You should choose the biggest goal to be more successful and motivated.

Women are more strong than men emotionally.

When a person is drunk, probably he tells all the truth.

When you share your problems to another person, you feel lighter.

When someone looking at their left side while talking to you, this means they are thinking about creative things.

Mobile phone have more bacteria compared to toilet seat.

Wise people are generally the one who keep more patience.

Our mind see the blue colour first among all colour.

Claustrophobia is the phobia of the packed room or pack space.

Dogs and cats also see dreams.

Psychology Facts According to a study, your brain automatically attracted to a person who is fair in colour.

Most of the genius people understand things slowly.

When you lie something, tell in short, so no one can catch you that you are lying.

If someone helps you at a bad time, you can fall in love with that person.

People pretend to be angry to avoid problems.

People who sleep on their back, they are very self- confident.

You get your eyebrow up when you feel surprised.

There is a myth, if a woman smiles at you, she likes you.

95% time you prefer to keep quiet to avoid a fight

Love is like an addiction, that's why it's difficult to live after the break up.
