The Book of Raymond

Raymond Richard tells it like it is in a powerful collection of poems that are electrifying, terrifying and awe-inspiring. Richard, a victim of abject poverty, lived on the streets of Chicago and took to crime and drugs to survive.

Poetry to God

Poetry to God Volume 4: Prison Praise is a vast collection of spiritual, uplifting, and empowering poems written by a man doing time in state prison. This book of poetry includes cries from behind the wall and love letters from prison. Each poem will encourage your heart, soul, and mind and keep you focused on the things of God. Overwhelming comfort can also be found here in this book of inspirational poetry. All of the poems are true-life experiences written by Terry Webb while doing time in a California state prison, keeping his heart and mind on the things of God.

Leave A Legacy In Words

This book of poems was written with inspiration and from the heart. It came to pass as if God was speaking to me giving me the words to put on paper, the poems are spiritually discerned and written out of love. At times, I knew it was God speaking to me as you will find as you read these poems as well as in the books to follow. This book of poems was meant to inspire those that read them, whether they make you sad, happy, or encourage you. It was God who seen me through a five year serve out incarcerations. That is five years straight, from 1997 to the end of 2001. I have been out for 15 years and have not looked back. You have to be down and out, it is then that you will call out to God, "God help me". So, I am truly grateful that he did just that. I spent my time reading and writing a lot, also taking care of my physical body by working out and doing a lot of walking. As I walked, I had a little pocket version of the New Testament and I would read scriptures until I memorized them. One of the first scriptures I memorized was Proverbs 3:5-6. The scripture says "Trust in the Lord with all thine heart, lean not unto thine own understanding in all thy ways acknowledge him, and he will direct thy paths". (King James Version) May you be inspired and blessed as you read these poems. God has blessed me and he wants me to share that it was Him that changes life. May you find comfort and peace as you read these poems. God Bless Ray Tapp

All The Names Given

From the Sunday Times Young Writer of the Year 2019 Shortlisted for the T. S. Eliot Prize 2021 '[Raymond Antrobus] has built another beautiful paper house which you can spend a very long and deeply satisfying time inside.' Mark Haddon 'Moving deftly between tenderness and violence, hope and grief, praise and lament, this is a deeply evocative collection that will linger in the reader's mind.' Guardian Raymond Antrobus's astonishing debut collection, *The Perseverance*, won both Rathbone Folio Prize and the Ted Hughes Award, amongst many other accolades; the poet's much anticipated second collection, *All The Names Given*, continues his essential investigation into language, miscommunication, place, and memory. Throughout, *All The Names Given* is punctuated with [Caption Poems] partially inspired by Deaf sound artist Christine Sun Kim, which attempt to fill in the silences and transitions between the poems, as well as moments inside and outside of them. Direct, open, formally sophisticated, *All The Names Given* breaks new ground both in form and content: the result is a timely, humane and tender book from one of the most important young poets of his generation.

In the wake of his father's death, the speaker in Raymond Antrobus' *The Perseverance* travels to Barcelona. In Gaudi's Cathedral, he meditates on the idea of silence and sound, wondering whether acoustics really can bring us closer to God. Receiving information through his hearing aid technology, he considers how deaf people are included in this idea. "Even though," he says, "I have not heard / the golden decibel of angels, / I have been living in a noiseless / palace where the doorbell is pulsating / light and I am able to answer." *The Perseverance* is a collection of poems examining a d/Deaf experience alongside meditations on loss, grief, education, and language, both spoken and signed. It is a book about communication and connection, about cultural inheritance, about identity in a hearing world that takes everything for granted, about the dangers we may find (both individually and as a society) if we fail to understand each other.

In his final book before his death, Primo Levi returns once more to his time at Auschwitz in a moving meditation on memory, resiliency, and the struggle to comprehend unimaginable tragedy. Drawing on history, philosophy, and his own personal experiences, Levi asks if we have already begun to forget about the Holocaust. His last book before his death, Levi returns to the subject that would define his reputation as a writer and a witness. Levi breaks his book into eight essays, ranging from topics like the unreliability of memory to how violence twists both the victim and the victimizer. He shares how difficult it is for him to tell his experiences with his children and friends. He also debunks the myth that most of the Germans were in the dark about the Final Solution or that Jews never attempted to escape the camps. As the Holocaust recedes into the past and fewer and fewer survivors are left to tell their stories, *The Drowned and the Saved* is a vital first-person testament. Along with Elie Wiesel and Hannah Arendt, Primo Levi is remembered as one of the most powerful and perceptive writers on the Holocaust and the Jewish experience during World War II. This is an essential book both for students and literary readers. Reading Primo Levi is a lesson in the resiliency of the human spirit.
