Renegade's Kiss (Wild Western Hearts Series, Book 3)

When Montana Mountain man, Jesse Winslow, returns unwillingly to the family farm at his mother's request, he finds his parents dead and his old flame, Andrea—who is now his brother's widow—giving birth to his brother's child. Staying is the last thing Jesse wants to do, so he devises a plan: find a husband for Andrea, sell the farm and turn the money over to the newlyweds. But Andrea won't co-operate. Staying on the Winslow farm is the only thing she wants... that, and Jesse. While the pair fights reawakening passion, raiders strike surrounding farms, terrorizing the community. The violence appears random, but Jesse's sure someone is stalking Andrea. The mountain man knows what must be done, but first he must come to terms with what drove him into isolation, and then decide to become a permanent part of something bigger than himself. **REVIEWS:** "Ms. Ankrum has a gift for characterization and a unique voice that will speak to many readers' hearts." ~Kathe Robin, Romantic Times **WILD WESTERN HEARTS**, in series order Holt's Gamble Renegade Bride Renegade's Kiss Chase the Fire

Renegades

Soren Green is a good man. An ex-MMA fighter, single father, and a lawyer helping to better the lives of LGBT teens. But his life isn't as simple as it seems, and things get turned a little upside down when he stumbles on a troubled man on the side of the road, making his way through a snowstorm. Soren knows one of his biggest problems is his bleeding heart, but how can he turn away when he was once that man out in the cold? Kane Winters once had it easy. Rich parents, silver spoon, everything at his disposal. But Kane was never a lucky man, and nothing is proof of that more than his abusive boyfriend dying in a freak accident, and his uncontrollable anger sending him into a tailspin. He returned to Fairfield with a chip on his shoulder, felony on his record, and no hope of recovering himself as the man he once was. Kane was certain that he was condemned to this life-cold, alone, and unloved. Then, in the middle of a storm, a stranger pulls over to offer him a ride. Kane took a blind leap once, and it almost destroyed his life, but he's not so sure the bald man with the walking cane and kind eyes would be anything like his ex. Will the two men figure out a way to make it work, or will their pasts continue to leave them to a

future without hope? Renegades is the first book in the series, Breaking the Rules- an Irons and Works spin-off. Each book contains no cheating with an HEA.

Renegades

Secret identities. Extraordinary powers. She wants vengeance. He wants justice. The Renegades are a syndicate of prodigies—humans with extraordinary abilities—who emerged from the ruins of a crumbled society and established peace and order where chaos reigned. As champions of justice, they remain a symbol of hope and courage to everyone . . . except the villains they once overthrew. Nova has a reason to hate the Renegades, and she is on a mission for vengeance. As she gets closer to her target, she meets Adrian, a Renegade boy who believes in justice—and in Nova. But Nova's allegiance is to a villain who has the power to end them both. From Marissa Meyer, author of the #1 New York Times–bestselling *Heartless*, comes *Renegades* a high-stakes world of adventure, passion, danger, and betrayal.

Reap What You Sow (Renegade Reapers MC Book 2)

The Renegade Reapers' reputation is on the line. Someone is trying to ruin everything we've worked so hard for. Get this: that's not even scratching the surface of my current problems. The one guy I want is trying to avoid me like I have the plague. The other one I shouldn't want is willing to put aside everything he stands for to be with me. I wonder what they'll both do when another suitor comes calling? One from the past, the present and the future. Will they learn to share, or tear me in three just to keep me? Do I even have the right to ask that they try? By the time we learn the truth of you reap what you sow, we might not have anywhere to go. Because what we're all about to face could be the biggest challenge of our lives, but with help from unlikely sources, we might just get out of here alive. Or at least take one or two of our enemies with us on the way down. *Reap What You Sow* is Book 2 of 3. All books are meant to be read in order. Note to Readers: The Renegade Reapers MC series will not be light and fluffy and is suggested for those over 18. TW are listed on my website. This series will be a why-choose, which means the main character doesn't have to choose between her love interests.

Renegades

Digital communities : from Dubsmash to TikTok -- This bridge called Dubsmash : Renegades call it home -- The original Renegade : Dubsmash, hip hop culture, and sharing values in a digital space -- Gone viral : creating an identity as a hip hop artist -- Moving as one : unison dancing, muscular bonding, and hip hop pedagogy -- When Karen slides into your DMs : race, language, and Dubsmash -- Revolution will be Dubsmashed.

Tears of the Renegade

Susan has never known anyone like Cord Blackstone. His pale blue eyes shine with temptation...and dark menace. Cord has a score to settle with his family—the same genteel clan that sheltered Susan after her husband's death. He will stop at nothing to punish the Blackstones—even if it means ruining the one woman who can't stop loving him....

Supernova

Supernova is Marissa Meyer's fearless finale to the New York Times–bestselling Renegade trilogy – you won't want to miss this. You can't wear a mask forever. Love and Anarchy won't allow it. With their alter egos at war, their allies at each other's throats and their feelings for one another growing, Nova and Adrian battle to keep their secret identities under wraps as their greatest fears are realized. Anarchy is once again heading for Gatlon City, and this time it may not survive.

Renegade's Magic (The Soldier Son Trilogy, Book 3)

'Fantasy as it ought to be written' George R.R. Martin

Renegade

Explore the struggle for racial justice in Britain through the lens of one of Britain's most prominent and controversial black journalists and campaigners. Born in Trinidad during the dying days of colonialism, Darcus Howe became an uncompromising champion of racial justice. The book examines how Howe's

unique political outlook was inspired by the example of his friend and mentor C. L. R. James, and forged in the heat of the American civil rights movement, as well as Trinidad's Black Power Revolution. Howe took a leading role in the defining struggles in Britain against institutional racism in the police, the courts and the media. Renegade focuses on his part as a defendant in the trial of the Mangrove Nine, the high point of Black Power in Britain; his role in conceiving and organizing the Black People's Day of Action, the largest ever demonstration by the black community in Britain; and his later work as a prominent journalist and political commentator.

Renegade

One thousand years after Earth was destroyed in an unprovoked attack, humanity has emerged victorious from a series of terrible wars to assure its place in the galaxy. But during celebrations on humanity's new homeworld, the legendary Captain Pantillo of the battle carrier Phoenix is court-martialed then killed, and his deputy, Lieutenant Commander Erik Debogande, the heir to humanity's most powerful industrial family, is framed for his murder. Assisted by Phoenix's marine commander Trace Thakur, Erik and Phoenix are forced to go on the run as they seek to unravel the conspiracy behind their captain's demise, pursued to the death by their own fleet. What they discover about the truth behind the wars and the nature of humanity's ancient alien allies will shake the sentient galaxy to its core.

Renegade

Still going after thirty years, The Fall are one of the most distinctive British bands, their music - odd, spare, cranky and repetitious - an acknowledged influence on The Smiths, The Happy Mondays, Nirvana and Franz Ferdinand. And Mark E. Smith IS The Fall - 47 members have come and gone over the years yet he remains its charismatic leader, a professional outsider and all-round enemy of compromise, a true enigma. There have been a number of biographies of the legendary Smith, but this is the first time he has opened up in a full autobiography. For the first time we get to hear his full, candid take on the ups and downs of a band as notorious for its in-house fighting as for its great music; and on a life that has endured prison in America, drugs, bankruptcy, divorce, and the often bleak results of a legendary thirst.

Renegade

J.A. Souders's haunting debut—Renegade Since the age of three, sixteen-year-old Evelyn Winters has trained to be Daughter of the People in the underwater utopia known as Elysium. Selected from hundreds of children for her ideal genes, all her life she's believed that everything is perfect. Her world. Her people. The Law. But when Gavin Hunter, a Surface Dweller, accidentally stumbles into Elysium's secluded little world, Evelyn comes to a startling realization: Everything she knows is a lie. Her memories have been altered. Her mind and body aren't under her own control. And the person she knows as Mother is a monster. Together with Gavin she plans her escape, only to learn that her own mind is a ticking time bomb...and Mother has one last secret that will destroy them all. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Ivar, Timewalker Vol. 2: Breaking History TPB

A little confused by time travel? Don't worry, these guys don't really understand it either. So they're BREAKING HISTORY! With the universe on the brink of destruction, Ivar must turn to his closest relatives ? Armstrong and Gilad Anni-Padda ? to save Neela Sethi from the machinations of the Prometheans! The problem? These three guys couldn't be further apart. Time doesn't heal all wounds as the assault on Oblivi-1 begins! Join New York Times best-selling writer Fred Van Lente (ARCHER & ARMSTRONG) and rising star Francis Portela (Green Lantern Corps) as they kick off the next volume of the series that io9 calls ?impressively shocking!? Collecting?IVAR, TIMEWALKER #5?8.

Birth as an American Rite of Passage

This classic book, first published in 1992 and again in 2003, has inspired three generations of childbearing people, birth activists and researchers, and birth practitioners—midwives, doulas, nurses, and obstetricians—to take a fresh look at the "standard procedures" that are routinely used to "manage" American childbirth. It was the first book to identify these non-evidence-based obstetric interventions as rituals that enact and transmit the core values of the American technocracy, thereby answering the pressing question of why these interventions continue to be performed despite all evidence to the contrary. This third edition brings together Davis-Floyd's insights into the intense ritualization of labor and birth and the technocratic, humanistic, and holistic models of birth with new data collected in recent years.

Renegade Rule

Prepare for competitive gaming like you've never seen it! The Manhattan Mist have beaten the odds to land themselves in the national championships for Renegade Rule, one of the hottest virtual reality games in existence. But they're in for competition fiercer than they ever imagined, and one team member's entire future could be at stake. Four queer female friends will have to play harder than ever against self-doubt, infighting, romantic distraction, and a slew of other world-class teams if they hope to become champions. Both hilarious and heartwarming, this new graphic novel from Ignatz-nominated writer Ben Kahn, debut author Rachel Silverstein, and artist Sam Beck is a celebration of friendship, competition, queer identity, and the insane things we do for the things and people we love.

Archenemies

A story of superheroes, villains, vengeance and forbidden love, Archenemies by Marissa Meyer is the fabulous sequel to the New York Times-bestselling Renegades. Time is running out. Together, they can save the world. But they are each other's worst nightmare. Nova's double life is about to get a lot more complicated: As Insomnia, she is a fully-fledged member of the Renegades, a syndicate of powerful and beloved superheroes. As Nightmare, she is an Anarchist - a group of villains who are determined to destroy the Renegades. Nova wants vengeance against the so-called heroes who once failed her when she needed them most. But as Nova, her feelings for Adrian are deepening, despite the fact that he is a Renegade and the son of her sworn enemies and, unbeknownst to Nova, he has some dangerous secrets of his own. The line between good and evil has been blurred, but too much power could mean the end of their city – and the world – as they know it.

Renegade Hearts

They are the boys your mother always warned you about. They're every parent's worst nightmare. Arrogant, cocky and self-assured. They used the town of Sandland like it was their own personal playground. They didn't follow the rules. They made their own. Most girls were drawn to them like a moth to a flame, but Emily Winters wasn't like most girls. A politician's daughter. A good girl with morals and principles. She represented everything they despised. The only problem was she lived her life in a perfectly orchestrated smokescreen; and where there's smoke, there's usually fire. They wanted to expose her for what she was; a pretty little liar hiding the ugliest truths. But when the truth comes out and lies are exposed, who will be the one to eventually crash and burn? Renegade Hearts is a New Adult Romance from Nikki J Summers. It does contain situations of a violent and sexual nature. Therefore, it is only suitable for readers 18 years+. Please read the trigger warnings.

Contract of War: Spectras Arise Trilogy, Book 3

UNITY OR TYRANNY. THE ONLY DIFFERENCE IS THE BODY COUNT. In the aftermath of a system-wide war between the Admin and Corp Loyalists and the non-citizen population of the Algols, everything once resembling order has been leveled. Scattered enclaves of survivors dot the worlds, living in snarled lawlessness however they can. Aly Erikson and her crew have carved out a niche of relative peace, doing their best to go on with their lives through salvaging, scavenging, and stealing. But with no force left to keep the lid on the pot, the pressures of chaos and discord soon cause conflicts to boil over. As enemies close in from all directions, even sometimes from within, the crew once again must fight—not just for survival, not just for their way of life, but this time for a future that can finally lay to rest the system's bloody and savage past. What people saying about the Spectras Arise Series "A fast-paced and fun sci-fi space adventure with a great protagonist... starts with a

running gun fight and doesn't let up until the explosive conclusion." "Top Notch SciFi Read!" "I'm torn between wanting to savor every exciting moment of this gorgeously written series or binge-read to find out what happens next." "Thrilling, Roller-Coaster Ride of Military Sci-Fi Adventure" "Contains the kind of action that makes it hard to turn off the light and go to sleep." Dynamic speaker and author Foster leads Christians to an untamed, unpredictable relationship with the ultimate renegade of all time -- Jesus.

Renegade

Newly appointed police chief Cash Grier makes it his personal mission to keep law and order in the streets of Jacobsville. As a true renegade, Cash has learned never to take anything at face value—especially not his gorgeous sworn enemy, "Georgia Firefly" Tippy Moore. But Tippy is no longer a spoiled Hollywood starlet, just an unassuming beauty who has almost as many skeletons in her closet as Cash. The hard-edged Texan finds himself powerless to resist their explosive chemistry. Just as Cash is about to believe that Tippy might be the one for him, an unforgivable betrayal leads to despair, deceit—and unexpected danger. Now all roads lead to this one pivotal moment that will test the very fabric of a love that had once known no bounds....

Deep

Surveys the achievements of adventurous scientists, athletes and explorers to reveal how new understandings about deep-sea life, from telepathic coral to shark navigation, are expanding what is known about the natural world and the human mind. 40,000 first printing.

Renegade Women in Film and TV

A charmingly illustrated and timely tribute to the women who broke glass ceilings in film and television, debuting during an historic time of change in the entertainment industry. *Renegade Women in Film and TV* blends stunning illustrations, fascinating biographical profiles, and exclusive interviews with icons like Barbra Streisand, Rita Moreno, and Sigourney Weaver to celebrate the accomplishments of 50 extraordinary women throughout the history of entertainment. Each profile highlights the groundbreaking accomplishments and essential work of pioneers from the big and small screens, offering little-known facts about household names (Lucille Ball, Oprah Winfrey, Nora Ephron) and crucial introductions to overlooked pioneers (Alla Nazimova, Anna May Wong, Frances Marion). From 19th century iconoclast Alice Guy Blaché to 21st century trailblazer Ava DuVernay, *Renegade Women* honors the women who succeeded against all odds, changing their industry in front of the camera and behind the scenes.

Renegade

One of the chosen has gone renegade. Turning his back on all that he once believed, Billos does the forbidden and enters into a Book of History. He lands in a reality as foreign to him as water is to oil—a place called Paradise, Colorado. He has strange new powers given to him courtesy of a mysterious figure known as Marsuvees Black. The chosen four have survived the desert, escaped the Black Forest, battled the Horde, and added a spirited refugee to their number. But nothing has prepared them for the showdown that Billos, the renegade, is luring them into.

Renegade Queen

She's lost everything—her throne, her home, and nearly her life. But her people still need her. When Kalleah flees for her life, leaving the throne to her enemy, she's not about to go into hiding. Her country is in trouble. Itrea's oldest enemy is back, poised to conquer the country that long defied them, and no one else realizes it. Unless Kalleah can raise an army of her own, her country will be taken without a fight. Larkhaven is where she will bide her time and gather support—but the coastal city is not the safe retreat she expects. Enemies have overrun Larkhaven, and they are silencing all who speak out against them. If Kalleah is to save her country, she must start with reclaiming Larkhaven. But her time is running out. Enemy reinforcements are on their way, and as soon as they arrive, the city is lost. War is coming, and Itrea is poised to fall. The chances of success are too slim—Kalleah's people are badly outnumbered and untrained. But Kalleah will not give up without a fight.

Defining Breaking Dawn: Vocab Workbook for Unlocking the SAT, ACT, GED, and SSAT

The most captivating way to master vocabulary for the SAT, ACT, GED, and SSAT exams. Take a bite out of tedious studying and sink your teeth into the newest test-prep sensation. Join Bella, Jacob, and Edward as you learn more than 600 vocabulary words for the SAT, ACT, GED, and SSAT! With hundreds of new vocabulary words, this book can be used completely on its own or as a follow-up to *Defining Twilight*, *Defining New Moon*, and *Defining Eclipse*. You'll use this vocabulary workbook

side-by-side with your own copy of Stephenie Meyer's *Breaking Dawn*. Each chapter of the workbook gives you eight words taken from *Breaking Eclipse*, with page references for you to read the words in the context of your favorite novel. Once you have a grip on the words and their meanings, you'll take SAT, ACT, GED, and SSAT drills to test and integrate your new vocabulary skills. Improve your vocabulary skills to get into the college of your dreams. Learn synonyms, Latin word parts, and memorization tools. Other titles by Leaf: *Defining Twilight*, *Defining New Moon*, and *Defining Eclipse*

Renegade Dreams

Inner city communities in the US have become junkyards of dreams, to quote Mike Davis: wastelands where gangs package narcotics to stimulate the local economy, gunshots occur multiple times on any given day, and dreams of a better life can fade into the realities of poverty and disability. Laurence Ralph lived in such a community in Chicago for three years, conducting interviews and participating in meetings with members of the local gang which has been central to the community since the 1950s. Ralph discovered that the experience of injury, whether physical or social, doesn't always crush dreams into oblivion; it can transform them into something productive: renegade dreams. The first part of this book moves from a critique of the way government officials, as opposed to grandmothers, have been handling the situation, to a study of the history of the historic Divine Knights gang, to a portrait of a duo of gang members who want to be recognized as authentic rappers (they call their musical style crack music) and the difficulties they face in exiting the gang. The second part is on physical disability, including being wheelchair bound, the prevalence of HIV/AIDS among heroin users, and the experience of brutality at the hands of Chicago police officers. In a final chapter, *The Frame, Or How to Get Out of an Isolated Space*, Ralph offers a fresh perspective on how to understand urban violence. The upshot is a total portrait of the interlocking complexities, symbols, and vicissitudes of gang life in one of the most dangerous inner city neighborhoods in the US. We expect this study will enjoy considerable readership, among anthropologists, sociologists, and other scholars interested in disability, urban crime, and race."

Wilfred Series 1 - Episode 3: Dogs of War

Sarah is aware of the growing tension between Wilfred and Adam and calls a meeting. She demands a ceasefire. Adam apologises to Wilfred and Wilfred says, "No hard feelings." It seems like they're all friends, but as soon as Sarah's back is turned Wilfred threatens to tear out Adam's throat. A silent but deadly psychological war is waged behind Sarah's back. The potential for explosive violence is at every corner.

It's OK Not to Share and Other Renegade Rules for Raising Competent and Compassionate Kids

Parenting can be such an overwhelming job that it's easy to lose track of where you stand on some of the more controversial subjects at the playground (What if my kid likes to rough house—isn't this ok as long as no one gets hurt? And what if my kid just doesn't feel like sharing?). In this inspiring and enlightening book, Heather Shumaker describes her quest to nail down "the rules" to raising smart, sensitive, and self-sufficient kids. Drawing on her own experiences as the mother of two small children, as well as on the work of child psychologists, pediatricians, educators and so on, in this book Shumaker gets to the heart of the matter on a host of important questions. Hint: many of the rules aren't what you think they are! The "rules" in this book focus on the toddler and preschool years—an important time for laying the foundation for competent and compassionate older kids and then adults. Here are a few of the rules: • It's OK if it's not hurting people or property • Bombs, guns and bad guys allowed. • Boys can wear tutus. • Pictures don't have to be pretty. • Paint off the paper! • Sex ed starts in preschool • Kids don't have to say "Sorry." • Love your kid's lies. IT'S OK NOT TO SHARE is an essential resource for any parent hoping to avoid PLAYDATEGATE (i.e. your child's behavior in a social interaction with another child clearly doesn't meet with another parent's approval)!

The Renegade Wife

The *Renegade Wife* kicks off the new *Children of the Empire* series, companion stories to award-winning author Caroline Warfield's *Dangerous* series. Raised with all the privilege of the English aristocracy, forged on the edges of the British Empire, men and woman of the early Victorian age seek their own destiny and make their mark on history. The *Renegade Wife* is the story of healing and a journey home, of choices and the freedom to make them, set in 1832 in Upper Canada and in England. Two hearts betrayed by love... Desperate and afraid, Meggy Blair will do whatever it takes to protect her children. She'd hoped to find sanctuary from her abusive husband with her Ojibwa grandmother,

but can't locate her. When her children fall ill, she finds shelter in an isolated cabin in Upper Canada. But when the owner unexpectedly returns, he's furious to find squatters disrupting his self-imposed solitude. Reclusive businessman Rand Wheatly had good reason to put an ocean between himself and the family that deceived him. He just wants the intrusive woman gone, but it isn't long before Meggy and the children start breaking down the defensive walls he's built. But their fragile interlude is shattered when Meggy's husband appears to claim his children, threatening to have Rand jailed. The only way for Meggy to protect Rand is to leave him. But when her husband takes her and the children to England, Meggy discovers he's far more than an abuser; what he's involved in endangers all their lives. To rescue the woman who has stolen his heart, Rand must follow her and do what he swore he'd never do: reconcile with his aristocratic family and finally uncover the truth behind all the lies. But time is running out for them all.

Renegade

Silver Blackthorn is a fugitive. Silver Blackthorn has committed treason. She is dangerous. Do NOT approach her. A large reward is on offer. Report any sightings to your nearest Kingsman. Long live the King. Silver Blackthorn is on the run. She fled Windsor Castle with eleven other teenagers, taking with her something far more valuable than even she realises: knowledge. With the entire country searching for the missing Offerings, Silver must keep them all from the vicious clutches of King Victor and the Minister Prime. Until now, no one has escaped the king and lived to tell the tale. Or have they? With expectations weighing heavily on the girl with the silver streak in her hair, will she ever find her way home? Following the breath-taking *Reckoning*, *Renegade* continues the excitement of the Silver Blackthorn Trilogy by bestselling author Kerry Wilkinson.

A Renegade Union

Dedicated to organizing workers from diverse racial, ethnic, and religious backgrounds, many of whom were considered "unorganizable" by other unions, the progressive New York City-based labor union District 65 counted among its 30,000 members retail clerks, office workers, warehouse workers, and wholesale workers. In this book, Lisa Phillips presents a distinctive study of District 65 and its efforts to secure economic equality for minority workers in sales and processing jobs in small, low-end shops and warehouses throughout the city. Phillips shows how organizers fought tirelessly to achieve better hours and higher wages for "unskilled," unrepresented workers and to destigmatize the kind of work they performed. Closely examining the strategies employed by District 65 from the 1930s through the early Cold War years, Phillips assesses the impact of the McCarthy era on the union's quest for economic equality across divisions of race, ethnicity, and skill. Though their stories have been overshadowed by those of auto, steel, and electrical workers who forced American manufacturing giants to unionize, the District 65 workers believed their union provided them with an opportunity to re-value their work, the result of an economy inclining toward fewer manufacturing jobs and more low-wage service and processing jobs. Phillips recounts how District 65 first broke with the CIO over the latter's hostility to left-oriented politics and organizing agendas, then rejoined to facilitate alliances with the NAACP. In telling the story of District 65 and detailing community organizing efforts during the first part of the Cold War and under the AFL-CIO umbrella, *A Renegade Union* continues to revise the history of the left-led unions of the Congress of Industrial Organizations.

Renegade

The second book in the *Insurrection* trilogy, which tells the thrilling story of Robert the Bruce. King Edward I of England marches on Scotland, inspired by an Arthurian prophecy and aiming to unite the British Isles under a single crown. One man alone can thwart Edward's plan. But on the run in Ireland, hunted by a relentless assassin, Robert Bruce seems a long way from achieving his ambition. Born to a line of kings, Robert will not bow to a conqueror. Robert finds that to survive he must abandon everything he holds dear. He was always prepared to die on the battlefield - but who else must he sacrifice to keep his hopes alive? *Renegade* is a dazzling story of conspiracy and divided loyalties, battle and betrayal, and a superb portrait of the medieval world.

Renegade

The finale to the dystopian fantasy trilogy James Dashner called "fantastic" has a daring escape from pirates, life-or-death rescue missions, and a heartbreaking romance. Thom and his fellow colonists are in danger of paying the ultimate price to secure their homeland in this last book of the *Elemental* trilogy.

After the shocking discovery that his mother is still alive and on Roanoke, Thom is determined to return to that island. However, the island is still under pirate control, and a mysterious boy in possession of a dangerous element appears. With the help of an unlikely ally and the newly discovered ability to combine elements, Thom must summon the full extent of his power to end this battle for their home once and for all. Packed with adventure, mystery, and romance, the gripping conclusion to the series that began with *Elemental* and *Firebrand* is perfect for fans of *Ship Breaker* and *Divergent*.

Renegades Write the Rules

Learn the rules to building loyal (and lucrative) digital followings. *Renegades Write the Rules* reveals the innovative strategies behind the social media success of today's top celebrities, brands, and sports icons, and how you can follow their lead. Author Amy Jo Martin is the founder of Digital Royalty and the woman who pioneered how professional sports integrate social media. In this book she shows how to build a faithful following and beat the competition clamoring for people's attention by continually delivering value - when, where, and how people want it. People want to be heard, to be involved, to be entertained, to be adventurous, to be informed. Reveals the winning strategies for using social media to achieve dramatic results. Shows how to gain influence with social media that requires an unprecedented (and potentially uncomfortable) level of accessibility and ongoing affinity. Filled with illustrative examples of social media successes (including Dwayne 'The Rock' Johnson, Shaquille O'Neal, and Nike) that show how humanizing a brand through social media leads to monetization. Explores how Amy Jo Martin and other successful entrepreneurs are becoming renegades by using social media to innovate their personal and professional lives. The book reveals one of the basic rules of digital media success: Humans connect with humans, not logos and creative taglines.

Daily Report, Foreign Radio Broadcasts

Growing up in the small town of Chippman, Hannah had long ago accepted the fact that she would never leave it. When Jack walks into her life, and turns it upside down, she quickly realizes that not everything is what she'd believed it to be. Knowing that Jack will reject her if he learns the truth about her, Hannah struggles to fight her growing attraction to him.

Redemption

This first modern study provides an original and balanced perspective of a theorist whom Lenin referred to as both 'master of Marxism' and 'renegade'. Examining Kautsky's political thought over a period stretching from the Paris Commune to the Second World War, the author argues for the consistency with which Kautsky developed his positions on socialism, democracy, political parties and the role of the proletariat. While Salvadori's analysis is grounded in the debates within the Communist International and the German labour movement, Kautsky emerges as a distinctly modern thinker who produced a Marxist theory of the state, and originated critique of the USSR as a 'state capitalist' system. At this level, it provides a serious and measured exposition of the terms on which arguments for socialist strategy currently move.

Karl Kautsky and the Socialist Revolution 1880-1938

Reading Public Romanticism is a significant new example of the linking of esthetics and historical criticism. Here Paul Magnuson locates Romantic poetry within a public discourse that combines politics and esthetics, nationalism and domesticity, sexuality and morality, law and legitimacy. Building on his well-regarded previous work, Magnuson practices a methodology of close historical reading by identifying precise versions of poems, reading their rhetoric of allusion and quotation in the contexts of their original publication, and describing their public genres, such as the letter. He studies the author's public signature or motto, the forms and significance of address used in poems, and the resonances of poetic language and tropes in the public debates. According to Magnuson, "reading locations" means reading the writing that surrounds a poem, the "paratext" or "frame" of the esthetic boundary. In their particular locations in the public discourse, romantic poems are illocutionary speech acts that take a stand on public issues and legitimate their authors both as public characters and as writers. He traces the public significance of canonical poems commonly considered as lyrics with little explicit social or political commentary, including Wordsworth's "Immortality Ode"; Coleridge's "This Lime-Tree Bower My Prison," "Frost at Midnight," and "The Ancient Mariner"; and Keats's "On a Grecian Urn." He also positions Byron's *Dedication to Don Juan* in the debates over Southey's laureateship and claims for poetic authority and legitimacy. *Reading Public Romanticism* is a thoughtful and revealing

work. Originally published in 1998. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Reading Public Romanticism

Whispers, rumors, and horror stories abound about The Barrens and the strange creatures lurking within them. Determined to find the remaining vampires who stood against his father in the war, Braith knows it's dangerous to enter the inhospitable land, but that they must if they are to have a chance at gaining allies to help overthrow the king. Though he once knew the powerful vampires that are rumored to reside within The Barrens, he is unsure what to expect if they succeed in finding them. However, he'll do whatever is necessary to ensure a future for himself and Aria. Aria is fearful of entering into the land she's heard nothing but cautionary tales about, but she's determined to help Braith locate the vampires that may help with their cause. She is fascinated and amazed by the world they uncover within, one that is unlike anything she has ever seen before. However, the more immersed they become in a world she doesn't entirely understand, the more she realizes that it won't be the war or even the king that will eventually tear her and Braith apart. It will be her. Mature YA/New Adult. This book contains some language, violence, and sexual situations. Recommended for ages sixteen and up. Edited by Leslie Mitchell at G2 Freelance Editing.
