Life Lessons from Andy Wink

"Life Lessons from Andy Wink" is about a 6th grade Colorado student who is very mature for his age. Andy sees things differently than most other 6th graders. His philosophy is we're all put on this earth for a reason. He figures the reason he was put on earth is simple, to help people out. If you look closely, every day has a life lesson in it, for Andy and everyone else. We all face challenges every day. Some of the challenges are fun, some of them not so fun, but that doesn't matter. At the end of every challenge, there's always a life lesson. We learn from that life lesson and then we move on. "Life Lessons from Andy Wink" gives a realistic account of situations that children in the tween years deal with every day. Each chapter finds Andy Wink in a different situation and in the end he always learns a valuable lesson from each experience. Andy Wink is the voice for school children everywhere. Andy sees with the eyes of everyman and debates the universal questions facing students. Andy always arrives at the perfect solution for him, his family, and his friends. He relates his experiences with humor, insight, and a down-to-earth attitude that kids and adults of all ages can connect with. "Life Lessons from Andy Wink" is filled with bittersweet stories that will make the reader reflect on his or her own life experiences. It will make you laugh and cry and will help young readers realize they are not alone in the struggles of growing up. Some of the chapters include "Stinky Steve" (Andy helps a friend with a hygiene problem), "The Poem" (Andy finds a beautiful poem and tries to find its owner by going through the different cliques at school), "The School Play" (Andy auditions for the school play because he has a crush on a girl), "The Housesitter" (Andy learns the real meaning of the word responsibility), "My Grandpa" (Andy deals with the loss of his last living grandparent), "Spring Break" (the Wink family suffers through a series of catastrophes on two separate spring breaks), "My New School" (Andy transitions from elementary school to middle school and examines who he is and what he wants to become as he journeys down the road toward adulthood).

Life's Lessons from Mayberry

The simple but profound lessons from "The Andy Griffith Show" are now contained in the new book, "Life's Lessons from Mayberry: Homespun Proverbs from America's Favorite Small Town". More than 200 sayings are listed and illustrated with dialogue and photos from the show.

Adulthood for Beginners

"A hilarious guide to help young workers not be idiots....a guide to being an adult in the modern age." --Chicago Tribune Stop saying "adulting" -- and other life advice you didn't know you needed. But you do. It's no secret that being a grown-up can be hard. Most people spend a decade or more figuring out the unwritten rules of life through trial and error (mostly error). Does Andy Boyle have everything figured out? No. But the honest and good-natured advice in this genuinely helpful book will help any newly minted adult get through the hard parts faster, guaranteed. (Note: sorry, not literally guaranteed.) Topics include: * The A**hole Test * "Friend Zone," "Adulting," and Other Things to Stop Saying * Should I Get Back with My Ex? (Spoiler: No) * Networking Like a Not Gross Person * Failing Isn't Failure, and Other Mostly Good Rules to Live By * Don't Be Creepy Perfect for anyone who's ready to graduate into adulthood, or at least out of their mom's basement.

The Sense of an Ending

A monumental novel capturing how one man comes to terms with the mutable past. 'A masterpiece... I would urge you to read - and re-read ' Daily Telegraph **Winner of the Man Booker Prize for Fiction** Tony Webster and his clique first met Adrian Finn at school. Sex-hungry and book-hungry, they would navigate the girl-less sixth form together, trading in affectations, in-jokes, rumour and wit. Maybe Adrian was a little more serious than the others, certainly more intelligent, but they all swore to stay friends for life. Now Tony is retired. He's had a career and a single marriage, a calm divorce. He's certainly never tried to hurt anybody. Memory, though, is imperfect. It can always throw up surprises, as a lawyer's letter is about to prove.

The Putnam Hall Rivals

Reproduction of the original: The Putnam Hall Rivals by Arthur M. Winfield

Harbingers of Books to Come

The first major autobiography by a Texas poet, this noteworthy account traces the life and times of a poet, publisher, critic, and teacher from his childhood to the present day. This remarkable life is examined through the works it produced--25 books in the fields of poetry, fiction, translation, jazz history, and book reviewing. Proving that the literary and intellectual life in Texas far surpasses the state's stereotypes, this record shows how the poet was instrumental in connecting Texas with many Latin American writers as well as with a wide world of music.

Welcome to the club

In Welcome to the club, Manchester legend DJ Paulette shares the highs, lows and lessons of a thirty-year music career, with help from some famous friends. One of the Hacienda's first female DJs, Paulette has scaled the heights of the music industry, playing to crowds of thousands all around the world, and descended to the lows of being unceremoniously benched by COVID-19, with no chance of furlough and little support from the government. Here she tells her story, offering a remarkable view of the music industry from a Black woman's perspective. Behind the core values of peace, love, unity and respect, dance music is a world of exclusion, misogyny, racism and classism. But, as Paulette reveals, it is also a space bursting at the seams with powerful women. Part personal account, part call to arms, Welcome to the club exposes the exclusivity of the music industry while seeking to do justice to the often invisible women who keep the beat going.

Life Lessons from Andy Wink

The Way Back to Mayberry

"Everything I know about life, I learned from The Andy Griffith Show," says Joey Fann, author of *The Way Back to Mayberry* and founder of BarneyFife.com. Millions would agree. Many factors contribute to the continued worldwide success of the television classic that made a smalltown sheriff, his son Opie, Aunt Bea, and a comedic deputy famous. Fans know the most important element of this popularity is the program's emphasis on basic moral principles; almost every episode provides a lesson, a good example, or helpful word. Coinciding with the 50th anniversary of *The Andy Griffith Show*, this new edition of *The Way Back to Mayberry* draws out the subtle parables found in thirty favorite episodes, including "Opie's Charity," "Man in a Hurry," "Andy on Trial," "Barney and the Choir," "Deputy Otis," "The Jinx," "Sermon for Today," and "Christmas Story." Also includes 32 black & white photographs.

Stroke Survivor

'Having had a stroke aged 37 years, Andy McCann has written this clear, easily readable account of his experiences, showing insight and the value of his learning along his personal journey...This book would be invaluable for any health professional, including technicians and students, with any level of experience, to increase his or her knowledge and awareness of a patient's perspective, and would act as a useful departmental resource. Stroke survivors and carers would also benefit, particularly when needing to participate in a rehabilitation goal setting programme... this book is educational and motivational, and has an excellent practical section which could be an inspirational read for professionals, patients and carers.' -British Journal of Occupational Therapy 'Andy says 'I hope that reading this book has proved to be an uplifting, interesting and at times educational experience.' It certainly was for me; I read it in 3 days, and at times could not put it down.' - The Acquirer (Acquired Brain Injury Newsletter) 'Andy McCann tells his own story of experiencing a sudden stroke at the age of 37. The book is both a personal story and a practical source of advice and information on the topic of stroke. Issues covered range from managing financial security and understanding medical terminology, to coming to terms with a new sense of vulnerability and dealing with the attitudes of friends and family. The book also offers advice on establishing a healthier and more balanced lifestyle in order to prevent strokes.' - Headway News 'It is an inspirational, yet offers practical information for anyone concerned with the stroke recovery journey. Andy's personal story is poignant and informative. He presents an informed understanding of the anatomy, physiology and pathophysiology of stroke. The book explains clearly the effects of the stroke and prognosis. There is also a toolkit for recovery, prevention and a useful section on financial matters. It is a great read'. - Nursing Standards 'McCann, who was formerly a British physical education teacher until he suffered a cerebellar stroke at the age of 37, outlines the symptoms of brain damage as they relate to stroke in his own experience, and explains the anatomy of the brain and it's blood supply. The final section recommends medicines, physical activities, and nutrition for recovery and prevention' - Book News 'This is more than a persona guide to recovery after a stroke and more than a book about stroke. It is an extraordinary journey through a part of someone's life by an extraordinary person who not only sees himself as having survived a life changing illness, but someone who has gained from it. This book is a reminder of the fragility of life and all that we take for granted in our everyday lives and defines a way forward for those who find themselves in this, or similar circumstances and for those who want to enhance their knowledge of illness, prevention of illness and recovery...This book should be essential reading for survivors and those close to them, for relevant professionals and for those wanting to extend their knowledge about strokes and other illnesses which impact on an individual's life course'. -Brain Injury Social Work Group (BISWG) * At the age of 37 Andy McCann was physically fit, strong and in good health. Then, mid-way through

instructing his weekly martial arts class, he experienced a stroke and was rushed to hospital. Until then, the word 'stroke' had meant little to Andy, and in this book he recounts the many difficulties in learning to live with his new situation. Funny, poignant and informative, the book is not just a personal story, but also offers a wealth of advice and information for anyone who wants to know more about strokes. He explores a broad range of issues experienced by stroke survivors, from the very practical considerations of managing financial security and understanding medical approaches and terminology to the more personal challenges of coming to terms with a new sense of vulnerability and dealing with the attitudes of friends and family. The common thread throughout is Andy's insistence that he will not be a 'stroke victim' but a 'stroke survivor', determined to live with his new set of circumstances in a positive way. This book is a compelling yet practical source of information that will be valued by professionals and patients alike - whether a fellow stroke survivor, a concerned family member or a health or social care professional working with stroke victims.

Playing God

With *Playing God*, Andy Crouch opens the subject of power, elucidating its subtle activity in our relationships and institutions. He gives us much more than a warning against abuse, though. Turning the notion of "playing God" on its head, Crouch celebrates power as the gift by which we join in God's creative, redeeming work in the world.

Limitless

An instant New York Times bestseller and #1 Wall Street Journal bestseller. JIM KWIK, the world's #1 brain coach, has written the owner's manual for mental expansion and brain fitness. *Limitless* gives people the ability to accomplish more--more productivity, more transformation, more personal success and business achievement--by changing their Mindset, Motivation, and Methods. These "3 M's" live in the pages of *Limitless* along with practical techniques that unlock the superpowers of your brain and change your habits. For over 25 years, Jim Kwik has worked closely with successful men and women who are at the top in their fields as actors, athletes, CEOs, and business leaders from all walks of life to unlock their true potential. In this groundbreaking book, he reveals the science-based practices and field-tested tips to accelerate self learning, communication, memory, focus, recall, and speed reading, to create fast, hard results. Learn how to: **FLIP YOUR MINDSET** Your brain is like a supercomputer and your thoughts program it to run. That's why the Kwik Brain process starts with unmasking assumptions, habits, and procrastinations that stifle you, redrawing the borders and boundaries of what you think is possible. It teaches you how to identify what you want in every aspect of your life, so you can move from negative thinking to positive possibilities. **IGNITE YOUR MOTIVATION** Uncovering what motivates you is the key that opens up limitless mental capacity. This is where Passion + Purpose + Energy meet to move you closer to your goals, while staying focused and clear. Your personal excitement will be sustainable with self-renewing inspirations. Your mind starts strong, stays strong, and drives further exponentially faster. **MASTER THE METHOD** We've applied the latest neuroscience for accelerated learning. Our process, programs, podcasts, and products unleash your brain's own superpowers. Finish a book 3x faster through speed reading (and remember every part of it), learn a new language in record time, and master new skills with ease. These are just a few of the life-changing self-help benefits. With Kwik Brain, you'll get brain-fit and level-up your mental performance. With the best Mindset, Motivation and Method, your powers become truly limitless.

All Teachers Great and Small (Book 1)

A memoir of lessons and life in the Yorkshire Dales... Warm, touching and very funny, *All Teacher's Great and Small* transports you to a time that may be gone but has never been forgotten. Andy Seed's memoir is sure to charm fans of Jack Sheffield and Gervase Phinn's nostalgic style. 'Heart-warming and hilarious' - Daily Mail Dear Mr Seed, I am sorry that Jack was not at school yesterday. He put on such a growth spurt in the night that none of his clothes fitted him next morning so I had to take him to the shops. Mrs R. Twenty-five years ago, newly qualified teacher Andy Seed moved to a remote village in the Yorkshire Dales with his wife Barbara, anticipating breath-taking views and the gentle simplicity of the countryside. The picturesque scenery did not disappoint. But life as a primary school teacher was anything but simple. With a classroom full of colourful characters whose capacity for misunderstanding was exceeded only by their enthusiasm and their ability to leave him incredulous, Andy fell in love with teaching and with village life. *All Teachers Great and Small* tells the true story of Andy's first year at Cragthwaite Primary School - how he bravely negotiated the vagaries of the local dialect, made

disastrous bids to provide a family home, naively and hilariously tried out new-fangled ideas in a school stuck in a 1950s time warp, and ultimately discovered a little part of England he was proud to call home. What readers are saying about *All Teachers Great and Small*: 'I howled with laughter on many occasions reading this book - it's a treasure!' 'Andy Seed brings the Dales to life with his memorable stories about rural school life in the 1980s. I loved this book' 'This book spoke to me on so many levels. It really is a jolly good read, and written with love and enthusiasm'

The Putnam Hall Cadets

"The Putnam Hall Cadets" by Edward Stratemeyer is a thrilling boys' adventure novel that is part of the "Putnam Hall" series. In this installment, readers are introduced to a group of young cadets who attend the fictional Putnam Hall Military Academy. The story revolves around the lives of these cadets as they engage in a variety of adventures and challenges. They are a tight-knit group of friends who value loyalty and teamwork, and their camaraderie is central to the narrative. Throughout the book, the cadets find themselves facing various trials and tribulations, both within the academy and beyond its walls. These challenges include academic exams, athletic competitions, and even unexpected mysteries that they must solve. The young cadets must use their intelligence, resourcefulness, and determination to overcome these obstacles. Edward Stratemeyer's storytelling emphasizes the values of honor, integrity, and hard work. The characters' growth and development are central to the narrative, as they learn important life lessons and grow into responsible young men. "The Putnam Hall Cadets" is not only an exciting adventure story but also a tale of character development and moral growth. It offers readers a glimpse into the world of a military academy and the challenges faced by young cadets as they strive to become better individuals. This classic boys' adventure novel is an engaging and inspiring read, showcasing the importance of friendship, perseverance, and ethical values in the lives of young men.

Edward Stratemeyer's writing continues to captivate readers with its timeless themes of honor and personal growth.

Do Princesses Wear Hiking Boots?

Every inquisitive little girl wonders what it is really like to be a genuine princess. At the heart of *Do Princesses Wear Hiking Boots?* lives an energetic, spirited, and contemporary child who has lots of important questions for her mom. Do princesses ride tricycles, climb trees, do chores, or have to eat the crusts of their bread? The mother's voice is timelessly reassuring as she answers her daughter's questions and advises her that being like a princess has to do with what we are on the inside.

Video Movie Guide 2002

What do scientists know about the possibility of life outside our solar system? How does Catholic science fiction imagine such worlds? What are the implications for Catholic thought? This collection brings together leading scientists, philosophers, theologians, and science fiction authors in the Catholic tradition to examine these issues. In the first section, Christian scientists detail the latest scientific findings regarding the possibility of life on exoplanets. The second part brings together leading Catholic science fiction authors who describe how "alien" life forms have been prevalent in the Catholic imagination from the Middle Ages right up to the present day. In the final section, Catholic philosophers and theologians examine the implications of discovering intelligent life elsewhere in the universe. Rather than worrying that the discovery of intelligent extraterrestrials might threaten the dignity of humans or their existence, the contributors here maintain that such creatures should be welcomed as fellow creatures of God and potential subjects of divine salvation.

Extraterrestrials in the Catholic Imagination

August is an average twelve year old - he likes dogs and fishing, and doesn't even mind early morning chores on his family's farm. When his parents' marriage falls apart and he has to start over in a new town, he tries hard to be an average teen - playing football and doing his homework - but he struggles to form friendships, and when a shocking act of violence pushes him off course once more, he flees to rural Montana. There, as he throws himself into work on a ranch, he comes to learn that even the smallest of communities have secrets and even the most broken of families have a bond. Beautifully written and unfolding against an epic American landscape, *August* is a compelling, authentic and poignant story of the joys and traumas that irrevocably shape us all.

August

Join our hero, Michael John, on an EPIC pirate quest to find his lost treasure chest! Learn about far off islands and strange sea creatures on this sailing adventure... and don't forget, X Marks the Spot!

The Adventures of Michael John

On the surface, Mia Tyler led a seemingly perfect life. She was a world-renowned plus-size model and the daughter of Aerosmith's Steven Tyler and seventies It girl Cyndi Lauper. But growing up under the shadow of celebrity wasn't as glamorous as it's cracked up to be. From a poverty-stricken childhood in New Hampshire to running with troubled rich kids on Manhattan's Upper East Side, she has an incredible story to tell. In *Creating Myself*, Mia shares scintillating details about her rock-and-roll family, as well as battling her own personal demons: dumping her mother's cocaine vial down the toilet at just eight years old, running around backstage at her father's concerts (including the one where she first met her sister, Liv), and attempting to distract herself from her pain through drug addiction and

self-mutilation. Yet this memoir is ultimately a tale of redemption. Mia learns that in order to truly grow up, she must forgive both herself and those who hurt her, give up the quest for perfection, and acknowledge that she is still a work in progress. *Creating Myself* is raw and inspirational, the tale of a hell-and-back journey from the depths of depression and addiction to triumphant self-discovery.

Creating Myself

The man behind the *Real Housewives* writes about his lifelong love affair with pop culture that brought him from the suburbs of St. Louis to his own television show. From a young age, Andy Cohen knew one thing: He loved television. Not in the way that most kids do, but in an irrepressible, all-consuming, I-want-to-climb-inside-the-tube kind of way. And climb inside he did. Now presiding over Bravo's reality TV empire, he started out as an overly talkative pop culture obsessive, devoted to *Charlie's Angels* and *All My Children* and to his mother, who received daily letters from Andy at summer camp, usually reminding her to tape the soaps. In retrospect, it's hard to believe that everyone didn't know that Andy was gay; still, he remained in the closet until college. Finally out, he embarked on making a career out of his passion for television. The journey begins with Andy interviewing his all-time idol Susan Lucci for his college newspaper and ends with him in a job where he has a hand in creating today's celebrity icons. In the witty, no-holds-barred style of his show *Watch What Happens Live*, Andy tells tales of absurd mishaps during his ten years at CBS News, hilarious encounters with the heroes and heroines of his youth, and the real stories behind *The Real Housewives*. Dishy, funny, and full of heart, *Most Talkative* provides a one-of-a-kind glimpse into the world of television, from a fan who grew up watching the screen and is now inside it, both making shows and hosting his own.

Forthcoming Books

Summary Specification by Example is an emerging practice for creating software based on realistic examples, bridging the communication gap between business stakeholders and the dev teams building the software. In this book, author Gojko Adzic distills interviews with successful teams worldwide, sharing how they specify, develop, and deliver software, without defects, in short iterative delivery cycles. *About the Technology Specification by Example* is a collaborative method for specifying requirements and tests. Seven patterns, fully explored in this book, are key to making the method effective. The method has four main benefits: it produces living, reliable documentation; it defines expectations clearly and makes validation efficient; it reduces rework; and, above all, it assures delivery teams and business stakeholders that the software that's built is right for its purpose. *About the Book* This book distills from the experience of leading teams worldwide effective ways to specify, test, and deliver software in short, iterative delivery cycles. Case studies in this book range from small web startups to large financial institutions, working in many processes including XP, Scrum, and Kanban. This book is written for developers, testers, analysts, and business people working together to build great software. Purchase of the print book comes with an offer of a free PDF, ePub, and Kindle eBook from Manning. Also available is all code from the book. *What's Inside* Common process patterns How to avoid bad practices Fitting SBE in your process 50+ case studies ===== Table of Contents Part 1 Getting started Part 2 Key process patterns Part 3 Case studies Key benefits Key process patterns Living documentation Initiating the changes Deriving scope from goals Specifying collaboratively Illustrating using examples Refining the specification Automating validation without changing specifications Validating frequently Evolving a documentation system uSwitch RainStor Iowa Student Loan Sabre Airline Solutions ePlan Services Songkick Concluding thoughts

Most Talkative

There can only be one winner in the ruthless game to control The City. The players include: an intelligent female scientist with a life-saving discovery, a detective seeking justice from an uncaught serial killer, an irresponsible time traveler wishing he belonged, a powerful android leader seeking retribution for her kind, and a governor unsure if he's the good guy or the bad guy. Who will succeed? Or will a mysterious, villainous presence stop them all? *COLIGO* is the first installment in *The UNITAS Series*. In *The City*, Governor Colin O'Connor and his counterpart, The Supreme, attempt to unify a tense society while competing for power. While contemplating his next move, Colin is drawn to Dr. Julie Walsh, the inventor of a life-saving antidote. When he offers her his help to bring her discovery before The City's most innovative biotech company, *COLI*GO*, she can't say no. But Julie soon discovers Colin has his own dark secret: he and his accomplice will do anything to protect The City, including murder. Colin never fears getting caught, until Julie's friend, Detective Jones, strings together his latest crimes with help

from a time traveler working for The Supreme. Together with the antidote and time travel, The Supreme and Governor O'Connor must fight for power in their quest to save The City.

Specification by Example

This volume is a comprehensive collection of critical essays on *The Taming of the Shrew*, and includes extensive discussions of the play's various printed versions and its theatrical productions. Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play. The issues discussed include gender, authority, female autonomy and unruliness, courtship and marriage, language and speech, and performance and theatricality.

What if Darth Vader took an active role in raising his son? What if "Luke, I am your father" was just a stern admonishment from an annoyed dad? In this hilarious and sweet comic reimagining, Darth Vader is a dad like any other—except with all the baggage of being the Dark Lord of the Sith. Celebrated artist Jeffrey Brown's delightful illustrations give classic Star Wars® moments a fresh twist, presenting the trials and joys of parenting through the lens of a galaxy far, far away. Life lessons include lightsaber batting practice, using the Force to raid the cookie jar, Take Your Child to Work Day on the Death Star ("Er, he looks just like you, Lord Vader!"), and the special bond shared between any father and son. Plus, this is the fixed-format version, which looks almost identical to the print edition.

The New York Times Theatre Reviews 1999-2000

Supernatural Hero deals with sensitive topics such as death and bullying with a combination of humor, wit, and empathy. Sixth-grader Andy is your average nerd. He is shy, exceptionally good at math, and in love with Zoe, the popular girl at school. He feels lonely both at school and at home, desperately wanting to change his circumstances. After Andy's grandpa passes away, Andy soon discovers he can still see and communicate with Grandpa's ghost. With Grandpa's encouraging spirit by his side, Andy strives to gain the courage to ask Zoe out on a date. But when an evil spirit jeopardizes her safety, Andy must use his newfound gift, as well as abilities he already possesses, to become the hero and save the day. Young readers everywhere will relate to Andy's struggles and can share in his triumphs, finding inspiration to become the heroes of their own stories. *Supernatural Hero* is the winner of numerous awards, including: Best Indie Book Awards 2015—winner; Beverly Hills Book Awards 2014—winner; Reader's Favorite Book contest 2014s—silver medal; Independent Publisher Book Awards 2014—bronze medal; Purple Dragonfly Book Awards 2014—honorable mention; Indie Excellence Book Awards 2014—finalist; London Book Festival 2013—honorable mention.

Darth Vader and Son

This novel follows a free thinking, unorthodox school teacher as he meets (and becomes attracted to) a woman who is his complete opposite. It is a novel of the modern environment, and deals with some of its fragility.

Supernatural Hero

Frederick Douglass recounts early years of abuse, his dramatic escape to the North and eventual freedom, abolitionist campaigns, and his crusade for full civil rights for former slaves. It is also the only of Douglass's autobiographies to discuss his life during and after the Civil War, including his encounters with American presidents such as Lincoln, Grant, and Garfield.

The Sunday Times top 10 bestseller The incredibly moving and powerful memoir of an Auschwitz survivor who made headlines around the world. With a foreword by King Charles III. 'Unforgettable' – Daily Mail When Holocaust survivor Lily Ebert was liberated in 1945, a Jewish-American soldier gave her a banknote on which he'd written 'Good luck and happiness'. And when her great-grandson, Dov, decided to use social media to track down the family of the GI, 96-year-old Lily found herself making headlines round the world. Lily had promised herself that if she survived Auschwitz she would tell everyone the truth about the camp. Now was her chance. In *Lily's Promise* she writes movingly about her happy childhood in Hungary, the death of her mother and two youngest siblings on their arrival at Auschwitz in 1944 and her determination to keep her two other sisters safe. She describes

the inhumanity of the camp and the small acts of defiance that gave her strength. From there she and her sisters became slave labour in a munitions factory, and then faced a death march that they barely survived. Lily lost so much, but she built a new life for herself and her family, first in Israel and then in London. It wasn't easy; the pain of her past was always with her, but this extraordinary woman found the strength to speak out in the hope that such evil would never happen again. 'Utterly compelling, heartbreaking, truthful and yet redemptive, a memoir of the Holocaust, a testimony of irrepressible spirit and an unforgettable family chronicle, written in lucid prose by a truly remarkable woman . . . I couldn't stop reading it.' – Simon Sebag Montefiore

Life and Times of Frederick Douglass

At Beverly Hills High, you have to be ruthless to survive... Adrianna Bottom always wanted to be liked. But this wasn't exactly what she had in mind. Now, she's in the spotlight...and out of her geeky comfort zone. She'll do whatever it takes to turn the rumor mill in her favor—even if it means keeping secrets. So far, it's working. Wear the right clothes. Say the right things. Be seen with the right people. Kevin, the adorable sketch artist who shares her love of all things nerd, isn't exactly the right people. But that doesn't stop Adrianna from crushing on him. The only way she can spend time with him is in disguise, as Princess Andy, the masked girl he's been LARPing with. If he found out who she really was, though, he'd hate her. The rules have been set. The teams have their players. Game on.

Lily's Promise

The daughter of a king in Cornwall, Juniper enjoys the luxurious life of a medieval princess. But when presented with the opportunity to learn the magic of nature and its healing powers, Juniper opts for the tough route and becomes an apprentice to nature's wisdom. Upon completion of her training and returning home, she discovers her power-mad aunt, Meroot, using black magic to usurp the throne. With the kingdom in peril, the young healer must use her untested powers to stop her mad aunt before the kingdom is destroyed! A prequel to Monica Furlong's *Wise Child*, this enthralling fantasy is a highly reviewed reader favorite. Juniper has been placed near the top of nearly 100 Goodreads.com "Best of" lists, including Best YA Fiction, Best Fantasy Books, and YA Books with Strong Female Characters. Find out why this is such a beloved book!
