Welcome

Tell me about yourself

Why do you want to work here?

What are your career goals for the next 5 years and how will this position help you achieve them?

Describe a time that you had to come to a compromise when working with others

Give an example of something you've done or supported that brought a positive change to your work area

What type of situation at work has caused you stress? What did you do to overcome the stress?

Explain a situation when you provided patient education and what was the outcome?

Name a time you had a conflict or disagreement with another staff member. How did you resolve it?

Tell me about a time when you had to deal with a patient that was upset. How did you handle the situation?

Why should we hire you?
