After 7 quality checks, these books make the most preferred final revision book for CBSE Class 12 Term 1 Boards.

Target SBI Bank PO Preliminary & Main Exam - 20 Practice Sets + Past Papers (2018-15) - English 8th Edition

This edited volume brings the important topic of teacher well-being to the fore, presenting a range of high quality and cutting-edge contributions that illuminate, advance and educate readers on the challenges and criticality of achieving teacher well-being in English language teaching (ELT). Taking Sarah Mercer's call for action to make teacher well-being a priority in the ELT field, and adopting an ecological perspective reflective of the stance that teacher well-being is a societal duty and not a personal responsibility, the contributors present theoretically and methodologically innovative research studies from all around the world. The term 'teacher' is used to refer to those who deliver English instruction in a variety of formal and informal educational settings and at different levels including K-12 schools, adult education, higher education, teacher education programs, and in community organizations. Chapters offer clear implications for research and practice, and explore effective practices and interventions that can contribute to the improvement of teacher well-being overall. Addressing a profession which is not only characterized as being filled with high levels of stress, but delving into specific challenges around ELT in particular, the authors crucially speak to themes around the additional emotional investment and labor which come with being an English language teacher. As such, it will appeal to academics and researchers in the field of English language teaching, including scholar-practitioners, and teacher educators.

SBI & IBPS Bank Clerk 30 Past (2009-16) Solved Papers - 2nd Edition

This book examines acknowledged practices and demonstrates to teachers how to make the most out of their assessment practices. It also explores different assessment methods for skills such as reading, writing, listening and speaking. Forecasting the future of assessment and where concepts

like alternative assessment and dynamic assessment are heading, it also shows how relatively new teaching methods such as communicative methodologies and problem-based learning are reflected in assessment. This book represents a forum where contributors have presented their research and innovative ideas and practices on the important topic of assessment and opened a fresh debate on it. It offers an excellent reference guide for EFL teachers, practitioners, researchers and testing and assessment specialists. Each chapter examines central issues in assessment and their connection with teaching and learning in EFL contexts.

SBI & IBPS Bank Clerk 38 Past (2009-18) Solved Papers 3rd Edition

UPSC Mains Solved Previous Papers – General Studies Paper 1, 2, 3, 4 (2013 Onwards)

Revisiting EFL Assessment

Topic-wise Bank PO/ Clerk Prelim & Mains Solved Papers English 2nd Edition consists of past solved papers of Bank Exams - IBPS PO, IBPS Clerk, SBI PO, SBI Clerk and Specialist Officer from 2010 to 2018. • The coverage of the papers has been kept RECENT (2010 to 2018) as they actually reflect the changed pattern of the Banking exams. Thus the papers prior to 2010 have not been included in the book. • In all there are 38 Question papers from 2010 to 2018 which have been provided topic-wise along with detailed solutions. • Practicing these questions, aspirants will come to know about the pattern and toughness of the questions asked in the examination. In the end, this book will make the aspirants competent enough to crack the uncertainty of success in the Entrance Examination. • The strength of the book lies in the originality of its question papers and Errorless Solutions. The solution of each and every question is provided in detail (step-by-step) so as to provide 100% concept clarity to the students.

Answers provided to every question are well explained with proper details, facts and figures. With this highly useful book, keep record of your progress and boost confidence to clear upcoming Tier-I 2022. TOC Solved Papers (1-50)

This book represents a collection of papers that relate to the challenges and problems posed by the ever-changing and diversified nature of today's classroom. The papers discuss and demonstrate methodologies and learning strategies, and in the process, recommend effective practices that are practical and open to adaptation for different teaching and learning contexts. They range from suggestions on how to exploit information technology resources to individual or specific case studies. These case studies report on a variety of contextual issues and problems that are specified to particular learning contexts. This book, therefore, thus not only offers examples of tried and tested teaching strategies but also offers useful insights into specific sociocultural problems that are experienced by learners as well as teachers and interested stakeholders in particular settings and countries. The papers offer a comprehensive documentation of past as well as present problems faced by teachers, policy makers and students, and discuss ways and strategies of overcoming such problems such that the teaching and learning process is not only enhanced but made more meaningful and fulfilling to both teachers and learners. The inherently global perspective of the papers in this book makes it an enriching compendium.

Winner of the SAGE/ILTA Book Award 2016 The Routledge Handbook of Language Testing will provide a comprehensive account of the area of language assessment and testing. Written by leading specialists from around the world, this volume brings together approximately 35 authoritative articles (around 8000 words each). The proposed outline for the Handbook (below) is divided into ten sections. The section titles reflect the contents of their Language Testing and Assessment –textbook in our RAL series and sketch a useful overview of the discipline. Each chapter has been carefully selected to relate to key issues raised in the respective topic, providing additional historical background, critical discussion, reviews of key research methods, and an assessment of what the future might hold.
