I Am Not Sleepy and I Will Not Go to Bed

A classic Charlie and Lola picture book about tricky bedtimes from Children's Laureate Lauren Child. Charlie has this little sister Lola. Sometimes he has to try and get her off to bed. This is a hard job because Lola likes to stay up late... Lola says, "I am not slightly sleepy at 6 or 7 or 8. I am still wide awake at 9 and not at all tired at 10,11 and 12 and I will probably be perky at even 13 o'clock in the morning." Told with true Lauren Child style, this warm and funny picture book will make bedtime fun for even the most reluctant of children. As seen on CBeebies! 'Funny, bright and very entertaining' - Daily Mail

Slightly Invisible

Charlie learns that visibility is relative - but Lola's quick-wittedness is crystal clear. Charlie and his friend Marv have invented an invisibility potion to help them find strange and tricky creatures, which they would prefer to do without Lola interrupting and bothering. But when Lola enlists a little help from her invisible friend, Soren Lorensen - not to mention a tea set, a rabbit, a stroller and, of course, one or three glasses of pink milk - it turns out that the strange and tricky creatures have met their match in one inventive and very resourceful little sister. My Cat is in Love with the Goldfish and Other Loopy Love Poems

Following the same successful formula of *The Secret Life of Pants* and *Let's Recycle Grandad*, *My Cat is in Love with the Goldfish* is a compilation of the loopyest love poems ever brought together in one collection. This is a truly original and engaging book of poems that kids will find impossible to resist. Forget the 'Owl and the Pussycat', here we've got the skunk and the porcupine, the octopus and the rhinoceros, a whale that falls head over tail for a submarine, and much more besides. With tongue twisters, limericks, epitaphs, haiku, love songs, and wonderfully witty wordplay throughout, *My Cat is in Love with the Goldfish* is a refreshing new take on one of poetry's perennial themes.

The Devil May Dance

Charlie and Margaret discover the dark side of Hollywood in Jake Tapper's follow-up to New York Times bestseller *The Hellfire Club*—an "excellent" cocktail of corruption and ambition (Publishers Weekly). Charlie and Margaret Marder, political stars in 1960s Washington DC, know all too well how the tangled web of power in the nation's capital can operate. But while they long to settle into the comforts of home, Attorney General Robert Kennedy has other plans. He needs them to look into a potential threat not only to the presidency, but to the security of the United States itself. Charlie and Margaret quickly find themselves on a flight to sunny Los Angeles, where they'll face off against a dazzling world of stars and studios. At the center of their investigation is Frank Sinatra, a close friend of President John F. Kennedy and a rumored mob crony, whom Charlie and Margaret must befriend to get the inside scoop. But in a town built on illusions, where friends and foes all look alike, nothing is easy, and drinks by the pool at the Sands and late-night adventures with the Rat Pack soon lead to a body in the trunk of their car. Before they know it, Charlie and Margaret are being pursued by sinister forces from Hollywood's stages to the newly founded Church of Scientology, facing off against the darkest and most secret side

of Hollywood's power. As the Academy Awards loom, and someone near and dear to Margaret goes missing, Charlie and Margaret find the clock is not only ticking but running out. Someone out there knows what they've uncovered and can't let them leave alive. Corruption and ambition form a deadly mix in this fast-paced sequel to *The Hellfire Club*.

The Goody

From Lauren Child, multi-award-winning, bestselling creator of Charlie and Lola, comes this touchingly funny tale of being GOOD, being BAD, and most importantly, being YOU! Chirton Krauss is a good child -- the very goodest. He does everything he is told, when he is told. He even does good things without being told. He eats his broccoli, he goes to bed on time, and he never, ever sticks his finger up his nose. Meanwhile, Chirton's sister, Myrtle, is NOT quite as good. She stays up late, she never cleans out the rabbit's pen, and she drops her cocoa puffs all over the rug. But what will happen when Chirton Krauss decides that being the goody isn't always so good after all? Bestselling and esteemed creator Lauren Child has beautifully crafted this charmingly fresh and humorous exploration of individuality and being yourself. Her vibrant illustrations celebrate the story of two siblings discovering who they are, and how liberating it is to move beyond labels and be their authentic selves. Lauren Child brings her creative talent and insight to this universal story that every child and parent will connect with and celebrate.
