The Oldest Photographs in the World

Earliest known surviving heliographic engraving by Joseph Nicéphore Niépce.

"View from the Window at Le Gras" by Joseph Nicéphore Niépce is the world's first heliographic
camera photograph.

Positive from the oldest existing camera negative. "Latticed Window at Lacock Abbey" by William
Henry Fox Talbot.

1837 World's first daguerreotype photograph, "L'Atelier de l'artiste" by Louis-Jacques-Mandé Da-
guerre.

Earliest photograph of people, Boulevard du Temple by Louis-Jacques-Mandé Daguerre.

Robert Cornelius takes the first self portrait.

Earliest photograph of a woman. John William Draper's portrait of his sister; Dorothy Catherine
Draper.

John William Draper takes the first detailed photograph of the full moon.

First daguerreotype of the sun taken by French physicists Hippolyte Fizeau and Léon Foucault.

World's first underwater photograph is taken by William Thompson.

Oldest surviving aerial photograph, "Boston, as the Eagle and the Wild Goose See It" by James
Wallace Black.

First colour photograph, "Tartan Ribbon" is taken by James Clerk Maxwell and Thomas Sutton.

World's first coloured landscape photograph, "Landscape of Southern France" by Louis Arthur Ducos
du Hauron.

1882 First photograph of lightning is taken by William N. Jennings on 2nd September.

Louis Boutan takes the first photograph to be shot while submerged underwater.

World's first underwater colour photograph. "Hogfish" by Dr. William Longley and Charles Martin.

First ever photograph taken from space. Shot by US sub orbital V-2 rocket #13 on 24th October.

World's first digital photograph. Russell A. Kirsch's photo of his son, Walden.

1972 First full view photograph of the Earth, "The Blue Marble" taken by Apollo 17 on 7th December.

"Les Horribles Cernettes" is the first photographic image to be published on the internet.

2013 Most expensive photograph ever sold. Peter Lik's "Phantom" sells for \$6.5 million in 2014.

The Collected Writings of Zelda Fitzgerald

This comprehensive collection of Zelda Fitzgerald's work—including her only published novel, *Save Me the Waltz*—puts the jazz-age heroine in an illuminating literary perspective. Zelda Sayre Fitzgerald has long been an American cultural icon. Born in Montgomery, Alabama, this southern belle turned flapper was talented in dance, painting, and writing but lived in the shadow of her husband F. Scott Fitzgerald's success. This meticulously edited collection includes Zelda's only published novel, *Save Me the Waltz*, an autobiographical account of the Fitzgeralds' adventures in Paris and on the Riviera; her celebrated farce, *Scandalabra*; eleven short stories; twelve articles; and a selection of letters to her husband, written over the span of their marriage, that reveals the couple's loving and turbulent relationship. The *Collected Writings* affirms Zelda's place as a writer and as a symbol of the Lost Generations as she struggled to define herself through her art.

The Collected Writings

Presents the collected writings of Zelda Fitzgerald.

The Collected Writings

The first comprehensive collection of writings by Zelda Fitzgerald features her novel "*Save Me the Waltz*," other semi-autobiographical stories and articles, a play, and a selection of her letters

Dear Scott, Dearest Zelda

"Pure and lovely...to read Zelda's letters is to fall in love with her." —The Washington Post Edited by renowned Jackson R. Bryer and Cathy W. Barks, with an introduction by Scott and Zelda Fitzgerald's granddaughter, Eleanor Lanahan, this compilation of over three hundred letters tells the couple's epic love story in their own words. Scott and Zelda Fitzgerald's devotion to each other endured for more

than twenty-two years, through the highs and lows of his literary success and alcoholism, and her mental illness. In *Dear Scott, Dearest Zelda*, over 300 of their collected love letters show why theirs has long been heralded as one of the greatest love stories of the 20th century. Edited by renowned Fitzgerald scholars Jackson R. Bryer and Cathy W. Barks, with an introduction by Scott and Zelda's granddaughter, Eleanor Lanahan, this is a welcome addition to the Fitzgerald literary canon.

Zelda Fitzgerald

Zelda Fitzgerald, along with her husband F. Scott Fitzgerald, is remembered above all else as a personification of the style and glamour of the roaring twenties - an age of carefree affluence such as the world has not seen since. But along with the wealth and parties came a troubled mind, at a time when a woman exploiting her freedom of expression was likely to attract accusations of insanity. After 1934 Zelda spent most of her life in a mental institution; outliving her husband by few years, she died in a fire as she was awaiting electroconvulsive therapy in a sanatorium. Zelda's story has often been told by detractors, who would cast her as a parasite in the marriage - most famously, Ernest Hemingway accused her of taking pleasure in blunting her husband's genius; when she wrote her autobiographical novel, Fitzgerald himself complained she had used his material. But was this fair, when Fitzgerald's novels were based on their life together? Sally Cline's biography, first published in 2003, makes use of letters, journals, and doctor's records to detail the development of their marriage, and to show the collusion between husband and doctors in a misdirected attempt to 'cure' Zelda's illness. Their prescription - no dancing, no painting, and above all, no writing - left her creative urges with no outlet, and was bound to make matters worse for a woman who thrived on the expression of allure and wealth.

The Romance of Regionalism in the Work of F. Scott and Zelda Fitzgerald

At the height of their fame, F. Scott and Zelda Fitzgerald dramatized their relationship as a charming romance of regionalism, a Northern man's pursuit of a Southern belle. This collection of thirteen essays reveals that tensions between sectionalism and nationalism run much deeper in their work than previously appreciated.

Save Me the Waltz

This pictorial autobiography of Scott and Zelda Fitzgerald documents two lives that have become legendary. The book draws almost entirely from the scrapbooks and photograph albums that the Fitzgeralds scrupulously kept as their personal record and provides a wealth of illustrative material not previously available. Minnesota; a photograph of the country club in Montgomery, Alabama, where the two met; reviews of *This Side of Paradise*; poems to the couple from Ring Lardner; snapshots of their trips abroad; Fitzgerald's careful accounting of his earnings; a photograph of the house on Long Island where *The Great Gatsby* was conceived; postcards with Fitzgerald's drawings for his daughter. These rare photographs and memorabilia combine into a narrative augmented by selections from Scott's and Zelda's own writings, conveying the spirit of particular moments in their lives.

The Romantic Egoists

Best known as the wife of F. Scott Fitzgerald, these are her own artistic expressions in painting; she long battled with mental illness and this work traces her creative achievements.

Zelda, an Illustrated Life

THE NEW YORK TIMES BESTSELLER OF THE JAZZ AGE NOW AN AMAZON ORIGINALS SERIES STARRING CHRISTINA RICCI 'If ever a couple ... became an era, it was F Scott Fitzgerald and his glamorous "flapper" wife, Zelda. They were the Jazz Age' Independent When beautiful, reckless Southern belle Zelda Sayre meets F. Scott Fitzgerald at a country club dance in 1918, she is seventeen and he is a young army lieutenant. Before long, Zelda has fallen for him, even though Scott isn't wealthy or prominent or even a Southerner and keeps insisting, absurdly, that his writing will bring him both fortune and fame. When he sells his first novel, she optimistically boards a train to New York, to marry him and take the rest as it comes. What comes, here at the dawn of the Jazz Age, is unimagined success and celebrity that will make Scott and Zelda legends in their own time. Each place they go becomes a playground: New York City, Long Island, Hollywood, Paris, and the French Riviera - where they join the endless party of the glamorous, sometimes doomed Lost Generation that includes Ernest Hemingway,

Sara and Gerald Murphy, and Gertrude Stein. Everything seems new and possible, but not even Jay Gatsby's parties go on forever. Who is Zelda, other than the wife of a famous - sometimes infamous - husband? With brilliant insight and imagination, Therese Anne Fowler brings us Zelda's irresistible story as she herself might have told it. 'Utterly compulsive reading' Stylist 'Brilliant' Daily Mail 'Superb' Independent *Therese Anne Fowler's bestselling novel of the Gilded Age, *A Well-Behaved Woman*, is out now*

The Collected Writings

A vibrant self-portrait of an artist whose work was his life. In this new collection of F. Scott Fitzgerald's letters, edited by leading Fitzgerald scholar and biographer Matthew J. Bruccoli, we see through his own words the artistic and emotional maturation of one of America's most enduring and elegant authors. *A Life in Letters* is the most comprehensive volume of Fitzgerald's letters -- many of them appearing in print for the first time. The fullness of the selection and the chronological arrangement make this collection the closest thing to an autobiography that Fitzgerald ever wrote. While many readers are familiar with Fitzgerald's legendary "jazz age" social life and his friendships with Ernest Hemingway, Gertrude Stein, Edmund Wilson, and other famous authors, few are aware of his writings about his life and his views on writing. Letters to his editor Maxwell Perkins illustrate the development of Fitzgerald's literary sensibility; those to his friend and competitor Ernest Hemingway reveal their difficult relationship. The most poignant letters here were written to his wife, Zelda, from the time of their courtship in Montgomery, Alabama, during World War I to her extended convalescence in a sanatorium near Asheville, North Carolina. Fitzgerald is by turns affectionate and proud in his letters to his daughter, Scottie, at college in the East while he was struggling in Hollywood. For readers who think primarily of Fitzgerald as a hard-drinking playboy for whom writing was effortless, these letters show his serious, painstaking concerns with creating realistic, durable art.

Z: A Novel of Zelda Fitzgerald

This carefully crafted ebook: "Collected Letters of F. Scott Fitzgerald" is formatted for your eReader with a functional and detailed table of contents. Francis Scott Key Fitzgerald (1896-1940) was an American author of novels and short stories, whose works are the paradigmatic writings of the Jazz Age. He is widely regarded as one of the greatest American writers of the 20th century. Fitzgerald is considered a member of the "Lost Generation" of the 1920s. Excerpt: "To Ernest Hemingway: Dear Ernest, Your stories were great (in April Scribners). But like me you must beware Conrad rhythms in direct quotation from characters, especially if you're pointing a single phrase and making a man live by it 'In the fall the war was always there but we did not go to it any more' is one of the most beautiful prose sentences I've ever read. So much has happened to me lately that I despair of ever assimilating it - or forgetting it, which is the same thing. I hate to think of your being hard up. Please use this if it would help. The Atlantic will pay about \$200.00, I suppose. I'll get in touch with Perkins about it..." A Life in Letters

'Nobody has ever measured, not even poets, how much the heart can hold.' One of the great literary curios of the twentieth century *Save Me the Waltz* is the first and only novel by the wife of F. Scott Fitzgerald. During the years when Fitzgerald was working on *Tender is the Night*, Zelda Fitzgerald was preparing her own story, which strangely parallels the narrative of her husband, throwing a fascinating light on Scott Fitzgerald's life and work. In its own right, it is a vivid and moving story: the confessional of a famous glamour girl of the affluent 1920s and an aspiring ballerina which captures the spirit of an era.

Collected Letters of F. Scott Fitzgerald

Linda Wagner-Martin's *Zelda Sayre Fitzgerald* is a twenty-first century story. Using cultural and gender studies as contexts, Wagner-Martin brings new information to the story of the Alabama judge's daughter who, at seventeen, met her husband-to-be, Scott Fitzgerald. Swept away from her stable home life into Jazz Age New York and Paris, Zelda eventually learned to be a writer and a painter; and she came close to being a ballerina. An evocative portrayal of a talented woman's professional and emotional conflicts, this study contains extensive notes and new photographs.

Save Me The Waltz

Definitive novel of the "Lost Generation" focuses on the coming of age of Amory Blaine, a handsome, wealthy Princeton student. Fitzgerald's first novel and an immediate, spectacular success. Note.

Zelda Sayre Fitzgerald

"Profound, overwhelmingly moving . . . a richly complex love story." — New York Times Acclaimed biographer Nancy Milford brings to life the tormented, elusive personality of Zelda Sayre and clarifies as never before Zelda's relationship with her husband F. Scott Fitzgerald—tracing the inner disintegration of a gifted, despairing woman, torn by the clash between her husband's career and her own talent. Zelda Sayre's stormy life spanned from notoriety as a spirited Southern beauty to success as a gifted novelist and international celebrity at the side of her husband, F. Scott Fitzgerald. Zelda and Fitzgerald were one of the most visible couples of the Jazz Age, inhabiting and creating around them a world of excitement, romance, art, and promise. Yet their tumultuous relationship precipitated a descent into depression and mental instability for Zelda, leaving her to spend the final twenty years of her life in hospital care, until a fire at a sanitarium claimed her life. Incorporating years of exhaustive research and interviews, Milford illuminates Zelda's nuanced and elusive personality, giving character to both her artistic vibrancy and to her catastrophic collapse.

Scandalabra

This carefully crafted ebook: "Collected Letters of F. Scott Fitzgerald" is formatted for your eReader with a functional and detailed table of contents. Francis Scott Key Fitzgerald (1896-1940) was an American author of novels and short stories, whose works are the paradigmatic writings of the Jazz Age. He is widely regarded as one of the greatest American writers of the 20th century. Fitzgerald is considered a member of the "Lost Generation" of the 1920s. Excerpt: "To Ernest Hemingway: Dear Ernest, Your stories were great (in April Scribners). But like me you must beware Conrad rhythms in direct quotation from characters, especially if you're pointing a single phrase and making a man live by it 'In the fall the war was always there but we did not go to it any more' is one of the most beautiful prose sentences I've ever read. So much has happened to me lately that I despair of ever assimilating it - or forgetting it, which is the same thing. I hate to think of your being hard up. Please use this if it would help. The Atlantic will pay about \$200.00, I suppose. I'll get in touch with Perkins about it..." This Side of Paradise

"Known not only for his brilliant novels but also for short stories chronicling the Jazz Age, such as 'Bernice bobs her hair' and 'The diamond as big as the Ritz,' F. Scott Fitzgerald continued to write stories his entire life, some of which were never published--until now. Many of the stories in *I'd die for you* were submitted to major magazines and accepted for publication during Fitzgerald's lifetime but were never printed. A few were written as movie scenarios and sent to studios or producers, but not filmed. Others are stories that could not be sold because their subject matter or style departed from what editors expected of Fitzgerald in the 1930s. They come from various sources, from library archive to private collections, including those of Fitzgerald's family"--Jacket flap.

Zelda

A compulsively readable book about the literary marriage of a great American writer and his talented yet often overlooked wife, who succumbed to madness as her husband rose to worldwide fame.

Collected Letters of F. Scott Fitzgerald

At various periods in their lives, F. Scott and Zelda Fitzgerald called Montgomery, Alabama their home. With *Stepping Out with Scott and Zelda*, you have a handy guide for touring the city and seeing the sights that the Fitzgeralds' would have enjoyed from day to day. Ranging from an old Confederate cemetery to a swanky country club, the Fitzgeralds' Montgomery is sure to enchant both visitors and natives alike. Stroll back in time with *Stepping Out with Scott and Zelda*, a tour and travel guide that reveals the places and people that made up the Fitzgeralds' lives during their time in Montgomery. Visit Zelda's childhood home in the quaint Cottage Hill neighborhood, with its ornate Victorian mansions and charming houses with gingerbread trim. See where Scott, as a lieutenant during World War I, first saw this Southern city and would change his life forever in meeting a young woman at a country-club dance. Explore historic Old Cloverdale's winding tree-lined streets and enjoy their 1931 rental home, now an important literary museum. Featuring photographs and period postcards from the era, *Stepping Out with Scott and Zelda* is the perfect way to ring in the new Roaring Twenties.

I'd Die For You

Sometimes Madness is Wisdom

"For many years Zelda and Scott Fitzgerald, the golden couple of the Jazz Age, moved from hotels to rented villas to apartments in Paris. Wherever they lived, Zelda brought along her paints. Few people know she painted at all, and fewer know she made paper dolls. But throughout her life, Zelda created dolls in private. By their nature, paper dolls are fragile and are destined for destruction at the hands of children. Zelda's dolls began as playthings for her daughter, Scottie, born in 1921. Fortunately, Zelda continued to make figures after Scottie outgrew them, first of their family and then of storybook characters - lavish, graceful, bold figures. These characters amount to a portable troupe, an itinerant paper caravan that travelled inside her luggage. Zelda chose subjects she relished: society figures of the French Court, or Red Riding Hood's predatory wolf, as vivacious as the girl. Be they cardinals, kings, or bears, the dolls are fashionably attired in ball gowns, armor, and capes. Readers will delight in this comprehensive collection of Zelda's paper dolls"--

Stepping Out with Scott and Zelda: A Walking Tour Through the Fitzgeralds' Montgomery

Publisher Description (unedited publisher data) Eleven specially-commissioned essays by major Fitzgerald scholars present a clearly written and comprehensive assessment of F. Scott Fitzgerald as a writer and as a public and private figure. No aspect of his career is overlooked, from his first novel published in 1920, through his more than 170 short stories, to his last unfinished Hollywood novel. Contributions present the reader with a full and accessible picture of the background of American social and cultural change in the early decades of the twentieth century. The introduction traces Fitzgerald's career as a literary and public figure, and examines the extent to which public recognition has affected his reputation among scholars, critics, and general readers over the past sixty years. This is the only volume that offers undergraduates, graduates and general readers a full account of Fitzgerald's work as well as suggestions for further exploration of his work. Library of Congress subject headings for this publication: Fitzgerald, F, Scott (Francis Scott), 1896-1940 Criticism and interpretation Handbooks, manuals, etc.

THE LETTERS OF F. SCOTT FITZGERALD

Originally appeared March-May 1924 in *Motor*, published by Hearst magazines, inc., New York.

Bits of Paradise

Three novels and nine short stories by F. Scott Fitzgerald.

The Paper Dolls of Zelda Fitzgerald

The Salamander is about a group of young women traveling from all over the United States to the big city for one last adventure before settling down. You will enjoy reading this collection of stories about young flappers in the 1920s. Excerpt: "She had elected to call herself, according to the custom of the Salamanders, Doré Baxter. The two names, incongruously opposed, were like the past and the present of her wandering history: the first, brilliant, daring, alive with the imperious zest and surprise of youth; the second baldly realistic, bleak, like a distant threatening uprising of mountains."

The Cambridge Companion to F. Scott Fitzgerald

The fiction of F. Scott Fitzgerald serves as a compelling and incisive chronicle of the Jazz Age and Depression Era. This collection explores the degree to which Fitzgerald was in tune with, and keenly observant of, the social, historical and cultural contexts of the 1920s and 1930s. Original essays from forty international scholars survey a wide range of critical and biographical scholarship published on Fitzgerald, examining how it has evolved in relation to critical and cultural trends. The essays also reveal the micro-contexts that have particular relevance for Fitzgerald's work - from the literary traditions of naturalism, realism and high modernism to the emergence of youth culture and prohibition, early twentieth-century fashion, architecture and design, and Hollywood - underscoring the full extent to which Fitzgerald internalized the world around him.

The Cruise of the Rolling Junk

Best-known as an icon of the Jazz Age and unstable wife of F. Scott, Zelda Fitzgerald has inspired studies that often perpetuate the myth of the glorious-but-doomed woman. Pike rehabilitates the literary and artistic status of Zelda Fitzgerald, drawing upon critics, historians, and previously unpublished sources.

Collected Writings

Together, these forty-three stories compose a vivid picture of a lost era, but their brilliance is timeless.

The F. Scott Fitzgerald Collection

A collection of the last remaining unpublished and uncollected short stories by F. Scott Fitzgerald, the iconic American writer of *The Great Gatsby* who is more widely read today than ever. "A treasure trove of tales too dark for the magazines of the 1930s. Lucky us" (*Newsday*). "His best readers will find much to enjoy" (*The New York Times Book Review*). *I'd Die For You*, edited by Anne Margaret Daniel, is a collection of F. Scott Fitzgerald's stories never widely shared. Some were submitted individually to major magazines during the 1930s and accepted for publication during Fitzgerald's lifetime, but never printed. Some were written as movie scenarios and sent to studios or producers, but not filmed. Others are stories that could not be sold because their subject matter or style departed from what editors expected of Fitzgerald. Some of the eighteen stories were physically lost, coming to light only in the past few years. All were lost, in one sense or another: lost in the painful shuffle of the difficulties of Fitzgerald's life in the middle 1930s; lost to readers because contemporary editors did not understand or accept what he was trying to write; lost because archives are like that. Readers will experience here Fitzgerald writing about controversial topics, depicting young men and women who actually spoke and thought more as young men and women did, without censorship. Rather than permit changes and sanitizing by his contemporary editors, Fitzgerald preferred to let his work remain unpublished, even at a time when he was in great need of money and review attention. Written in his characteristically beautiful, sharp, and surprising language, exploring themes both familiar and fresh, these stories provide new insight into the bold and uncompromising arc of Fitzgerald's career. *I'd Die For You* is a revealing, intimate look at Fitzgerald's creative process that shows him to be a writer working at the fore of modern literature—in all its developing complexities.

The Salamander

A self-portrait of a great writer 's rise and fall, intensely personal and etched with Fitzgerald's signature blend of romance and realism. The Crack-Up tells the story of Fitzgerald's sudden descent at the age of thirty-nine from glamorous success to empty despair, and his determined recovery. Compiled and edited by Edmund Wilson shortly after F. Scott Fitzgerald's death, this revealing collection of his essays—as well as letters to and from Gertrude Stein, Edith Wharton, T.S. Eliot, John Dos Passos—tells of a man with charm and talent to burn, whose gaiety and genius made him a living symbol of the Jazz Age, and whose recklessness brought him grief and loss. "Fitzgerald's physical and spiritual exhaustion is described brilliantly," noted The New York Review of Books: "the essays are amazing for the candor."

F. Scott Fitzgerald in Context

During his Roaring Twenties heyday, F. Scott Fitzgerald wrote three stories about the belles of Tarleton, Georgia, a setting readers recognized as a thinly veiled version of his wife Zelda's hometown of Montgomery, Alabama. Inspired by Fitzgerald's own belle, Zelda Sayre, whom he met in Montgomery while stationed at Camp Sheridan training for the Great War, these stories are minor masterpieces long regarded as the very best of the 160-plus short stories the writer published during his short life. All of the Belles collects these stories -- "The Ice Palace," "The Jelly-Bean," and "The Last of the Belles" -- in a single volume for the very first time. This special book is being released to commemorate the centennial anniversary of Scott and Zelda's marriage and in recognition of the many hundredth anniversaries of Fitzgerald's work which will be celebrated starting in 2020. The heroines of these still remarkable tales rebel against Southern expectations of women, revel in the newfound freedoms young people enjoyed at the outset of the modern age, and ultimately discover that home is far harder to run away from than they ever expected. The stories capture all the winsome qualities that readers love about F. Scott's writing: the keen observation of manners, the comic insights, the lyricism, and the poignant, powerful sense of loss. The Jazz Age may have begun a century ago, but Fitzgerald's works remain among American literature's most powerful writing, as will become clear with a reading of All of the Belles.

The Subversive Art of Zelda Fitzgerald

The first book-length study of Prototype Flapper Zelda Fitzgerald, wife of Jazz Age Laureate F. Scott Fitzgerald, in over twenty years (since Nancy Milford's 1970 biography, *Zelda*), this is the poignant tale of a young, gifted Southern Belle from a prominent Montgomery, Alabama family, driven to mental disintegration as the result of a marriage promoted by the media's lure for the attainment of the American Dream for Women - a luxurious life of leisure afforded by a prosperous husband. Interviews with friends and relatives of the Fitzgeralds' (including their only child, Scottie), as well as with Zelda's last psychiatrist, illuminate this tragedy and suggest how the untimely demise of both Fitzgeralds might have been prevented.

The Short Stories of F. Scott Fitzgerald

A self-portrait of a great writer. A Short Autobiography charts Fitzgerald's progression from exuberant and cocky with "What I think and Feel at 25"

I'd Die For You

A biography by one of the leading authorities on F.Scott Fitzgerald. The author has written over 12 books on aspects of Fitzgerald's work and career.

The Crack-Up

This book relies on a multidisciplinary approach that allows the authors to bear witness to the realities and representations of various urban environments in the English-speaking world in complementary ways. They deal with the motifs of urban identity and expression from several methodological and theoretical perspectives (sociolinguistics, soundscapes, architecture, stylistics, literature). This book analyses the representations of and the changes in urban identity through different forms of linguistic and artistic expression associated with several English-speaking towns and cities. The protagonists are, in order of appearance, Sydney, Melbourne, Manchester, Liverpool, Glasgow, Houghton-le-Spring, Kolkata, New York City, London, Sheffield, Aberdeen, Dublin and Edinburg. Cet ouvrage s'appuie sur une approche pluridisciplinaire qui permet de rendre compte des réalités et des représentations d'environnements urbains anglophones de manière complémentaire. Les auteurs abordent la question de l'identité et de l'expression urbaine selon des perspectives méthodologiques et théoriques diverses

(sociolinguistique, environnement sonore, architecture, stylistique, littérature). L'ouvrage vise à rendre compte des représentations et des mutations identitaires des villes anglophones à travers des modes d'expression linguistiques et artistiques qui leur sont propres. Les protagonistes sont, par ordre d'apparition, Sydney, Melbourne, Manchester, Liverpool, Glasgow, Houghton-le-Spring, Kolkata, New York, Londres, Sheffield, Aberdeen, Dublin et Édimbourg.

All of the Belles

Zelda Fitzgerald and the Failure of the American Dream for Women
