A Smile in the Mind: Witty Thinking in Graphic Design

Now extensively revised and updated, this book explores the powerful role of wit in graphic design, making the case for wit, as the magical element that builds the world's biggest brands and engages people with messages that matter.

A Smile in the Mind: Witty Thinking in Graphic Design - Amazon UK

A Smile in the Mind: Witty thinking in graphic design is a graphic design book written by Beryl McAlhone and David Stuart in 1996. It was first published in hardback in May 1996 through Phaidon Press and was later revised and updated in 2016. The book includes work from over 300 designers in the United States, ...

Smile Ending Explained (In Detail) - Screen Rant

It prolongs the encounter, compelling the reader not only to notice, but to remember. This book is about making graphics memorable by using witty thinking. It argues that ideas which happen in the mind, stay in the mind. Beryl McAlhone and David Stuart begin by explaining what wit is and how it works.

About Us - Smiling Mind

An extensively revised and updated edition of the influential original by Beryl McAlhone and David Stuart. Co-authored by Greg Quinton and Nick Asbury, the new version includes hundreds of projects from around the world, alongside new commentary and interviews with creative thinkers.

A Smile in the Mind

This book is about making graphics memorable by using witty thinking. It argues that ideas which happen in the mind, stay in the mind. Beryl McAlhone and David Stuart begin by explaining what wit is and how it works. They make the case for wit in graphic design, seeing humour as the shortest distance between two people ...

A Smile in the Mind: Witty Thinking in Graphic Design

1 Jan 1996 — Beryl McAlhone ... This book explores so-called 'witty thinking' - arguably the most entertaining area of graphic design. Witty thinking is playfulness with ideas, words playing against images, and unexpected connections prompting new insights. It is clever thinking, not funny drawing.

A Smile in the Mind - Nick Asbury
