My Favorite Ukrainian Recipes: My Stash of Best Recipes from the Ukraine

What's for dinner tonight? That's a common question in most households across the country. As we get busier, sometimes it becomes harder for us to plan ahead. This series of "My Favorite Recipes" is a great addition to your Library, where you can either write in or print and paste in, recipes for the things you like most to eat! Each recipe book consists of 150 pages for you to enter your favorite recipes for the type of food you choose. No longer do you have to either surf the net to re-find your recipes, or dig through a bunch of separate cookbooks. "Now where did I put that recipe?" Will no longer be a common phrase heard at your house! These 8" X 10" recipe books are plenty big enough to give you room to write and you'll be able to read your recipes when you are done. Each recipe is broken down into Ingredients, Prep time, Cook time, Oven settings, Pan size, and then there is also room for the general instructions. The books are printed on white paper, in black and white. Get one of these My Favorite Recipe Books for all the types of food you love to cook and eat! It makes a wonderful Christmas gift, as well as for a wedding shower! Buy one for yourself and one for all the people you love!

My Favorite Ukrainian Recipes

In this 6x9 blank recipe book, you can write down the best meals from Ukraine. The first three pages are lined that can be used as a table of content or for notes

My Favorite Ukrainian Recipes

Blank cookbook perfect for secret family recipes from mom or grandma to carry on your own little recipes in your kitchen to cook for a lifetime passed down from generations from mother to daughter. Lovely Ukrainian ancestry gift idea for anyone from Ukraine or Ukrainian-American who loves cooking Ukrainian cuisine and food.

Crepes

Crepes are popular in many countries around the world. In Ukraine, crepes are called "nalisniki." It is one of the most favorite meals in Ukraine, as well as in other countries around the world. Preparation of this delicious food became so quick and easy with contemporary small kitchen appliances. At earlier times, before a blender was available in my kitchen, I used the old method of preparation of crepes. This took much more time to make this wonderful food, yet it was and still is one of my and my family's favorite dishes. As with many other popular recipes, this one is also made in different variations. In this book, I will share with you step-by-step instructions on how to prepare and make this wonderful meal in several different ways.

Beyond Borscht

Authentic Recipes for the Hearty, Comforting Foods of Ukraine Bring the warming, fresh and savory flavors of Ukraine and Eastern Europe into your kitchen. This beautiful and personal collection was born from Tatyana Nesteruk's authentic Ukrainian family recipes passed down through generations. From growing up in a close-knit Slavic community that gathered daily to celebrate food, Tatyana learned the art of honoring tradition while also making the recipes accessible for the modern home cook. Her simple instructions and treasure chest of time-honored dishes will have you flawlessly re-creating the food you love—or have yet to discover! Capturing the classic tastes of Eastern Europe is easy, thanks to Tatyana's nifty cooking hacks, such as rinsing cottage cheese to quickly transform it into the beloved tvorog (farmer's cheese). Dive into timeless recipes like Beef and Cheese Piroshki (hand pies), Smoked Salmon and Caviar Blini and Classic Beef Borscht. Whip up epic main dishes like Shashliki (Shish Kebabs), Plov (Beef and Garlic Rice Pilaf) and Potato Latkes with Chicken, and pair them with delicious sides like Mushroom Buckwheat and Olivier Potato Salad for a truly unbeatable spread. With desserts like Sweet Cherry Pierogi and Poppy Seed Roll, you'll be transported back to the old world with each delicious bite. If you grew up eating this incredible cuisine, visited this part of the world and can't stop dreaming of the food, or are trying these authentic dishes for the first time, the unique, comforting and nostalgic flavors packed into Tatyana's recipes will send your taste buds on an unforgettable journey.

The Ukrainian Cookbook

If you've always wanted to learn how to authentic Ukrainian food, then this is the perfect cookbook for you. Inside this cookbook, you'll learn how to make authentic Ukrainian dishes such as: • Ukrainian Scuffles • Blueberry Pierogis • Ukrainian Meatballs • Cheese Pancakes • Cabbage Buns • Honey Spiced Cookies • Pampushky • Kotleti • Ptichye Moloko • Sweet Poppy Seed Buns • Classic Borscht • Belyashi • Whole Wheat Soup • Ukrainian Easter Bread • and much, much more! So, what are you waiting for? Grab a copy of this cookbook and starting cooking authentic Ukrainian food today!

Mamushka

The Ukrainian-born chef presents “a gorgeous love letter to the food of her homeland” with this vibrant and varied collection of recipes (SAVEUR). In Mamushka, Olia Hercules takes readers and home cooks on a culinary tour of Eastern Europe—from the Black Sea to Baku, Kiev to Kazakhstan. This beautifully illustrated cookbook features more than one hundred recipes for fresh, delicious, and unexpected dishes from this dynamic and often misunderstood region. Olia Hercules was born in Ukraine and lived in Cyprus for several years before moving to London and becoming a chef. In this gorgeous and deeply personal cookbook, she shares her favorite recipes from her home country with loving stories about her culinary upbringing and family traditions. “Forget what you think you know about Ukrainian food; with Olia Hercules, it's fun and colorful.” —Epicurious

My Favorite Recipes - Kiev

This lovely book will become a treasured favorite when it is filled with all the things you love to cook. Forget scraps of paper, collect your tried and tested recipes in one place and you will have a real storehouse and possibly a family heirloom. Space for Ingredients, Cooking Directions and Personal Notes for each recipe. In a convenient 9 x 6 size with 103 pages.

Taste of My Ukrainian Homeland

When I spoke to various people here in Britain about Ukrainian cookery they didn't know much about it, but showed great interest. So I started thinking about writing a Ukrainian recipe book and my love for cooking was a great asset in attaining my dream. This book introduces the Ukrainian cuisine, in it you will find a good range of the most popular Ukrainian recipes including varieties of famous borsch and many more interesting dishes.

Ancient Grains: Ukrainian Recipes

Ancient Grains: Ukrainian Recipes, a Ukrainian cookbook, where recipes and articles are brought together by the subject of grains or cereals that are popular in Ukraine. Whether you are vegan or a meat-lover, whether you prefer savoury dishes or have a sweet tooth, hopefully, you will find recipes that suit your taste and diet. The book offers over 80 recipes to choose from, many of which are time-honoured traditional Ukrainian dishes. The book also contains some interesting stories about old Ukrainian traditions and customs, in which grain plays an important role.

Traditional Ukrainian Cuisine

My wife, Olena, is from Ukraine. And through her, the spirit of Ukrainian cuisine is alive and well in our home. These recipes represent some of the traditional foods that she remembers eating at her late grandmother's, Nina Tyschenko (1934-2016), table. This book is a tribute to my wife's memory of her Babushka and the food she made. We hope you will enjoy the recipes.

Summer Kitchens

An exploration into the culinary identity of eastern Europe through stunning food and travel photography, interspersed with stories and memories of tiny buildings called summer kitchens. In this new cookbook from award-winning author Olia Hercules, explore the diversity of Ukraine's cuisine and heritage through the alluring window of summer kitchens—small structures alongside the main house where people cook and preserve summer fruits and vegetables for the winter months. Featuring 100 superb recipes, a gorgeous collection of food and lifestyle images, and evocative personal narrative, Hercules illustrates how the region's cuisine varies as much as the landscapes, climate, and produce through her travels to the Carpathians, the Black Sea, the shores of the Danube and Dnieper, and her native land.

My Halal Kitchen

Yvonne Maffei is the founder of the hugely popular cooking blog and Islamic lifestyle website My Halal Kitchen. Her new book, My Halal Kitchen: Global Recipes, Cooking Tips, and Lifestyle Inspiration, celebrates halal cooking and shows readers how easy it can be to prepare halal meals. Her cookbook collects more than 100 recipes from a variety of culinary traditions, proving that halal meals can be full of diverse flavors. Home cooks will learn to make classic American favorites and comfort foods, as well

as international dishes that previously may have seemed out of reach: Coq without the Vin, Shrimp Pad Thai, Chicken Tamales, and many more. The book also includes resources that break down the basics of halal cooking and outline common non-halal ingredients, their replacements, and how to purchase (or make) them. As Maffei often says to her million-plus social media followers, halal cooking elegantly dovetails with holistic living and using locally sourced, organic ingredients. In the halal tradition, every part of the farm-to-fork cycle has importance. This book is an ideal resource not only for Muslim home cooks, but also for any home cook looking to find delicious and healthy recipes from around the globe.

Festive Ukrainian Cooking

More than a cookbook, Festive Ukrainian Cooking is also a definitive account of traditional Ukrainian culture as perpetuated in family rituals and lovingly celebrated with elegantly prepared food and drink.

Kaukasis The Cookbook

Over 100 recipes from Georgia and beyond.

Lavender & Lovage

Part travel diary, part memoir, part history, and all cookbook, Lavender & Lovage is an invitation from Karen Burns-Booth to join her on a personal culinary journey through the memories of the places she has lived and visited. Born from her eponymous award winning blog this book contains 160 unique recipes, all beautifully photographed by the author. They showcase the breadth and depth of her travel. Karen has lived and travelled all over the world and has brought some of her favourite recipes, experiences, and memories to share here with her readers. Karen focuses on the best of traditional recipes, preserving the ways of eating that kept our ancestors healthy, a vital contribution to the modern food landscape. If you would like to see the old made new again, to taste slow food instead of fast, to make food personal yet international, you will find it here.

25 Popular Dishes from Ukraine

This is a collection of 25 popular dishes from the Ukrainian cuisine (5 soups, 5 sides, 5 main dishes, 5 salads, and 5 desserts). They are quite healthy, easy enough to make, and very delicious. Perfect for busy people who like to eat nutritious foods. I don't know about your life, but mine is quite busy with work and different side projects. Besides, to tell you the truth, I am not a big fan of cooking – spending hours in the kitchen every day just doesn't excite me. At the same time, I like to eat healthy and nutritious food – junk and fast food doesn't appeal to me at all. You can easily see my dilemma here. Originally from Ukraine, I've been living and working in different countries, and although I like trying things from other cuisines when I eat out or travel, I do miss and prefer the daily foods of my own culture. I've never considered myself a great cook; in fact, I believed that the things I normally make at home are too simple and wouldn't impress anyone. However, when I happen to share my dishes with foreign friends who visit my house, to my surprise they always remark how delicious those are and often ask for the recipe. So I decided to put together a number of common recipes from my culture, simplify and even healthify them a little to my own current cooking and eating standards, and share them with anyone interested in trying them out. Hence this first book in my collection of Ukrainian cooking, with more to come soon. Happy tasting!

Ukrainian Cuisine with an American Touch and Ingredients

It is a unique cookbook with original Ukrainian recipes flavored with Nadejda Reilly's personal touch. It contains a brief history of Ukraine and cultural and traditional background of its people. In addition, it includes the author's personal stories of faith as well as her cooking and baking experiences and who influenced them.

All About Ukraine Gr. 3-5

Ukrainian Cuisine with an American Touch and Ingredients-Gluten Free

TASTE OF UKRAINE celebrates the food heritage of an ancient nation and details more than 350 delectable dishes that originated in the heart of rural Ukraine. Articles bring to life intriguing and colourful aspects of Ukrainian history, society and food culture. Recipes for Easter and Christmas specialities are teamed with explanations of the folk and religious beliefs that form the fabric of rural life. Rustic Ukrainian cuisine offers surprisingly versatile options for gourmets from east to west. TASTE OF UKRAINE provides recipes that are within the reach of home cooks yet could shine equally at the kitchen table, in a trendy cafe or at an elaborate dinner party. There are foods for convenience like the addictive fairground favourite varenyky, slimming soups such as the internationally renowned borsch, slow foods, fast foods and rich traditional breads that are steeped in the rituals of old Ukraine. Featuring 550 photographs, this beautiful and comprehensive guide takes both newcomers and followers of Ukrainian customs on a fascinating culinary journey.

Taste of Ukraine

Indulge in the chilly season's slower pace with a glorious, once-a-year baking fest where you pull out all the stops. A Very Prairie Christmas Bakebook is a feast for all senses, for reminiscing in your favorite festive memories and making cherished new ones.

A Very Prairie Christmas Bakebook

More than 350 recipes from all fifteen republics of the Soviet Union offer samples of the country's vast diversity--from the robust foods of the Baltic states, to the delicate pilafs of Azerbaijan

Please to the Table

Now updated with a complete list of menu terms in Ukrainian and English, this unique cookbook presents both traditional and contemporary Ukrainian cuisine in an easy-to-use menu format. Ukrainian dishes call for a variety of ingredients including natural products such as meat, poultry, fish, mushrooms, eggs, vegetables and fruits. Here is a comprehensive guide to Ukrainian cooking, including favourites like: zakusky (appetisers), ioushky (cabbage soup), kasha (buckwheat groats), pyrizhky (stuffed pastries), and medovyky (honey cakes).

The Best of Ukrainian Cuisine

Award-winning author Grand Chief Ron Derrickson tells the story of his personal fight against Ukrainian political and economic forces alongside the larger story of the wider struggle for Ukraine to end the corruption that has plagued the country since the 1990s. Ron Derrickson watched the Russian invasion of Ukraine, the country where he had spent much of the past 20 years, with a kind of anguish, knowing the country had been systematically shut out of the EU and left on its own. While doing business there he had entered the rabbit hole of Ukrainian political and economic life, a land where gangsters controlled not only the heights of the economy but also the police, the courts, and the national parliament. At stake was his \$28 million company stolen by a cast of characters that included a former governor and members of the national parliament. In the end, Derrickson spent a dozen years fighting for justice in the courts, in political and diplomatic spheres, and even with automatic weapon-toting mercenaries. Seven Spoons tells not only the story of his personal battles but the much wider struggle of Ukraine to find its footing and shake off the gangsterism that has plagued it since the 1990s. In the end, Derrickson searches for signs that after the recent cataclysm, a new Ukraine might rise from the ashes.

Ukrainian Scorpions

At long last, Sarah Britton, called the “queen bee of the health blogs” by Bon Appétit, reveals 100 gorgeous, all-new plant-based recipes in her debut cookbook, inspired by her wildly popular blog. Every month, half a million readers—vegetarians, vegans, paleo followers, and gluten-free gourmets alike—flock to Sarah’s adaptable and accessible recipes that make powerfully healthy ingredients simply irresistible. My New Roots is the ultimate guide to revitalizing one’s health and palate, one delicious recipe at a time: no fad diets or gimmicks here. Whether readers are newcomers to natural foods or are already devotees, they will discover how easy it is to eat healthfully and happily when whole foods and plants are at the center of every plate.

My New Roots

Winner of the 2012 Gourmand Cookbook Award for Best Eastern European Cookbook! Now available in paperback, this popular Hippocrene cookbook introduces readers to the fresh foods, exquisite tastes, hospitality and generous spirit of the Ukrainian table. Scattered amongst the recipes are quotes, poems, historical facts, folklore, and illustrations, making this cookbook not only a culinary adventure but a unique cultural exploration as well. Includes: More than 200 easy-to-follow recipes An introduction to Ukraine's history, culture, and cuisine Helpful tips and notes with many recipes Charming illustrations by renowned Ukrainian-American artist Laurette Kovary This authentic cookbook invites the home cook to sample, explore and experiment with the freshest ingredients to prepare appetizers such as Pickled Herring, or one of eight regional variations of the quintessential Ukrainian soup, Borshch. You'll find classics such as Chicken Kyiv or Holiday-Stuffed Roast Goose, or select more contemporary dishes like Grilled Pork Tenderloin served with a delectable plum sauce or Venison Steaks with Cherry-Mustard Butter. From elegant fare such as Whole Salmon in Aspic or Poached Carp Fillets with Yogurt-Scallion Sauce to classic homestyle dishes like stuffed cabbage (Holubsti) and dumplings (Varenyky), there is something for every occasion. Get the inside scoop on how to prepare special holiday breads like Ukrainian Paska or Orange-Iced Babka and detailed instructions on how to make various bread pastries, cakes and tortes. Readers will certainly fall in love with Ukraine all over again, or perhaps, for the first time.

The New Ukrainian Cookbook

Part memoir, part cookbook from Ukrainian-Canadian, Raisa Stone.

Baba's Kitchen

'Recipes that are ingeniously creative but so accessible' Eater Featuring over 100 real recipes for real people, Smitten Kitchen Everyday is the perfect gift for people who want to find joy in cooking. Deb Perelman, award-winning blogger and New York Times best-selling author of The Smitten Kitchen Cookbook, understands that a happy discovery in the kitchen has the ability to completely change the course of your day. You can make Leek, Feta, and Greens Spiral Pie, crunchy Brussels and heavenly Three Cheese Pasta Bake. Smitten Kitchen Every Day is filled with what are sure to be your new favourite things to cook.

Smitten Kitchen Every Day

NEW Updated Edition Winner of the Art of Eating Prize 2020 Winner of the Guild of Food Writers' Best Food Book Award 2019 Winner of the Edward Stanford Travel Food and Drink Book Award 2019 Winner of the John Avery Award at the André Simon Food and Drink Book Awards for 2018 Shortlisted for the James Beard International Cookbook Award 'The next best thing to actually travelling with Caroline Eden – a warm, erudite and greedy guide – is to read her. This is my kind of book.' – Diana Henry 'Eden's blazing talent and unabashedly greedy curiosity will have you strapped in beside her' - Christine Muhlke, The New York Times 'The food in Black Sea is wonderful, but it's Eden's prose that really elevates this book to the extraordinary... I can't remember any cookbook that's drawn me in quite like this.' – Helen Rosner, Art of Eating judge This is the tale of a journey between three great cities – Odesa, Ukraine's celebrated port city, through Istanbul, the fulcrum balancing Europe and Asia and on to tough, stoic, lyrical Trabzon. With a nose for a good recipe and an ear for an extraordinary story, Caroline Eden travels from Odesa to Bessarabia, Romania, Bulgaria and Turkey's Black Sea region, exploring interconnecting culinary cultures. From the Jewish table of Odesa, to meeting the last fisherwoman of Bulgaria and charting the legacies of the White Russian émigrés in Istanbul, Caroline gives readers a unique insight into a part of the world that is both shaded by darkness and illuminated by light. In this updated edition of the book, Caroline reflects on the events of the full-scale Russian invasion of Ukraine and the subsequent impact of the war on the people of the wider region. How Odesa, defiant against shelling and blackouts, has gained UNESCO protection while in Istanbul, over lunch with a Bosphorus ship-spotter, she finds out about the role of the Black Sea in the war and how Russians are smuggling stolen grain from Ukraine. Meticulously researched and documenting unprecedented meetings with remarkable individuals, Black Sea is like no other piece of travel writing. Packed with rich photography and sumptuous food, this biography of a region, its people and its recipes truly breaks new ground.

The Russian Dating Bible

Mennonites seemed to need to move somewhere every century, and ME AND MY HOUSE is almost a travelog, as it takes us from one part of Europe to another many kilometres away. As it moves from

one generation to another, the nature of life in each location becomes the focus of our story. Beginning in the recently-created West Prussia of 1788, we accompany various members of the Derksen clan to Chortiza, the new colony beginning in South Russia at the invitation of Catherine the Great. It does not take long for that colony to exhaust the land it had been granted, and Molotschna was added to the list of Mennonite settlements. As this land, too, became used up, another colony, Berthal, was founded; this time the land was bought from Russian nobles, but the same privileges were granted to these settlers, mostly from Chortiza. Most of the Derksen clan found themselves having settled there in 1836, and our story concludes with everyone in that colony planning on a move to southern Manitoba, Canada. During their time in South Russia, Mennonite values that had been well-established in the Werder were under new challenges as society changed, and new inventions made work more productive. Religious stresses put pressure on the Old Church to examine itself, but it did not prevent new branches of the Mennonite Church to evolve.

My Ukrainian Recipes Blank Custom Cookbook Journal Notebook / Journal Logbook 6x9 with 120 Pages Cookbooks, Food

Making a delicious pie has never been easier with this extensive cookbook from the popular Chicago bakery. When Paula Haney first opened the Hoosier Mama Pie Company on March 14, 2009 (Pi day, appropriately enough), she worried whether her new business could survive by specializing in just one thing. But with a line around the block, Paula realized she had a more immediate problem: had she made enough pie? The shop closed early that day, but it has been churning out plenty of the Chicago's most delectable pies ever since. Specializing in hand-made, artisanal pies that only use locally sourced and in-season ingredients, Hoosier Mama Pie Company has become a local favorite and a national destination gaining praise from Bon Appetit, the Food Network, and Food & Wine as one of the top pie shops in the country. Now, The Hoosier Mama Book of Pie delivers all the sumptuous secrets of buttery crusts, fruity fillings, creams and custards, chess pies, over-the-top pies, and even the stout and hearty savory pie. The practically oriented, easy-going, and accessible style of this book will help bakers both new and old make the perfect pie for every occasion. On top of all of this, The Hoosier Mama Book of Pie also includes tips on technique, fascinating historical anecdotes, and an emphasis on special seasonal recipes, as well as quiches, hand pies, and scones. This beautifully photographed and designed book has the classic retro feel of the mid-20th century golden age of pie, and all the warmth and personality of the Hoosier Mama Pie Co.'s cozy Chicago storefront. The focus on using local produce and employing the farm-to-table philosophy gives the book a contemporary twist, helping home bakers make the freshest, most delicious pies imaginable. Now readers can take a little piece of the Hoosier Mama Pie Company anywhere they go. Praise for the Hoosier Mama Book of Pie "Paula Haney . . . just put out a massive cookbook with her recipes . . . and it's something very special. The almost-400-page tome details Hoosier Mama's opening and development, as well as Haney's recipes for everything from crust to biscuits to custard fillings. The photos make everything look delicious and, to the above-average baker, everything seems relatively easy to execute." —Marah Eakin, The AV Club "Everything you could possibly want to know about proper pie making is covered . . . No facet of the process is too humble for discussion; the merits of salt in the crust is given as much thought as the best way to combine butter and flour. If you've ever wanted to learn the right way to crimp a pie, or how to make lattice work actually work, this is the book for you." —Serious Eats, naming Hoosier Mama a top dessert cookbook of 2013

Ukrainian Recipes

For more than fifty years, customers have crowded into Veselka, a cozy Ukrainian coffee shop in New York City's East Village, to enjoy pierogi, borscht, goulash, and many other unpretentious favorites. Veselka (rainbow in Ukrainian) has grown from a simple newsstand serving soup and sandwiches into a twenty-four-hour gathering place, without ever leaving its original location on the corner of East Ninth Street and Second Avenue. Veselka is, quite simply, an institution. The Veselka Cookbook contains more than 150 recipes, covering everything from Ukrainian classics (potato pierogi, five kinds of borscht, grilled kielbasa, and poppy seed cake) to dozens of different sandwiches, to breakfast fare (including Veselka's renowned pancakes), to the many elements of a traditional Ukrainian Christmas Eve feast. Veselka owner Tom Birchard shares stories about Veselka's celebrity customers, the local artists who have adopted it as a second home, and the restaurant's other lesser-known, but no less important, longtime fans, and he offers a behind-the-scenes look at what it takes to serve five thousand gallons of borscht a year and to craft three thousand pierogi daily---all by hand. The Veselka Cookbook

will delight anyone with an interest in Ukrainian culture, New York City's vibrant downtown, and the pleasures of simple, good food.

Me and My House

From the leading health-focused culinary school comes a comprehensive natural foods bible that shares forty years' worth of tools and techniques for more than 150 health-supportive recipes. In its forty-year history, Natural Gourmet has trained many natural food chefs in the art of healthy cooking. Their curriculum emphasizes local ingredients and the philosophy of using food as medicine. Now, in their very first cookbook, Natural Gourmet reveals how to utilize whole seasonal ingredients in creative and delicious ways. You'll learn about methods for sourcing sustainable ingredients, principles of nutrition, and much more. Every recipe is perfect for anybody wanting to eat a little healthier, whether to adhere to a specific diet, to do better for the earth, or just to feel better.

My Favorite Shrimp & Salmon With Creamy Sauce - My Favorite Shrimp & Salmon With Creamy Sauce by Laura in the Kitchen 908,588 views 2 years ago 9 minutes, 45 seconds - To get this complete recipe with instructions and measurements, check out my website: <http://www.LauraintheKitchen.com> ...

sear your shrimp and salmon in the same pot

place them on some paper towel or napkin

season everything with salt and pepper

add a few bits of basil

let these saute for a few minutes

finish cooking them in the sauce

hit this with just a tiny bit of salt

add your shrimps

let all of this bubble together for five minutes

add the shrimp
