Macbeth

"Double, double toil and trouble; Fire burn, and caldron bubble...."Do you believe in prophecies? What is the difference between greed and ambition? Do you believe "you reap what you sow"? Shakespeare's "The Scottish Play" is a classic tragedy that your students will be immersed in from the start. This Bundle includes weeks of carefully crafted lessons and activities sure to keep students active in the riveting play: --A 17 page Study Guide with Act Questions, Quotes, and Answer Key to help with student comprehension;--A 13 Page Macbeth Final Test and Answer Key with 50 questions reviewing student understanding of "The Scottish Play";--A 5 Page Macbeth Projects Printable, with 11 Writing, Media, and Illustration Activities for you or your students to choose from to creatively show comprehension in Shakespeare's tragedy. With your class set of novels, this Unit Plan is ready to print and pass out today!

Macbeth

Presents the complete text of Shakespeare's classic play about Macbeth, a man who kills the king in an attempt to seize the crown of Scotland for himself, and includes an essay by Harold Bloom, introduction, and information about the Shakespearean stage.

Macbeth

One of the great Shakespearean tragedies, Macbeth is a dark and bloody drama of ambition, murder, guilt and revenge. Prompted by the prophecies of three mysterious witches and goaded by his ambitious wife, the Scottish thane Macbeth murders Duncan, King of Scotland, in order to succeed him on the throne. This foul deed soon entangles the conscience-stricken nobleman in a web of treachery, deceit, and more murders, which ultimately spells his doom. Set amid the gloomy castles and lonely heaths of medieval Scotland, Macbeth paints a striking dramatic portrait of a man of honor and integrity destroyed by a fatal character flaw and the tortures of a guilty imagination.

The Tragedy of Macbeth

One night on the heath, the brave and respected general Macbeth encounters three witches who foretell that he will become king of Scotland. At first sceptical, he's urged on by the ruthless, single-minded ambitions of Lady Macbeth, who suffers none of her husband's doubt. But seeing the prophecy through to the bloody end leads them both spiralling into paranoia, tyranny, madness, and murder. This shocking tragedy - a violent caution to those seeking power for its own sake - is, to this day, one of Shakespeare's most popular and influential masterpieces.

Shakespeare's Tragedy of Macbeth

When an essay is due and dreaded exams loom, this title offers students what they need to succeed. It provides chapter-by-chapter analysis, explanations of key themes, motifs, and symbols, a review quiz and essay topics. It is suitable for late-night studying and paper writing.

Shakespeare's Tragedy of Macbeth

This shocking tragedy - a violent caution to those seeking power for its own sake - is, to this day, one of Shakespeare's most popular and influential masterpieces.

Macbeth

Macbeth (full title The Tragedy of Macbeth) is a tragedy by William Shakespeare; it is thought to have been first performed in 1606. Macbeth is Shakespeare's shortest tragedy and tells the story of a brave Scottish general named Macbeth who receives a prophecy from a trio of witches that one day he will become King of Scotland. Consumed by ambition and spurred to action by his wife, Macbeth murders King Duncan and takes the throne for himself. He is then wracked with guilt and paranoia, and he soon becomes a tyrannical ruler as he is forced to commit more and more murders to protect himself from enmity and suspicion. The bloodbath and consequent civil war swiftly take Macbeth and Lady Macbeth into the realms of arrogance, madness, and death.

This shocking tragedy - a violent caution to those seeking power for its own sake - is, to this day, one of Shakespeare's most popular and influential masterpieces.

Study Guide of Macbeth: Questions, Quotes, Test, Projects and Answer Keys

Macbeth is among the best-known of William Shakespeare's plays, and is his shortest tragedy, believed to have been written between 1603 and 1606. It is frequently performed at both amateur and professional levels, and has been adapted for opera, film, books, stage and screen. Often regarded as archetypal, the play tells of the dangers of the lust for power and the betrayal of friends. For the plot Shakespeare drew loosely on the historical account of King Macbeth of Scotland by Raphael Holinshed and that by the Scottish philosopher Hector Boece. There are many superstitions centred on the belief the play is somehow "cursed"

Macbeth

Discovering Voice is a collection of classroom exercises that helps students deeply understand the reading and writing of complex text. The lessons, which cover diction, detail, figurative language, imagery, syntax, and tone, help students understand voice in what they read and encourage them to develop a strong, personal voice in their own writing. Every voice lesson includes a quotation selected from a wide range of fiction and nonfiction text, two discussion questions, and an exercise that encourages students to practice what they have learned about the elements of voice. These lessons are specifically designed for students in middle and high school. The lessons provide focused practice for a specific element of voice and take only 10 to 20 minutes of class time. Discovering Voice lessons fit well with any curriculum. As students work with the elements that comprise voice, they will improve their ability to critically analyze text. Students will also learn to apply the elements of voice to their own writing, creating a clear voice of their own.
