Leading Others How Important Is It To Lead People Differently Based upon Their Own Wiring

What's the Most Common Misconception

Is It Helpful for a Leader To Accept Being Wrong

When I Learned that an Inventor Scrap Is All about Excellence When I Could Come from Integrity and Excellence and Quality Then I Give Up Perfection I Give Up Trying To Be Perfect because Perfect Isn't Real but Excellence I Can Always Reach So I Can't Tell You How Many Times during the Day Do I Ask Myself Lolly What Is this Excellent Is this the Highest Quality Is this the Highest Standard That You Can Do and the Answer Is Yes I Have To Let It Go because Much like You Michael I Can Hold On to Something and Wait for It To Be Perfect but Perfect Never Arrives

And So What I'M Doing Michael Is I'M Not Comparing Myself to Others I'M Only Comparing Myself to Myself I'M Busy Working on Myself and Being a Work in Progress so It Really Helps Me but the Impostor Having Self-Doubt because I List All My Competence and Make Capabilities and I Don't

Compare Myself to Others I Love that I Try To Start the Day with Gratitude and in with Gratitude because at the End of the Day You Have a Choice Probably some Bad Things Happen Probably some Things That Were Kind Of in between and Probably some Really Good Things and You Know I Know People That Focus on the Negative Things

So Sometimes I Have To Start Coaching on Skype at 6 : 30 in the Morning I Spend Most of My Day in Service of Others and Then at Night Is How I Grow My Own Business I Grow My Own Brand but during Light during the Day It's All about Really Helping the People That I Work with Who Have Hired Me I Spend My Time Letting Them Know They Greatness Lies within Them and after those Hours I Spend with My Family and My Business Fantastic So Do You Have any Final Thoughts as We Kind Of Bring this to a Close That You'D Like To Share with the Audience in Addition To Buy the Book Free Book Summary: The Leadership Gap by Lolly Daskal - Free Book Summary: The Leadership Gap by Lolly Daskal by Readitfor.me 24 views 1 month ago 15 minutes - In this video we're covering a free summary of the book, **The Leadership Gap**, by Lolly Daskal. Intro

Fundamental Techniques in Handling People

Give honest and sincere appreciation

Appeal to another person's interest

Smile

Remember that a person's name is

Be a good listener Encourage others to talk about themselves

Talk in terms of the other person's interest

Make the other person feel important and do it sincerely

The only way to get the best of an argument is to avoid it

Begin in a friendly way

If you are wrong admit it quickly and emphatically

Let the other person do a great deal of talking

Honestly try to see things from the other person's point of view

Be sympathetic to the other person's ideas and desires

Start with questions to which the other person will answer "yes"

Let the other person feel that the idea is his or hers

Appeal to the nobler motive

Dramatize your ideas

Throw down a challenge

Final part of this book is about changing people without

Talk about your own mistakes before criticizing the other person

Ask questions instead of giving orders

Let the person save the face

Make the fault seem easy to correct

Make the person happy about doing the things you suggest
