It was love at first sight.

What I love the most about you is your personality and attitude about life.

The happiest moment in our marriage was when we had our first child.

Because when you are still very in love, you know you are blinded by love.

But, after a while, you get to see this person for who he is or who she is.

The beginning two years of marriage are very different from the two years after 50 years of being together.

The learnings and understanding keeps growing.

Intro

So, how to know if a married man is using you?

What are the signs a married man is using you?

He will always avoid having serious conversations about your relationship.

He will want you to exclusively be with him

None of his gifts to you will be personal.

His wife and his married life will always be more important to him.

You can't rely on him.

Signs of more and more cheating.

He will not be the same with you in public as behind closed doors.

You can't trust him as Lies are all over.

Even if you catch his lie - he will lie his way through it.

He doesn't know the real you.

be able to anticipate your needs.

He won't actively be a part of your life

Your child with the man will not be of precedence to him.

Being with him is affecting your
