New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In Radical, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

Over 500,000 copies sold "Why is God allowing this? What have I done wrong?" Many of us have asked these questions when life hits us hard. When our circumstances defy explanation, it is difficult to untangle our emotions from the truth. Before long, we feel confused and frustrated. We doubt His care for us. We wonder how He could allow these circumstances at all, or if He is really in control. During a time of darkness and adversity in his own life, Jerry Bridges dug deep into the Bible for answers on God's sovereignty. What he learned changed his life—and it will change yours too. Find the answers to some of your most heartfelt questions, such as: Is God in control? Can I trust God? What is our responsibility when things are hard? How can I grow through adversity? And more Explore the scope

of God's care and control over nations, nature, and the tiny details of your life. You'll find yourself trusting Him more completely even when life hurts. Now with an added study guide for personal use or group discussion so you can dive deeper into this staple of Jerry Bridges's classic collection. "The writings of Jerry Bridges are a gift to the church. He addresses a relevant topic with the wisdom of a scholar and the heart of a servant." —Max Lucado, pastor and bestselling author

The Rotarian

"I hope that as you start praying the Psalms, you will feel His presence in all the things that you do and you will feel His guidance through both storms and long periods of waiting. I hope that you will see God as your life and breath instead of as your religion." The Psalms are among the most beautiful poems ever written, but sometimes they feel very far from us and our daily struggles and goals. In *Psalms for Trials: Meditations on Praying the Psalms* by Lindsey Tollefson, we see that the Psalms are not just pious words for the religious, but they are meant to be our prayers for every trial we face, just as they have been a comfort for generations of Christians before us, including King David and the Lord Jesus. The Psalms allow us to pour ourselves out in prayer to God and to receive the comfort that comes from the promises found in His Word. This book includes forty-four bite-sized reflections on the Psalms, each ending with concrete recommendations on how to use the Psalms in your prayers and more importantly, how to live them out. After you have read this book, your prayers will never be the same again.

Some Trust in Chariots: Sixteen Views on Erich Von Däniken's Chariots of the Gods?

Becoming His Masterpiece is a unique devotional book purposefully pairs stunning abstract art with Christian devotionals to provide readers with encouragement and spiritual sustenance along the life-long discipleship journey. Author/artist, Sharon Collins shares the profound spiritual lessons God is teaching her as a new painter and writer. Sharon writes with energy and her vivid paintings reflect a relationship with Jesus Christ. *Becoming His Masterpiece* includes fifty-two devotional/painting pairings, providing year-long nourishment for the journey of a lifetime. At the age of sixty-seven, Sharon Collins felt unprepared to answer God's call on her life to create an online artistic devotional. She had little painting experience, knew nothing about websites, and had written few devotionals. In 2018, God reminded Sharon that He was the Author and Painter, and her job was to listen. Sharon soon realized she listened best while exercising in her pool. It was a place where God gave her constant inspiration and ideas for devotionals and paintings - she even bought a wetsuit to swim in the winter! Ultimately, God used Sharon's unlikely source of writing and painting for His glory, so that others would be drawn towards God's beautiful design for them. Woven through the devotionals is a key truth: spending time with God nourishes the soul and feeds one's journey. Using frequent Biblical references, Sharon writes with energy and candor about topics such as trust, submission, obedience, and perseverance. Sharon invites readers to join her in a visually stunning and refreshingly written devotional. *Becoming His Masterpiece* will appeal to Christian art lovers.

Author, founder and president of Quiet Time Ministries Catherine Martin enthusiastically writes, speaks, and teaches devotion to God through His Word. In her new book, she presents the many names of God, describes how they reveal His character, and explains that by trusting in them readers can better understand who God is. Whether you are a long-time lover of the Word of God, hungering for a deeper walk with Christ, or a new Christian and reading the Bible seems overwhelming, *Revealed in Ephesians: The Mystery of Who I am in Christ* is an exhilarating in-depth, inductive study to reveal the hope of your calling in Christ Jesus. This 12 week study equips women to grow in confidence in prayer, and to read the scriptures through the revelation of the Holy Spirit in 5 days a week personal study. Learn to seek the Lord for personal

intimacy through his Spirit, to find spiritual and emotional health in relationships, to overcome obstacles like bitterness, fear and depression through God's truth, to understand your position in Christ, and to be empowered in spiritual warfare with a study of the armor of God. Each day of study begins by teaching you to personalize Paul's prayers for the Ephesians. There is a daily focus on committing these prayers — and other key scriptures — to memory. Briana teaches women to use Bible study tools and apps to bring everyday study to life. This is not just a fill in the blank study, but includes commentary and a "bringing it home" challenge for life-changing personal and family application. Revealed in Ephesians can be used as a group study, with free online teachings, or a personal, daily Bible study. You will have free access to podcasts and videos of Briana's teaching on the overarching principles and challenging parts of the daily studies at briananei.com

Praise and Worship with Flags reveals the power of using worship flags under the guidance of the Holy Spirit. Delores Hillsman Harris has been using worship flags for years, and first became aware of the Holy Spirit watching over her as she used them during a service in 2003. With a streamer in hand, she felt His power—and she remains a flag bearer and member of her church's dance ministry. The author points the reader to the flags' biblical truths, which have been understated, and takes you on a journey to discover these truths with Scripture. As you read, you'll find out why to use flags and how to use them with power—as well as how to use them while worshipping at home. You will feel the power of the Holy Spirit and discover the power of God when he combines with color, prayer, and love. Discover the meaning, significance, and benefits of using worship flags and join the author as she celebrates the power of the Holy Spirit.

Names have power--and knowing God's name is to enjoy a kind of privileged access to him. Join bestselling author Ann Spangler as she invites you to experience God's love and power by exploring the Hebrew names of God. Names in the ancient world did more than simply distinguish one person from another. In fact, they often conveyed the essential nature and character of a person. This is especially true when it comes to the names of God recorded in the Bible: El Shaddai, Elohim, Adonai, Abba, El Elyon. Praying the Names of God is a twenty-six-week devotional study that explores the most prominent names of God in the Old Testament to reveal the deeper meanings behind them and to teach you how to pray through them. Each name or title is broken down into three sections each week: Monday: Study a portion of Scripture that reveals a specific name of God Tuesday through Thursday: Pray specific Scripture passages related to the name Friday: Pray Scripture promises connected to the name As you journey through this devotional, you'll gain a more intimate understanding of who God is and how he can be relied upon in every circumstance of your life, enabling you to echo the psalmist's prayer: "Some trust in chariots and some in horses, but we trust in the name of the Lord our God."

The Holy Bible Containing the Old and New Testaments

Sermons for Your Soul is a collection of sermons written to encourage, and strengthen the faith of the believer. It has the dual purpose of also encouraging and drawing to Christ those individuals who have not accepted Him as their Lord and Savior. The personal stories of faith intertwined throughout the book, are mostly based on the experiences of the author. Although Sermons for Your Soul is a book of sermons it can also be used as a devotional tool. There are many scriptures embedded in the sermons for study and contemplation. I pray that the reader will be inspired through this book to trust God and to know that because He is omnipresent, they are never alone in what they go through. I also pray that their faith will increase as their worries decrease through the reading of these sermons.

Trusting God

"God is not a man that, He should lie, Nor a son of man, that He should repent. Has He said, and will He not do? Or has He spoken, and will He not make it good?" - Numbers 23:19 God is so faithful, but He does something that the world doesn't. God makes us wait. When we are enduring we encounter different emotions like frustration, weariness, anger, and sometimes we just don't understand what God is doing. In these moments, where our faith is tried, it is important to lift up our eyes to the hill and know where our help comes from. Psalm 121:1-2 says, "I will lift up my eyes to the hills - From whence comes my help? My help comes from the LORD, Who made heaven and earth." In the midst of trials and tribulations, that occur while waiting, we have to stay rooted in the Word Of God. During the time of waiting, trusting in the things of this world is not an option according to Psalm 20:7, "Some trust in chariots, and some in horses; But we will remember the name of the LORD our God." While waiting on The Lord we pray, we fast, and worship the LORD knowing that He is going to see us through. Proverbs 3:5-6 tells us, "Trust in the LORD with all your heart, And lean not on your own understanding; In all your ways acknowledge Him, And He shall direct your paths." While waiting, trust in the LORD and know that He will see you through.

Psalms for Trials: Meditations on Praying the Psalms

Most people spend at least 40 hours a week in activities related to the God-ordained institution of work. The Life@Work Devotional helps Christians explore the Bible with challenging daily readings designed to help integrate faith with the realities of one's career. This devotional centers on the Bible's wisdom literature - Psalms, Proverbs, Song of Solomon, Ecclesiastes, and James.

Becoming His Masterpiece

Have you ever looked into the faces of the people who call you "mom" and wondered what in the world you got yourself into? If you're like many Christian moms today, you've been reading the headlines and watching the rapid-fire changes in our culture with frustration and fear. Let's face it: Moms today are facing questions that previous generations didn't even see coming, and even our right to determine what is best for our own children is under fire. Popular speaker and blogger Heidi St. John (The Busy Mom) believes that today's mothers need a special kind of strength. We need to be strong in the Lord and in the power of His might. We dare not rely on human strength for the battles we're facing right now. In Becoming MomStrong, Heidi has a powerful message just for you—the mom in the midst of it all. Through encouragement, practical prayer points, and authentic "me-too" moments, Heidi equips you for a job that only you can do: to train your children to hear God's voice and to walk in truth no matter where our culture is heading. God wants to use this generation of mothers to do something extraordinary: To be strong in the Lord To know who you are in Christ, and To impart that strength to your kids. In other words, He wants you to be MomStrong! So if you're feeling tired or inadequate today, get ready to find new strength as you join Heidi St. John in Becoming MomStrong.
