Saint Anything

Peyton, Sydney's charismatic older brother, has always been the star of the family, receiving the lion's share of their parents' attention and - lately - concern. When Peyton's increasingly reckless behavior culminates in an accident, a drunk driving conviction, and a jail sentence, Sydney is cast adrift, searching for her place in the family and the world. When everyone else is so worried about Peyton, is she the only one concerned about the victim of the accident? Enter the Chathams, a warm, chaotic family who run a pizza parlor, play bluegrass on weekends and pitch in to care for their mother, who has multiple sclerosis. Here Sydney experiences unquestioning acceptance. And here she meets Mac: gentle, watchful, and protective, who makes Sydney feel seen, really seen, for the first time.

Poppy is the blond bully and the beautiful, manipulative high school queen bee. Midnight is the sweet, uncertain boy caught between them. Wink. Poppy. Midnight. Two girls. One boy. Someone is lying. For fans of *Holly Black*, *We Were Liars*, and *The Virgin Suicides*, this mysterious tale full of intrigue, dread, beauty, and a whiff of something strange will leave you utterly entranced.

Riotous Assembly

When Miss Hazelstone of Jacaranda Park kills her Zulu cook in a sensational crime passionel, the gallant members of the South African police force are soon on the scene: Kommandant van Heerden, whose secret longing for the heart of an English gentleman leads to the most memorable transplant operation yet recorded; Luitenant Verkramp of the Security Branch, ever active in the pursuit of Communist cells; Konstabel Els, with his propensity for shooting first and not thinking later - and also for forcing himself upon African women in a manner legally reserved for male members of their own race. In the course of the strange events which follow, we encounter some very esoteric perversions

when the Kommandant is held captive in Miss Hazelstone's remarkable rubber room; and some even more amazing perversions of justice when Miss Hazelstone's brother, the Bishop of Barotseland, is sentenced to be hanged on the ancient gallows in the local prison. Not a 'political' novel in any previously imagined sense, *Riotous Assembly* provided a completely fresh approach to the South African scene - an approach startling in its deadpan savagery and yet also outrageously funny.

The Lime Twig

But it would be unfair to the reader to reveal what happens when a gang of professional crooks gets wind of the scheme and moves to muscle in on this bettors' dream of a long-odds situation. Worked out with all the meticulous detail, terror, and suspense of a nightmare, the tale is, on one level, comparable to a Graham Greene thriller; on another, it explores a group of people, their relationships fears, and loves. For as Leslie A. Fiedler says in his introduction, "John Hawkes... makes terror rather than love the center of his work, knowing all the while, of course, that there can be no terror without the hope for love and love's defeat"

Drake is a young soldier left reeling by the Second World War. When his promise to fulfil a dying man's last wish sees him wash up in *Marvellous'* creek, broken in body and spirit, the old woman comes to his aid. *A Year of Marvellous Ways* is a glorious, life-affirming story about the magic in everyday life and the pull of the sea, the healing powers of storytelling and sloe gin, love and death and how we carry on when grief comes snapping at our heels.

The White Woman on the Green Bicycle

Jewish customs and traditions about death, burial and mourning are numerous, diverse and intriguing. They are considered by many to have a respectable pedigree that goes back to the earliest rabbinic period. In order to examine the accurate historical origins of many of them, an international conference was held at Tel Aviv University in 2010 and experts dealt with many aspects of the topic. This volume

includes most of the papers given then, as well as a few added later. What emerges are a wealth of fresh material and perspectives, as well as the realization that the high Middle Ages saw a set of exceptional innovations, some of which later became central to traditional Judaism while others were gradually abandoned. Were these innovations influenced by Christian practice? Which prayers and poems reflect these innovations? What do the sources tell us about changing attitudes to death and life-after death? Are tombstones an important guide to historical developments? Answers to these questions are to be found in this unusual, illuminating and readable collection of essays that have been well documented, carefully edited and well indexed.

Instructions for a Broken Heart

Elegant and entertaining, this is the history of the most vibrant characters in classical civilisation. With their vast appetites, great beauty and warlike tendencies, it's hard to resist their pull on the imagination, even though, in antiquity, the gods of Olympus were just as often seen as cruel, over-sexed, mad or just plain silly. And yet they were survivors, whose story only began with classical civilisation. Masters of re-invention (though never too hard to identify), they began to resemble pharaohs in Egypt and lead respectable Roman citizens in orgiastic rituals of drink and sex. Under Christianity and Islam they went undercover as demons, allegories, and planets, waiting for a triumphant re-emergence in a Renaissance vision of ancient beauty. They travelled east along the Silk Route to the walls of cave-temples in China, and west, colonising the Americas. They featured on Wedgwood teapots, attacked the poet Hölderlin, haunted Nietzsche, and visited Borges in restless dreams. Barbara Graziosi deftly traces the travels and transformations of these pagan deities from the distant past to the present, showing that the gods of Olympus remain potent symbols that help us to feel part of a broad and fascinating humanity.
