The Selected Writings of William Hazlitt Vol 3

William Hazlitt is viewed by many as one of the most distinguished of the non-fiction prose writers to emerge from the Romantic period. This nine-volume edition collects all his major works in complete form.

The Selected Writings of William Hazlitt Vol 9

William Hazlitt is viewed by many as one of the most distinguished of the non-fiction prose writers to emerge from the Romantic period. This nine-volume edition collects all his major works in complete form.

The Selected Writings of William Hazlitt Vol 4

"Writing at a time of great social and intellectual turmoil, William Hazlitt (1778-1830) was uncompromising in his defence of truth, liberty and justice, and in his championship of the inarticulate and exploited he added a potent voice to the tradition of radical protest. A magnificent word juggler, he joined shrewd intellectual judgement with a remarkable facility to detect the significant trends of his day"--from page [4] of cover.

The Selected Writings of William Hazlitt Vol 2

William Hazlitt is viewed by many as one of the most distinguished of the non-fiction prose writers to emerge from the Romantic period. This nine-volume edition collects all his major works in complete form.

The Selected Writings of William Hazlitt Vol 6

Contains well-known essays, such as: The Indian jugglers and: The fight, and also lesser known writings on politics, philosophy, and culture.

Selected Writings

Volume 1 of a new selection of the best works of William Hazlitt (1778-1830), an energetic and unique essayist with much to offer the modern reader. He writes compellingly on many topics. Edited by Abeecy Deffh.

The Selected Writings of William Hazlitt Vol 8

Excerpt from The Miscellaneous Works of William Hazlitt, Vol. 1 of 2 The work here offered to the public is a selection from the four volumes of Table Talk, printed in London. Should it meet with success, it will be followed by two other volumes of the same description, which will include all that the author wishes to preserve of his writings in this kind. The title may perhaps serve to explain what there is of peculiarity in the style or mode of. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Selected Writings

Undoubtedly a great social and literary critic, the violently personal nature of Hazlitt's writings and his absolute refusal to accept the art of the possible, the lie, as he called it, has led to belated acceptance of his genius.

The Selected Writings of William Hazlitt

The 205 new writings by William Hazlitt collected for the first time in this volume provide a fuller picture than has hitherto been available of his career as journalist, particularly his work for the Morning Chronicle, The Times and The Atlas. Newly discovered works include major essays on the poetry of Wordsworth and Coleridge, a defence of Byron and Shelley against charges of immorality, an analysis of the three trials of the Regency publisher and writer William Hone, and a series of reminiscences and anecdotes from Hazlitt's last years. In addition, there are important essays on Napoleon, the Vienna Congress, and on Southey's appointment as Poet Laureate; notices of Edmund Kean, Dora Jordan and Fanny Kemble; reviews of Coleridge's *Christabel*, Byron's *Sardanapalus* and Hunt's *Rimini*; and essays on the fine arts, including exhibitions at the British Institution. Duncan Wu has surveyed all the publications for which Hazlitt wrote, as well as many for which he didn't, to find these neglected works. Each one is edited from its original printed source, prefaced with a detailed explanation of its attribution, and annotations providing information necessary to a full understanding of context and content. The volume also provides a partial bibliography of Hazlitt's journalism.

The Selected Writings of William Hazlitt

Hazlitt is one of the greatest masters of English prose style and this new selection demonstrates the variety and richness of his writing. The volume includes classic pieces of drama and literature criticism, such as his essays on Shakespeare and Coleridge, as well as less well-known material from his social and political journalism. This collection encourages the reader to reconsider the nature of critical writing, which Hazlitt transforms into an art form.

The Collected Works of William Hazlitt

Excerpt from The Collected Works of William Hazlitt, Vol. 1 of 12: The Round Table, Characters of Shakespear's Plays, a Letter to William Gifford, Esq. 1 Hazlitt has glanced at him in his notes on dissenters and dissent in the Political Essays, and has given a further taste of him in that very notable and gracious piece, My First Acquaintance with Poets.' About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. Hazlitt - Selected Writings

This early work by William Hazlitt is both expensive and hard to find in its first edition. It contains a collection of essays on various subjects by one of the unsung masters of the English language. This is a fascinating work and thoroughly recommended for anyone interested in English literature. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

New Writings of William Hazlitt

William Hazlitt is viewed by many as one of the most distinguished of the non-fiction prose writers to emerge from the Romantic period. This nine-volume edition collects all his major works in complete form.

New Writings by William Hazlitt

Tourists and Travellers explores the ways in which travel and tourism in Scotland changed during the late 18th and early 19th centuries, focusing on the writings of five women - Sarah Murray, Anne Grant, Dorothy Wordsworth, Sarah Hazlitt and the anonymous author of A Journey to the Highlands of Scotland.
