative groups condemned the film, while others embraced the portrayal of Yuletide as a backdrop for fear and dread. Drawing on interviews with directors, producers, special effects artists, photographers and actors, this book celebrates the sordid, colorful history of the Christmas horror subgenre. Psycho Santa films such as Christmas Evil (1980) and 3615 code Pere Noel (1989) are examined, along with "Yule-Die" slashers like The Dorm that Dripped Blood (1982), Black Christmas (1974) and Silent Night, Bloody Night (1972). Commercial successes like Gremlins (1984) and Rare Exports: A Christmas Tale (2010) are covered, as well as more recent releases such as Better Watch Out (2016), Red Christmas (2016) and Deathcember (2019). Rare photographs, promotional materials and an annotated filmography are provided.

Having a Wonderful Christmas Time Film Guide

The Fourth issue of the Horror Guys Monthly review digest, Horror Bulletin, includes reviews of twenty-nine full-length films and five horror shorts. There's also a fun word search at the end that contain the titles of the films. Each of the films contains a complete synopsis of the film, including spoilers (so beware!), as well as their commentary on the quality of the story and how well it holds up for viewers today. This one is our special "31 Days of Christmas" issue, with crazy Santas, demonic Saint Nicks, Possessed Snowmen, and serial Killers galore! Part One: MOVIE REVIEWS 1974 Black Christmas 1980 Christmas Evil 1984 Gremlins 1984 Silent Night, Deadly Night 1987 Silent Night, Deadly Night Part 2 1989 Silent Night, Deadly Night 3: Better Watch Out! 1990 Silent Night, Deadly Night 4: Initiation 1991 Silent Night, Deadly Night 5: The Toy Maker 1995 The Day of the Beast 1997 Jack Frost 2000 Jack Frost 2: Revenge of the Mutant Killer Snowman 2003 Dead End 2005 The Gingerdead Man 2005 Santa's Slay 2006 Black Christmas 2007 Wind Chill 2008 The Children 2010 Rare Exports: A Christmas Tale 2010 Saint 2012 Silent Night 2015 Krampus 2015 A Christmas Horror Story 2016 Better Watch Out 2017 Red Christmas 2018 Anna and the Apocalypse 2019 Black Christmas (Not Holiday-Themed

Horror Bulletin Monthly January 2022

John Kenneth Muir is back! This time, the author of the acclaimed Horror Films of the 1970s turns his attention to 300 films from the 1980s. From horror franchises like Friday the 13th and Hellraiser to obscurities like The Children and The Boogens, Muir is our informative guide. Muir introduces the scope of the decade's horrors, and offers a history that draws parallels between current events and the nightmares unfolding on cinema screens. Each of the 300 films is discussed with detailed credits, a brief synopsis, a critical commentary, and where applicable, notes on the film's legacy beyond the 80s. Also included is the author's ranking of the 15 best horror films of the 80s.

Horror Films of the 1980s

BLEEDING SKULL! A 1980s Trash-Horror Odyssey is the definitive resource on 1980s trash-horror cinema. BLEEDING SKULL! features 300 in-depth reviews of movies that have escaped the radar of people with taste and the tolerance of critics. Black Devil Doll From Hell, A Night To Dismember, Heavy Metal Massacre, The Last Slumber Party — this book gets deep into gutter-level, no-budget horror, from shot-on-video (SOV) revelations (Doctor Bloodbath) to forgotten theatrical casualties (Frozen Scream). Clown midget slashers! The Indonesian Jason! A pregnant woman in a bikini who eats fried chicken before getting her fetus ripped out by a psychopath! It's all here. And it's all curated by the enthusiastic minds behind Bleedingskull.com, the world's foremost authority on trash-horror obscurities. Jam-packed with rare photographs, advertisements, and VHS sleeves (most of which have never been seen), BLEEDING SKULL! is an edifying, laugh-out-loud guide through the dusty inventory of the greatest video store that never existed.

Bleeding Skull!

Combining in-depth analysis with over 200 film reviews, 'Legacy of Blood' is a comprehensive examination of the slasher movie and its conventions to date, from 'Halloween' to 'Scream' and beyond.

Legacy of Blood

This publication is a major evaluation of the 1970s American cinema, including cult film directors such as Bogdanovich Altman and Peckinpah.

The Last Great American Picture Show

John Carpenter's Halloween, released on October 25, 1978, marked the beginning of the horror film's most colorful, controversial, and successful offshoot—the slasher film. Loved by fans and reviled by critics for its iconic psychopaths, gory special effects, brainless teenagers in peril, and more than a bit of soft-core sex, the slasher film secured its legacy as a cultural phenomenon and continues to be popular today. This work traces the evolution of the slasher film from 1978 when it was a fledgling genre, through the early 1980s when it was one of the most profitable and prolific genres in Hollywood, on to its decline in popularity around 1986. An introduction provides a brief history of the Grand Guignol, the pre-cinema forerunner of the slasher film, films such as Psycho and The Texas Chainsaw Massacre, and cinematic trends that gave rise to the slasher film. Also explained are the slasher film's characteristics, conventions, and cinematic devices, such as the “final girl,” the omnipotent killer, the relationship between sex and death, the significant date or setting, and the point-of-view of the killer. The chapters that follow are devoted to the years 1978 through 1986 and analyze significant films from each year. The Toolbox Murders, When a Stranger Calls, the Friday the 13th movies, My Bloody Valentine, The Slumber Party Massacre, Psycho II, and April Fool's Day are among those analyzed. The late 90s resurrection of slasher films, as seen in Scream and I Know What You Did Last Summer, is also explored, as well as the future direction of slasher films.

ShockJuly

Offers a cross section of international fringe cinema.

Going to Pieces

Bill Warren's *Keep Watching the Skies!* was originally published in two volumes, in 1982 and 1986. It was then greatly expanded in what we called the 21st Century Edition, with new entries on several films and revisions and expansions of the commentary on every film. In addition to a detailed plot synopsis, full cast and credit listings, and an overview of the critical reception of each film, Warren delivers richly informative assessments of the films and a wealth of insights and anecdotes about their making. The book contains 273 photographs (many rare, 35 in color), has seven useful appendices, and concludes with an enormous index. This book is also available in hardcover format (ISBN 978-0-7864-4230-0).

Exile Cinema

For decades, *Screen World* has been the film professional's, as well as the film buff's, favorite and indispensable annual screen resource, full of all the necessary statistics and facts. Now *Screen World* editor Barry Monush has compiled another comprehensive work for every film lover's library. In the first of two volumes, this book chronicles the careers of every significant film actor, from the earliest silent screen stars – Chaplin, Pickford, Fairbanks – to the mid-1960s, when the old studio and star systems came crashing down. Each listing includes: a brief biography, photos from the famed *Screen World* archives, with many rare shots; vital statistics; a comprehensive filmography; and an informed, entertaining assessment of each actor's contributions – good or bad! In addition to every major player, Monush includes the legions of unjustly neglected troupers of yesteryear. The result is a rarity: an invaluable reference tool that's as much fun to read as a scandal sheet. It pulsates with all the scandal, glamour, oddity and glory that was the lifeblood of its subjects. Contains over 1 000 photos!

Keep Watching the Skies!

In *Cultural Locations of Disability*, Sharon L. Snyder and David T. Mitchell trace how disabled people came to be viewed as biologically deviant. The eugenics era pioneered techniques that managed "defectives" through the application of therapies, invasive case histories, and acute surveillance techniques, turning disabled persons into subjects for a readily available research pool. In its pursuit of normalization, eugenics implemented disability regulations that included charity systems, marriage laws, sterilization, institutionalization, and even extermination. Enacted in enclosed disability locations, these practices ultimately resulted in expectations of segregation from the mainstream, leaving today's disability politics to focus on reintegration, visibility, inclusion, and the right of meaningful public participation. Snyder and Mitchell reveal cracks in the social production of human variation as aberrancy. From our modern obsessions with tidiness and cleanliness to our desire to attain perfect bodies, notions of disabilities as examples of human insufficiency proliferate. These disability practices infuse more general modes of social obedience at work today. Consequently, this important study explains how disabled people are instrumental to charting the passage from a disciplinary society to one based upon regulation of the self.

The Encyclopedia of Hollywood Film Actors

Exploitation filmmakers played a significant role in revolutionizing American cinema during the 1960s and early 1970s, churning out a string of independent Westerns, biker films, nudie-cuties and horror flicks in record times and often on shoestring budgets. With titles like *Horror of the Blood Monsters*, *Cycle Savages* and *The Incredible 2-Headed Transplant*, these films pushed the boundaries of acceptable on-screen violence and nudity and kept the American theater industry afloat as several major studios teetered on the brink of financial collapse. This work tells the story of that "other" Hollywood through interviews with 16 directors, performers, screenwriters, and stuntmen who helped bring these zero-budget films to the screen against incredible odds. The interviews give insights into exploitation filmmaking from the perspectives of pioneering directors Al Adamson and Jack Hill, actors Jenifer Bishop and Robert Dix, and stuntmen Gary Kent and Gary Littlejohn, and others. The work includes more than 50 photographs, including many rare behind-the-scenes images of the filmmakers on set.

Cultural Locations of Disability

Get an intimate look at the cult filmmaker of our generation. Packaged in a handsome slipcase and loaded with stunning pictures from the Kobal archives, this biography explores the genesis of Tarantino's unique directorial style and provides insight into his inspirations and his frequent collaborations with favored actors. An 8-page foldout timeline presents Tarantino's entire filmography in the heart of the book. Through in-depth and informative text written by renowned film journalist Ian Nathan, this

book examines the entirety of Tarantino's work, including his early writing on screenplays such as *True Romance* and *Natural Born Killers*, his break-out directorial debut *Reservoir Dogs* and the career-defining *Pulp Fiction*, as well as his later iconic films, such as *Kill Bill Volumes 1 and 2*, *Inglourious Basterds*, and *Django Unchained*. You'll also go behind the scenes of Tarantino's latest epic, *Once Upon a Time in Hollywood*. As you make your way through Tarantino's incredible career, discover what inspired him, his working methods, and the breadth of his talent. With a visually arresting design that mimics Tarantino's approach to film-making and chapters organized by film, the pages are brimming with images taken on set and behind the scenes. This is the ultimate celebration for any Tarantino fan.

Wild Beyond Belief!

This unique collection of interviews covers the broad spectrum of film directing experience--from first timers to award-winning veterans. Allowed to respond with anonymity, the directors provide candid answers to a wide variety of topics that convey the challenges and rewards of the filmmaking process.

Quentin Tarantino

Included in this book are detailed analyses of 1121 horror movies released between 1919 and 2000, listed in chronological order. Each evaluation consists of a picture of one or multiple major antagonists, a release year, a synopsis, and eight ratings: Stars, Story, Creativity, Acting, Quality, Gimmick, Rewatch, and Creeps.

Hollywood in Wide Angle

Included in this book are detailed analyses of 2687 horror movies released between 1919 and 2021, listed in chronological order. Each evaluation consists of a picture of one or multiple major antagonists, a release year, a synopsis, and eight ratings: Stars, Story, Creativity, Acting, Quality, Gimmick, Rewatch, and Creeps.

The Horror Movie Guide: 20th Century (2022 Edition)

Included in this book are detailed analyses of 1980s horror and horror-adjacent films listed in chronological order. Each evaluation consists of a picture of one or multiple major antagonists, a release year, a synopsis, and eight ratings: Stars, Story, Creativity, Acting, Quality, Gimmick, Rewatch, and Creeps.

The Horror Movie Guide (2022)

How long have psychotherapists been depicted in films? Nearly as long as there have been films -- or psychotherapists, for that matter. This isn't surprising if one considers that the Freudian revolution in psychology and the invention of motion pictures occurred at about the same time. What may be surprising is the sheer number of times that psychotherapists, in their many guises, have shown up in the movies and how their depiction has reflected changing social attitudes about psychotherapy over the last century. This comprehensive worldwide filmography examines over 5000 movies. Films in which mental health professionals appear, or in which others act in that capacity, are listed alphabetically. A preface explains the criteria for a film's inclusion, and a lengthy introduction and guide to the filmography explores the changing social attitudes mirrored by the movies. Appendices list the titles by decade; alternate titles for many films; recent releases; and qualifying adult films. This text refers to Volume 2 of a two-volume set. Volume 2 includes entries from "M" through "Z," the appendices, and index. The complete set can be obtained under ISBN 0-7864-1297-6.

The Horror Movie Guide: 1980s List (2021)

What 1970s Hollywood filmmaker influenced Quentin Tarantino? How have contemporary Japanese horror films inspired Takashi Shimizu, director of the huge box office hit *The Grudge*? What is it like to be an African American director in the twenty-first century? The answers to these questions, along with many more little-known facts and insights, can be found in *Film Talk*, an in-depth, behind-the-scenes look at filmmaking from the 1940s to the present. In eleven intimate and revealing interviews, contemporary film directors speak frankly about their work-their successes and their disappointments, their personal aspirations, struggles, relationships, and the politics that affect the industry. A medley of directors including those working in pop culture and documentary, as well as feminist filmmakers, social satirists, and Hollywood mavericks recount stories that have never before been published. Among

them are Monte Hellman, the auteur of the minimalist masterpiece Two-Lane Blacktop; Albert Maysles, who with his late brother David, created some of the most important documentaries of the 1960s, including Salesman and The Beatles: What's Happening?; Robert Downey Sr., whose social satires Putney Swope and Greaser's Palace paved the way for a generation of filmmakers; Bennett Miller, whose film Capote won an Academy Award in 2005; and Jamie Babbit, a lesbian crossover director whose low-budget film But I'm a Cheerleader! became a mainstream hit. The candid conversations, complimented by more than fifty photographs, including many that are rare, make this book essential reading for aspiring moviemakers, film scholars, and everyone interested in the how movies are made and who the fascinating individuals are who make them.

Bowker's Complete Video Directory

About 2,500 genre films are entered under more than 100 subject headings, ranging from abominable snowmen through dreamkillers, rats, and time travel, to zombies, with a brief essay on each topic: development, highlights, and trends. Each film entry shows year of release, distribution company, country of origin, director, producer, screenwriter, cinematographer, cast credits, plot synopsis and critical commentary.

Psychotherapists on Film, 1899-1999

An engrossing A-Z of over 60 gory years of slasher and splatter movies, from Danny Boyle's 28 Days Later to Lucio Fulci's Zombie Flesh Eaters. Here you will find the low-down on over 250 movies with entries from 23 different countries. The index, which includes every movie mentioned in the A-Z and accompanying notes, runs to 540 movies. The book includes the list of video nasties which the UK government attempted to ban.

Film Talk

Gives a synopsis, critique, comments, and production credits for films released in 1989.

Fantastic Cinema Subject Guide

Weihnachtsfilme lesen lohnt sich! Denn ästhetisch stellen sie als transgenerisches Phänomen eine Besonderheit dar. Sie erlauben Einblicke in sozialpolitische Prozesse der geschlechtsspezifischen, ethnischen und klassenspezifischen Subjektivierung bis hin zur nationalen Gemeinschaftsbildung. Und sie machen deutlich, dass Weihnachten einem kulturhistorischen und medienästhetischen Wandel unterliegt. Die Beiträger*innen sezieren dieses kulturelle Schwergewicht und fokussieren konstitutive Wechselbeziehungen von Genre mit den Kategorien gender, race und class. Als Material nutzen sie dazu u.a. romantische Komödien, Märchen-, Familien-, Trick-, Horror-, Kinder- und Actionfilme.

The Mammoth Book of Slasher Movies

The recent hit movie The Wedding Singer. CDs collecting '80s chartbusters. All-request '80s weekends on the radio. You Know You're a Child of the '80s e-mails. In case you haven't noticed, the '80s are back! Postcards from the '80s will be comprised of 80 lists and photos that will evoke and encapsulate the totally awesome decade that was the '80s. Anyone whose life intersected with this decade will welcome this breezy and fun romp through all things '80s.

The Motion Picture Annual

What the critics are saying: "Beyond the bounds of depravity!"—London Evening Standard "Despicable . . . ugly and obscene . . . a degrading, senseless misuse of film and time." —The Los Angeles Times "People are right to be shocked." —The New Yorker From the murky depths can come the most extraordinary things. . . . Profoundly Disturbing examines the underground cult movies that have—unexpectedly and unintentionally—revolutionized the way that all movies would be made. Called "exploitation films" because they often exploit our most primal fears and desires, these overlooked movies pioneered new cinematographic techniques, subversive narrative structuring, and guerrilla marketing strategies that would eventually trickle up into mainstream cinema. In this book Joe Bob Briggs uncovers the most seminal cult movies of the twentieth century and reveals the fascinating untold stories behind their making. Briggs is best known as the cowboy-hat wearing, Texas-drawling host of Joe Bob's Drive-in Theater and Monstervision, which ran for fourteen years on cable TV. His goofy, disarming take offers a refreshingly different perspective on movies and film making. He will

make you laugh out loud but then surprise you with some truly insightful analysis. And, with more than three decades of immersion in the cult movie business, Briggs has a wealth of behind-the-scenes knowledge about the people who starred in, and made these movies. There is no one better qualified or more engaging to write about this subject. All the subgenres in cult cinema are covered, with essays centering around twenty movies including *Triumph of the Will* (1938), *Mudhoney* (1965), *Night of the Living Dead* (1967), *Deep Throat* (1973), *The Texas Chain Saw Massacre* (1974), *Drunken Master* (1978), and *Crash* (1996). Accompanying the text are dozens of capsule reviews providing ideas for related films to discover, as well as kitschy and fun archival film stills. An essential reference and guide to this overlooked side of cinema, *Profoundly Disturbing* should be in the home of every movie fan, especially those who think they've seen everything.

MPG Consumer Annual 1990 (Films of 1989)

The people have spoken--and it's thumbs-up for Video Hound! With 21,000 videos reviewed and rated, this is "the best darn video-movie guide there is". (The Niagara Gazette). Used as the database of choice for Blockbuster Video's new "Movie Guide".
