Because There Are those Autobiographies to 1200 Pages of Them and the First Problem You Face any Biographer of Douglas Has Always Faced this the First Problem You Have Is that Your Subject Is Always There Getting in Your Way the Autobiographies Are Always There You'Re Trying To See through Them under Them around Them He's Manipulating You on every Page Now but You Can't Just Follow Him because He's Creating that Myth He's Creating the Myth of the Self-Made Hero He Is Heroic He Is Partly Self-Made but There's a Lot of Other People Who Help Make Especially Women from His Grim from His Mother to His Grandmother to Sofia all Who Teaches Him His Alphabet until She Stops to Anna Who Follows Him Who Is As Brave as He Was To Follow Him out of Slavery Man I Think What You Have To Do as a Biographer Is Acknowledge that Heroic Rise to all of these Various Kinds of Position Positions Acknowledge the Ambition that Driving Ambition of this Man and

I Would Add to that Endurance I Do Think One of Douglass's Greatest Legacies Is the Way He Could Endure Struggle Failure Horrible Obstacle Incredible Racism Being Jim Crowed More Times than You Could Ever Count and Just Keep Moving and Keep Fighting and Never Ever Give Up on those Basic American Creed's of the Declaration of Independence and the Natural Rights Tradition He Didn't Think those Were American He Thought those Were for all of Humanity but You Can't Let Yourself Do Is Fall into the Myth that He's Imposing on You I Think We Have To Watch that as We Read Douglas Is Heroic Character Can Overwhelm the Time

I Think When You Say Racism Is Sometimes a Political Maneuver a Strategic Position in the Face of Vicious Opposition a Habit of Mind and Tailed upon One Soul or a Structural or Institutional Force beyond the Garris of Individuals Huh Pretty Good Bryan Stevenson Says Yeah Slavery Didn't End in 1865 It Just Evolved What Are Your Thoughts about the Language in the Thirteenth Amendment in this Phenomenon of Mass Incarceration and We'Re Getting Ready to We'Re Closing in Ohio the 13th Yes Simple Little Amendment First Sentence End Slavery Forever Second Sentence Says Well except for Involve except for Imprisonment Yes

When They Saw Douglass You Know and They Heard His Voice and So On and It Does Give You a Sense if You'Re Still Needed It of His Charisma Power of His Language Power of His Presence and Already the Power of His Legend So To Speak while He Was Still Alive He Probably Was One of the Most Recognizable American of the Late Nineteenth I Know because any Doubt He Was Partly Was because of the Hair and Cultivated His Image but Everywhere He Couldn't Go Anywhere as We Say without Somebody Wanting To Follow Them and Ask Him some Questions and He Would Get People Stopping Him on the Street
