The Fat Cat

"It's official. That thing that classic art has been missing is a chubby reclining kitty." —The Huffington Post Internet meme meets classical art in Svetlana Petrova's brilliant Fat Cat Art. Featuring her twenty-two-pound, ginger-colored cat Zarathustra superimposed onto some of the greatest artworks of all time, Petrova's paintings are an Internet sensation. Now fans will have the ultimate full-color collection of her work, including several never-before-seen pieces, to savor for themselves or to give as a gift to fellow cat lovers. From competing with Venus's sexy reclining pose (and almost knocking her off her chaise lounge in the process) in Titian's Venus of Urbino, to exhibiting complete disdain as he skirts away from God's pointing finger in Michelangelo's Creation of Adam, Zarathustra single-handedly rewrites art history in the way that only an adorable fat cat can.

Fat Cat on a Mat

A very funny animal story from the award-winning writer Dick King-Smith Laurence Higgins, an enormously fat black cat, has breakfast with Mrs Higgins, lunch with the Normans, tea with old Mr Mason and supper with the Barclay-Lloyds. His friends tell him to lose weight if he wants a girl friend so he begins to spend one day in four with all his owners. He gets thinner but the cat he fancies down the road tells him she doesn't like slim boys - she's lost her heart to an enormously fat black cat she used to see up the road! Triumphant Lawrence returns to his four meals a day, spurred on by the thought of meeting Bella when he's back to his normal size.

Quincy's escape is the last thing Chase needs after the nasty run-in she has with underhanded business rival Gabe Naughtly. Chase tracks Quincy down in a neighbor's kitchen, where he's devouring a meatloaf, unaware of the much more serious crime he's stumbled upon. Gabe's corpse is lying on the kitchen floor, and when Chase is discovered at the murder scene, she becomes suspect number one. Now, with a little help from her friends—both human and feline—she'll have to catch the real killer or wind up behind bars that aren't so sweet. Includes recipes for people and cats!

Fat Cats and Democrats

Madeleine Levy was diagnosed with Asperger's syndrome at the age of eight. This is a book about her life growing up and the education system as she experienced it. When she was asked by her nursery school teacher what she wanted to be when she grew up, Madeleine's reply was very different to all the other children's: she wanted to be a cat. Later she was bullied for being different - for being bi-sexual, for having autism, or just for being, as she puts it, a weird goth kid. When I Grow Up I Want to Be a Cat is not just a brilliantly frank memoir but also in part a supportive guide for youngsters with autism and their parents or carers, and in part a critique of the education system whose standardised support Madeleine found lacking. It is a book that genuinely gives the perspective from someone on

the autistic spectrum - and not just Madeleine's own voice but the voices of nine other individuals with autism spectrum disorder whom she has interviewed for the book. Whatever your interest in autism or whatever your reason for reading it, *When I Grow Up I Want to Be a Cat* is an unforgettable read in which Madeleine addresses the highs and the lows of her life with compelling honesty, and which ultimately carries a hugely positive message for anyone who is facing struggles in life just for being different.

One Fat Cat

The world of cats is humorously depicted in this well-known collection of illustrations. World renowned cartoonist Ronald Searle has satirically but lovingly portrayed his feline friends in outlandish almost human entanglements. A remarkably hairy cat facing a dandruff problem, a vanity-stricken balding cat wearing an unsuitable wig, and a cat of a thousand disguises concealing itself as a rug are just some of the witty full-color illustrations that everyone, but cat lovers in particular, will find irresistible.

Fat Cat

A cat sits in the doorway and tries to decide whether to go inside where he might get fed again, go outside where he might have an adventure, or stay where he is.
