The Crucible

This Student Edition of The Crucible is perfect for students of literature and drama and offers an unrivalled guide to Miller's classic play. It features an extensive introduction by Susan C. W. Abbotson which includes: a chronology of Miller's life and times; a summary of the plot and commentary on the characters, themes, language, context and production history of the play. Together with over twenty questions for further study, detailed notes on words and phrases from the text and the additional scene 2 of the second Act, this is the definitive edition of the play. In a small tight-knit community gossip and rumour spread like wildfire inflaming personal grievances until no-one is safe from accusation and vengeance. The Crucible is Miller's classic dramatisation of the witch-hunt and trials that besieged the Puritan community of Salem in 1692. Seen as a chilling parallel to the McCarthyism and repressive culture of fear that gripped America in the 1950s, the play's timeless relevance and appeal remains as strong as when the play opened on Broadway in 1953.

The Crucible SparkNotes Literature Guide

"Created by Harvard students for students everywhere, SparkNotes give you just what you need to succeed in school."--Back jacket.

The Crucible

Abbotson which includes: a chronology of Miller's life and times; a summary of the plot and commentary on the characters, themes, language, context and production history of the play. Together with over twenty questions for further study, detailed notes on words and phrases from the text and the additional scene 2 of the second Act, this is the definitive edition of the play. In a small tight-knit community gossip and rumour spread like wildfire inflaming personal grievances until no-one is safe from accusation and vengeance. The Crucible is Miller's classic dramatisation of the witch-hunt and trials that besieged the

Puritan community of Salem in 1692. Seen as a chilling parallel to the McCarthyism and repressive culture of fear that gripped America in the 1950s, the play's timeless relevance and appeal remains as strong as when the play opened on Broadway in 1953.

The Crucible

The Crucible is a study in the mass hysteria which led to the 1692 Salem witchcraft trials, concentrating on the fate of some of the key figures caught up in the persecution. It powerfully depicts people and principles under pressure and the issues and motivations involved. At the same time, it is also a parable for the events of the McCarthy era in the USA of the 1950s when anyone suspected of left-wing views was arraigned for 'Un-American Activities'.

Gcse English Text Guide - The Crucible

Take a whirlwind tour to the incredible planet of a million fantasy races, the Crucible, in this wild science fantasy anthology from the hit new game, KeyForge. Welcome to the Crucible – an artificial planet larger than our sun – an ever-growing patchwork of countless other worlds, filled with creatures, sentient beings and societies stolen from across the universe by the mythical Architects. Across this dizzying juxtaposition of alien biospheres, the enigmatic and godlike Archons seek to unlock the secrets at the heart of the Crucible. Everyone else is just trying to survive... Explore ten tales of adventure in a realm where science and magic team up, of discovery and culture clash, featuring mad Martian scientists, cybernetic surgeons, battle reenactors, elven thieves, private investigators, goblins, saurian monsters, and the newly arrived human Star Alliance.

The Crucible

Since 1977, Sheffield's Crucible Theatre has staged the snooker World Championship and is one of sport's most iconic venues. The Crucible's Greatest Matches features the greatest matches played there, including classic encounters involving Ronnie O'Sullivan, Stephen Hendry, Jimmy White, Alex Higgins, and the 1985 final between Dennis Taylor and Steve Davis.

KeyForge: Tales From the Crucible

A Student Handbook to the Plays of Arthur Miller provides the essential guide to Miller's most studied and revived dramas. Authored by a team of leading scholars, it offers students a clear analysis and detailed commentary on five of Miller's plays: All My Sons, Death of a Salesman, The Crucible, A View from the Bridge and Broken Glass. A consistent framework of analysis ensures that whether readers want a summary of the play, a commentary on the themes or characters, or a discussion of the work in performance, they can readily find what they need to develop their understanding and aid their appreciation of Miller's artistry. A chronology of Miller's life and work helps to situate his oeuvre in context and the introduction reinforces this by providing a clear overview of his writing, its recurrent themes and how these are intertwined with his life and times. For each play the author provides a summary of the plot, followed by commentary on the context, themes, characters, structure and language, and the play in production - both on stage and screen adaptations; there are questions for further study and detailed notes on words and phrases in the text. The wealth of authoritative and clear commentary on each play, together with further questions that encourage comparison across Miller's work and related plays by other leading writers, ensures that this is the clearest and fullest guide to Miller's greatest plays.

The Crucible's Greatest Matches

Arriving home, Commander Gray Pierce discovers his house ransacked, his pregnant lover missing, and his best friend's wife, Kat, unconscious on the kitchen floor. His one hope to find the woman he loves and his unborn child is Kat, the only witness to what happened. But the injured woman is in a semi-comatose state and cannot speak.

A Student Handbook to the Plays of Arthur Miller

The Great Gatsby, set in the town of West Egg on prosperous Long Island in the summer of 1922, concerns the young and mysterious millionaire Jay Gatsby and his quixotic passion and obsession for the beautiful former debutante Daisy Buchanan. The novel explores themes of decadence, idealism,

resistance to change, social upheaval, and excess, creating a portrait of the Jazz Age or the Roaring Twenties that has been described as a cautionary tale regarding the American Dream.

Crucible

"If you have a troubled marriage, a troubled child, a troubled self, if you're in therapy or think that there's no help for your predicament, *The Family Crucible* will give you insights . . . that are remarkably fresh and helpful."—New York Times Book Review The classic groundbreaking book on family therapy by acclaimed experts Augustus Y. Napier, Ph.D., and Carl Whitaker, M.D. This extraordinary book presents scenarios of one family's therapy experience and explains what underlies each encounter. You will discover the general patterns that are common to all families—stress, polarization and escalation, scapegoating, triangulation, blaming, and the diffusion of identity—and you will gain a vivid understanding of the intriguing field of family therapy.

The Crucible Student Book

'Gripping . . . An amazingly audacious and completely innovative way of writing history' WILLIAM BOYD An enthralling narrative history with an international cast of characters that captures this definitive period after the close of the Great War. Lenin and Hitler, Einstein and Hemingway, Josephine Baker and Rosa Luxemburg, Marcus Garvey and Mustafa Kemal: key players and participants in a world on the cusp of modernity, at a moment when anything seemed possible. As the First World War reaches its awful climax, a shockwave of creative destruction is released. Europe is torn apart by revolution. America is in flames. A deadly pandemic stalks the globe. The curtain rises on a dangerous and exciting new era not unlike our own: of populists and prophets, freedom fighters and fascists, radical new ideas and clashing ideologies contesting an uncertain future. *Crucible* is the collective diary of this era, filled with vaulting dreams, dark fears, grubby ambitions and the absurdities of chance. Encompassing both tragedy and humour, it brings immediacy and intimacy to a moment of deep historical transformation - with consequences that echo down to today. 'Dazzling . . . A compelling patchwork depiction of an era' TLS 'This buoyant study of life after the Great War illuminates the part that chance plays in history' Observer

The Great Gatsby

In this engrossing narrative of the great military conflagration of the mid-eighteenth century, Fred Anderson transports us into the maelstrom of international rivalries. With the Seven Years' War, Great Britain decisively eliminated French power north of the Caribbean — and in the process destroyed an American diplomatic system in which Native Americans had long played a central, balancing role — permanently changing the political and cultural landscape of North America. Anderson skillfully reveals the clash of inherited perceptions the war created when it gave thousands of American colonists their first experience of real Englishmen and introduced them to the British cultural and class system. We see colonists who assumed that they were partners in the empire encountering British officers who regarded them as subordinates and who treated them accordingly. This laid the groundwork in shared experience for a common view of the world, of the empire, and of the men who had once been their masters. Thus, Anderson shows, the war taught George Washington and other provincials profound emotional lessons, as well as giving them practical instruction in how to be soldiers. Depicting the subsequent British efforts to reform the empire and American resistance — the riots of the Stamp Act crisis and the nearly simultaneous pan-Indian insurrection called Pontiac's Rebellion — as postwar developments rather than as an anticipation of the national independence that no one knew lay ahead (or even desired), Anderson re-creates the perspectives through which contemporaries saw events unfold while they tried to preserve imperial relationships. Interweaving stories of kings and imperial officers with those of Indians, traders, and the diverse colonial peoples, Anderson brings alive a chapter of our history that was shaped as much by individual choices and actions as by social, economic, and political forces.

The Family Crucible

In this interdisciplinary collaboration, an international group of scholars have come together to suggest new directions for the study of the family in Scotland circa 1300-1750. Contributors apply tools from across a range of disciplines including art history, literature, music, gender studies, anthropology, history and religious studies to assess creatively the broad range of sources which inform our understanding of the pre-modern Scottish family. A central purpose of this volume is to encourage

further studies in this area by highlighting the types of sources available, as well as actively engaging in broader historiographical debates to demonstrate how important and effective family studies are to advancing our understanding of the past. Articles in the first section demonstrate the richness and variety of sources that exist for studies of the Scottish family. These essays clearly highlight the uniqueness, feasibility and value of family studies for pre-industrial Scotland. The second and third sections expand upon the arguments made in part one to demonstrate the importance of family studies for engaging in broader historiographical issues. The focus of section two is internal to the family. These articles assess specific family roles and how they interact with broader social forces/issues. In the final section the authors explore issues of kinship ties (an issue particularly associated with popular images of Scotland) to examine how family networks are used as a vehicle for social organization.

Crucible

"The crucible of North American neoliberal transformation is heating up, but its outcome is far from clear. Examining the clash between the corporate offensive and the forces of resistance from both pan-continental and class-struggle perspectives, the authors argue that the failure of traditional labour responses has led workers to explore new strategies of struggle, including a continental labour movement. This expanded edition examines developments in the offensive of North American big business, especially the blitzkrieg of constitutional reforms in Mexico in 2013–14. This crisis and its implications for the North American left and labour movements are explored in greater depth. This edition also includes new material from Leo Panitch and Steve Early, as well as the original preface by Mel Watkins."--Publisher's website.

Elements of Literature

Arthur Miller was one of the most important American playwrights and political and cultural figures of the 20th century. Both *Death of a Salesman* and *The Crucible* stand out as his major works: the former is always in performance somewhere in the world and the latter is Miller's most produced play. As major modern American dramas, they are the subject of a huge amount of criticism which can be daunting for students approaching the plays for the first time. This Reader's Guide introduces the major critical debates surrounding the plays and discusses their unique production histories, initial theatre reviews and later adaptations. The main trends of critical inquiry and scholars who have purported them are examined, as are the views of Miller himself, a prolific self-critic.

Crucible of War

THE STORY: The play reveals to the very depths the character of Blanche du Bois, a woman whose life has been undermined by her romantic illusions, which lead her to reject--so far as possible--the realities of life with which she is faced and which s

Insight Study Guides are written by experts and cover a range of popular literature, plays and films. Designed to provide insight and an overview about each text for students and teachers, these guides endeavor to develop knowledge and understanding rather than just provide answers and summaries.

Continental Crucible

Note: this is an abridged version of the book with references removed. The complete edition is also available. While the memorialization of slavery has generated an impressive number of publications, relatively few studies deal with this subject from a transnational, transdisciplinary and transracial standpoint. As a historical phenomenon that crossed borders and traversed national communities and ethnic groups producing alliances that did not overlap with received identities, slavery as well as its memory call for comparative investigations that may bring to light aspects obscured by the predominant visibility of US-American and British narratives of the past. This study addresses the memory of slavery from a transnational perspective. It brings into dialogue texts and practices from the transatlantic world, offering comparative analyses which interlace the variety of memories emerging in diverse national contexts and fields of study and shed light on the ways local countermemories have interacted with and responded to hegemonic narratives of slavery. The inclusion of Brazil and the French, English, and Spanish Caribbean alongside the United States and Europe, and the variety of investigative approaches-ranging from cinema, popular culture and visual culture studies to anthropology and

literary studies-expand the current understanding of the slave past and how it is reimagined today. This fascinating book brings freshness to the topic by considering objects of investigation which have so far remained marginal in the academic debate, such as heroic memorials, civic landscape, white family sagas, Young Adult literature of slavery, Latin American telenovelas and filmic narrations within and beyond Hollywood. What emerges is a multifarious set of memories, which keep changing according to generation, race, gender, nation and political urgency and indicate the advancing of a dynamic, mobilized memorialization of slavery willing to move beyond mourning towards a more militant stand for justice. This is an important book for those interested in African American, American, and Latin American studies and working across literature, cinema, visual arts, and public culture. It will also be useful to public official and civil servants interested in the question of slavery and its present memory.

The Glass Menagerie

To celebrate the centennial of his birth, the collected plays of America's greatest twentieth-century dramatist in a beautiful bespoke hardcover edition In the history of postwar American art and politics, Arthur Miller casts a long shadow as a playwright of stunning range and power whose works held up a mirror to America and its shifting values. The Penguin Arthur Miller celebrates Miller's creative and intellectual legacy by bringing together the breadth of his plays, which span the decades from the 1930s to the new millennium. From his quiet debut, *The Man Who Had All the Luck*, and *All My Sons*, the follow-up that established him as a major talent, to career hallmarks like *The Crucible* and *Death of a Salesman*, and later works like *Mr. Peters' Connections* and *Resurrection Blues*, the range and courage of Miller's moral and artistic vision are here on full display. This lavish bespoke edition, specially produced to commemorate the Miller centennial, is a must-have for devotees of Miller's work. The Penguin Arthur Miller will ensure a permanent place on any bookshelf for the full span of Miller's extraordinary dramatic career. The Penguin Arthur Miller includes: *The Man Who Had All the Luck*, *All My Sons*, *Death of a Salesman*, *An Enemy of the People*, *The Crucible*, *A View from the Bridge*, *After the Fall*, *Incident at Vichy*, *The Price*, *The Creation of the World and Other Business*, *The Archbishop's Ceiling*, *The American Clock*, *Playing for Time*, *The Ride Down Mt. Morgan*, *The Last Yankee*, *Broken Glass*, *Mr. Peters' Connections*, and *Resurrection Blues*.

Arthur Miller - Death of a Salesman/The Crucible

Unlock the more straightforward side of *The Crucible* with this concise and insightful summary and analysis! This engaging summary presents an analysis of *The Crucible* by Arthur Miller, a vivid allegory of the mass hysteria that swept through the town of Salem during the Salem Witch Trials. In spite of its historical subject matter, the play was chillingly topical at the time it was written: the 1950s were marked by McCarthyism, where accusations of Communism were rife and many Americans (including Miller himself) were hauled before the House Un-American Activities Committee to answer for their behaviour. Arthur Miller is considered one of the most influential dramatists of the 20th century, and *The Crucible* was one of his best-known plays. It remains popular today, and new productions of the play are frequently performed. Find out everything you need to know about *The Crucible* in a fraction of the time! This in-depth and informative reading guide brings you: • A complete plot summary • Character studies • Key themes and symbols • Questions for further reflection Why choose BrightSummaries.com? Available in print and digital format, our publications are designed to accompany you on your reading journey. The clear and concise style makes for easy understanding, providing the perfect opportunity to improve your literary knowledge in no time. See the very best of literature in a whole new light with BrightSummaries.com!

A Streetcar Named Desire

Assuming no prior knowledge, this book offers an accessible overview of English dialects, with activities, study questions, sample analyses, commentaries & key readings. It is structured around four sections: introduction, development, exploration & extension.

Arthur Miller's The Crucible

A new type of Shelley edition for students: as well as reliable versions of the key texts, there are summaries, notes glossing difficult words or phrases and technical notes. Each poem also comes with concise biographical information and intertexts—extracts from longer or less familiar works to deepen understanding, stimulate discussion and promote wider reading.

Transatlantic Memories of Slavery: Remembering the Past, Changing the Future - Student Edition

Get ready to ace your AP Chemistry Exam with this easy-to-follow, multi-platform study guide 5 Steps to a 5: AP Chemistry Elite Student Edition 2020 introduces an effective 5-step study plan to help you build the skills, knowledge, and test-taking confidence you need to achieve a high score on the exam. This popular test prep guide matches the latest course syllabus and includes online help, four full-length practice tests (2 in the book and 2 online), detailed answers to each question, study tips, and important information on how the exam is scored. Because this guide is accessible in print and digital formats, you can study online, via your mobile device, straight from the book, or any combination of the three. With the "5 Minutes to a 5" section, you'll also get an extra AP curriculum activity for each school day to help reinforce the most important AP concepts. With only 5 minutes a day, you can dramatically increase your score on exam day! 5 Steps to a 5: AP Chemistry Elite Student Edition 2020 features:

- "5 Minutes to a 5," section - 180 questions and activities reinforcing the most important AP concepts and presented in a day-to-day study format
- 4 Practice Exams (2 in the book + 2 online)
- Access to the entire Cross-Platform Prep Course in AP Chemistry 2020
- Hundreds of practice exercises with thorough answer explanations
- Powerful analytics you can use to assess your test readiness
- Flashcards, games, and more

The Penguin Arthur Miller

"Neaptide races from domestic trauma to staff-room banter ... it bursts with provocative ideas and disturbing questions about human relationships. Most important, it shows that the facade of liberalism and emancipation is merely a translucent gloss." Jewish Chronicle Claire is a history teacher at a local school where two teenage girls have come out. Their principal, Bea Grumble, is none too impressed, and aims to have them expelled. Claire, who had been hiding the fact that she is homosexual, speaks up on behalf of the girls: this in spite of the fact that she is fighting her ex-husband Lawrence for custody of their daughter, the precocious and happy Poppy. All around Claire hardened attitudes are challenged – and confirmed – as she must decide whether to try to maintain a position of honesty, and battle hypocrisy, from within the bounds of the law, or without. A modern story of custody battles, sexual identity and gender politics, framed around the ancient myth of Demeter and her daughter Persephone. Neaptide was the winner of the 1982 George Devine Award and became the first play by a living female writer to be performed at the National Theatre, London, in 1986. This Modern Classics edition features a new introduction by Dr Carina Bartleet.

The Crucible by Arthur Miller (Book Analysis)

AP Teachers' #1 Choice! Ready to succeed in your AP course and ace your exam? Our 5 Steps to a 5 guides explain the tough stuff, offer tons of practice and explanations, and help you make the most efficient use of your study time. 5 Steps to a 5: AP Chemistry 2024 Elite Student Edition is more than a review guide, it's a system that has helped thousands of students walk into test day feeling prepared and confident. Everything You Need for a 5: 3 full-length practice tests that align with the latest College Board requirements Hundreds of practice exercises with answer explanations Comprehensive overview of all test topics Proven strategies from seasoned AP educators Why the Elite Edition? 200+ pages of additional AP content 5-minute daily activities to reinforce critical AP concepts AP educators love this feature for bellringers in the classroom! World Englishes

Decolonizing 1968 explores how activists in 1968 transformed university campuses across Europe and North Africa into sites of contestation where students, administrators, and state officials collided over definitions of modernity and nationhood after empire. Burleigh Hendrickson details protesters' versions of events to counterbalance more visible narratives that emerged from state-controlled media centers and ultimately describes how the very education systems put in place to serve the French state during the colonial period ended up functioning as the crucible of postcolonial revolt. Hendrickson not only unearths complex connections among activists and their transnational networks across Tunis, Paris, and Dakar but also weaves together their overlapping stories and participation in France's May '68.

Using global protest to demonstrate the enduring links between France and its former colonies, *De-colonizing 1968* traces the historical relationships between colonialism and 1968 activism, examining transnational networks that emerged and new human and immigrants' rights initiatives that directly followed. As a result, Hendrickson reveals that 1968 is not merely a flashpoint in the history of left-wing protest but a key turning point in the history of decolonization. Thanks to generous funding from Penn State and its participation in TOME (Toward an Open Monograph Ecosystem), the ebook editions of this book are available as Open Access volumes from Cornell Open (cornellpress.cornell.edu/cornell-open) and other repositories.

New Grade 9-1 GCSE Drama Play Guide - Blood Brothers

Of all my years of growing up, I grew up in 1962... The Glee Club, made up of five hard-working, hard-drinking miners and a church organist, is preparing for the local gala. Though they're established in the working men's clubs, they aren't exactly at the vanguard of a musical revolution. This is the summer of '62. Britain and music are about to change, so too are the lives of these six men. Will anything ever be the same again? A raucous comedy featuring live music, this new edition of Richard Cameron's celebrated play was published to coincide with a 2020 revival by Out of Joint Theatre Company.

The Annotated Shelley: Selected Poems (Student Edition)

Bancroft Prize-winning scholar David S. Reynolds edits and introduces a broad selection of Abraham Lincoln's writings—from his earliest days through his last. *Lincoln's Selected Writings* includes a rich selection of his public and private letters, speeches, eulogies, proposals, debate transcriptions, addresses (including the First and Second Inaugurals), and more. The texts are accompanied by explanatory annotations, a detailed preface, a note on the texts, and a list of abbreviations. Lincoln's writings are followed by contemporary responses to him in poems, songs, and articles; representations of Lincoln in modern imaginative and nonfiction writing; and selections from recent cross-disciplinary studies of Lincoln—including discussions of his literary techniques and oratorical style as well as examinations of his political evolution in new cultural and social contexts. Among the many contributors are Horace Greeley, Jesse Hutchinson, Nathaniel Hawthorne, Karl Marx, Ralph Waldo Emerson, Harriet Beecher Stowe, Victor Hugo, and Walt Whitman. "Modern Views" presents sixteen major interpretations of Lincoln's life, work, and legacy carefully chosen to promote discussion. The contributors are Carl Sandburg, Allen C. Guelzo, James Oakes, Gillian Silverman, Richard N. Current, Harold Holzer, Sean Wilentz, Eric Foner, Manisha Sinha, Robert A. Ferguson, Gabor Boritt, James McPherson, Stephen Cushman, Faith Barrett, David S. Reynolds, and Richard Carwardine and Jay Sexton. A chronology, selected bibliography, and index are also included.

5 Steps to a 5: AP Chemistry 2020 Elite Student Edition

'His drama is a piece of expert dramatic construction. Mr. Miller has woven his characters into a tangle of plot that springs naturally out of the circumstances of life today.' *NEW YORK TIMES* Three years on from the disappearance of his son, successful businessman Joe Keller has made a comfortable life for his family in America's Midwest: despite being accused of supplying defective aircraft equipment in World War 2, he is altogether happy. But, when a shadowy figure from Joe's past returns, his hidden truths are revealed, and the price of the American Dream is laid bare. Miller's first successful play on Broadway, *All My Sons* launched his career and established him as one of America's greatest dramatists, also winning him the 1946 Tony Award for Best Author. An incisive indictment of greed, capitalism and self-interest, *All My Sons* is remembered as one of the playwright's greatest works. This Methuen Drama Student Edition is edited by Clare Gleitman, with commentary and notes that explore the play's production history (including excerpts from an interview with director Jeremy Herrin) as well as the dramatic, thematic and academic debates that surround it.

Neaptide

'Mr. Miller knows his audience... he is letting us know, the devil will have his due.' *NEW YORK TIMES* When insurance agent Lyman Felt is hospitalised following a near-fatal car crash, both of his wives show up at his bedside and his duplicitous bigamy is revealed. As his shocked spouses – the prim Theo and the assertive Leah – reel from this revelation and their husband's hypocrisy, an outrageous question is presented: is marriage actually easier this way? Touching on themes of betrayal, crisis and reconciliation, *The Ride Down Mt. Morgan* is one of Miller's more controversial works, and was nominated for the Tony Award for Best Play in 1991. This Methuen Drama Student Edition is edited by

Thiago Russo, with commentary and notes that explore the play's production history (including excerpts from an interview with director David Esbjornson) as well as the dramatic, thematic and academic debates that surround it.

5 Steps to a 5: AP Chemistry 2024 Elite Student Edition

This title is endorsed by Cambridge Assessment International Education. Written by renowned expert authors, our updated resources enable the learner to effectively navigate through the content of the revised Cambridge Chemistry (5070) syllabus for examination from 2023. - Develop strong practical skills: practical skills features provide guidance on key experiments, interpreting experimental data, and evaluating results; supported by practice questions for preparation for practical exams or alternatives. - Build mathematical skills: worked examples demonstrate the key mathematical skills in scientific contexts; supported by follow-up questions to put these skills into practice. - Consolidate skills and check understanding: self-assessment questions, exam-style questions and checklists are embedded throughout the book, alongside key definitions of technical terms and a Glossary. - Navigate the syllabus confidently: content flagged clearly with introductions to each topic outlining the learning objectives and context. - Deepen and enhance scientific knowledge: going further boxes throughout encourage students to take learning to the next level.

Decolonizing 1968

Teacher guide includes story summary, author backgrounds, pre-reading activities, vocabulary builders, discussion questions, graphic organizers, writing ideas, post-reading activities, cross-curriculum extension activities, assessments and inspiring lesson plans; student packet includes activity sheets, quizzes and final exams with answer keys.

The Glee Club

"Matura's play not only offers a potted guide to Trinidadian ethnicity, economics and politics, but also a potent metaphor for the post-colonial process. It is also very funny ... the real power of Matura's play lies in its reminder, under all that surface exuberance, that the movement towards independence carried its own element of fancy-dress masquerade." The Guardian 1950s Port of Spain. Samuel, a young tailor's assistant, dreams of Trinidad's independence. On the eve of carnival everyone fills the streets, dressed up to play mas. This annual celebration turns to tragedy and spurs Samuel on to make a decision that will change the political landscape of the future of this vibrant, volatile island. Play Mas premiered at the Royal Court in 1974, winning the Evening Standard Award for Best Play, and transferred to the West End. Described as a wickedly funny, exuberant and poignant play, it is published in Methuen Drama's Modern Classics series for the first time, with a brand new introduction by Paulette Randall.

Lincoln's Selected Writings (International Student Edition) (Norton Critical Editions)

All My Sons
