Hindi gusto ni Ronan si Laurel, the most popular girl in the campus, the girl who could smile away the thunder and kiss away the rain. She was a snob, too. At lalong hindi rin gusto ni Laurel si Ronan, the infamous guy in the campus. Wild and crude... and, well, gorgeous. Hindi niya gustong aminin iyon. Theirs was a case of hate at first sight.

Sweetheart 14: Sensual

Tamara Alba was a pretty fifteen year old girl from the other side of town. Her family was an outcast, itinuturing na yagit at basura sa bayang iyon. Gayun man, hindi hadlang iyon upang pangarapin niya si Sean DeSalvo, ang anak ng pinakamayamang tao sa Trinidad. He was the center of her universe. And yet it would remain her bestkept secret. Pagtatawanan at lalaitin siya ng lahat kapag may nakaalam sa damdamin niya para dito. Sean hated her family - pagkasuklam na humantong sa pagpapalayas nito sa pamilya niya mula sa lupang pag aari ng pamilya nito. Hindi pa man sila nakakalayo ay inutusan na nito ang mga kaibigan nitong sunugin ang bahay nila. Foolishly blinded by love, hindi nagkapuwang ang poot sa dibdib niya. Young Tamara left town - keeping Sean DeSalvo in her heart.

LAVENDER AND OLD LACE

Lavender and Old Lace is an Edwardian romance novel written by Myrtle Reed and published in September 1902. It tells the story of some remarkable women, each of whom has a unique experience with love. The book follows in Reed's long history of inciting laughter and tears in her readers through provocative prose. She was often witty in dialogue and dispensing in advice, while gingerly skirting any moral issues. Plot Miss Jane Hathaway is an astute pillar of a quaint coastal community, where her house sets atop a hill. She has long overcome the scandal created by her elder sister's elopement, though the sister died without her forgiveness. She's also aware of a child, although she's never met her niece. When she receives a letter from Ruth Thorne, her 34-year-old niece, suggesting an invitation to visit, she accepts, but leaves before Ruth arrives. At Miss Hathaway's house, Ruth is given a mysterious letter. The letter, from Aunt Jane, does not explain her sudden trip abroad, but instructs Ruth to light an oil lamp in the attic each night.

Lavender and Old Lace .

This is a turn-of-the-century novel. Professional woman Ruth Thorne resigned as a reporter and stayed with her aunt by the sea. While she was there, she found a mystery in the attic, the mystery was an old wedding dress, some newspaper clippings and a lantern indicating that she left by the window every night.

Spanning the century between Victorian Britain and the current struggle for power in South Africa, the book takes up the complex relationships between race and sexuality, fetishism and money, gender and violence, domesticity and the imperial market, and the gendering of nationalism within the zones of imperial and anti-imperial power.

A New York Times Notable Book of 2021 “The kind of book for which the word “rollicking” was invented.”—New York Times Book Review A prim and proper lady thief must save her aunt from a crazed pirate and his dangerously charming henchman in this fantastical historical romance. Cecilia Bassingwaite is the ideal Victorian lady. She's also a thief. Like the other members of the Wisteria Society crime sorority, she flies around England drinking tea, blackmailing friends, and acquiring treasure by interesting means. Sure, she has a dark and traumatic past and an overbearing aunt, but all things considered, it's a pleasant existence. Until the men show up. Ned Lightbourne is a sometimes assassin who is smitten with Cecilia from the moment they meet. Unfortunately, that happens to be while he's under direct orders to kill her. His employer, Captain Morvath, who possesses a gothic abbey bristling with cannons and an unbridled hate for the world, intends to rid England of all its presumptuous

women, starting with the Wisteria Society. Ned has plans of his own. But both men have made one grave mistake. Never underestimate a woman. When Morvath imperils the Wisteria Society, Cecilia is forced to team up with her handsome would-be assassin to save the women who raised her--hopefully proving, once and for all, that she's as much of a scoundrel as the rest of them.

The Getty Museum's collection of drawings was begun in 1981 with the purchase of a Rembrandt nude and has since become an important repository of European works from the fifteenth through the nineteenth century. As in the first volume devoted to the collection (published in 1988 in English and Italian editions), the text is here organized first by national school, then alphabetically by artist, with individual works arranged chronologically. For each drawing, the authors provide a discussion of the work's style, dating, iconography, and relationship to other works, as well as provenance and a complete bibliography.

Diplomatic Days

In a dark and perilous realm, a nameless outcast seeks a voice, a past, and a future: "A dazzling debut" (Jennifer Roberson). In all of Erith, there is perhaps no one as wretched as the nameless mute foundling confined to the lowest depths of Isse Tower. Abused by many and despised by all, the pathetic creature lives without memories in the shadows. The amnesiac longs to escape—to roam the wild landscape in search of a past, a name, a destiny—but dangers surround the tower. Only flying ships and majestic winged horses carrying important visitors can reach the castle safely, landing high above the ground on its battlements. The local servants whisper about malevolent creatures that roam the forests and bear no love for humankind. Escape seems impossible in this treacherous world of wights and monsters. Praised as Australia's J. R. R. Tolkien, Cecilia Dart-Thornton has set a towering new standard for fantasy fiction, earning the respect and acclaim of readers, reviewers, and some of the world's most renowned fantasists. With roots firmly embedded in the ancient folklore of the British Isles, *The Ill-Made Mute*—the opening volume of Dart-Thornton's magnificent *Bitterbynde Trilogy*—introduces fantasy lovers to an unforgettable character whose remarkable adventures rival the epic trials of the Baginises and the tales of *The Silmarillion*.

In this beautifully written and deeply researched study, Hannah Frank provides an original way to understand American animated cartoons from the Golden Age of animation (1920–1960). In the pre-digital age of the twentieth century, the making of cartoons was mechanized and standardized: thousands of drawings were inked and painted onto individual transparent celluloid sheets (called "cels") and then photographed in succession, a labor-intensive process that was divided across scores of artists and technicians. In order to see the art, labor, and technology of cel animation, Frank slows cartoons down to look frame by frame, finding hitherto unseen aspects of the animated image. What emerges is both a methodology and a highly original account of an art formed on the assembly line.

Dosso Dossi has long been considered one of Renaissance Italy's most intriguing artists. Although a wealth of documents chronicles his life, he remains, in many ways, an enigma, and his art continues to be as elusive as it is compelling. In *Dosso's Fate*, leading scholars from a wide range of disciplines examine the social, intellectual, and historical contexts of his art, focusing on the development of new genres of painting, questions of style and chronology, the influence of courtly culture, and the work of his collaborators, as well as his visual and literary sources and his painting technique. The result is an important and original contribution not only to literature on Dosso Dossi but also to the study of cultural history in early modern Italy.

On 28 June 1914, the heir to the Austro-Hungarian throne was assassinated on a visit to Sarajevo by a Serbian nationalist called Gavrilo Princip. The assassination set in motion the events that led to the outbreak of the First World War, one of the bloodiest conflicts in human history and a trauma that would bring down the Austro-Hungarian Empire, ending nearly eight centuries of Hapsburg rule and unleashing unrest across the European continent. By the end of that conflict, not only had the Austro-Hungarian Empire crumbled but the other two imperial rulers of Europe, Kaiser Wilhelm II of Germany and Tsar Nicholas II of Russia, had lost their grip on power. The three great monarchies of Europe had fallen. Only in Britain would the ruler of an empire, George V, the first cousin of both the Kaiser and the Tsar, successfully retain the crown. In this new book, Gareth Russell tells the story of the Austrian, German and Russian imperial families during the four years of the First World War and the political and personal struggles that brought about their ruin.
