Bonded

A Bestselling YA Epic Fantasy and the #1 Norse Myths Bestseller! Here's what readers are saying about this breakout novel: FANTASTY WRITING AT ITS BEST! "Bonded is an intriguing, addicting immersion into lives of young heroes and heroines making their way in a beautiful but dangerous world. With rich descriptions of fantastic places and people—their struggles and celebrations—this is fantasy writing at its best!" – Bestseller: Ann Mauren, author of In the Spotlight: Mayne Attraction "I'm captivated... Bonded totally sucked me in; I could not put it down..." "A rollercoaster of emotion! I literally teared up,

laughed out loud, and gasped in surprise!"OVERVIEW:Hallad Avarson's vow to protect a mysterious warrior maiden pits his best friend against him, endangers the life of his little sister, and leads him into a treacherous realm of magic and intrigue.This richly imagined epic fantasy transports readers into a tale of seductive power, heart-wrenching love, and edge-of-your seat thrills, while following inspiring young heroes and heroines as they discover their abilities and destinies interweave with the fate of a captivatingly original world.More praise for Bonded:"It feels like a big budget Peter Jackson movie in my head." "This book has it all: magic, romance, humor, suspense, and a pace that keeps you reading all night long!" "I absolutely loved my introduction into the world of the ShadowLight Saga...I felt like I'd lived through an epic adventure." "An incredibly talented wordsmith with a promising career ahead of her; this book is fantastic! I can't wait for the sequel. I have to see what will happen next!"If you like Graceling, Xena Warrior Princess, Twilight Saga, or The Wheel of Time...you'll love Bonded: Book One of the ShadowLight Saga.

Bonded

A Bestselling YA Epic Fantasy and the #1 Norse Myths Bestseller! Here's what readers are saying about this breakout novel: FANTASTY WRITING AT ITS BEST! If you like Graceling, Xena Warrior Princess, Twilight Saga, or The Wheel of Time...you'll love Bonded: Book One of the ShadowLight Saga.

The Light Keepers (ShadowLight Saga)

New to ShadowLight? Start with the prequel, The Light Keepers. From the #1 Bestselling Author comes Broken, Book 2 of the ShadowLight Saga: It is the dawn of the Age of Silence--the age yet to come, the age that is feared, the age when silence pervades the lands. Though heroes have bonded, relationships were forged and prophecies have dawned, all could be broken as the Shadow maneuvers into position for the battle to possess Astrid.

Broken

She was born of the Shadow. Now he will claim her. The Shadow hunts. He feels those born with his dark touch, and he seeks them for his evil bidding. With dark magic brewing inside, young Ginna must find safety for an unwanted child also born with Shadow magic. With the help of a runaway slave, the two must keep the newborn alive while escaping the clutches of ruthless bounty hunters, betrayers who would sell them for a pouch of silver, and the Shadow himself who will stop at nothing to claim both Ginna and the infant as his own. Shadow Born is a stand-alone novel in Mande Matthews' internationally bestselling series, the ShadowLight Saga.

Shadow Born (ShadowLight Saga, #2.5)

She was born of the Shadow. Now he will claim her. The Shadow hunts. He feels those born with his dark touch, and he seeks them for his evil bidding. With dark magic brewing inside, young Ginna must find safety for an unwanted child also born with Shadow magic. With the help of a runaway slave, the two must keep the newborn alive while escaping the clutches of ruthless bounty hunters, betrayers who would sell them for a pouch of silver, and the Shadow himself who will stop at nothing to claim both Ginna and the infant as his own. Shadow Born is a stand-alone novel in Mande Matthews' internationally bestselling series, the ShadowLight Saga.

Shadow Born

From the #1 Bestselling Norse Fantasy Author, comes The Light Keepers, a prequel to the ShadowLight Saga. Isolated because of what she is because of the power she holds inside Astrid longs for contact with another human being. Her well-intentioned mother locks her away from society in order to protect her from an evil that seeks to use Astrid's abilities for his own means. But the resulting loneliness drives Astrid deeper into the shadowwalk, a power she is forbidden to use, a magic that lands her directly into the arms of the Shadow. This short prequel to the ShadowLight Saga offers a revealing glimpse into the history of the beautiful and mysterious warrior maiden known as Swan, called Astrid in this prequel. It takes place a few moons before Bonded begins and is a self-contained novelette of approximately 10,000 words.

The Light Keepers

He was my king. My idol. The moment he rode in on his destrier, gold armor glinting in the sunlight, gilt curls surrounding his head like a halo and saved our family from the Saxon invasion, I loved him. But Guinevere. Guinevere was my charge. My cousin. My confidant. My best friend. My Queen. And I knew, no matter my protests, I would betray her for him. Wondering what happened that night with Elibel and Arthur? This short story reveals intimate details of that romantic rendezvous between a king and his bride's lady in waiting. If you haven't read the QUEEN'S HONOR series, the first in the series, BETROTHAL, is free. Enter an enchanted world of castles, kings, knights, sorceresses, mythical monsters, but mostly of a coming-of-age princess who is the descendant of powerful queens with ancient, otherworldly bloodlines in the QUEEN'S HONOR series, an enchanted Arthurian romance retelling. "I just want to live in these beautiful, enchanting books forever!"

Surrender

In QUEST, BOOK 2 of QUEEN'S HONOR: After agreeing to marry Arthur, Guinevere thinks she's solved all her problems—the protection of Camelot, the freedom of her cousin, and the power to make a difference. But when she finds herself unable to control her attraction to Lancelot, a chance encounter with the knight threatens to ruin everything she's strived to achieve. To complicate matters, when she arrives in Camelot, she realizes she's caught in an intricate web of magic and ulterior motivations. She possesses more than just a crown. And it seems everyone is willing to use her as their pawn to manipulate circumstances. Will she be able to tap into the power inside of her and stay true to her heart? This beautifully written, Arthurian Saga retelling with a twist continues... An enchanting coming-of-age fantasy with plenty of Celtic magic, romance, intrigue and more.

Quest

I'm merely a maiden with a crown that gives any man who wins me the right to claim High King. I'm merely a maiden with a heart that can't speak for itself. That's tied to my station. That aches for another. I'm merely a maiden. With a bloodline of old magic. Forbidden magic. I feel it stirring inside, but I don't know what it is or how to access it. Enter an enchanted world of castles, kings, knights, sorceresses, mythical monsters, but mostly of a coming-of-age princess who is the descendant of powerful queens with ancient, otherworldly bloodlines. Be swept into a beautifully enchanted, Celtic-flavored, Camelot romance of druid magic, mythical creatures, and this Arthurian legend retold from seventeen-year-old Guinevere's perspective as she discovers her truth, her power, and ultimately how she shapes a kingdom. It's not the legend you've heard. But one you should hear: Lady Guinevere was her father's leverage, the king's prize, Morgaine's pawn...until she discovered her druidess power. Join her on an enchanted, medieval adventure. "A beautiful coming-of-age fantasy with plenty of Celtic magic, romance, intrigue...gripped me from the beginning. Couldn't put it down. Can't wait for more." "A

sometimes lighthearted, sometimes emotional, but always entertaining Arthurian Legend retold with the enchanted flavor of a fairytale romance, the magic and mystery of richly detailed sword & sorcery, and the power of a female heroine discovering her true power. Loved it!"

Betrothal

There's always been something wrong with me but I'm not sure what. I've had daydreams of angels since I was a child, specifically a guardian angel to rescue me from my addicted mom, nonexistent father, and friendless existence. You see, there's a mystery surrounding my birth. One that mom won't talk about. One that keeps her checking out every single February 2nd...that's my birthday, but from her behavior, you'd think it was doomsday. I've always known something was missing. Like there's a hole in my heart that needs... That's the thing. I don't know what it needs but it's left me feeling unworthy of love at all. But now odd events are happening. Like visitations from a robin, visions I can't explain, and an out-of-body experience—if that's what it really was. I'm starting to question everything. What secrets have my parents been keeping? Who am I, really? And could I be worthy of love in more ways than I ever imagined? If Angels Whisper is an emotional, heartfelt short story (approx. 10,000 words) with fantasy realism and spiritual elements. *** "An inspirational story of love and healing." "Whether you're

looking for Christian Teen Fantasy or just inspirational fantasy fiction, this one will make you cry. And that's a good thing." "Masterfully emotional fiction. A motivational story with a moral that feels genuine and true. A must-read, divine experience." "Warmhearted, motivational, inspirational. This ethereal story will give your heart wings." ***

If Angels Whisper - a Heart-Touching Guardian Angel Story

Original and bewitching rewrites of children's stories and fairytales set around World War Two, by the Women's Prize-shortlisted author A cherub breaks all the rules when he spends one night with a girl on earth. Snow White and Rose Red forge a unique way to survive the Paris occupation. A soldier is brought back to life by a toymaker, but he's not grateful. And a child begins the story of a Gypsy and a bear, who have to finish it themselves. These are old stories, but not as you know them. These are set not in the forests of Europe or fantasy worlds, but on the battlefields of World War Two and the wilderness of downtown Montreal. With her blazing imagination, irreverent humour and arresting prose, Heather O'Neill twists them anew: more magical for their realism, more profound for their darkness; captivating, witty and wicked.

Daydreams of Angels

In a humorous historical romance, cowboy Rafe Kincaid must choose between family bonds that could restore his trust or a love--in the form of Julia Gilliland--that could heal his heart. Original.

Out of Control

With the matrimonial prospects in a little Michigan town nonexistent, nineteen-year-old Faith and her two sisters answer an ad for mail-order brides. Before she knows it, she's on her way to Deliverance, Texas, to marry wealthy rancher Nicholas Shepherd.

Faith

Sparks fly when a widowed Latin beauty looking to save her family's farm meets a Texas rancher in this sensational historical debut.

Sixty Acres and a Bride

As Elizabeth takes on the role of nanny to the child of a brazen and newly widowed preacher, the preacher's enemies place her in harm's way when they set out to silence the outspoken religious. Original.

The Preacher's Bride

The collapse of the North Atlantic cod fishery in 1992 was one of the world's worst ecological disasters, and in 1995 Spanish and Canadian trawlers faced off over the dwindling supply of turbot. Where there used to be plenty, there is now virtually nothing; fishing communities that once survived (or even prospered) now face ruin. The twenty essays in *How Deep is the Ocean?* take a detailed look at the evolution of the Canadian east coast fishery. The book begins with aboriginal fishers before European contact; then it follows the European fishery through the days of sail, when boats could scarcely make headway through the teeming cod, to the diesel age, when electronic aids can find almost no cod. *How Deep is the Ocean?* covers the sociology of early fishing communities, the impact and significance of the credit system, and the techniques and technologies of aboriginal, European, and Canadian fisheries. The essays on the twentieth century include old-time fishing patterns of living memory and the changed state of the North Atlantic's ecology.

How Deep is the Ocean?

Grammy's whimsical stories of a nearby wood populated by fairies intrigue 10-year-old Celia Lovejoy, and while her parents dismiss the tales as pure nonsense, Celia is enchanted by the thought that the stories may be true.

Celia and the Fairies

Return to a time of legend—the days of Guinevere and Arthur and the glory that was to become Camelot. On the night of Guinevere's birth, a wise woman declares a prophecy of doom for the child: She will be

gwenhwyfar, the white shadow, destined to betray her king, and be herself betrayed. Years pass, and Guinevere becomes a great beauty, riding free across Northern Wales on her beloved horse. She is entranced by the tales of the valourous Arthur, a courageous warrior who seems to Guinevere no mere man, but a legend. Then she finds herself betrothed to that same famous king, a hero who commands her willing devotion. Just as his knights and all his subjects, she falls under Arthur's spell. At the side of King Arthur, Guinevere reigns strong and true. Yet she soon learns how the dark prophecy will reveal itself. She is unable to conceive. Arthur's only true heir is Mordred, offspring of a cursed encounter with the witch Morgause. Now Guinevere must make a fateful choice: She decides to raise Mordred, teaching him to be a ruler and to honor Camelot. She will love him like a mother. Mordred will be her greatest joy—and the key to her ultimate downfall. "Guinevere comes alive—a strong, resourceful, and compassionate woman, accessible to modern folk . . . The Arthur-Guinevere-Lancelot triangle comes alive as well—believable, poignant, and bearing the seeds of tragedy."—Katherine Kurtz

Queen of Camelot

A psychologist helps readers understand a variety of personality disorders and offers advice on dealing with clinically disturbed people.

Character Disturbance

No one steps on Archer land. Not if they value their life. Yet when Travis Archer confronts a female trespasser with the same vivid blue eyes as the courageous young girl he once aided, he can't bring himself to send her away.

Short-straw Bride

When Lydia's translation skills land her in the middle of a secret war, who can she trust when her life--and heart--are in jeopardy?

Against the Tide

Tolerant of all foibles, unschooled in flirtation, Anne Fairchild found herself surrounded by the most unsuitable of suitors while her family clamored for her to marry. Little did they know that Chas Prestwick, the adventurous brother of an earl, made her long to trade in a life of propriety for a love filled with unpredictable delight. Regency Romance by Regina Scott; originally published by Zebra.

The Unflappable Miss Fairchild

A fresh new look for the best-selling series from America's number-one inspirational novelist, Karen Kingsbury. Fans will enjoy a personal note from Karen and Gary Smalley as well as discussion questions for book group use. Revisit the Baxter family in all their life-changing events, or share the series with someone who hasn't discovered it yet. The Redemption series won Christian Retailing's 2005 Retailer's Choice Award for Best Series When Kari Baxter Jacobs finds out that her husband is involved in an adulterous relationship and wants a divorce, she decides she will love him and remain faithful to her marriage at all costs. This book shows how God can redeem seemingly hopeless relationships, and it illustrates one of Gary Smalley's key messages: Love is a decision. Redemption is the first book in the five-book Redemption series about the Baxter family--their fears and desires, their strengths and weaknesses, their losses and victories. Each book explores key relationship themes as well as the larger theme of redemption, both in characters' spiritual lives and in their relationships.

Redemption

A SIMPLE AMISH CHRISTMAS

A Simple Amish Christmas

This book contains selective chapters from eminent experts working in the interdisciplinary arena of material science and its use in drug delivery. From their recent research experience, the readers can achieve a wide vision on the new and ongoing potentialities of polysaccharides and its application in the field of advanced drug delivery. This book contains selective polymers that were recently explored in the field of drug delivery such as starch, konjac, chitosan, alginate and other natural polymers originated from sea. It also has one chapter exclusively on nanotechnology that explains multifaceted application

of natural polymer in the field of advanced drug delivery. Note: T& F does not sell or distribute the Hardback in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka.

Polysaccharides in Advanced Drug Delivery

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Story Telling to Children From Norse Mythology and the Nibelungenlied

A fresh as a daisy coming-of-age story for the pre-teen set, one of Newbery Medal-winning author Beverly Cleary's beloved classics. Barbara can hardly believe her older sister is getting married. With all the excitement of wedding plans going on, Barbara can't help dreaming of the day she will be the bride. She can't wait to fall in love. But as the big day gets closer, wedding planning often turns into family arguments. Even the bride and groom are bickering over details, and Barbara's fun-loving sister is turning into a very practical, grown-up person. Weddings are fun, but all this serious stuff is scary enough to make Barbara think she's not going to be rushing into a serious romance any time soon.

Sister of the Bride

Welcome to Pebble Creek: Where the Past Haunts, Love Thrives, and New Challenges Wait Around Every Corner. Collected for the first time in a complete, ebook-only bundle, find yourself transported to popular author Vannetta Chapman's Pebble Creek Amish community in ThePebble Creek Amish Series 5-in-1 ebook! In this delightful series, the caring people of Pebble Creek encounter challenges from the English world and unify to reach out to their non-Amish neighbors, while carefully preserving their Plain ways. Enjoy these three full-length novels, as well as two extra ebook-only stories that neatly bookend the trials and joys of life in Pebble Creek: Home to Pebble Creek A Promise for Miriam AHome for Lydia A Wedding for Julia Christmas at Pebble Creek These unforgettable stories follow the lives of various Pebble Creek inhabitants such as schoolteacher Miriam King, Lydia Fisher the outspoken cabin housekeeper, and aspiring café owner Julia Beechy. Each woman experiences a life-altering journey of drama, romance, and the unexpected. This remarkable Plain community and their charmingly-told tales will lead to refreshed faith as you enter the endearingly unique world of ThePebble Creek Amish.

The Pebble Creek Amish Series

The Atlantic Provinces cover New Brunswick, Nova Scotia, Prince Edward Island and Newfoundland.

The Atlantic Provinces in Confederation

What kind of a country is Canada beyond Quebec? With a referendum on Quebec sovereignty looming on the horizon, this is a question Canadians are being forced to ask. In Beyond Quebec scholars from a wide variety of disciplines examine the current political, cultural, economic, and social situation of Canada outside Quebec and speculate on the nature of a Canada that does not include Quebec on the present terms.

Beyond Quebec

In *Britain and the Origins of Canadian Confederation, 1837-1867*, Ged Martin offers a sceptical review of claims that Confederation answered all the problems facing the provinces, and examines in detail British perceptions of Canada and ideas about its future. The major British contribution to the coming of Confederation is to be found not in the aftermath of the Quebec conference, where the imperial role was mainly one of bluff and exhortation, but prior to 1864, in a vague consensus among opinion-formers that the provinces would one day unite. Faced with an inescapable need to secure legislation at Westminster for a new political structure, British North American politicians found they could work within the context of a metropolitan preference for intercolonial union.

Britain and the Origins of Canadian Confederation, 1837-67

An interdisciplinary collection of 13 essays which examine the development of Presbyterianism in the Maritimes from its roots in Scotland to Church Union in 1925. Contributors provide fascinating explorations of Presbyterianism in such areas as education, literature, social influence, and missionary outreach. Topics include the Kirk versus the Free Church; Thomas McCulloch's fictional celebration of the Reverend James McGregor; and Presbyterian revivals. Annotation copyrighted by Book News, Inc., Portland, OR

The Battle of the Restigouche

Small liberal arts institutions that focus on the undergraduate student have received little attention in the literature on higher education in Canada. In this collection of essays contributors set out to redress the situation. Focusing on Mount Allison University in New Brunswick they question, among other things, whether the values and integrity of liberal arts teaching are being preserved and make a case for the important role liberal education at the small university plays in higher education in Canada.

Contribution of Presbyterianism to the Maritime Provinces of Canada

"Atlantic Canada" covers the provinces of New Brunswick, Nova Scotia, Prince Edward Island and Newfoundland.

Liberal Education and the Small University in Canada

While her sisters were blessed at birth with exceptional skills, Princess Basil's "gift" is to be ordinary. But can a princess be ordinary? Inspired by M. M. Kaye's beloved novel! After escaping an unconventional kidnapping, Princess Basil finds herself far from her castle and must take fate into her own hands. She tracks down the fairy godmother who "blessed" her, and learns the solution to her ordinariness might be as simple as finding a magic ring. With an unlikely ally in tow, she takes on gnomes, a badger, and a couple of snarky foxes in her quest for a less ordinary life. Portland comics artist Cassie Anderson (Lifeformed) takes her webcomic to print in this tale of magical adventure, full of soul and humor for readers of all ages.

Place Names of Atlantic Canada

Focusing on the revolutionary movement in the Fort Cumberland region of Nova Scotia in 1775-76, Ernest Clarke explores why supporters of American independence did not prevail in this British North American colony. He reveals how the siege of Fort Cumberland shaped the attitudes of Nova Scotians to the revolution and to their place in the North American world.

Extraordinary: A Story of an Ordinary Princess

The Canadian Dramatist, Volume 3 The six playwrights discussed in this volume are Carol Bolt, Erica Ritter, Sharon Pollack, Margaret Hollingsworth, Anne Chislett, and Judith Thompson.

Siege of Fort Cumberland, 1776
