

From Yalta To The Iron Curtain

[#Yalta Conference](#) [#Iron Curtain](#) [#Cold War origins](#) [#Post-WWII Europe](#) [#European division](#)

This phrase encapsulates the crucial geopolitical shift following World War II, detailing how decisions made at the Yalta Conference contributed to the eventual division of Europe. It highlights the emergence of the Iron Curtain, a metaphorical and physical barrier separating Soviet-influenced Eastern Bloc nations from the Western democracies, marking the onset of the Cold War era and fundamentally reshaping global politics.
