We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Renaissance in Italy, Volume 1 (of 7) the Age of the Despots

This book (hardcover) is part of the TREDITION CLASSICS. It contains classical literature works from over two thousand years. Most of these titles have been out of print and off the bookstore shelves for decades. The book series is intended to preserve the cultural legacy and to promote the timeless works of classical literature. Readers of a TREDITION CLASSICS book support the mission to save many of the amazing works of world literature from oblivion. With this series, tredition intends to make thousands of international literature classics available in printed format again - worldwide.

The Renaissance in Italy (Complete 7 Volumes)

Excerpt from Renaissance in Italy, Vol. 1: The Catholic Reaction At the end of the second volume of my 'Renaissance in Italy' I indulged the hope that I might live to describe the phase of culture which closed that brilliant epoch. It was in truth demanded that a work pretending to display the manifold

activity of the Italian genius during the 15th century and the first quarter of the 16th, should also deal with the causes which interrupted its further development upon the same lines. This study, forming a logically-necessitated supplement to the five former volumes of 'Renaissance in Italy,' I have been permitted to complete. The results are now offered to the public in these two parts. So far as it was possible, I have conducted my treatment of the Catholic Revival on a method analogous to that adopted for the Renaissance. I found it, however, needful to enter more minutely into details regarding facts and institutions connected with the main theme of national culture. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Civilization of the Renaissance in Italy

This pioneering study approaches the new printed-book industry in Renaissance Italy from the perspective of its publishers and booksellers, analyzing their responses to the challenges of production and their creative approaches to the distribution and sale of their merchandise.

Renaissance in Italy: Italian Literature;

A new edition--now in two volumes--of the largest and most comprehensive textbook about Italian Renaissance art. Now in its second edition, Italian Renaissance Art presents an updated and even more accessible history. The book has been split into two volumes: the first, covering the period 1300 to 1510; the second, 1490 to 1600. The volumes retain the same innovative decade-by-decade structure as the first edition, and a number of chapters have been revised by the authors to reflect the latest scholarship. The coverage of the Trecento has been expanded, and a new appendix section explains all the key Renaissance art-making techniques, with illustrations and step-by-steps for such processes as lost-wax casting. This book tells the story of art in the great cities of Rome, Florence, and Venice while profiling a range of other centers throughout Italy--including in this edition art from Naples, Padua, and Palermo.

Renaissance in Italy, Vol. 1

Excerpt from Renaissance in Italy, Vol. 1 of 2: Italian Literature Of these disadvantages I have been rendered sensible during the progress of publication through the last six years. Yet I have gained some compensation in the fact that the demand for a second edition of the first volume has enabled me to make that portion of the work more adequate. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Book Trade in the Italian Renaissance

About the Book Books about the Renaissance describe European history in the 14th and 17th centuries, when humanism, and classical Greek philosophy were rediscovered, prompting a revival of intellectual pursuits in art, and literature, and advances in the sciences, engineering and architecture. Titles include: A Short History of the Renaissance in Italy, Die italienische Renaissance, ein Grundriss der Geschichte ihrer Kultur, Der Gartenbau im Mittelalter und Während der Periode der Renaissance: Dargestellt in fünf Vorträgen, Source-Books of the Renaissance in Italy and Germany, Part I: A Literary Source-Book of the Italian Renaissance; Part II, pp. 1-110: The Renaissance in Germany, and The Renaissance: The Revival of Learning and Art in the Fourteenth and Fifteenth Centuries. About us Trieste Publishing's aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. Our titles are produced from scans of the original books and as a result may sometimes have imperfections. To ensure a high-quality product we have: thoroughly reviewed every page of all the books in the catalog repaired some of the text in some cases, and rejected titles that are not of the highest quality. You can look up "Trieste Publishing" in

categories that interest you to find other titles in our large collection. Come home to the books that made a difference!

Italian Renaissance Art

This book offers a rich and exciting new way of thinking about the Italian Renaissance as both a historical period and a historical movement. Guido Ruggiero's work is based on archival research and new insights of social and cultural history and literary criticism, with a special emphasis on everyday culture, gender, violence, and sexuality. The book offers a vibrant and relevant critical study of a period too long burdened by anachronistic and outdated ways of thinking about the past. Familiar, yet alien; pre-modern, but suggestively post-modern; attractive and troubling, this book returns the Italian Renaissance to center stage in our past and in our historical analysis.

The Civilization of the Renaissance in Italy

Biondo Flavio was a pioneering figure in the Renaissance discovery of antiquity and popularized the term Middle Age to describe the period between the fall of the Roman Empire and the revival of antiquity in his own time. Italy Illuminated is a topographical work exploring the Roman roots of Italy.

The Renaissance in Italy

Excerpt from Renaissance in Italy: The Age of the Despots History. With regard to the alterations introduced into the substance of the book in this edition, it will be enough to say that I have endeavored to bring each chapter up to the level of present knowledge. Italy Illuminated, Volume 2

Spanning an age that witnessed great achievements in the arts and sciences, this definitive overview of the Italian Renaissance will both captivate ordinary readers and challenge specialists. Dr. Plumb's impressive and provocative narrative is accompanied by contributions from leading historians, including Morris Bishop, J. Bronowski, Maria Bellonci, and many more, who have further illuminated the lives of some of the era's most unforgettable personalities, from Petrarch to Pope Pius II, Michelangelo to Isabella d'Este, Machiavelli to Leonardo. A highly readable and engaging volume, THE ITALIAN RENAISSANCE is a perfect introduction to the movement that shaped the Western world.

Renaissance in Italy

A rich and multi-faceted aspect of the Italian Renaissance, the comedy has been largely overlooked as a cultural force during the period. In Renaissance Comedy, editor Donald Beecher corrects this oversight with a collection of eleven comedies representative of the principal styles of writing that define the genre. Proceeding from early, 'erudite' imitations of Plautus and Terence to satires, sentimental plays of the middle years, and later, more experimental works, the development of Italian Renaissance comedy is here dissected in a fascinating and vivid light. This first of two volumes boasts five of the best-known plays of the period, each with its own historical and critical introduction. Also included is a general introduction by the editor, which discusses the features of Italian Renaissance comedy, as well as examines the stage histories of the plays and what little is known, in many cases, of the circumstances surrounding their original performances. The introduction raises questions concerning the nature of audiences, the festival occasions during which the plays were performed, and the academies which sponsored many of their creations. As a much-needed reappraisal of these comedic plays, Renaissance Comedy is an invaluable look at the performance history of the Renaissance and Italian culture in general.

Italy illuminated. 1. Books I - IV

"This beautifully illustrated book is the first to look at the role of the urban Italian house in the development of Renaissance art and culture. "The Renaissance Home" brings together a wide range of objects, from furniture and kitchen utensils to popular prints, jewellery and everyday dress, to reveal how the homes of the upper- and middle-classes made a crucial contribution to the flowering of the visual arts in 15th- and 16th-century Italy. Drawing on a wide array of sources including inventories, account-books, letters, treatises, and archaeological and conservation reports, it offers a completely fresh exploration of the fascinating domestic world of Renaissance Italy."

Art in Renaissance Italy, 1350-1500

Renaissance Comedy

A rich and multi-faceted aspect of the Italian Renaissance, the comedy has been largely overlooked as a cultural force during the period. In *Renaissance Comedy*, editor Donald Beecher corrects this oversight with a collection of eleven comedies representative of the principal styles of writing that define the genre. Proceeding from early, 'erudite' imitations of Plautus and Terence to satires, sentimental plays of the middle years, and later, more experimental works, the development of Italian Renaissance comedy is here dissected in a fascinating and vivid light. This first of two volumes boasts five of the best-known plays of the period, each with its own historical and critical introduction. Also included is a general introduction by the editor, which discusses the features of Italian Renaissance comedy, as well as examines the stage histories of the plays and what little is known, in many cases, of the circumstances surrounding their original performances. The introduction raises questions concerning the nature of audiences, the festival occasions during which the plays were performed, and the academies which sponsored many of their creations. As a much-needed reappraisal of these comedic plays, *Renaissance Comedy* is an invaluable look at the performance history of the Renaissance and Italian culture in general.

At Home in Renaissance Italy

Jacob Burckhardt was born in 1818 in Basel, Switzerland. He studied history at the University of Berlin and taught art history and the Italian Renaissance in Berlin and Basel. His essay, as he called *The Civilization of the Renaissance in Italy*, was first published in 1860. Rich in its detailed account of the arts, fashions, manners, and thought of one of the most innovative eras in human history, this brilliant panorama of Renaissance life is also a thorough examination of the nature of civilization and of our place within it. Burckhardt's encyclopedic knowledge, his mastery of style, and his genius for synthesis make this one of the few classics of history and the prototype for cultural history. Burckhardt's *The Age of Constantine the Great* and *Cicerone* were published in his lifetime, and *The History of Greek Civilization and Reflections on World History* after his death in 1897.

Renaissance in Italy

This is the first book which gives a general overview of women as subject-matter in Italian Renaissance painting. It presents a view of the interaction between artist and patron, and also of the function of these paintings in Italian society of the fifteenth and sixteenth centuries. Using letters, poems, and treatises, it examines through the eyes of the contemporary viewer the way women were represented in paintings.

Renaissance in Italy

This volume celebrates John M. Najemy and his contributions to the study of Florentine and Italian Renaissance history. Over the last three decades, his books and articles on Florentine politics and political thought have substantially revised the narratives and contours of these fields. They have also provided a framework into which he has woven innovative new threads that have emerged in Renaissance social and cultural history. Presented by his many students and friends, the essays aim to highlight his varied interests and to suggest where they may point for future studies of Florence and, indeed, beyond. -- Amazon.com.

Crime, Society and the Law in Renaissance Italy
