

The Body As Resource A Therapists Manual For Sensorimotor Psychotherapy

[#sensorimotor psychotherapy](#) [#body as resource](#) [#therapist manual](#) [#somatic healing](#) [#trauma therapy techniques](#)

This therapist's manual delves into the profound concept of the body as a crucial resource for healing, specifically within the transformative framework of sensorimotor psychotherapy. It provides practitioners with essential techniques and practical insights to integrate somatic awareness into their clinical practice, empowering clients to access inherent bodily wisdom for deep psychological and emotional resolution.
