The Power Within Your Reach - Robert Collier Collection

The Secret of the Ages by Robert Collier is a groundbreaking exploration of the principles of success, wealth, and personal achievement. Originally published in the early 20th century, this book combines metaphysical insights with practical applications, providing readers with a guide to unlocking their potential and creating a life of abundance.

The Secret Power Within You - Robert Collier Boxed Set

Robert Collier's books have changed many thousands of lives for the better. Collier's Books have recently been brought back to prominence from being referenced in the movie The Secret. Along with The Law of the Higher Potential Collier wrote The God in You, The Secret Power and The Magic Word which were all later combined into The Law of the Higher Potential. In time this title was expanded and the compilation renamed The Law of the Higher Potential, Riches Within Your Reach. The fundamental Law of the Universe, you remember is THE LAW OF ATTRACTION. You attract to you whatever you truly love and bless and believe is YOURS." Robert Collier was an author of self-help, and New Thought metaphysical books in the 20th century. Collier wrote about the practical psychology of abundance, desire, faith, visualization, confident action, and becoming your best.

Be Rich

Here is the "Open Sesame of life"-the hidden formula of how to use your subconscious mind for achievement and success, by the popular author of The Secret of the Ages. In every hallowed fable, legend, and maxim known the world over-from the parables of Christ to the tales of Ali Baba to the riddles of the alchemists-there hides a secret. For those with eyes to see it, this secret can be life-changing. It is so simple that it hides in plain sight, seen yet unseen every day. Writing with the characteristic precision and vividness that has made him one of the greatest inspirational authors of the past century, Robert Collier reveals this secret in his little-known classic, The Life Magnet. What is this great secret? Simply this: The images that you impress upon your subconscious mind-whether of abundance or lack, failure or success-outpicture the surrounding world in startling and unexpected ways. In The Life Magnet, Collier shows how to overcome mental obstacles and use this hidden power-which he variously calls the Divine Mind, the subconscious mind, the "Genii-of-your-Mind," and the "Open Sesame of life." Whatever the name, Collier illustrates how it works, why it works, how to summon it, and how to control it for higher good in your life.

The Magic Word

Achieve prosperity and success through the incredible power of the human mind Robert Collier taught millions of people how to build a life of more—more success, more achievement, more prosperity—by tapping into the limitless power of the human mind. Born in 1885, Collier's writing was a key part of the New Thought movement. The Secret of the Ages: And Other Essential Works contains three of Collier's most powerful books combined in one volume: The Secret of the Ages Riches Within Your Reach The Secret of Gold The Secret of the Ages is part of The Library of Spiritual Wisdom, a beautifully-designed series of curated classics written by some of the greatest spiritual teachers of all time. With books covering topics ranging from prosperity and motivation to the occult and metaphysical thought, The Library of Spiritual Wisdom is a definitive collection of texts from some of the most revolutionary thought leaders of the last two centuries and belongs on the shelves of home libraries everywhere.

Sharing the Wealth

There are pivotal moments in the lives of all seekers when we realize that we've been traveling on our path of growth toward happiness and fulfillment, but, simply put, we want to go faster. How we have been living, working, and loving just isn't enough or even acceptable anymore. We know we're being called to something more significant and expanded—we can feel it. At these times what's needed is not simply more change or an adjustment in our outer life, but profound transformation. We don't just want to rearrange the pieces of ourselves so that they look better temporarily. We want nothing less than rebirth. We are ready for Soul Shifts. Soul Shifts is the groundbreaking new book from New York Times best-selling author and renowned transformational teacher Barbara De Angelis, Ph.D. Now, in her most powerful offering yet—and the culmination of her life's work—Dr. De Angelis offers a practical handbook for awakening, and a brilliant revisioning of the journey of personal and spiritual transformation that will inspire and enlighten longtime seekers as well as new arrivals to the path of growth. Soul Shifts are radical, vibrational internal shifts that spontaneously and inevitably transform the way you relate to yourself, to others, and to the world. For transformation to be real and lasting, it must originate from the inside out, so that instead of trying to constantly micromanage everything, you operate from true mastery at the deepest level of who you are—the soul level. When you learn how to make these Soul Shifts on the inside, everything on the outside of your life shifts. Places where you've felt stuck or confused become illuminated with new clarity and understanding. Obstacles turn into possibilities, dead ends transform into doorways, and challenges convert into astonishing maps leading you to exciting new territories . . . all because you have made a Soul Shift. A masterful and moving teacher, Dr. De Angelis will offer you illuminating guidance and invaluable techniques for living a life of practical spirituality and making your own personal Soul Shifts. Written with Barbara De Angelis's trademark eloquence, keen insight, and compassionate wisdom, Soul Shifts takes you on nothing less than a sacred inner journey to emotional and spiritual rebirth and lasting attainment. Reading it will leave you truly and authentically uplifted and transformed.

The Secret of the Ages: And Other Essential Works

Prentice Mulford was one of the leaders of the New Thought Movement. Mulford's book, Thoughts are Things served as a guide to this new belief system and is still popular today. "Thoughts are Things" will help you use the power of your thoughts to improve your life and to bring yourself peace of mind. Learn how to think in a way that will help you succeed and make you happier in every aspect of your life. The inclusion of Mulford's brilliant essay "The God in Yourself" makes this the definitive edition.

SECRET OF THE AGES

The Secret Of The Ages - A Collection Of The Original 7 Volumes - Robert Collier - First published in 1926 - IF you had more money than time, more millions than you knew how to spend, what would be your pet philanthropy? - Men are for the first time beginning to get an understanding of that "Life Principle" which-somehow, some way- was brought to this earth thousands or millions of years ago.

They are beginning to get an inkling of the infinite power it puts in their hands-to glimpse the untold possibilities it opens up.- This is the greatest discovery of modern times - that every man can call upon this "Life Principle" at will, that it is as much the servant of his mind as was ever Aladdin's fabled "Genie-of-the-lamp" of old; that he has but to understand it and work in harmony with it to get from it anything he may need-health or happiness, riches or success. To realize the truth of this, you have but to go back for a moment to the beginning of things.

Unleashing Genius

Quentin Jacobson has spent a lifetime loving Margo Roth Spiegelman from afar. So when she cracks open a window and climbs into his life - dressed like a ninja and summoning him for an ingenious campaign of revenge - he follows. After their all-nighter ends, Q arrives at school to discover that Margo has disappeared.

The Secret of Gold

Here is a secret of riches and success that has been buried 1,900 years deep. Since time began, mankind has been searching for this secret. It has been found and lost again - a score of times. The Ancients of all races have had some inkling of it, as is proven by the folktales and legends that have come down to us, like the story of Aladdin and his wonderful lamp, or Ali Baba and his "Open Sesame" to the treasure trove.

What Is Prosperity? Prosperity is not only money--in your pocket, in the bank, in your stock portfolio and CDs. True prosperity is the sense of abundance--the sense that you have the right to live an abundant life. That you are a child of a wealthy Father and Mother who love you and want to give you all their riches. Prosperity is your true inheritance. It is health, wealth, happiness, joy, peace, faith, hope, wisdom, being in tune with the flow of the universe and able to accept the abundance of God. And now, as the golden age of Aquarius dawns, it is time to claim your own prosperity. Secrets of Prosperity succeeds when so many similar books fail. It teaches us why learning to manifest prosperity is part of our divine plan and key to our spiritual progress. In Secrets of Prosperity the seemingly contradictory goals of material wealth and spiritual growth come together. Annice Booth has brought us an ancient teaching applied to a new millennium --Sidney Bennett, Bank Vice President

Paper Towns

In the Book of Life, Robert Collier shares with us the secrets of the ages. This book gives you the tools to have a happier and more successful life. Collier will show you how the way you think and the decisions you make have a direct influence on how successful and happy you are. With out the foundation that Collier laid herein, Rhonda Byrnes' The Secret could never have been written. Long before Michael Losier and James Arthur Ray reminded the world just how effective the power of positive thinking could be in Laws of Attraction and The Science of Success, there was Robert Collier's The Book of Life.

Discover the secrets of written persuasion! "The principles of hypnosis, when applied to copywriting, add a new spin to selling. Joe Vitale has taken hypnotic words to set the perfect sales environment and then shows us how to use those words to motivate a prospect to take the action you want. This is truly a new and effective approach to copywriting, which I strongly recommend you learn. It's pure genius." -Joseph Sugarman, author of Triggers "I've read countless book on persuasion, but none come close to this one in showing you exactly how to put your readers into a buying trance that makes whatever you are offering them irresistible." -David Garfinkel, author of Advertising Headlines That Make You Rich "I am a huge fan of Vitale and his books, and Hypnotic Writing (first published more than twenty years ago), is my absolute favorite. Updated with additional text and fresh examples, especially from e-mail writing, Joe's specialty, Hypnotic Writing is the most important book on copywriting (yes, that's really what it is about) to be published in this century. Read it. It will make you a better copywriter, period." -Bob Bly, copywriter and author of The Copywriter's Handbook "I couldn't put this book down. It's eye opening and filled with genuinely new stuff about writing and persuading better. And it communicates it brilliantly and teaches it brilliantly-exemplifying the techniques by the writing of the book itself as you go along." -David Deutsch, author of Think Inside the Box, www.thinkinginside.com "Hypnotic Writing

is packed with so much great information it's hard to know where to start. The insights, strategies, and tactics in the book are easy to apply yet deliver one heck of a punch. And in case there's any question how to apply them, the before-and-after case studies drive the points home like nothing else can. Hypnotic Writing is not just about hypnotic writing. It is hypnotic writing. On the count of three, you're going to love it. Just watch and see." -Blair Warren, author of *The Forbidden Keys to Persuasion*

The Book of Life

Before May 2011 the top demographics experts of the United Nations had suggested that world population would peak at 9.1 billion in 2100, and then fall to 8.5 billion people by 2150. In contrast, the 2011 revision suggested that 9.1 billion would be achieved much earlier, maybe by 2050 or before, and by 2100 there would be 10.1 billion of us. What's more, they implied that global human population might still be slightly rising in our total numbers a century from now. So what shall we do? Are there too many people on the planet? Is this the end of life as we know it? Distinguished geographer Professor Danny Dorling thinks we should not worry so much and that, whatever impending doom may be around the corner, we will deal with it when it comes. In a series of fascinating chapters he charts the rise of the human race from its origins to its end-point of population 10 billion. Thus he shows that while it took until about 1988 to reach 5 billion we reached 6 billion by 2000, 7 billion eleven years later and will reach 8 billion by 2025. By recording how we got here, Dorling is able to show us the key issues that we face in the coming decades: how we will deal with scarcity of resources; how our cities will grow and become more female; why the change that we should really prepare for is the population decline that will occur after 10 billion. *Population 10 Billion* is a major work by one of the world's leading geographers and will change the way you think about the future. Packed full of counter-intuitive ideas and observations, this book is a tool kit to prepare for the future and to help us ask the right questions

Hypnotic Writing

In the universally acclaimed and award-winning *The Bottom Billion*, Paul Collier reveals that fifty failed states--home to the poorest one billion people on Earth--pose the central challenge of the developing world in the twenty-first century. The book shines much-needed light on this group of small nations, largely unnoticed by the industrialized West, that are dropping further and further behind the majority of the world's people, often falling into an absolute decline in living standards. A struggle rages within each of these nations between reformers and corrupt leaders--and the corrupt are winning. Collier analyzes the causes of failure, pointing to a set of traps that ensnare these countries, including civil war, a dependence on the extraction and export of natural resources, and bad governance. Standard solutions do not work, he writes; aid is often ineffective, and globalization can actually make matters worse, driving development to more stable nations. What the bottom billion need, Collier argues, is a bold new plan supported by the Group of Eight industrialized nations. If failed states are ever to be helped, the G8 will have to adopt preferential trade policies, new laws against corruption, new international charters, and even conduct carefully calibrated military interventions. Collier has spent a lifetime working to end global poverty. In *The Bottom Billion*, he offers real hope for solving one of the great humanitarian crises facing the world today. "Set to become a classic. Crammed with statistical nuggets and common sense, his book should be compulsory reading." --*The Economist* "If Sachs seems too saintly and Easterly

too cynical, then Collier is the authentic old Africa hand: he knows the terrain and has a keen ear.... If you've ever found yourself on one side or the other of those arguments--and who hasn't?--then you simply must read this book." --Niall Ferguson, The New York Times Book Review "Rich in both analysis and recommendations.... Read this book. You will learn much you do not know. It will also change the way you look at the tragedy of persistent poverty in a world of plenty." --Financial Times

WHAT is there about some letters that makes them so much more effective than others? A letter may have perfect diction, a finished style; it may bristle with attention-getters and interest-arousers; it may follow every known rule; yet when it reaches the Hall of Judgment where the reader sits and decides its fate, it may find itself cast into the hell of wastebasket-dom... People will give, when you have stirred their emotions. People will invest, when you have aroused their cupidity. And people want to know the future, so if you can persuade them that you are any sort of a Seer or a Prophet, they will buy your forecasting service. It all comes back to the point we made in the beginning--"What do they want?" What is the bait that will attract your fish and make them bite? Find that--and you will be as successful in bringing back orders as any angler can be with a properly baited hook in bringing in the fish. Madagascar is a land where lizards scream and monkey-like lemurs sing songs of inexpressible beauty. Known as the Great Red Island, it is a place where fossa and tenrecs, vangas and aye ayes thrive in a true 'Lost World' alongside bizarre plants like the octopus tree and the three-cornered palm. And where the ancestors of the Malagasy, as the island's 18 tribes are collectively known, come alive in rollicking ceremonies known as "turning the bones." This natural and cultural history of Madagascar is an exploration of what makes the island so extraordinary. It is the only book that combines cutting-edge science and conservation with adventure travel and historical narrative. Perfect for those about to travel to Madagascar for the first time or just want to learn more, much of the historical material will be new to those familiar with Madagascar, even researchers who have worked there for years.

The Secret of the Ages

Hailed by The New York Times as probably the most important economist in the world, Jeffrey Sachs is internationally renowned for his work around the globe advising economies in crisis. Now he draws

on all he has learned from twenty-five years of work to offer a uniquely informed vision of the keys to economic success in the world today and the steps that are necessary to achieve prosperity for all. Marrying vivid, passionate storytelling with profound, rigorous analysis, Jeffrey Sachs explains why, over the past two hundred years, wealth has diverged across the planet and why the poorest nations have so far been unable to improve their lot. He explains how to arrive at an in-depth diagnosis of a country's economic challenges and the options it faces. He leads readers along the same learning path he himself followed, telling the stories of his own work in Bolivia, Poland, Russia, India, China and Africa to bring us to a deep understanding of the challenges faced by developing nations in different parts of the world. Finally, he offers an integrated set of solutions to the interwoven economic, political, environmental and social problems that most challenge the world's poorest countries and, indeed, the world. Ultimately, *The End of Poverty* leaves readers with an understanding, not just of how grave the problem of poverty is, but how solvable it is and why making the necessary effort is a matter of both moral obligation and strategic self-interest of the rich countries. A work of astounding intellectual vision that grows out of unprecedented real-world experience, *The End of Poverty* is a road map to a safer, more prosperous world for us all.
