## Tender Mercies

"Grace. That word that finally meant something again. Mercy. Favor. Good will." Fed up with play kink, Grace Warner moves to an island that embraces erotic slavery to be with a man she met online. Within hours of her arrival, everything is ripped from her, and she quickly learns play is preferable to the realities of actual enslavement. Asher Collins has spent the past year mourning and blaming himself for the death of his slave, Darcy. When Grace catches his eye at a showing, obviously abused, he becomes obsessed with buying her and finding a way to atone for his own past sins. What Readers are Saying about *Tender Mercies*: "I discovered Kitty Thomas last year with her novel 'Comfort Food'. I likened that erotica novel (about extreme Stockholm syndrome) to literary wasabi - sinus clearing and somewhat unsettling, but also incredibly, breathtakingly powerful. So I went into 'Tender Mercies' excitedly knowing that Kitty Thomas writes at the extreme-end of the erotica scale. She intrudes upon reader's comfort zones and pulls you (kicking and screaming) into an abrasive and compelling world of fetishism and erotica . . ." -Dee18 "I've first read 'Comfort food' by Kitty Thomas and was so exquisitely shocked that I went forward into the BDSM romance genre. So far, I've read around 26 genre books by different authors and can honestly say that Kitty Thomas is one of the best. Her stories feel real in a psychological kind of way, the events recounted could be really traumatizing but they are set in environments that keep the reader 'safe'. The heroines suffer and endure beyond reason but somehow they make it through stronger and empowered in their own realizations." -Lenanena "I recommend it to adults, particularly those interested in aspects of BDSM." -Carocar "Tender Mercies is the type of psychological dark erotica, BDSM book that will leave readers who enjoy this type of literary fiction in awe at the brilliance of Kitty Thomas' writing and concepts. I said it after her last book and I'll say it again -- I don't know how she'll top this! :)" -Among the Muses "I can't believe I have put off reading a Kitty Thomas book for so long! I thought 'oh I've read dark erotica this won't be too shocking for me' but I was definitely surprised just how dark this book was. Some scenes definitely caused my stomach to churn and the writing reaches a deeper psychological level than other dark books I've read." -R Nicole "Kitty Thomas is such a wonderful writer; her take on dark erotica is wonderful and refreshing. It's harsh, and raw - please use caution if you are not used to dark erotica." -Mel "So my favorite BDSM theme is where the submissive is abused / mistreated by a former Dom / Master and is healing and learning to trust a new Dom. This one fits the theme perfectly. From the first few pages I was hooked and flew right through the rest of it! I love everything I've read by Thomas and this is no exception." -Mrs thj "The story is beautiful, and I love the characters. While the book is essentially dark erotica and non-consensual bdsm, Kitty Thomas still manages to create a beautiful romance between master and slave." -lunaselene "Wow! This book was well written, intelligent dialogue, graphic without being raunchy. I enjoyed the story and it was my second BDSM book. Kitty Thomas has 'mad' skills as a writer and I look forward to reading her other books." - Maxine Holmes "As I mentioned earlier, I am in awe of Kitty Thomas' storytelling abilities. I was deeply caught up in the psychological conditioning in her novel *Comfort Food* and was titillated by the kinky sexual training in *Guilty Pleasures*. But the plot twists and multi-layered characters in *Tender Mercies* have made this book another one of my favorites." -AsianCocoa "I first became aware of Kitty Thomas's work with *Comfort Food*, a book I can honestly say I will never forget. While Kitty writes about subject matter that not everyone is comfortable with, she does so in a way that I find to be deft and almost lyrical. Though her current published stories are contemporary, she creates new worlds while drawing from very real elements of BDSM and total power exchange relationships." - Cari Quinn "I didn't think anything could top Kitty Thomas's *Comfort Food*, but boy was I wrong. The minute I had *Tender Mercies* downloaded to my Kindle, I itched to read it. Had it not been for the fact I was deep in addiction with my last read, I could have easily ditched it like I have so many others in favour of what is fast becoming an obsession with Thomas's writing style and her darkly psychological / emotional take on the world of BDSM." -J. Valentino "I'm always skeptical about erotic novels. I don't want to read it and be disappointed at how quickly the author can push through the build-up of characters, backstory, plot, and emotions just to get to the (seemingly)

"good stuff". With that said, I want to read more of Ms. Thomas's work because it did everything but that. I was hooked within the first few sentences, and continued to read it straight through in one sitting (after a break or two for snacks, that is)." - Renee "this book was great in that it didn't hide the fact that BDSM relationships sometimes are dangerous and abusive. I liked the realism" -doo3477 "Kitty Thomas is the queen of darker reads and I love her for it. Tender Mercies didnt disappoint at all. If you like the darker reads you will enjoy Kitty Thomas and her books." -Lisa C "One very good reason not to trust strange men you meet on the Internet. A dark story about the darker side of BDSM." - Joy Pelloquin "Kitty Thomas writes darkly erotic novels that are not easily forgotten; Tender Mercies is no exception. Her psychologically disturbing yet erotic stories take the reader on a journey of submission and trust as a way to fulfillment. Comfort Food, Guilty Pleasures, and Tender Mercies all explore the slave/master dynamic, but she manages to make the story different and intriguing each time. Her stories are well-crafted and even though the scenarios are fantastical in a kinky, masochistic sense, I don't have any trouble falling right into her stories and becoming fully vested in the characters and their experiences. I am slightly disturbed by how much I enjoy her books; as if something this dark should not be enjoyed, but I do. Very much." -Loves FAB Romance "...about building trust and showcase that dominance and submission is a game between lovers and not about abuse." - Booklover101 What Authors are Saying about Tender Mercies: "Kitty Thomas's hottest book yet . . . emotionally gripping and painfully real . . . impossible to read and remain untouched." – Annabel Joseph, author of Owing Wednesday "Tender Mercies is a heart-rending tale that proves Prince Charming doesn't always come charging in with a white steed . . . Sometimes it's just a piece of paper and a platinum collar." – Claudia D. Christian, author of Devil's Descent II: Impure "I have never been more invested in a piece of fiction in my life. Kitty Thomas writes with a passion and purpose so pure she makes her readers live and breathe every word." – Emma Petersen, author of Reign of Pleasure "An eerie and disturbing story tempered with compassion and love. I couldn't put it down." – Fallon Blake, author of Wrapped Around Your Finger "Intense and dark. Tender and sweet." -Nattie Jones, author of The Street Urchin More dark literary erotica by Kitty Thomas: Dark Erotic Novels: Comfort Food Guilty Pleasures The Last Girl Submissive Fairy Tales (latest release---anthology of The Auction, Awakening, and The King's Pleasure) Big Sky Mafia Captive Blood Mate Erotic Novellas: The Auction Awakening The King's Pleasure Note: This work is not 50 Shades of Grey, however, if you enjoy work like 50 Shades of Grey, you may also enjoy Kitty Thomas' dark erotica. If you like Kitty Thomas, consider trying some of these other great authors: CJ Roberts, Tiffany Reisz, Annabel Joseph, Pepper Winters, Anna Zaires, Aleatha Romig, Skye Warren, Cherise Sinclair Kitty writes dark literary erotica, usually with a kinkymaster/slave theme and a hint of bdsm and captive erotica elements.

### The Way of a Man with a Maid

The Way of a Man with a Maid (1908) is an erotic novel. Published anonymously, The Way of a Man with a Maid has long attracted controversy for its graphic depiction of rape, abuse, and incest, and continues to be read today as an important example of popular British erotica of the early twentieth century. Alternating between descriptions of sadomasochistic sex, the narrator's vindictive interior monologue, and a dark humor woven throughout, The Way of a Man with a Maid provides insight into the sexual fantasies of men from a bygone era. "I, the man, will not take up the time of my readers by detailing the circumstances under which Alice, the maid, roused in me the desire for vengeance which resulted in the way I adopted and which I am about to relate. Suffice it then to say that Alice cruelly and unjustifiably jilted me! In my bitterness of spirit, I swore that if I ever had an opportunity of getting hold of her, I would make her voluptuous person recompense me for my disappointment..." Casting himself as a sworn enemy of womankind, Jack, a jaded English gentleman, roams the streets in search of women to corrupt. As his power grows, increasing his circle of accomplices, he performs more daring--and often more disturbing--sexual acts. This graphic exploration of taboo, torture, and desire remains an important text in the history of erotica and obscenity laws, pushing the boundaries of Edwardian society while continuing to challenge our own. With a beautifully designed cover and professionally typeset manuscript, this edition of The Way of a Man with a Maid is a classic work of erotica reimagined for modern readers.

He rolled toward her, pulling the down comforter with him, but didn't answer. He listened to her shrugging off her coat and unzipping her boots in the dark. The wood stove burned low, giving off a little light, but not much. He waited until she came to the bed, sitting on the edge, before he spoke. "It's not safe to cross." He felt more than saw her shrug. "I made it." "Do you have a death wish?" Mia stood, pulling off her shirt and dropping it to the floor. "Probably." Her jeans followed, and she slid under the covers beside him naked. "But it's colder at night--I thought the ice would be a little more frozen." "And no one to save you if you fell through." His hands found her in the dark, touching someone else's flesh for the first time in a year. His fingers sank into the softness of her hip, pulling her belly to belly with him. The silence stretched long and Luke felt the weight of it before she finally spoke. "You know as well as I do the current would take me before anyone could reach me." He pulled her close, wanting to melt the sudden chill. Mia softened against him, letting him hold her. Her skin was cold and he rubbed her to warm it. "I missed you," he admitted. It was always this way, every time he touched her. The constant rat wheel in his head stopped spinning the minute she slid her slender fingers over his chest. "I don't want anything to happen to you." "I'm okay." She touched her forehead to his. Her breath smelled sweet, like carrots. "No you're not." She smiled against his mouth. "I know." Their first kiss in a year--it was like starting kindling under a log, slow to catch at first, but growing brighter the more they fed it. Her lips were soft and warm, but trembling, and she stiffened when he slid his thigh between hers, rolling her on top of him in the darkness. He wanted to keep her--that was his desperate, secret wish, one that he didn't want her to know and tried not to convey in the way he advanced. Luke had long years of practice in approaching a wounded animal. Mia wasn't feral, like most. She was a trapped bird, heart beating fast, wings fluttering, hard to keep still long enough to free her. Something in her was always struggling, and he longed to calm her. His strokes were long and light, top to bottom, his hands moving down and over her behind. He sought the hair-tie she used to keep it back, freeing the dark length and letting it spill over him in a silky cascade. It tickled his nose but he didn't move as she softly pressed her mouth to his. It was just a matter of timing. He let her go and she sat up and straddled him, her fingers tracing over his collarbone, down his arms, along his sides, pressing his belly hard as if testing him for solidity, finding his edges and boundaries. The soft clutch of her thighs against his hips and the radiant heat of her sex shifting against his lower belly made him long to grab and take her. It's been too long. Still, he waited, listening for the change in her breath as she rocked against him, shifting her body lower with every wave.

Lose yourself in this steamy mafia series by dark romance author Jill Ramsower... He was a vision of power and privilege. Ruthless arrogance personified. A total stranger and an irresistible challenge. I

approached him in a busy casino and felt the sting of his brutal rejection. Then I did something incredibly brazen. Impulsive. Reckless. I stole from him. The object was inconsequential, only worth a handful of dollars. I didn't do it for the money; it was about making a statement. I went back home thousands of miles away without giving him a second thought until I spotted those quicksilver eyes glaring at me across a busy nightclub. It was too impossible to be a coincidence. Yet, there he was, seething with a violent promise of retribution. He thought he'd intimidate me. Hunt me down and make me pay. What he didn't realize was I don't scare easily. My name is Giada Genovese, and I'm a goddamn mafia princess. Amateur Night "Autumn Greer pushes the limits of fantasy and reality." If you knew a place where you would be guaranteed anonymity. Guaranteed no one would ever know. What would you do for a large sum of cash? Becky knew of just such a place. She knew what transpired in private rooms where adults with certain desires came to play. Becky was going there tonight. I couldn't believe I was doing this. It all started with my roommate. When Becky had told me where she went on the first Saturday of each month, I thought she was joking. She always came home with a cheery attitude, a flush to her complexion, and was wired all night. No matter if it was midnight or three in the morning when she returned. When she told me that this was where she had gotten the money for her new laptop and wardrobe, I listened a little more carefully. A college student. A Fantasy Bar with an Amateur Night she could have never dreamed of. When she hears of the Fantasy Bar, a place where Live Sex Shows are held daily, and the monthly amateur Night allows adventurous women to take the reins, she can't believe her ears. An Amateur Live Show. Men sign up, women rent the room. The women are allowed to charge men admittance, and invite only the men they desire. They can charge as little or as much as they want. They can do as little or as much as they want. After the doors close and the curtain opens, what happens there is between consenting adults. The thrill of it, more than the money is what makes her go. The idea of being in control of the night, and allowed to make her wildest fantasies come true. After her recent break up she needs something wild. Something she had never dreamed of doing. She sure as heck has never done anything like this before. Will a night with three men be the liberating experience she's been waiting for? And will this Amateur Night only be the first of many? They'd called it The Game. An intriguing truth or dare, a little spice to an already hot sexual chemistry between two married professionals. But what started as a mere game evolved into something so much more, a dark, exciting adventure into serious power exchange. It soon became the center of their lives, the beating, lust-fueled heart of their sexual relationship. It was an exploration of pleasure, of pain, of elemental desire. A married couple diving deep into the waters of Dominance and submission. Like forbidden fruit, The Game had opened their eyes to the primal drives, the animal lusts lurking within each of them — and they knew they'd never be the same again. Then came the day she'd gotten the surprise news... in the form of a positive pregnancy test. Now Keihl and Kirsten, deeply in love, and facing a profound, joyful change in their lives, must contemplate the prospect of putting aside The Game, just when things are really heating up. After all, pregnancy and D/s are utterly incompatible. Right? Or was there a way to have both? Perhaps Kirsten's pregnancy might open up an entirely new world to them within the alluring, lust-drenched context of a loving, yet strict, Dominance and submission dynamic? Perhaps the pregnancy might change them both in ways too profound for either of them to yet understand? Two lovers will discover if Dominance and submission, if pain and pleasure, and finding the real people they are inside is indeed still possible, now that a baby is on the way... Word count: 134,520 words. (NOTE: Expecting Surrender is Book #3 in the Dominion Trust series. The book can be read as a standalone, but reading the first two books in the series will enhance enjoyment of this novel.)

## Doing It Risqué (New Adult Erotic Romance)

Reader Advisory: This story is for mature audiences only and features intensely erotic situations between an older man and a young woman, taboo teacher/student relations, discipline, spanking, humiliation, deflowering, submissiveness and dominance. All characters are 18 or older. Rachel Stanton has always found ways of using her good looks to get ahead, and when she arrives in college it doesn't look like that's going to have to change. But her easy ride runs out when her professor Alex

Cossaign notices her flirting with a classmate only to copy his course work. The handsome professor decides it's time to teach her a little personal responsibility and maybe show the flirtatious young woman just what a man who actually knows how to handle her charms looks like. Excerpt: "You know, Professor," I begin, "I understand why you have me cleaning the classroom. I'm really learning a lesson. But as for talking to Brad, I really don't understand why that's so necessary. How do you know I don't like him?" I find myself blushing deeper crimson. "I mean, he's not the single most handsome man I can think of," I say, "but a girl's gotta take what she can get, right? Sometimes I just get lonely, don't you?" I wince slightly as I hear the last words come out of my mouth. That may have been taking it too far. "That's a very interesting perspective, Rachel," he says in a neutral voice. "But surely if you cared about him you wouldn't be manipulating him into giving you his work when he clearly didn't want to." I let out an exaggerated sigh. "But Professor," I say, "is it really that simple? Sometimes you need something from someone and you're in a position to offer a sort of trade, right? A little affection to help get someone off the hook?" I've definitely warmed to my audience. This all has to be having an effect. He sits back and considers me for a long moment, taking me in - all of me. The blush in my cheeks deepens still further as I find myself suddenly a little bit self-conscious. "What are you doing, Rachel?" he asks. "Why do you think it's appropriate to act this way? Or dress this way?" He makes a vague gesture. I draw back slightly. This isn't the reaction I expected. "Like what, Professor?" "You - playing the slut to get what you want. Do you think I'm some kid who'll go weak-kneed if you smile at me with your \*\*\*s hanging out?" "What are you talking about, Professor?" I ask as innocently as I can, my heart beginning to hammer. He seems angry. It occurs to me I could get in legitimate trouble for this. "What am I talking about?" he asks. "I'm talking about this." He grabs the loose flap of cloth of my partially open blouse and shakes me by it, inadvertently pulling apart the other buttons in the process. The garment falls open. If it weren't obvious enough already that I'm not wearing a bra, it's pretty f\*\*\*ing obvious now. I look down and then back up at him in shock, forgetting to cover myself. He draws in a sharp breath as my sudden nakedness catches us both by surprise.
