The Deception of Allah Volume 1

A colour-drenched epic, filled with vivid sex and violence, from Indonesia's most exciting young author. The epic novel *Beauty Is a Wound* combines history, satire, family tragedy, legend, humour, and romance in a sweeping polyphony. The beautiful Indo prostitute Dewi Ayu and her four daughters are beset by incest, murder, bestiality, rape, insanity, monstrosity, and the often vengeful undead. Kurniawan's gleefully grotesque hyperbole functions as a scathing critique of his young nation's troubled past: the rapacious offhand greed of colonialism; the chaotic struggle for independence; the 1965 mass murders of perhaps a million Communists, followed by three decades of Suharto's despotic rule. *Beauty Is a Wound* astonishes from its opening line: 'One afternoon on a weekend in May, Dewi Ayu rose from her grave after being dead for twenty-one years...' Drawing on local sources folk tales and the all-night shadow puppet plays, with their bawdy wit and epic scope and inspired by Melville and Gogol, Kurniawan's distinctive voice brings something luscious yet astringent to contemporary literature. Eka Kurniawan was born in Tasikmalaya, Indonesia in 1975. He studied philosophy at Gadjah Mada University, Yogyakarta and has since published several novels and short stories. The rights to *Beauty is a Wound* have now been sold in 27 territories. *Love and Vengeance* will be published by Pushkin Press in 2017.

How to Beat the Market Makers at Their Own Game

Eight years ago, Lisan the fisherman, who has always believed he was descended from royalty, left his wife and the Water Village. Now he's back, and he says he can prove it. Six hundred years ago, a forbidden relationship between the royal children of Brunei set into motion a chain of events that will end with the death of a king...or the death of a god. As the story of Lisan's true intentions – and what he was really doing in those years away – unravels, the story of those doomed royal children also spins to its inevitable conclusion.

The Fisherman King

Peace cannot be attained as long as there are ideologies that promote hate. People don't naturally do evil. They do evil when indoctrinated. Good people do evil things when they perceive injustice. Often their perception is imaginary. Masses of people can be manipulated to believe that they are victimized. They then become filled with hate, seek revenge and commit atrocities while considering them-selves

righteous and justifying every cruelty. Islam is one such a doctrine. Why are there no freedom of speech and no true democracy in any Islamic country? Why do they abuse and treat their women as objects? Why do all Muslim countries have dismal Human Rights record? Why they riot and murder innocent people over the silliest things? What drives so many of them to terrorism? Why they are constantly at war with everyone, and with each other? To understand Muslims, we must understand their prophet. Islam is Muhammadism. His biographers reported Muhammad used to withdraw to a cave and spend days wrapped in his thoughts. He felt spasms, heard bells ringing and saw ghosts. He thought he had become demon possessed, but his wife reassured him he had become a prophet. Convinced of his superior status, Muhammad was intolerant of those who rejected him, assassinated those who criticized him, raided, looted, and massacred entire populations. He reduced thousands to slavery. He raped, and allowed his men to rape their female captives. All of this, he did with a clear conscience and a sense of entitlement. He was magnanimous to those who admired him, but vengeful towards his detractors. He believed he was the most perfect human creation and that the universe was created because of him. Understanding Muhammad ventures beyond the stories. It unravels the mystique of the most influential, and yet the most enigmatic man in history. Muslims emulate their prophet. Only by understanding him can we know what makes them tick, and predict these most unpredictable people.

Sex and Allah

Nominated for the Man Booker International, Eka Kurniawan brings his short stories into English for the first time. Eka Kurniawan's freewheeling imagination explores the turbulent dreams of an ex-prostitute, the hapless life of a perpetual student, victims of an anticommunist genocide, the travails of an elephant, even the vengeful fantasies of a stone. Dark, sexual, scatological, violent, and mordantly funny, these fractured fables span city and country, animal and human, myth and politics. Like nothing else, Kurniawan's stories bury themselves in the mind. His characters and insights are at once hauntingly familiar, peculiar, and twisted.

Understanding Muhammad and Muslims

Fantasizing the Feminine in Indonesia

A "psychologically acute and boldly plotted" tale of a wealthy, dysfunctional family in Malaysia (Booklist, starred review). Set in Malaysia, this internationally acclaimed debut novel offers an unflinching look at relationships between parents and children, brothers and sisters, the wealthy and poor, a country and its citizens—all through the eyes of the prosperous Rajasekharan family. When Chellam, the family's rubber-plantation-bred servant girl, is dismissed for unnamed crimes, her banishment is the latest in a series of losses that have shaken six-year-old Aasha's life. A few weeks before, Aasha's grandmother Paati passed away under mysterious circumstances and her older sister, Uma, departed for Columbia University—leaving Aasha to cope with her mostly absent father, bitter mother, and imperturbable older brother. Moving backward and forward in time, Evening Is the Whole Day explores the closely guarded secrets that haunt the Rajasekharans: What was Chellam's unforgivable crime? Why was Uma so intent on leaving? What did Aasha see? And, underscoring all of these mysteries: What ultimately became of her father's once-grand dreams for his family and his country? "A delicious first novel . . . [Samarasan's] ambitious, spiraling plot, her richly embroidered prose, her sense of place, and her psychological acuity are stunning." —The New York Times Book Review "A surpassingly wise and beautiful debut novel about the tragic consequences of the inability to love." —Booklist, starred review "The language bursts with energy." —Publishers Weekly

This unique work is the first comprehensive genealogical chart of virtually all of the named figures of Greek mythology that can be shown to be related. The product of more than 35 years of research, the book includes a 72-page continuous chart that links 3,673 named figures into a single "family tree" spanning 20 generations and an 80-page index that provides a citation to an authoritative ancient source for each relationship. The genealogy begins with Chaos and--based on works by Hesiod, Homer, Aeschylus, Pindar, Bacchylides, Herodotus, Euripides, Apollodorus, Pausanias, Diodorus Siculus, and scores of other ancient poets, playwrights, and writers--continues down through the Titans, the gods, legendary kings, and such well-known figures of literature as Odysseus, Jason, Antigone, and Helen of Troy, as well as hundreds of obscure figures, including their spouses, paramours, children, and descendants. The chart shows all of the known relationships--parental, marital, and extramarital--of each figure. In addition to furnishing a citation for each relationship, the index provides brief descriptive

information and indicates the quadrant and page of the continuous chart where the relationship is depicted. A two-page master chart illustrates the relationships among the principal figures.
