Turning Your Scars Into Stars

The death of a child at any age, shatters the parent's heart and causes a complicated grief which never goes away. Dr. Sue Hamby found the murdered body of her only child, Russ, on March 21, 2013, and started on a difficult and painful grief journey. She realized she would never get over the death of her child but had to learn to absorb the loss into her life until it became a part of who she was. Because of her faith in God, her mourning was eventually transformed into joy and her scars became stars. In her book, she touches the depths of your heart and soul by sharing her traumatic grief journey and how her painful scars of grief, bitterness, and brokenness were turned into stars for God's glory. Her story offers hope and healing to those who are struggling with grief and learning how to navigate the grief journey, using God as their GPS. "I have read Dr. Sue Hamby's Turning Your Scars into Stars in one sitting. I couldn't put it down once I started reading the book. This semi-autobiographical narration by Dr. Hamby is a must read for all people, especially people who think that they are alone, depressed, hopeless and helpless." Girija S. Chintapalli, MD Retired Psychiatrist "Her story of how the LORD changed her life through that God-breathed message is a must read for anyone who has lost a loved one." Dan Kirkley, President Hope for the Hungry "Turning Your Scars into Stars is spiritually inspiring and full of truth. It is very well written in such a manner that will not only appeal to multiple victims of tragedies but a wide generational audience." Michael K. Sweeney, Director of Investigations and Law Enforcement Development INTERNATIONAL JUSTICE MISSION (IJM)

When God Turns Our Mourning into Joy

The God of the Bible dearly loves all His children. With that said, He expresses a particular brand of compassion and affection toward His daughters. This volume is a concise yet comprehensive study of how a woman can experience a vibrant journey with Jesus Christ, hand in hand. The author thoroughly addresses the many dimensions of womanhood that is framed by biblical fidelity. She unashamedly stresses the foundational necessity of beholding the Savior through a study of His Word and prayer.

Getting a clearer perspective of Christ and who He is in this manner is the truest source of experiencing love, acceptance, forgiveness, cleansing, transformation and so much more. By extension, a daughter of God is given the privilege and responsibility of disseminating these blessings to all within her sphere of influence. After laying a sturdy foundation, the author affords her reader's ample opportunity to put these principles into practice by supplying several sample passages for study and meditation and subtly nuanced ways to continually connect to the Lord through prayer, music, and bearing testimony. Ladies, this will make a delightful addition to your spiritual library. Gentlemen, this will make a well-received gift for the women in your lives whom you love and value almost as much as God does.

He Turned My Mourning Into Joy

Suzanne Parker struggles to cope with her husband Daniel's life altering illness. Never in her wildest dreams would she have thought something like this would become a part of their world. Why would God let this happen, especially to someone who has given his entire life to serving Him? How can Suzanne and her three children cope with the daily sorrow that now consumes them? As Daniel fades before her eyes, Suzanne sinks into deep depression. Peter Clifton watches from afar as the woman he's loved since childhood risks everything to keep her life and family together. Love, such as Suzanne has for her husband, is something Peter has yearned for his entire life but never found. Will Peter be able to put God's will first, only being a friend to Suzanne in her time of need? Can he trust God with feelings he wishes he didn't have? Sometimes, in the midst of our greatest sorrow, God turns our mourning into JOY!

Joy Comes in the Mourning

Joy Comes in the Mourning The Resurrection of Love: Becoming Whole Once Again By: Nancy Schoelkopf Libertini Joy Comes in the Mourning offers an examination of the current state of democracy and the Church. In chaotic times such as these, as a worldwide pandemic, forest fires, police brutality, and political unrest threaten our sense of security and national identity, we can find truth in the Bible, the Constitution, and in the foundational tenets of the Christian faith that seek to bring wholeness to the human spirit. This book calls for us to rise above our prejudices, biases, selfishness, and division so that we can help heal the world with an abundance of God's grace, mercy, and love.

Joy in the Mourning

Joy in the Mourning is not only the story of an accident that claimed the lives of Esther's three siblings on the way to their Father's funeral; it is also a detailed account of the feelings and struggles that accompany the grieving process. It portrays a clear message to those that have suffered any kind of loss, that they are not alone. From the automobile accident, the house fire, and the gradual loss of her mother during the same time period, Esther also shares moments of joy and the healing effects of humor in the midst of suffering.

Mourning Into Joy

Physical death is inevitable, and mourning and grieving the loss of a loved one is a normal process every human will experience at least once in his or her lifetime. Whether the loss of a loved one is expected or unexpected, God desires you to depend deeply on Him during this challenging season of your life. God desires this for you so He can provide you with the comfort, peace, community of people, and love you will need to support you during this journey. God also desires you to depend deeply on Him so that your faith and focus remain in Him. Many of God's people have become stagnated in life and have lost hope because they did not have an understanding of His promises to be with them in this time and provide every tangible and intangible need they needed. However, this will not be you. You will receive and know God's goodness, grace, promises, and unshakeable love for your life. Hold on to EVERY word of this devotional written just for you, and remain confident during this season of your life and the seasons to come that God is with you always. May God's love, peace, and grace be multiplied to you!

He Will Turn Your Sadness Into Joy

THE JOY OF THE LORD IS OUR STRENGTH Embraced by God's Amazing Grace Jane Ann Derr's passionately interwoven true-life stories are filled with suspense, human failings, and hope. Examples are given to show the power of prayer, writing daily journals, studying the Living Word of God to daily

glean the power to overcome dark times, hardships, financial loss, troubled relationship issues and still have peace with God. She also addresses discovering the nature of the Triune God, finding the big picture concepts in the Bible that will simplify our daily walk with God and our Beautiful Savior Jesus Christ.

The Joy of the Lord Is Our Strength

Kahlil Gibran's *The Prophet* is a modern classic. Written in English and first published in 1923, the book has gradually become a global bestseller, its wise words a favourite. Beautifully produced in a traditional Chinese binding and with a timeless design, *The Prophet* is an accessible yet spiritual book to be cherished.

The Prophet

March 1, 2004, was a beautiful day. Blue skies and white fluffy clouds promised that spring was just around the corner. It was an ordinary day. There was no sign that I would remember this day as the worst day of my life. On this tragic day, Deborah Rodenhizer's firstborn son, Christopher, committed suicide. *Joy in the Mourning* is the encouraging story of how this mother dealt with the initial shock, the following guilt, and the eventual peace she felt upon accepting her child's death. If you or someone you know has suffered the loss of a child, *Joy in the Mourning* is the tool you need to find your way out of grief and into the grace of God. Only when you realize that we are all God's children to begin with will you be able to let go of the pain and grasp on to the promises of God's Word. Having gone through a mother's worst nightmare, Deborah offers hope and advice to sufferers of unthinkable tragedies. While healing does take time, with God's help, you will eventually find *Joy in the Mourning*.

Joy in the Mourning

Only God knows what it takes to walk down dark roads and to fight the good fight of faith. Ruby and her family have walked a close walk with God in direct opposition to hopelessness and the ugliness of cancer, and through *Joy in the Mourning* have brought us with her. This is a book of the faithfulness of God Almighty. This is a book of compassion, understanding, and hope for those who have faced and are face-to-face with the ugliness of cancer. Daren and Angie Werk, Newlife Victory Fellowship, Senior pastors You're looking forward to the best years of your life. Retirement isn't far away, the kids are grown up, and the grandchildren are coming along. Life is looking good! Suddenly your dreams and plans take a nosedive and it's all you can do to breathe deeply and take one step at a time. Is it possible to hold onto faith in the face of dire circumstances? Will you ever feel joy bubbling up inside you again? When a hope-filled solution is presented to you your spirits soar, only to come crashing down again when failure raises its ugly head. You go to the only place where faith, hope, and joy can be restored. Even there you ~~and~~ you will need to make a choice: walk or wallow? Sing or sigh? Help or hurt? What will you choose?

Joy in the Mourning

How do you cope when a deep or tragic loss leaves you feeling empty, angry, or alone? Healing is a journey, and while there are no shortcuts through the process of grief, God promises not to leave you in the valley of despair. For over 25 years, June Hunt has counseled those who grieve, and this book will gently and truthfully lead you through the mourning process and into joy once again. June Hunt gives you practical advice on how to navigate through the stages of grief; resolve grief caused by true gui

Grief (June Hunt Hope for the Heart)

This is the story of how my life was radically changed forever by the loss of my mother. Grief and pain began to overtake me until God healed me and put the pieces of my broken heart back together again, and made it as if I was never hurt in the first place. To whomever reads this, whether you've been stricken with grief of some kind or experienced great loss in your life; the enemy would have you believe you'll always feel this way. He'll make you believe that the pain will never end but that isn't true and I am living proof. I wrote this for you, not for you to know my name, but for you to know the one who delivered and healed me. He delivered me from grief and depression so that I would be a light and a beacon of hope to you and I must say I'm truly honored and it is my privilege. He truly does give beauty for ashes and gladness for mourning.

The Transformation of Sorrow Into Joy

Grief is very hard work and the worst grief is your own. After a devastating loss I put my grief work on hold, until I thought there would be a more convenient season. I had two grieving teenagers, worked 120 hours every two weeks and I was going to school to get my BSN in nursing. When I least expected it, the impact of the loss overwhelmed me. If something triggered me, I would burst into tears, during the most inopportune times. Grief work is a step-by-step process, and it can not be rushed. The presence of loved ones and friends helped. It was almost easier if no words were spoken. I was reminded of Job's comforters. The most comforting friend was the one who remained present with him and said nothing. To self soothe, I read, I prayed, I wept and I searched the scriptures, as well as any information that would help me through the grieving process. It was during my searching, both scriptures and information, that brought me the most relief. Jesus had truly sent His Comforter, which I was so grateful for! It was during those very difficult hours that the Holy Spirit prompted me to write a handbook on how to process and move through the grieving process. Grief work cannot be ignored. Denial is a functional coping strategy for a short period of time, to get important things done, but it truly can not be put off for long.

Sorrow Turned Into Joy

How do you find hope in hard times? Learn not only how to survive the difficult seasons, but to live a full life in the midst of them and beyond. Grounded in God's constancy and rooted in eternal hope, Nouwen guides you towards the kind of life that you can dance to—even through the darkest night. Deeply comforting and profoundly realistic, *Turn My Mourning into Dancing* discusses five movements we experience during hard times: From Our Little Selves to a Larger World From Holding Tight to Letting Go From Fatalism to Hope From Manipulation to Love From a Fearful Death to a Joyous Life Healing begins with taking our pain out of its toxic isolation and seeing our sufferings in communion with all humanity, and all creation. Nouwen teaches us that our lives participate in something much larger. *Turn My Mourning into Dancing* is a must read for: Those seeking growth and insight on the struggles of life Anyone going through the grief process and searching for real solutions Those who have experienced a loss, betrayal, or hard times Everyone grieves differently. It is a process, not a science experiment. Mourning shouldn't last forever. Do you want the kind of life that allows you to dance even in the middle of the darkest night? Get the answers and find hope within your hard times.

Raised, Restored, Released

A Biblically-based historical novel about an ordinary woman whose life is touched by the life of Jesus and the aftermath of both His birth and His death. Join her in her happiness, anguish, recovery and ultimate freedom from the trauma of the past into a life of hope. Life is good for Rachel and her family in Bethlehem. Then Rome decrees a census and the events that follow change her life forever. She welcomes Mary, Joseph and their newborn babe as neighbors, but one night they disappear and then Herod's soldiers murder both of her sons. Rachel's mother suggests that they move to Bethany to recover. Years later, blessed with a new family, Rachel again finds herself touched by Jesus when her neighbor, Lazarus, is raised from the dead. The family goes to Jerusalem for Passover and she finds herself in a mystery. Finally, her search for the answer to the questions she has pondered thirty years is found and she is able to rejoice.

The Morning After Mourning

Learn how: ?To analyze the system that has shaped your problem. ?To see sorrow, grief and mourning correctly. ?To pass on an inheritance to your children in dealing with grief issues. ?Acquire the keys to restore completeness in an environment of safety. ?To align your borders with pleasant stones. ?Your seed can possess the gates of your enemies. ?To dissolve the "dirty birds" of grief. ?To call an exceeding great army together. ?To change your atmosphere. ?To defeat supernatural sorrow and grief in your life. ?God measures. ?To take care of your spiritual bullies. ?And who is King over all the children of pride. ?Sorrow carves on you. ?Sorrow leads you to Grief. ?Grief leads you to Mourning. ?Sorrow, grief and mourning are the backbone of the cycle of shame. ?And what promises are yours concerning sorrow, grief and mourning. ?Who is leviathan? Gregg and Karren Gullledge entered into the ministry in 1967 and after a series of situations they left the ministry with a bitterly disillusioned view about the "church." After years of wandering about they were reunited with their lost love, Jesus. Now the journey of love continues as the Lord has restored them and uses them to testify of what the Word can do for God's people. Gregg and Karren are called repairers of breaches and restorers of paths to dwell in for the days ahead through their gifted ministry that breaks barrenness and restores fruitfulness to the people of God. Gregg and Karren have been used by the Lord to turn sorrow, grief and mourning into joy and

gladness by changing the atmosphere through the revelation on how to break the cycle of being dry, disappointed, confused and ashamed.

Turn My Mourning into Dancing

NOW AND THEN I've played in summer sunshine and I've been left out in the rain. I've known moments of sweet ecstasy and I've lived with fear and pain. I've run barefoot through meadow and nearly drowned in tear-filled streams; but even in the worst of times I've clung by faith to dreams. And so, my friend, I thank the Lord for all He's brought me through. If I hadn't been where I was then I couldn't be here now with you. "I will never forget your commandments, for you have used them to restore my joy and health." Psalms 119:93

From Mourning Into Gladness

Profound reflections on the cross that help you to meditate on and marvel at the sacrificial love of Jesus. This book can be used as a devotional, especially during Lent and Easter. These profound reflections on the cross from David Mathis, author of *The Christmas We Didn't Expect*, will help you to meditate on and marvel at Jesus' life, sacrificial death, and spectacular resurrection-enabling you to treasure anew who Jesus is and what he has done. Many of us are so familiar with the Easter story that it becomes easy to miss subtle details and difficult to really enjoy its meaning. This book will help you to pause and marvel at Jesus, whose now-glorified wounds are a sign of his unfailing love and the decisive victory that he has won: "He was pierced for our transgressions, he was crushed for our iniquities; the punishment that brought us peace was on him, and by his wounds we are healed." (Isaiah 53:5) This book can be used as a devotional. The chapters on Holy Week make it especially helpful during the Lent season and at Easter.

Breaking the Cycle of Shame

Although Saint Cecilia is venerated throughout the Western world as the patron saint of music and Raphael's famous painting *The Ecstasy of Saint Cecilia* is filled with musical iconography, the ancient origins of Cecilia's association with music have long been shrouded in mystery. This book, a masterful investigation of the Cecilian cult from its beginnings in Christian antiquity down to the Renaissance, explains how Cecilia came to be linked with music and offers a new interpretation of Raphael's painting. Thomas Connolly finds the key to the mystery in a theme he identifies as "mourning-into-joy." This theme, rooted in the Bible and in Aristotle's doctrine of the passions of the soul, became prominent in the visual and literary arts as well as in theology and spirituality and expressed the soul's passages between vice and virtue as a conversion of sadness into joy. According to Connolly, this idea strongly influenced the legend and worship of Saint Cecilia, a model for all who sought spiritual transformation. Connolly argues that the medieval mystical mind saw music as an intimate expression of the experiences of conversion and spiritual growth and that the conjunction of spirit and music became crystallized in the figure of the saint. His explanation not only provides a better understanding of Raphael's work and other Renaissance and Baroque art but also clarifies puzzling literary questions concerning Saint Cecilia, such as Chaucer's treatment of her in "The Second Nun's Tale."

Dance with Me Daddy

How can joy and sorrow go together? After all, you usually don't find grieving widows laughing, nor newlyweds weeping. Joy and sorrow are so far removed from each other on the spectrum of human emotion that it seems illogical to stick them together. Yet there is a deep mystery here to unlock... Your life has sorrows. You are meant for joy. Facing the reality of sorrow, we can either live in denial of the pain or dig deeper for meaning... and joy. In contemplating the seven sorrows of the Mother of Jesus, we can discover what so many Christians over the centuries have found: in Mary's sorrows we find a model of faith and how to discover happiness in the midst of suffering. A way to transform sadness into gladness? That is revolutionary! Discovering Mary's method for converting sorrow to joy may just be the single most important step in your spiritual life. Launch into these pages and begin your journey to joy: to the meaning, peace, and happiness for which you thirst.

Joy turned into Mourning. A sermon, occasioned by the death of Her Royal Highness the Princess Charlotte Augusta, daughter of His Royal Highness the Prince Regent ... Second edition

Prepare to have your heart broken when you read *In the Cleft: Joy Comes in the Mourning*. In return you will discover how people endure the worst of tragedies. With devastating honesty, Dana Goodman writes about the loss of her 30-year-old husband, her young son, and her mother-in-law to cancer. If that is not enough, she must also try to support her second husband through his cancer battle at the same time her son is diagnosed with a deadly brain tumour. She answers nightmarish questions that parents sometimes torture themselves with, such as how would a mother or father tell a beloved child that he is dying and there is nothing to be done to save him. Dana outlines with incredible insight her most desperate moments; her irrational, frantic efforts to ward off cancer; and her anger with the God she so deeply loves. She describes how her husband and son dealt with their terminal illnesses and how her younger son, other family members, and friends coped with events that seemed too terrible to be real. Yet, she also writes of hope, gratitude, and forgiveness. In the most beautiful but simple prose, she reveals how people are able to draw upon deep inner strength even in the darkest hours. Intertwined with the pain and sadness, there are tales of adventure and physical endurance, and humour. This uniquely personal book will help grieving people understand they are not alone. It will offer awareness to others who simply wonder why things happen and how those who are struck down by life's tragedies are able to emerge again into the light. *In the Cleft: Joy Comes in the Mourning* offers refuge to the saddest hearts and hope for all of us who fear we would not be able to go on. -Susan Duncan danagoodmaninthecleft.com

From Mourning Into Joy

Experiencing years of infertility and heartbreaking loss, Erica walked a path of ashes, mourning, and heaviness. Yet as she studied the Bible, God slowly began illuminating her path forward. With a heart to reach those who suffer silently, Erica weaves her unique personal journey into a Bible study of women who faced similar challenges. With a faith-filled perspective, this book will encourage women experiencing detours and obstacles to walking toward beauty, joy, and praise. To give unto them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they might be called trees of righteousness, the planting of the Lord, that he might be glorified. --Isaiah 61:3b

Rich Wounds

When Diane Czekala's daughter April died in 2011, she was just twenty-three and had her whole life ahead of her. Uniquely, she knew she was going to die and told her mother about it three months before it happened. Diane wanted to hear nothing about it, but then told her, " 'IF' you do die, find a way to let me know you are okay".

Mourning Into Joy

Born out of the experiences of hundreds of thousands of women who Raechel and Amanda have walked alongside as they walk with the Lord, *She Reads Truth* is the message that will help you understand the place of God's Word in your life.

Journey to Joy

Joy Comes in the Mourning presents an authentic and practical devotion-style book intended to speak to a topic that, unfortunately, everyone must encounter in their lives—grieving loss. This collection is unusual in that it is autobiographical. Author Helene Marie Cruz shares both her experiences of loss and those of many in her family and close circle of friends, all of whom have lost loved ones. The testimonies vary in terms of the types of losses and the situations before and after the mourning, but the common theme is that God, the Father; Jesus, the Son; and the Holy Spirit, the Counselor, were present somewhere during these journeys of grief. Cruz encourages but also evangelizes, eliciting the Holy Spirit to pull you toward either knowing the Savior for the first time or calling upon Him for healing, grace, peace, and the joy that the Psalmist David speaks of in the healing psalm of promise, Psalm 30:5—"weeping may endure for a night, but joy comes in the morning." Uplifting and encouraging, this collection of testimonies invites you to understand and ultimately live the promise offered by God of the joy that follows grief.

The Pathway Into the Holy of Holies

"Throughout the journey of my worst nightmare—my descent into a dark, sad valley—the Holy Spirit would remind me of truths that comforted my soul and sustained my life." After the sudden death of their

three-year-old son, Cameron Cole and his wife found themselves clinging to Christ through twelve key theological truths—truths that became their lifeline in the midst of unthinkable grief. Weaving together their own story of tragic loss and abiding faith, Cole explores these twelve life-giving truths to offer hope and comfort to those in the midst of tragedy.

In the Cleft: Joy Comes in the Mourning

"A cup of fresh joy!? Wouldn't it be great if we could buy a cup of joy and sip on it all day? In our daily pursuit of joy through people, adventures, and success, we often come up empty and gasping for air. Always needing more. After the crushing loss of both her first and her second beloved husbands, author Heidi McLaughlin desperately needed joy that was sustainable and fresh. She was startled to discover that she could have it, because pain and joy can co-exist. In spite of disappointments, pain, and losses, joy is available at all times because joy is an endless resource of heaven through our connection with God.

The Chosen Path

Meet Myrna Etheridge, a mother and teacher whose life was radically changed by the deaths of her two young sons as a result of cystic fibrosis. Follow Myrna as she travels through mourning into victory, from sadness into joy, and once again finds love and peace. Let her discoveries of God's grace and healing power transform your life!

The New American Bible

"It doesn't have to be easy, it just has to be possible." These are the words Brenda Layman spoke when she determined to heal her life after the suicide of her fourteen-year-old daughter. Brenda's journey led her from the depths of grief to a new understanding of the power we have to minister to one another and to help bring about healing in even the most painful circumstances. She learned that God does not intend for us to suffer through life's trials alone, but to bear one another's burdens. She also learned that it is when we are hurting the most that it is most difficult to allow comfort and help into our lives. Song of Joy is the chronicle of her journey from deep sorrow back to the hope-filled life God intends for us all. This book is a message of comfort and hope to the wounded soul.

Joy In the Midst of Pain

There is a moment in each widow or widower's life where a decision must be made. The choice is whether to trade her/his unexpected sorrows for the life of the past or embrace the future. "Yes, Lord!" This book offers multiple perspectives on widowhood. It is a collaborative effort that began with a small group of young widows that met for fellowship and encouragement over Thursday lunches. Our conversations ranged from how to cope with our grief to dealing with our own realities as single parents and unexpected widows. Jerry began to keep a journal, which lead her and Vickie to writing devotionals from a widow's perspective. This project expanded as awareness arose of other widow and widowers who were open to sharing their stories of going through the mourning process. Healing began when we traded our stories with each other and found the joy of the Lord. "Journals can help us remember the details of moments that framed our lives, and sometimes to help others with theirs. Jerry Woodbridge opens her life's pages and affords us an articulate glimpse of hope for whatever comes our way." Jerry Pattengale, Executive Director of National Conversations, Assistant Provost, IWU "An inspiring memoir of a widow's journey through grief and how her strong christian faith guided her to find peace and strength in her sorrow." JoAnne Funch, Heartache To Healing "Life can make us bitter or better. The writers of Trading My Sorrows have exchanged their grief for the Savior's grace. In these pages, you too will find hope and help. Romans 8:28 is fleshed out in the lives of these fellow travelers and strugglers. Be encouraged to join them on the road to healing and a better life of usefulness." Chaplain John Wrightsman, Indiana Wesleyan University "As a young widow myself, I am so excited about this book, especially as it affirms that we have a choice to continue dwelling in the pain or turning toward healing and living again. What Jerry has done with this book is refreshing and inspiring, offering hope to fellow widows as they experience their own journey from pain to renewal of living with loss and beyond."

Michelle E. Vásquez, MS, LPC True Love Relationship Coaching

She Reads Truth

Joy Comes in the Mourning is the story of one woman's journey toward forgiveness hers, as well as others. It is a love story and a story of hatred. It has a dark element of bitterness and fear running throughout, but also a healthy dose of humor. Jane Houston, an RN who lives in Raleigh, North Carolina, was raised by relatives after her parents died in an accident. She suffers from depression and bitterness brought about by abuse and sin. As she contrives to help herself, she comes face to face with her fears and her need of a Savior. A brief vacation visit to her former home in Mount Tarry, a small mountain town in North Carolina, turns into a long one, and she becomes involved with many different characters as her life winds and turns, much like Mount Tarry's narrow roads. She has plans for herself and her husband, Jake, but she'll find out that plans can be divinely interrupted.

Joy Comes in the Mourning

One of the most difficult times in anyone's life is when they suffer the loss of a parent, spouse, child, family member or friend...after which they go through different grieving stages. Where do you turn to for comfort and help during such distressing times of grief, loss, and bereavement? Whom do you turn to for answers to your Grief questions? Choosing Joy Amid Grief is a 31-day grief devotional and grief journal designed to provide succour and encouragement as you go through your first, most difficult month of bereavement. The daily devotions offer grief resources that will help you find God's healing presence in the midst of despair. For each day, there is a bible verse about grief that will provide you with strength, inspiration, and comfort; and also a journal page (paperback version) to record your thoughts and prayers as you go on the journey from grieving to joy. Experiencing the loss of a loved one is tough but you are tougher!

Therefore I Have Hope

We are all broken. It's a unified human experience. And we all need a hope that doesn't disappoint, a love that anchors us, joy that survives in unthinkable conditions, and a perspective shift that goes beyond our circumstances. Some days we feel the perfection of sunshine and a light breeze. Other days hold wet, gray skies with drowning grief. In the wake, comes promise of new growth. Still other days a cold winter frost catches us by surprise, halting our journey toward fruitful blooms. We step back, reeling at the damage from this frost. We question the system and environment we grow in. We can exist in this garden dictated by the changing weather patterns. Or, we can see a different kind of brave living—that which exists beyond our fragile stems and dainty leaves, living instead deep in our roots. This book is for those sitting in the deep-down dark, traveling with grief as a constant companion, and anyone whose life path has taken an unexpected turn. Bekah shares the heart break of a fatal diagnosis for not just one, but both her children. As she journeyed through dark valleys of death, it was there she experienced Jesus in a whole new way—in deeply broken places. Her journey holding pain in one hand and joy in the other is vulnerably scribbled out on these pages as she tore open the wounds in her soul to share how Christ created beauty and goodness in it all. It was in this journey, she learned to see wholeness in cracks, courage in the broken-hearted, and bravery in the act of letting go. May you discover the Life-Giver of joy, see your beautiful bloom, and know that hope is always worth holding on to, because redemption is coming—and in fact—is already happening here and now. "Can't Steal My Joy is an honest, real-life account of a life storm that drops down right on top of you with no warning - and the unspeakable beauty that blooms from the wreckage. Bekah's heart beats in every page, every word. To read her story from start to not-yet-finished, it's only natural to wonder how anyone could survive something like this. But the truth is that Bekah and Danny have done much more than survive. They have thrived. And as for the how? Jesus - only Jesus. God's grace weaves seamlessly throughout each moment of confusion, devastation, hope, surrender, and triumph. You cannot read this book without seeing the Creator and longing for all things new." Anne Riley, author of Voyage to the Star Kingdom "I had the absolute pleasure of being able to read Bekah Bowman's book, Can't Steal My Joy, before it hit the bookshelves. I honestly have not read anything so moving and soul stirring since, The Shack. Whether you are in a season of mourning or grief, or in my case, struggling in the heaviness of life to find peace and joy within, this book helps lift the veil of sadness to reveal God's promise that He never leaves you. God makes his presence known everyday in little ways if you only stop to look for the joy outside the pain. Bekah is a gifted writer and I'm so excited to share this book with my friends and family." Melinda, founder of WhenLife Co

WALK BY FAITH | Trust God Even When You Don't Understand - Inspirational & Motivational Video - WALK BY FAITH | Trust God Even When You Don't Understand - Inspirational & Motivational Video by ABOVE INSPIRATION 847,264 views 1 year ago 9 minutes, 21 seconds - We must walk by faith and trust that God has a plan. Faith is trusting God even when you don't know the details. Trust God. Intro

Our decisions really matter

We make decisions

We walk by faith

What is faith

Take the plunge

Trusting when you dont understand

God has plans for you

God has great plans for you

You are not God

God is in control

We make mistakes
