The Definitive Civil War Order of Battle 1862

The third volume in a series detailing the organization of Union and Confederate forces during the American Civil War. This meticulously researched project utilizes the most up to date primary and secondary sources available in order to provide the definitive reference for Civil War army organization.

History of the Civil War in America: book 1. The war on the Rapidan. book 2. The Mississippi. book 3. Pennsylvania. book 4. The third winter

'Just the thing for US Civil War buffs: snappily written, informative and entertaining. A cracking read.' Saul David, bestselling author and historian This attractively packaged gift book offers a highly illustrated introduction to some of the U.S. Civil War's most famous and important battles, from the Battle of Fort Sumter in 1861 to the Battle of Appomatox Court House in 1865. The U.S. Civil War was the most cataclysmic military struggle of the late 19th century, and in four bloody years of fighting from 1861 to 1865 over 620,000 American soldiers and sailors lost their lives in more than 8,000 battles, engagements and skirmishes. U.S. Civil War Battle by Battle tells the story of 30 of the most significant of these battles. These include some of the most famous clashes, such as the battles of Gettysburg and Fredericksburg, which resonate through American military history, but also the less well known,

such as the battles of Brandy Station and Cedar Creek. This highly illustrated introduction, packed full of colour artwork, covers every theatre of the war and details infantry, cavalry, artillery and seaborne units from both the Union and the Confederate forces to give a true sense of the scale of the War between the States.

U.S. Civil War Battle by Battle

The American Civil War was one of the longest and bloodiest of modern wars. It is also one of the most mysterious. It has captured the imagination of writers, artists and film-makers for decades but the reality of it confuses and divides historians even today. In this magisterial history of the first modern war, the distinguished military historian John Keegan unpicks the geography, leadership and strategic logic of the war and takes us to the heart of the conflict. His captivating work promises to be the definitive history of the American Civil War.

Battle in the Civil War

Antietam: The Bloodiest Day outlines the battle and explains how it came about. In less than an hour, you will meet the main participants, understand Union and Confederate troop movements, and learn why Abraham Lincoln thought McClellan's great victory was a lost opportunity. For those readers who want to know more and understand how contemporary readers learned about the battle, we included the original accounts printed in the New York Herald and the New York Tribune. It's not the complete story, but enough to bring you up to speed, understand the issues of the day, and maybe encourage you to explore more on your own. Each book includes a timeline to help you see the bigger picture so you can watch events unfold ***** Whether you are a Civil War buff or are just looking for a simple overview of the battle of Antietam or Sharpsburg, you will enjoy this book. It is written in a simple, conversational style that makes it easy to understand the complex troop movements of the Union and Confederate armies. Line of Battle – Book 1

The American Civil War

This book is a monumental, encyclopedic work of immense detail concerning U.S. and allied forces that fought in the Vietnam War from 1962 through 1973. Includes extensive lists of units (Army, Navy, Air Force, Marine Corps, and allied countries) when they arrived and when they left the theater, shoulder patches and distinctive unit insignia of all divisions and battalions. Also extensive maps portraying unit locations at each six-month interval, lists of friendly and enemy casualties by campaign or phase of the war, and photographs and descriptions of all major types of equipment employed in the conflict.

Antietam: The Bloodiest Day

Filled with fresh interpretations and information, puncturing old myths and challenging new ones, Battle Cry of Freedom will unquestionably become the standard one-volume history of the Civil War. James McPherson's fast-paced narrative fully integrates the political, social, and military events that crowded the two decades from the outbreak of one war in Mexico to the ending of another at Appomattox. Packed with drama and analytical insight, the book vividly recounts the momentous episodes that preceded the Civil War--the Dred Scott decision, the Lincoln-Douglas debates, John Brown's raid on Harper's Ferry--and then moves into a masterful chronicle of the war itself--the battles, the strategic maneuvering on both sides, the politics, and the personalities. Particularly notable are McPherson's new views on such matters as the slavery expansion issue in the 1850s, the origins of the Republican Party, the causes of secession, internal dissent and anti-war opposition in the North and the South, and the reasons for the Union's victory. The book's title refers to the sentiments that informed both the Northern and Southern views of the conflict: the South seceded in the name of that freedom of self-determination and self-government for which their fathers had fought in 1776, while the North stood fast in defense of the Union founded by those fathers as the bulwark of American liberty. Eventually, the North had to grapple with the underlying cause of the war--slavery--and adopt a policy of emancipation as a second war aim. This "new birth of freedom," as Lincoln called it, constitutes the proudest legacy of America's bloodiest conflict. This authoritative volume makes sense of that vast and confusing "second American Revolution" we call the Civil War, a war that transformed a nation and expanded our heritage of liberty.

Vietnam Order of Battle

Battles and Leaders of the Civil War is volume one in a four-part series about the American Civil War. Edited by Robert Underwood Johnson, an American diplomat and writer, the book contains a collection of accounts and stories written by a variety of authors, primarily those who served in the Civil War. This book is a treasure trove of information for the history enthusiast. The book is divided into sections that each detail a major event, battle, or prominent individual of the war. The book opens with a brief introduction, which sets the stage for the entire collection by examining the organisation of the two governments, the United States Government and the Confederate States Government. From there, the book proceeds to detail signs of the impending conflict and the first military operations of the war. Prominent events of the war, from the Campaign of the First Bull Run, to The Battle of Shiloh, to the gunboat campaign are all discussed in tremendous detail. Contributors are both historians and notable participants in the war, including several sections written by Ulysses S. Grant. Maps and images accompany much of the text and enrich the written word. Volume one of Battles and Leaders of the Civil War is a remarkably comprehensive account of the early days of the Civil War. The battles are examined from the perspective of both sides, and the sources included by Johnson are rich in detail and truly fascinating in content. History students and enthusiasts will surely appreciate the tremendous scope of this collection. If you are looking for a thorough and exhaustive treatment of the Civil War, Robert Underwood Johnson's Battles and Leaders of the Civil War will surely appeal to you. Volume one sets the stage for the ongoing conflict, which is examined in even greater detail over the course of the final three volumes of this fantastic collection. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. US Army Order of Battle, 1919-1941: The services : air service, engineers, and special troops, 1919-41

The Army of the Potomac fought in numerous battles, large and small, during the Civil War. This reference work compiles information from the Official Records to give a complete look at the numbers behind every battle and major campaign the Army of the Potomac participated in. Organized chronologically by battle, the numbers are broken down by corps, divisions, brigades and regiments. The data include commander's names down to the regimental level, unit strengths, casualties and losses. Indexed by commanders and by units.

Battle Cry of Freedom

The American Civil War was a turning point in the evolution of the world's most successful nation and, as such, is profusely studied beyond the US as well as within it. The war accounted for 650,000 lives and this is just one of a myriad of statistics that accompany such major events: this excellent reference work provides all the data required for a complete study of the action and does so in a logical, compact and convenient style. The author's carefully devised information is presented in a manner and style that aids widespread use by students, historians and researchers at all levels and may well become the most valuable reference source on their library shelves. In sequence with future volumes in this series the contents are set out as: Introduction, Reasons for War, Chronology, The Participants, The Combatant Forces, Weapons and Equipment, and Aids to Further Study. In addition, tables of statistics feature throughout the book that also includes illustrations and maps.

Battles and Leaders of the Civil War, Vol. 1

Grinding, bloody, and ultimately decisive, the Petersburg Campaign was the Civil War's longest and among its most complex. Ulysses S. Grant and Robert E. Lee squared off for more than nine months in their struggle for Petersburg, the key to the Confederate capital at Richmond. Featuring some of the war's most notorious battles, the campaign played out against a backdrop of political drama and crucial fighting elsewhere, with massive costs for soldiers and civilians alike. After failing to bull his way into Petersburg, Grant concentrated on isolating the city from its communications with the rest of the surviving Confederacy, stretching Lee's defenses to the breaking point. When Lee's desperate breakout attempt failed in March 1865, Grant launched his final offensives that forced the Confederates to abandon the city on April 2, 1865. A week later, Lee surrendered at Appomattox Court House. Here

A. Wilson Greene opens his sweeping new three-volume history of the Petersburg Campaign, taking readers from Grant's crossing of the James in mid-June 1864 to the fateful Battle of the Crater on July 30. Full of fresh insights drawn from military, political, and social history, *A Campaign of Giants* is destined to be the definitive account of the campaign. With new perspectives on operational and tactical choices by commanders, the experiences of common soldiers and civilians, and the significant role of the United States Colored Troops in the fighting, this book offers essential reading for all those interested in the history of the Civil War.

The Army of the Potomac

The Civil War is the American Iliad. Lincoln, Stonewall Jackson, Grant, and Lee still stand as heroic ideals, as stirring to our national memory as were the legendary Achilles and Hector to the world of the ancient Greeks. Within the story of our Iliad one battle stands forth above all others: Gettysburg. Millions visit Gettysburg each year to walk the fields and hills where Joshua Chamberlain made his legendary stand and Pickett went down to a defeat which doomed a nation, but in defeat forever became a symbol of the heroic Lost Cause. As the years passed, and the scars healed, the debate, rather than drifting away has intensified. It is the battle which has become the great "what if," of American history and the center of a dreamscape where Confederate banners finally do crown the heights above the town. The year is 1863, and General Robert E. Lee and his Army of Northern Virginia are poised to attack the North and claim the victory that would end the brutal conflict. But Lee's Gettysburg campaign ended in failure, ultimately deciding the outcome of the war. Launching his men into a vast sweeping operation, of which the town of Gettysburg is but one small part of the plan, General Lee, acting as he did at Chancellorsville, Second Manassas, and Antietam, displays the audacity of old. He knows he has but one more good chance to gain ultimate victory, for after two years of war the relentless power of an industrialized north is wearing the South down. Lee's lieutenants and the men in the ranks, imbued with this renewed spirit of the offensive embark on the Gettysburg Campaign that many dream "should have been." The soldiers in the line, Yank and Reb, knew as well that this would be the great challenge, the decisive moment that would decide whether a nation would die, or be created, and both sides were ready, willing to lay down their lives for their Cause. An action-packed and painstakingly researched masterwork by Newt Gingrich and William Forstchen, *Gettysburg* stands as the first book in a series to tell the story of how history could have unfolded, how a victory for Lee would have changed the destiny of the nation forever. This is a novel of true heroism and glory in America's most trying hour.

The American Civil War

Filled with fresh interpretations and information, puncturing old myths and challenging new ones, *Battle Cry of Freedom* will unquestionably become the standard one-volume history of the Civil War. James McPherson's fast-paced narrative fully integrates the political, social, and military events that crowded the two decades from the outbreak of one war in Mexico to the ending of another at Appomattox. Packed with drama and analytical insight, the book vividly recounts the momentous episodes that preceded the Civil War--the Dred Scott decision, the Lincoln-Douglas debates, John Brown's raid on Harper's Ferry--and then moves into a masterful chronicle of the war itself--the battles, the strategic maneuvering on both sides, the politics, and the personalities. Particularly notable are McPherson's new views on such matters as the slavery expansion issue in the 1850s, the origins of the Republican Party, the causes of secession, internal dissent and anti-war opposition in the North and the South, and the reasons for the Union's victory. The book's title refers to the sentiments that informed both the Northern and Southern views of the conflict: the South seceded in the name of that freedom of self-determination and self-government for which their fathers had fought in 1776, while the North stood fast in defense of the Union founded by those fathers as the bulwark of American liberty. Eventually, the North had to grapple with the underlying cause of the war--slavery--and adopt a policy of emancipation as a second war aim. This "new birth of freedom," as Lincoln called it, constitutes the proudest legacy of America's bloodiest conflict. This authoritative volume makes sense of that vast and confusing "second American Revolution" we call the Civil War, a war that transformed a nation and expanded our heritage of liberty.

A Campaign of Giants--The Battle for Petersburg

When North and South met among the desolate mountains of northwestern Georgia in 1863, they began one of the bloodiest and most decisive campaigns of the Civil War. The climactic Battle of Chickamauga lasted just two days, yet it was nearly as costly as Gettysburg, with casualties among

the highest in the war. In this study of the campaign, the first to appear in over thirty years and the most comprehensive account ever written on Chickamauga, Peter Cozzens presents a vivid narrative about an engagement that was crucial to the outcome of the war in the West. Drawing upon a wealth of previously untapped sources, Cozzens offers startling new interpretations that challenge the conventional wisdom on key moments of the battle, such as Rosecrans's fateful order to General Wood and Thomas's historic defense of Horseshoe Ridge. Chickamauga was a battle of missed opportunities, stupendous tactical blunders, and savage fighting by the men in ranks. Cozzens writes movingly of both the heroism and suffering of the common soldiers and of the strengths and tragic flaws of their commanders. Enhanced by the detailed battle maps and original sketches by the noted artist Keith Rocco, this book will appeal to all Civil War enthusiasts and students of military history.

Gettysburg

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1917 edition. Excerpt: ...from my sleep by an officer from Washington entering my tent, and after waking me up, saying he had come to give me trouble. At first I thought it was either to relieve or arrest me.... He handed me a communication to read, which I found was an order relieving Hooker from the command and assigning me to it.... As it appears to be God's will for some good purpose--at any rate as a soldier, I had nothing to do but accept and exert my utmost abilities to command success.... I am moving at once against Lee.... A battle will decide the fate of our country and our cause. Pray earnestly, pray for the success of my country (for it is my success besides)." Frank Haskell, a staff officer in the Second Corps, who wrote during July, 1863 a graphic account of the Battle of Gettysburg, recorded his belief that "the Army in general, both officers and men, had no confidence in Hooker, in either his honesty or ability." When the change of command became known, he wrote: "We breathed a full breath of joy and of hope. The Providence of God had been with 1 General Meade, I, 388. us--General Meade commanded the Army of the Potomac.... The Army brightened and moved on with a more elastic step." 1 Reynolds at once went to see Meade and assured him of his hearty support. 2 The President conferred upon his general full power. Meade advanced northward in his aim "to find and fight the enemy." He had been prompt to command, his subordinates zealous to obey. The officers, sinking for the moment all their rivalries and jealousies, were careful and untiring in their efforts, while the soldiers showed extraordinary endurance in their long and rapid marches in the hot sun and sultry air of the last days of June. Meade's advance...

The Illustrated Battle Cry of Freedom

"The battles that shaped America"--Cover.

This Terrible Sound

The work of Ezra Ayers Carman is critical to the scholarship of the Maryland campaign of 1862. Although he served in the NJ Infantry during the battle, his real accomplishment was in writing what turned out to be the official history of the campaign, including troop movements, casualty figures, terrain appearance, command decisions, soldiers' anecdotes, and more. This is the only published version of this classic work. Joseph Pierro has unearthed the original manuscript, transcribed and annotated it, and helps bring this primary document to light for scholars of the Civil War and the Battle of Antietam in particular. **Due to an unfortunate case of mistaken identity, the man currently appearing in the frontispiece of The Maryland Campaign of September, 1862 is not the actual Ezra Carman, but someone who looks remarkably similar to him. The real Mr. Carman can be found at: <http://www.loc.gov/pictures/item/cwp2003001783/PP/>. We apologize for the mistake, and will correct this error in further printings.

History of the Civil War in America: book 1. The American army. book 2. Secession. book 3. The first conflict. book 4. The first autumn. book 5. The first winter. 1875

The Battle of Antietam was a turning point in the Civil War. In the span of several hours, there would be more loss of American life than in any other battle before or since, leaving one in four of the soldiers who took part either dead or wounded by the end of the day. Inside you will read about... Maryland, My Maryland... McClellan's Army The Opening Gambit Harper's Ferry Dunker Church & The Woods The Cornfield Bloody Lane And much more! What led to such a disastrous conclusion? And could

something positive come from such an appalling massacre? The focus of the war was about to change. So too was how the American people viewed war as a whole.

History of the Civil War, 1861-1865

The New York Times bestselling prequel to the Pulitzer Prize-winning classic *The Killer Angels* In this brilliantly written epic novel, Jeff Shaara traces the lives, passions, and careers of the great military leaders from the first gathering clouds of the Civil War. Here is Thomas "Stonewall" Jackson, a hopelessly by-the-book military instructor and devout Christian who becomes the greatest commander of the Civil War; Winfield Scott Hancock, a captain of quartermasters who quickly establishes himself as one of the finest leaders of the Union army; Joshua Chamberlain, who gives up his promising academic career and goes on to become one of the most heroic soldiers in American history; and Robert E. Lee, never believing until too late that a civil war would ever truly come to pass. Profound in its insights into the minds and hearts of those who fought in the war, *Gods and Generals* creates a vivid portrait of the soldiers, the battlefields, and the tumultuous times that forever shaped the nation.

Great Battles of the Civil War

Grant vs. Lee tells the dramatic story of the final year of the Civil War in Virginia—a bloody and unyielding fight for both sides—through the eyes of the two greatest Civil War generals: the North's Ulysses S. Grant and the South's Robert E. Lee. The long and violent campaigns that took place from 1864–1865 (the Overland Campaign, Petersburg Campaign, and Appomattox Campaign) represent the beginning of modern warfare. By this point of the war, both sides employed seasoned and hardened soldiers who looked past the Victorian sensibilities of the gentleman soldier and understood that there would be no falling back. By the end of 1864, both sides built trenches and mounted attacks to break each other's lines. There was a stalemate that winter. Grant's forces had superior numbers and supplies and by March 1865 they pushed Lee's army out of the trenches at Petersburg and took Richmond, the Confederate capital. Lee's dwindling forces retreated west, looking for food and other Southern forces to help continue the fight. After a bitter final battle at Sailor's Creek, Lee's army was surrounded by Union forces at Appomattox Court House. On April 9, 1865, Lee surrendered to Grant and the Civil War was over. Beautifully illustrated and vastly researched, *Grant vs. Lee* is a dramatic, illustrated introduction to one of the most pivotal years in American history.

Battlefields of the Civil War

An anthology of five American Civil War books. The collection includes: Volume 1: "...To Knock Jos. Johnston" Sherman, Atlanta, and the Sinews of War Before Sherman began his famous "March to the Sea," he had to first take Atlanta and defeat the wounded, but still formidable, Confederate Army of Tennessee. Volume 1 tells you how he did it. Volume 2: *Grant Cuts Loose: Logistics and the Drive on Vicksburg* Ulysses S. Grant had tried a half-dozen times and failed to get at the Confederate citadel of Vicksburg. Discover how he finally managed to capture the city and an entire Confederate army in Volume 2. Volume 3: *Vicksburg Redeemed: An Assessment of Confederate Combined Operations During the Baton Rouge Campaign of 1862* General Earl Van Dorn had a plan. General John Breckinridge's Confederate Task Force, with the aid of the C.S.S. Arkansas ironclad ram, would re-take the Federally occupied Louisiana capital of Baton Rouge. Find out what happened in Volume 3. Volume 4: *Dooming the Confederacy: The Decisive Battle of Champion Hill* So, you think Gettysburg was the decisive battle of the Civil War? Read Volume 4 and you might just change your mind. Volume 5: *Star-Crossed: A Quantitative Reassessment of the Relative Combat Performance of the Army of Tennessee Compared to the Army of Northern Virginia* Lee and his Army of Northern Virginia outclassed its sister army in the West, the Army of Tennessee, in every category, right? Read Volume 5 before you answer that question. The Kindle version Includes extensive links to authoritative and informative websites dedicated to specific battles, personalities, locations, and events discussed in the narratives.

The Maryland Campaign of September 1862

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1899 edition. Excerpt: ... AFTER General Lyon's army was withdrawn from Springfield and Southwest Missouri, General Price saw that if the State became one of the Confederate States, the Confederate forces should at once commence aggressive operations, and, if possible, unfurl their victorious banners

in the heart of the State. He saw, too, that his army would increase in numbers from active operations, and decrease from inactivity. He proposed to march to the Missouri River and establish himself, and then to invade and lay waste Kansas, and invited General McCulloch to join him in the enterprise, with his division of Texas, Louisiana, and Arkansas troops. The Texas General, however, declined to move his troops any farther north. In the first place, he had little faith in the ultimate success of the expedition, and, in the next place, his ruffled pride had not been sufficiently appeased to co-operate with the Missouri General in a hearty spirit. He knew, too, that the terms of service of the most of the Arkansas troops would expire in a few weeks, and that unless they re-enlisted, the strength of his division would be materially decreased. General Price was inclined to be conciliatory, for the sake of advancing the Confederate cause in the State; but it was all to no purpose, General McCulloch was immovable. Finding that General McCulloch would not join forces with him, General Price determined to accomplish such results as were possible with his own army, --the State Guard. He left Springfield about two weeks after the battle of Wilson Creek with some ten thousand men, with the intention of taking Fort Scott, Kansas, and then marching through Kansas to the Missouri River, striking it at Kansas City. He knew that the secession element was much stronger in North and..

Battle of Antietam

DigiCat Publishing presents to you this special edition of "Stone's River: The Turning-Point of the Civil War" by Wilson J. Vance. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Gods and Generals

The 1862 battle of Pea Ridge in northwestern Arkansas was one of the largest Civil War engagements fought on the western frontier, and it dramatically altered the balance of power in the Trans-Mississippi. This study of the battle is based on research in archives from Connecticut to California and includes a pioneering study of the terrain of the sprawling battlefield, as well as an examination of soldiers' personal experiences, the use of Native American troops, and the role of Pea Ridge in regional folklore. "A model campaign history that merits recognition as a major contribution to the literature on Civil War military operations.--Journal of Military History "Shines welcome light on the war's largest battle west of the Mississippi.--USA Today "With its exhaustive research and lively prose style, this military study is virtually a model work of its kind.--Publishers Weekly "A thoroughly researched and well-told account of an important but often neglected Civil War encounter.--Kirkus Reviews "Offers the rich tactical detail, maps, and order of battle that military scholars love but retains a very readable style combined with liberal use of recollections of the troops and leaders involved.--Library Journal "This book is assured of a place among the best of all studies that have been published on Civil War campaigns.--American Historical Review "Destined to become a Civil War classic and a model for writing military history.--Civil War History "A campaign study of a caliber that all should strive for and few will equal.--Journal of American History "An excellent and detailed book in all accounts, scholarly and readable, with both clear writing and excellent analysis. . . Utterly essential . . . for any serious student of the Civil War.--Civil War News

Grant vs. Lee

In Four Volumes. Volume 1, From Sumter To Shiloh; Volume 2, North To Antietam; Volume 3, Retreat From Gettysburg; And Volume 4, The Way To Appomattox.

The American Civil War

The largest and most destructive military conflict between the Napoleonic Wars and the First World War, the American Civil War has inspired some of the best and most intriguing scholarship in the field of United States history. This volume offers some of the most important work on the war to appear in the past few decades and offers compelling information and insights into subjects ranging from the organization of armies, historiography, the use of intelligence and the challenges faced by civil and military leaders in the course of America's bloodiest war.

The Civil War on the Border Volume 1

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. Stone's River: The Turning-Point of the Civil War

On July 21, 1861, near a Virginia railroad junction twenty-five miles from Washington, DC, the Union and Confederate armies clashed in the first major battle of the Civil War. This revised edition of Hennessy's classic is the premier tactical account of First Manassas/Bull Run. • Combines narrative, analysis, and interpretation into a clear, easy-to-follow account of the battle's unfolding • Features commanders who would later become legendary, such as William T. Sherman and Thomas J. Jackson, who earned his "Stonewall" nickname at First Manassas

Pea Ridge

Publisher Description

Great Battles of the American Civil War

New York Times bestselling authors Newt Gingrich and William R. Forstchen conclude their inventive trilogy with this remarkable answer to the great "what if" of the American Civil War: Could the South have indeed won? After his great victories at Gettysburg and Union Mills, General Robert E. Lee's attempt to bring the war to a final conclusion by attacking Washington, D.C., fails. However, in securing Washington, the remnants of the valiant Union Army of the Potomac, under the command of the impetuous General Dan Sickles, is trapped and destroyed. For Lincoln there is only one hope left: that General Ulysses S. Grant can save the Union cause. It is now August 22, 1863. Lincoln and Grant are facing a collapse of political will to continue the fight to preserve the Union. Lee, desperately short of manpower, must conserve his remaining strength while maneuvering for the killing blow that will take Grant's army out of the fight and, at last, bring a final and complete victory for the South. Pursuing the remnants of the defeated Army of the Potomac up to the banks of the Susquehanna, Lee is caught off balance when news arrives that General Ulysses S. Grant, in command of more than seventy thousand men, has crossed that same river, a hundred miles to the northwest at Harrisburg. As General Grant brings his Army of the Susquehanna into Maryland, Robert E. Lee's Army of Northern Virginia maneuvers for position. Grant first sends General George Armstrong Custer on a mad dash to block Lee's path toward Frederick and with it control of the crucial B&O railroad, which moves troops and supplies. The two armies finally collide in Central Maryland, and a bloody week-long battle ensues along the banks of Monocacy Creek. This must be the "final" battle for both sides. In *Never Call Retreat*, Newt Gingrich and William R. Forstchen bring all of their critically acclaimed talents to bear in what is destined to become an immediate classic.

North to Antietam

"The best account of the Battle of Antietam" from the award-winning, national bestselling author of *Gettysburg* and *Chancellorsville* (The New York Times Book Review). The Civil War battle waged on September 17, 1862, at Antietam Creek, Maryland, was one of the bloodiest in the nation's history: in this single day, the war claimed nearly 23,000 casualties. In *Landscape Turned Red*, the renowned historian Stephen Sears draws on a remarkable cache of diaries, dispatches, and letters to recreate the vivid drama of Antietam as experienced not only by its leaders but also by its soldiers, both Union and Confederate. Combining brilliant military analysis with narrative history of enormous power, *Landscape Turned Red* is the definitive work on this climactic and bitter struggle. "A modern classic."—The Chicago Tribune "No other book so vividly depicts that battle, the campaign that preceded it, and the dramatic political events that followed."—The Washington Post Book World "Authoritative and graceful . . . a first-rate work of history."—Newsweek
