begin by placing a hand over the heart
breathing slowly deeply and evenly in and out of the heart
continue to breathe in and out of your heart
imagine a golden sphere of light spinning gently above your head
light the area of your third eye or your center
begin to flow into your heart chakra
amplifying this light filling all those spaces within your heart
penetrate all aspects of your beingness
continue to flow all the way down into your sacral chakra
continue to flow all the way down to your root chakra
repeat the following information three times

taking slow rhythmic deep breaths

continuing to breathe slowly deeply and evenly inhaling through the nose

moving into a state of stillness

moving to the next deeper level of relaxation

drifts down deepening the relaxation through the whole of the head

sending soothing relaxation into the hands and the fingers

feel in the core of your body a field of energy

relax into his beautiful hug

healing permeating every cell of your body
